Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

HB 03352 (Continued)

Amends the Collection Agency Act. Provides that a debtor is not liable for any coerced debt, as defined in the Act, and may assert that they have incurred a coerced debt by providing to a collection agency an oral or written Statement of Coerced Debt, as specified. Sets forth provisions concerning notice of coerced debt to a collection agency; duties of a collection agency upon receiving an incomplete statement of coerced debt; affirmative defenses in collection actions or arbitration; civil liability; protections from perpetrators of coerced debt; restrictions on waivers; and liability of collection agencies for violations of the Act. Provides that, upon receiving the debtor's complete statement of coerced debt and specified supporting information, a collection agency shall review and consider all the information received from the debtor as well as any other information available in the collection agency's file or from the creditor related to the alleged coerced debt within 90 days after receipt of the statement of coerced debt. Requires a collection agency, within 5 days after receipt of the complete statement of coerced debt and supporting information, to cease any pre-judgment attempts to collect the coerced debt from the debtor, including refraining from filing any lawsuit or arbitration to collect the coerced debt, and notify any consumer reporting agency to which the collection agency or creditor furnished adverse information about the debtor that the debtor disputes the adverse information. Establishes additional requirements for a collection agency that reviews a statement of coerced debt. Provides that, within 180 days after the effective date of the Act, the Department of Financial and Professional Regulation may design and publish a model coerced debt and third party written verification form in English and any other language it determines, within its discretion, is the first language of a significant number of consumers in the State. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes to defined terms. Provides that a debtor may assert that the debtor has incurred a coerced debt by providing to a collection agency a written statement (rather than written or oral) of coerced debt. Makes changes to the contents required to be in the statement of coerced debt. Establishes requirements for delivery of the statement of coerced debt. Provides that, if a debtor notifies a collection agency orally that the debt it is pursuing is coerced debt or is partially coerced debt, the collection agency shall notify the debtor orally or in writing, within 14 days (rather than 10 business days) after receiving oral notice, that the debtor's claim must be in writing and refer the debtor to any model statement that is posted by the Department of Financial and Professional Regulation on its website (rather than the model statement). Provides that a debtor shall have 21 days after receipt that the statement is incomplete to respond with the additional information required, and the collection agency may resume collection activities if a complete statement of coerced debt has not been provided by the debtor to the collection agency on or before 30 days after notice of an incomplete statement of coerced debt was provided to the debtor. Provides that a qualified third party who fraudulently certifies that the debtor sought assistance from the qualified third party related to the coerced debt, abuse, exploitation, or human trafficking shall be liable to the collection agency for actual damages, court costs and reasonable attorney's fees. Provides that any statute of limitation that may apply to a debt that is alleged to be coerced debt shall be tolled for the duration of any time period during which the collection agency is temporarily prevented from commencing legal action related to the debt or any portion of the debt. New Act

Adds reference to:
765 ILCS 705/35 new

Replaces everything after the enacting clause. Amends the Landlord and Tenant Act. Adds provisions concerning rental fee transparency by requiring all non-optional fees, regardless of whether they are one-time fees or recurring fees, to be explicitly contained on the first page of a lease agreement. Provides that a tenant shall not be liable for payment of any fee that is not explicitly contained on the first page of the lease agreement. Requires a landlord to disclose in the lease agreement or unit listing whether utilities are included in the rent. Prohibits certain fees including: (i) a fee for a rental application or background check in excess of \$50, with some exceptions; (ii) a fee or fine for modification or renewal of a lease agreement; (iii) a fee or fine for after-hours requests for maintenance service; (iv) a fee or fine for pest abatement or removal where the tenant has in no way contributed to the infestation; and other fees. Limits the concurrent exercise of home rule powers if inconsistent with the provisions of the amendatory Act. Provides that the amendatory Act applies to all lease agreements for residential rental property entered into after the effective date of the amendatory Act; and that a landlord may not rename a fee or charge to avoid application of the Act. Creates a civil action for any person alleging a violation of the rental fee transparency and fee ban provisions under the amendatory Act. Effective July 1, 2026.

