Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. Provides that at that time, the prosecution must tender any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and any other evidence the State intends to rely upon to determine the statement's reliability. Provides that the defendant shall specifically identify the statement or statements alleged to be unreliable. Provides that at the hearing, it shall be the burden of the prosecutor to prove by a preponderance of the evidence that the statement is reliable. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement.

Supports the further strengthening of a closer economic and trade partnership between the State of Illinois and Taiwan with multiple possible approaches, including signing an economic and trade memorandum of understanding, exploring the possibility of establishing an Illinois Office in Taiwan, and sending Illinois high-level officials to visit Taiwan. Requires State agencies to report final compensation due a State employee to the Treasurer's Office as unclaimed property if the employee dies while employed. Requires a holder who holds property presumed abandoned to hold the property in trust for the benefit of the State Treasurer on behalf of the owner from and after the date the property is presumed abandoned. Requires that the State Treasurer provide written notice to a State agency and the Governor's Office of Management and Budget of property presumed to be abandoned and allegedly owned by the State agency before it can be escheated to the State's General Revenue Fund if the property remains unclaimed after one year. Creates authority for the Secretary of the Department of Financial and Professional Regulation to order a regulated person under the Act to immediately report and remit property subject to the Act if the Secretary determines that the action is necessary to protect the interest of an owner. Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Makes conforming and other changes.

625 ILCS 7/Act rep.

Creates the Highway Work Zone Safety Act. Requires the Department of Transportation, in coordination with the Illinois State Police, to establish the Highway Work Zone Speed Control Program for the purposes of enforcing the speed limits established for construction or maintenance speed zones. Requires the Illinois State Police, in conjunction with the Department of Transportation and the Illinois State Toll Highway Authority, to set up and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits. Allows the Department of Transportation or the Illinois State Police to employ automated traffic control system operators to operate automated traffic control systems in construction or maintenance speed zones. Provides, with exceptions, that information and photographs or recorded images collected under the Program are not discoverable by court order as evidence in a proceeding. Requires information and photographs or recorded images collected under the Program to be destroyed not later than 2 years after the date the information and photographs or recorded images are collected. Provides that information and photographs or recorded images collected under the Program are the exclusive property of the State and not the property of the manufacturer or vendor of the automated traffic control system. Prohibits the use of a photograph or recorded image obtained through the use of an automated traffic control system for the purpose of enforcing a traffic offense. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit commits a civil law violation that is punishable by a minimum fine of \$100 and a maximum fine of \$200. Grants rulemaking authority to the Department of Transportation to implement and administer the Act. Makes other changes. Makes corresponding changes in the Freedom of Information Act and the Illinois Vehicle Code. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Effective January 1, 2027, except provisions regarding procurement and rulemaking are effective immediately.

House Committee Amendment No. 1

Adds reference to:

625 ILCS 5/11-605.1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Changes the term "automatic traffic control system" to "work zone speed safety camera system". Changes the name of the Program from the Highway Work Zone Speed Control Program to the Highway Work Zone Safety Speed Control Program. Removes language providing that information collected under the Program must be destroyed not later than 2 years after the date the information is collected. Further amends the Illinois Vehicle Code. Provides that highway construction or maintenance speed zone special speed limit signs must state that higher fines apply (rather than state the amount of the minimum fine) for a violation. Changes the effective date of the date to immediate, except that the repeal of the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act is effective January 1, 2027.

House Floor Amendment No. 3

Adds reference to:

625 ILCS 5/12-502

from Ch. 95 1/2, par. 12-502

Further amends the Illinois Vehicle Code. Allows public transit vehicles to use an electronic rear-view monitoring system on commercial motor vehicles owned by the agency and the mirror requirements of the Code of Federal Regulations so long as an exemption to the Code of Federal Regulations granted by the Federal Motor Carrier Safety Administration remains in effect.