Senate Floor Amendment No. 8

Provides that non-optional fees must be disclosed in a clear and conspicuous manner in a listing of residential property or in an accompanying weblink at the time of the listing. Prohibits the imposition of a fee or fine ancillary to the application fee at the time of the application that is intended to duplicate the costs of tenant screening or to include costs unrelated to tenant screening but may not be construed to limit the ability of the landlord to charge an application fee to cover the costs of tenant screening.

HB 01611 (Continued)

Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that no court shall issue a search warrant that permits police officers to enter a residence without first knocking and announcing their office. Provides that police officers may enter a residence without first knocking and announcing their office in exigent circumstances when entry without notice is necessary to prevent physical injury to police officers or others. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining any child, unless the child presents an immediate threat of physical harm to oneself or another person. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. 725 ILCS 5/103-2.3 new

Amends the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language confession of a person made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act is presumed to be inadmissible as evidence against the person making the confession in a criminal proceeding for an act that would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer knowingly engages in deception. Provides that the presumption of inadmissibility of a confession of a person at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Provides that the burden of going forward with the evidence and the burden of proving that a confession was voluntary is on the State. Provides that objection to the failure of the State to call all material witnesses on the issue of whether the confession was voluntary must be made in the trial court. Defines terms.

Replaces everything after the enacting clause. Amends the Illinois Power Agency Act. Removes provisions concerning the Prevailing Wage Act. In provisions concerning the Adjustable Block program, provides that, if the Illinois Power Agency determines that there is additional capacity needed to meet previous delivery year requirements, certain criteria shall apply. Provides that the total nameplate capacity of colocated projects shall be the sum of the capacities of the individual projects. Provides that affiliates may not have shared sales or revenue-sharing arrangements or common debt and equity financing arrangements. HB 03365 (Continued)

705 ILCS 405/2-27

from Ch. 37, par. 802-27

Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Defines "domestic violence".

House Floor Amendment No. 1

Deletes reference to:

705 ILCS 405/2-18

Adds reference to:

325 ILCS 5/3

from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

Provides that an election authority shall, except as otherwise provided under the Code, allow a voter who is in line to vote at the time an early voting polling place closes to cast a ballot. In provisions concerning primary election ballots, provides that the lettering of candidate names on a ballot shall be in both capital and lowercase letters in conformance with standard English language guidelines, unless compliance is not feasible due to the election system used by the election authority. Provides that election authorities may authorize service of objections to candidate nominations through electronic mail in lieu of personal service under specified circumstances. Requires each election authority to post certain election results on its website. Creates the universal vote centers pilot program. Sets forth provisions concerning name standardization. Requires election authorities to establish curbside voting for individuals with disabilities. Provides that, for specified applications, change of address forms, or recertifications of a driver's license or State identification card, the application, form, or recertification shall serve as a dual-purpose application when the applicant presents specified identification (rather than meets the requirements of the federal REAL ID Act of 2005). Requires election authorities to establish a website for eligible voters to request vote by mail ballots. Authorizes a reduction in the number of election judges in each precinct. In the Chicago School District Article of the Code, provides that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners and shall be prepared, filed, and certified as outlined in the Election Code (rather than providing that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners within the time provided for in the Election Code, except that petitions for the nomination of members of the Chicago Board of Education for the 2024 general election shall be prepared and certified as outlined in the Election Code). In the Educational Service Regions Article of the School Code, provides that, when a vacancy occurs in the office of regional superintendent of schools and more than 28 months remain in that term and the vacancy occurs at least 130 days before the next general election, appointment to fill the vacancy shall be until the next general election (rather than if more than 28 months remain in that term, the appointment shall be until the next general election). Replaces everything after the enacting clause. Amends the O'Hare Driver Safety Act. Allows the Illinois State Police (rather than the Illinois Toll Highway Authority) to issue the violation of stopping or standing within one-half mile of O'Hare International Airport to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle. Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