Amends the Innovations for Transportation Infrastructure Act. Provides that the Department of Transportation or the Illinois State Toll Highway Authority may use the design-build project delivery method for transportation facilities if the capital costs for transportation facilities delivered utilizing the design-build project delivery method or Construction Manager/General Contractor project delivery method or Alternative Technical Concepts in a design-bid-build project delivery method do not for transportation facilities delivered by the Department, exceed the value of 20% of the projects annually programmed in (rather than \$400 million of contracts awarded during) the Department's multi-year highway improvement program on an annual basis (rather than for any 5-year period). Removes language that provides that notwithstanding any other law, and as authority supplemental to its existing powers, the Department may use the Construction Manager/General Contractor project delivery method for up to 2 transportation facilities per year. Effective immediately.

House Floor Amendment No. 1

New Act

Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

Amends the Illinois Lottery Law. Removes a provision that requires the Department of the Lottery to publish each January in the Illinois Register a list of all game-specific rules, play instructions, directives, operations manuals, brochures, or other game-specific publications issued by the Department during the previous year and instructions concerning how the public may obtain copies of these materials from the Department. Provides that the State Lottery Fund shall receive from the sale of lottery tickets or shares consisting of the net of commissions and fees representing those expenses that are directly proportionate to the sale of tickets or shares at the agent location and prizes of \$600 or less (rather than less than \$600) which have been validly paid at the agent level. Provides that the Department may pay any prize (rather than prizes up to \$25,000) from funds held by the Department in an account separate and apart from all public moneys of the State. Removes provisions allowing moneys in the account to be deposited by the Department into the Public Treasurers' Investment Pool or used to pay amounts to deferred prize winners. Allows, with the consent of the Director, the State Treasurer to act as an agent of the Department to perform the financial functions as the Director may prescribe. Removes language requiring the Director to prepare and send to the State Comptroller vouchers requesting payment from the Deferred Lottery Prize Winners Trust Fund to deferred prize winners. Removes certain deadlines related to private managers. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

HB 03609 (Continued)

Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

House Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

House Democrat Sponsor Synopsis Report

Representative Laura Faver Dias**HB 01237 (Continued)**

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

Amends the Township Open Space Article of the Township Code. Reduces the acreage that constitutes open land or open space under the Article to 25 acres (currently, 50 acres). Provides, in the definition of "open space purposes", that development includes development for agricultural purposes. Provides that, after the effective date of the amendatory Act, a township board may lease open space that is a part of the township's open space program for a period not longer than 25 years from the date of the lease to an individual, a nonprofit organization, the federal government, a state government, or a local government for specified purposes consistent with open space purposes. Provides that, upon expiration of a lease of land that was leased after the effective date of the amendatory Act, title to all structures on the leased land shall be vested in the township. Provides that leased open space may be used for agricultural purposes. Provides that a township board may lease open space for open space purposes and buildings and facilities on the open space to an individual, a nonprofit organization, the federal government, a state government, or a local government. Provides that the township board may not sell, convey, donate, or otherwise dispose of open space without referendum approval by the majority of the voters of the township at a regular election, and provides that the board may certify the question of disposition of property to the appropriate election authority only if the board approves the question by at least a two-thirds majority of the board members. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any affected open space shall continue to be used for open space purposes unless the open space is disposed of or is approved by a two-thirds vote of the board of the unit of local government in control of that open space and after referendum of the voters of the unit of local government.

House Floor Amendment No. 1

Reduces the acreage that constitutes open land or open space under the Article from 50 acres or more to 12 acres or more (rather than from 50 acres or more to 25 acres or more in the introduced bill). Provides that a township board may, without a referendum, sell, convey, or donate any part of the open space to the Illinois Department of Transportation if specified conditions are satisfied. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any open space affected by that action shall continue to be used for open space purposes unless, among other reasons, the open space is sold, conveyed, or donated to a nonprofit organization, the federal government, a state government, or a local government to be used for open space purposes.