Exempts images from cameras under the Expressway Camera Act and all automated license plate reader (ALPR) information used and collected by the Illinois State Police from inspection and copying. Amends the Expressway Camera Act. Provides that, as used in the Act, "forcible felony" means trafficking in persons and involuntary servitude (in addition to other specified offenses). Includes the counties of Lee, Ogle, and Whiteside in the program to increase cameras along expressways and the State highway system. Provides that images from the cameras, including, but not limited to, images of license plates collected by state-operated cameras and cameras operated by the Illinois State Toll Highway Authority, may be used by any law enforcement agency conducting an active law enforcement investigation. Removes provision allowing images from the cameras to be used by any law enforcement agency conducting an active law enforcement investigation. Provides that all images from the cameras that are exported through a law enforcement database shall be deleted from that law enforcement database within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Provides that any forcible felony, gunrunning, or firearms trafficking offense, as specified, respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund or money from the Illinois State Toll Highway Authority and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed. Provides that the Act supersedes provisions in the Toll Highway Act regarding the confidentiality of personally identifiable information obtained through electronic toll collection systems. Provides that the Act is repealed on July 1, 2028 (rather than July 1, 2025). Effective immediately.

House Committee Amendment No. 1

Provides that the Act does not supersede prohibitions related to users of automated license plate readers.

Senate Committee Amendment No. 1

In the Freedom of Information Act, provides that the exemption for images from cameras under the Expressway Camera Act and all automated license plate reader information used and collected by the Illinois State Police is inoperative on and after July 1, 2028 (rather than July 1, 2025).

In provisions concerning primary election ballots, provides that the lettering of candidate names on a ballot shall be in both capital and lowercase letters in conformance with standard English language guidelines, unless compliance is not feasible due to the election system used by the election authority. Amends the Illinois Insurance Code. Establishes reimbursement rates for mental health and substance use disorder treatment services for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2027 or for any contracted third party administering the behavioral health benefits for the insurer. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 or any contracted third party administering the behavioral health benefits for the insurer to cover certain medically necessary mental health and substance use disorder treatment services. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 for each violation. Excludes certain health care plans serving Medicaid populations who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Requires the Department to review the impact of the proposed mental health and substance abuse mandate on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Permits the Department to examine out-of-network utilization and out-of-pocket costs for insureds for mental health and substance use treatment and services for all plans to compare with in-network utilization. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code to require coverage under those provisions. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 375/6.11

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions amending the State Employees Group Insurance Act of 1971. In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Makes conforming changes.

Senate Committee Amendment No. 1

Deletes reference to:

215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

105 ILCS 5/34-18.88 new

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

Representative Maurice A. West, II
HB 01237 (Continued)

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

765 ILCS 745/6.2 new

Amends the Mobile Home Landlord and Tenant Rights Act. Provides that a park owner is prohibited from requiring a tenant to pay for utility service in which the public utility company charging for those services includes any service to common areas, other mobile homes, areas used or occupied by persons other than the individual tenant, and persons occupying the same mobile home with the tenant. Provides that a park owner may not request or cause a change in billing in metered utilities during the term of a lease (i) from a tenant to the park owner or landlord or (ii) from the park owner to a tenant. Requires the park owner to provide a minimum of 90 days' notice to each affected tenant before changing the service but no less than 90 days before the expiration of a lease. Allows the park owner and tenant to agree to amend the lease to effect such a change as long as the amendment is in writing and signed by both parties. Provides that any term or condition in a rental agreement between the park owner and the tenant that is inconsistent with the Act is void and unenforceable. Requires park owners to provide detailed copies of monthly utility bills to tenants for utilities paid by the park owner regardless of the metering arrangement.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Mobile Home Landlord and Tenant Rights Act. Provides that a park owner is prohibited from requiring a tenant to pay for utility services, such as water, sewer, and trash used in common areas in which a public utility company is charging for those services. Provides that if the public utility usage for common areas is not separately measured by equipment such as a water meter, the park owner may not charge the tenants for more than 80% of the public utility services for which the park owner was billed. Requires on an annual basis that the park owner provide tenants with a written explanation of how a tenant's share of the utility charge was calculated, and upon request from a tenant, must provide a copy of the park's monthly utility bills to tenants for any utility charge separately billed under the Act.

Sets forth the membership of the Commission. Contains provisions concerning meetings, duties, and reporting. Repeals the provisions on December 31, 2026. from Ch. 38, par. 112A-29

725 ILCS 203/20

750 ILCS 60/303

from Ch. 40, par. 2313-3

Amends the Criminal Code of 2012. Deletes a provision that timely notice to a retail mercantile establishment that is a victim of retail theft, organized retail crime, financial institution fraud, or looting shall include 7 days' notice of any court proceedings. Amends the Code of Criminal Procedure of 1963. Provides that a law enforcement officer may not refuse to complete a written report as required by the Protective Orders Article of the Code on any ground. Provides that a law enforcement officer shall not discourage or attempt to discourage a victim from filing a police report concerning an incident of abuse. Provides for the vacation of a conviction (rather than only prostitution convictions) if the defendant was a victim of human trafficking. Provides that the determination of the motion shall be by a preponderance of the evidence. Provides that evidence demonstrating the defendant's status as a victim of trafficking at the time of the offense shall create a rebuttable presumption that the defendant was a victim of human trafficking at the time of the offense. Provides that, regardless of whether the court grants a motion to vacate the sentence, it may permit the defendant to file an expedited petition for expungement or sealing under the Criminal Identification Act to be heard whenever possible before the same judge to whom the motion to vacate his or her conviction was presented upon 30 days' notice to those entitled to notification of expungement or sealing proceedings. Amends the Sexual Assault Incident Procedure Act. Provides that a law enforcement officer shall not discourage or attempt to discourage a victim from filing a police report concerning sexual assault or sexual abuse. Amends the Illinois Domestic Violence Act of 1986 to make conforming changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. In the amendatory changes to the Code of Criminal Procedure of 1963, deletes provision that a law enforcement officer may not refuse to complete a written report as required by the provision on any ground. In the amendatory changes to the Code of Criminal Procedure of 1963 concerning a motion to vacate a conviction for an offense committed as a result of the defendant having been a human trafficking victim, deletes provision that evidence demonstrating the defendant's status as a victim of human trafficking at the time of the offense shall create a rebuttable presumption that the defendant was a victim of human trafficking at the time of the offense and provides that with the exception of the expedited notice period and timeline for hearing, any petition to seal or expunge records shall be governed entirely by the provisions of the Criminal Identification Act. In the amendatory provisions of the Illinois Domestic Violence Act of 1986 concerning the written report by a law enforcement officer investigating an alleged incident of abuse, neglect, or exploitation between family or household members, provides that no law enforcement officer may refuse to complete a written report for a bona fide allegation (rather than any allegation) as required by the provision on any ground.

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that a person whose license was suspended and was issued a monitoring device driving permit and who is subsequently convicted of the underlying charge, for the same incident, shall be given credit for time served on the monitoring device driving permit towards any mandatory ignition interlock requirement resulting from the conviction if the person had no ignition interlock violations while on the monitoring device driving permit. HB 03339 (Continued)

Amends the Freedom of Information Act. Exempts images from cameras under the Expressway Camera Act and all automated license plate reader (ALPR) information used and collected by the Illinois State Police from inspection and copying. Amends the Expressway Camera Act. Provides that, as used in the Act, "forcible felony" means trafficking in persons and involuntary servitude (in addition to other specified offenses). Includes the counties of Lee, Ogle, and Whiteside in the program to increase cameras along expressways and the State highway system. Provides that images from the cameras, including, but not limited to, images of license plates collected by state-operated cameras and cameras operated by the Illinois State Toll Highway Authority, may be used by any law enforcement agency conducting an active law enforcement investigation. Removes provision allowing images from the cameras to be used by any law enforcement agency conducting an active law enforcement investigation. Provides that all images from the cameras that are exported through a law enforcement database shall be deleted from that law enforcement database within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Provides that any forcible felony, gunrunning, or firearms trafficking offense, as specified, respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund or money from the Illinois State Toll Highway Authority and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed. Provides that the Act supersedes provisions in the Toll Highway Act regarding the confidentiality of personally identifiable information obtained through electronic toll collection systems. Provides that the Act is repealed on July 1, 2028 (rather than July 1, 2025). Effective immediately.

House Committee Amendment No. 1

Requires the Illinois State Police, the Department of Transportation, and the Illinois State Toll Highway Authority to issue a joint report to the General Assembly detailing the program operations by August 1st (rather than June 30th) of each year.

House Floor Amendment No. 2

In the Expressway Camera Act: Provides that offenses listed in the definition of "forcible felony" are as defined in the Criminal Code of 2012 or substantially similar federal or other state criminal laws. Provides that the Act does not supersede prohibitions related to users of automated license plate readers.

Senate Committee Amendment No. 1

In the Freedom of Information Act, provides that the exemption for images from cameras under the Expressway Camera Act and all automated license plate reader information used and collected by the Illinois State Police is inoperative on and after July 1, 2028 (rather than July 1, 2025).

HB 03399 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

House Floor Amendment No. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Amends the Public Utilities Act. Provides that a gas utility may cease providing service if the Illinois Commerce Commission determines that adequate substitute service is available at a reasonable cost to support the existing end uses of the affected utility customers. Provides for cost-effective energy efficiency measures for natural gas utilities that supersede existing provisions concerning natural gas energy efficiency programs and take effect beginning January 1, 2027. Provides that gas main and gas service extension policies shall be based on the principle that the full incremental cost associated with new development and growth shall be borne by the customers that cause those incremental costs. Provides that, no later than 60 days after the effective date of the amendatory Act, the Commission shall initiate a docketed rulemaking reviewing each gas public utility tariff that provides for gas main and gas service extensions without additional charge to new customers in excess of the default extensions as specified in administrative rule. Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. HB 03609 (Continued)

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

Amends the School Code. In provisions concerning radon testing, provides that every school building of a school district that is occupied or will be occupied shall be tested by January 1, 2029 and shall be retested every 5 years thereafter for radon (instead of recommending that every occupied school building of a school district be tested every 5 years for radon). Provides that all new schools of a school district shall be built using radon resistant new construction techniques in accordance with the American National Standards Institute/American Association of Radon Scientists and Technologists CC-1000, Soil Gas Control Systems in New Construction of Multifamily, School, Commercial and Mixed-Use Buildings standard or a successor standard (instead of recommending that new schools of a school district be built using radon resistant new construction techniques, as shown in the United States Environmental Protection Agency document, Radon Prevention in the Design and Construction of Schools and Other Large Buildings). Removes a provision allowing a person to perform radon screening tests without a license. Makes changes concerning the exemption. Provides that if radon is found to exceed specified levels, then the school district shall (instead of may) hire a licensed radon professional to perform confirmatory measurements (instead of to perform measurements before any mitigation decisions are made). Sets forth provisions concerning mitigation. Provides that a school district may use life safety funds, if available, for radon testing and mitigation. Preempts home rule powers.

New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

Reaffirms the commitment to the strengthening and deepening of the sister ties between the State of Illinois and Taiwan, the Republic of China (ROC). Reaffirms support for the Taiwan Relations Act (TRA) and supports Illinois businesses referring to Taiwan, ROC, as Taiwan. Supports the further strengthening of a closer economic and trade partnership between the State of Illinois and Taiwan with multiple possible approaches, including signing an economic and trade memorandum of understanding, exploring the possibility of establishing an Illinois Office in Taiwan, and sending Illinois high-level officials to visit Taiwan.