105 ILCS 5/24-12

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Democrat Sponsor Synopsis Report

Representative Laura Faver Dias**HB 02970 (Continued)**

House Floor Amendment No. 1

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Corrects a grammatical error. Effective immediately.

105 ILCS 5/22-101 new

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 3247 (H-AM-2) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Amends the Interscholastic Athletic Organization Act. Provides that an association or other entity that has as one of its purposes promoting, sponsoring, regulating, or in any manner providing for interscholastic athletics or any form of athletic competition among schools and students within this State shall require all school coaches to obtain and maintain certification in cardiopulmonary resuscitation (CPR), first aid, and the use of an automatic external defibrillator (AED). Requires certification in CPR and AED use to be consistent with national, evidence-based, emergency cardiovascular care guidelines. Amends the School Safety Drill Act. Provides that a cardiac emergency response plan shall include (i) establishing a cardiac emergency response team that is certified in cardiopulmonary resuscitation and the use of an automated external defibrillator and (ii) the use of annual cardiac response drills to practice the steps established in the cardiac emergency response plan, in partnership with local emergency medical services. Makes other changes concerning the plan.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Interscholastic Athletic Organization Act, requires all paid school head coaches or chief sponsors of the activity (rather than all school coaches) to obtain and maintain certification in cardiopulmonary resuscitation (CPR), first aid, and the use of an automatic external defibrillator (AED). In the School Safety Drill Act, requires a cardiac emergency response plan to include training on symptom and warning signs of sudden cardiac arrest, hands-only CPR, and use of AEDs (rather than information on hands-only CPR and use of AEDs) and establishing a cardiac emergency response team trained in CPR and the use of an AED consistent with national evidence-based emergency cardiovascular care guidelines, and provides that cardiac response drills may be conducted without student participation.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Recognizes and expresses gratitude to the Office of the Illinois Attorney General and Attorney General Kwame Raoul for their exceptional devotion, leadership, and perseverance in defending democracy and freedoms through the courts. Acknowledges that the most effective instrument for the protection of democracy and civil liberties in the last nine months has been litigation, and that the Attorney General and his team have been incredibly effective in their defense of the State's democracy. Recognizes the Office of the Illinois Attorney General's filing of a lawsuit against the Trump administration to stop the unlawful deployment of the National Guard in Illinois, challenging federal invocation of 10 U.S.C. § 12406, the Posse Comitatus Act, and the Tenth Amendment, is a case of national significance in protecting state sovereignty and civil liberties. Encourages the Office of the Illinois Attorney General to continue steadfastly engaging in litigation as necessary to uphold democracy and freedoms.

HR 00551

Rep. La Shawn K. Ford

Urges the Illinois State Board of Education (ISBE) to identify and publish a list of evidence-based, decision-making, and impulse-control curricula that have been demonstrated to reduce violence involvement, make at least one free or low-cost curriculum available statewide for optional integration into existing Social and Emotional Learning (SEL) instruction, encourage districts to implement these programs using existing resources and staff development, and develop, pilot, and rigorously test new school-based decision-making and violence-prevention curricula that can be easily adopted by ISBE and schools statewide if proven effective in reducing violence. Urges the Administrative Office of the Illinois Courts (AOIC), the Department of Juvenile Justice (DJJ), and county probation and diversion programs to identify and approve evidence-based, decision-making curricula appropriate for minors under supervision, diversion, or detention, to encourage their integration as standard early interventions, and to implement these initiatives within existing budgets and structures. Urges the Illinois Department of Human Services (IDHS) and the Illinois Criminal Justice Information Authority (ICJIA) to coordinate with ISBE, AOIC, DJJ, and local partners to align violence-prevention curricula and community-based interventions across settings. Recognizes Professor Jens Ludwig for his groundbreaking research, leadership, and publication of Unforgiving Places. Acknowledges the contributions of other scholars and organizations advancing behavioral approaches to violence prevention.

Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Changes certain references to official occupation titles in the amended Acts to "person". Amends the Illinois Food, Drug and Cosmetic Act. Replaces everything after the enacting clause. Amends the Illinois Insurance Code. In provisions regarding the notice of intention not to renew a policy of insurance, provides that no company may impose renewal premium increases of more than 10% for policies of fire and extended coverage insurance that are subject to certain cancellation requirements, unless the company mails or delivers by electronic means to the named insured and the Department of Insurance notice of the increase in renewal premium at least 60 days before the policy renewal or anniversary date. Creates the Rates for Fire and Extended Coverage Insurance Article. Contains provisions concerning the purpose and applicability of the Article. Prohibits rates from being excessive, inadequate, or unfairly discriminatory, as specified. Sets forth provisions concerning determinations and notice from the Department and hearings on the notice. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Rep. Mary Gill

215 ILCS 5/356z.3b new

Amends the Accident and Health Insurance Article of the Illinois Insurance Code. Provides that when an insured person or policyholder requests, in writing, from the insurance issuer a confirmation of the current outstanding balance due from the insured person or policyholder, the insurance issuer may charge a fee of no more than \$40 to provide that information. Requires the fee to be reasonably related to the work and time required to confirm the total balance owed. Sets forth requirements that must be met before an insurance issuer may turn an outstanding balance over to a collection agent, including requiring a written communication to the insured person or policyholder from whom money is owed, requiring the insurer to allow the insured person or policyholder 7 calendar days after receipt of the written communication to either confirm receipt of the written communication and agree to pay or to request a different time frame, and the insurer to attempt in good faith to agree on a time frame for all outstanding moneys owed to be paid. Provides that if an agreement to pay is not reached within 7 calendar days after receipt of the written notice or payment is not made by the agreed-upon time frame, the insurance issuer may turn the delinquent account over to a collection agent.

Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Representative Edgar González, Jr.
HB 01607 (Continued)

Creates the Commission on Eliminating Food Deserts Act. Establishes the Commission on Eliminating Food Deserts in the Office of the Lieutenant Governor for the purpose of reviewing the effectiveness of current State-led efforts to eliminate food deserts in Illinois and advising the General Assembly on policy, funding, initiatives, and best practices for the elimination of food deserts in Illinois. Describes the membership of the Commission. Provides that the Commission shall convene at the call of the chairperson and meet as frequently as necessary to carry out its duties. Provides that the Office of the Lieutenant Governor shall provide administrative and other support to the Commission. Provides that commissioners shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose. Provides that the Commission shall submit a report to the Governor and the General Assembly on or before January 1, 2027, with annual addenda thereafter. Provides that the Act is repealed and the Commission is dissolved if 90% of food deserts in this State have been eliminated, with certain requirements. Defines terms.

House Committee Amendment No. 1

In provisions concerning the Commission on Eliminating Food Deserts, adds a commissioner who is a representative of labor organizations, appointed by the Governor, to members of the Commission.

House Floor Amendment No. 2

Provides that the Director of Commerce and Economic Opportunity or the Director's designee serves on the Commission as an ex officio, nonvoting, advisory member.

House Floor Amendment No. 3

Provides that the Commission on Eliminating Food Deserts is established in the Department of Public Health (rather than the Office of the Lieutenant Governor), and that the Department of Public Health (rather than the Office of the Lieutenant Governor) shall provide support to the Commission. Replaces the Lieutenant Governor or the Lieutenant Governor's designee as chairperson on the Commission with the Director of Public Health or the Director's designee as chairperson. Adds the Director of Aging or the Director's designee to the Commission.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Retitles the Act as the Task Force on Eliminating Food Deserts Act (rather than the Commission on Eliminating Food Deserts Act), and makes corresponding changes throughout the Act. Changes the date of the submission of the report by the Task Force to January 1, 2028 (rather than January 1, 2027). Deletes provisions regarding the submission of an addendum noting the percentage of food deserts in the State that have been eliminated since the submission of the report, and deletes provisions that trigger repeal if 90% of food deserts have been eliminated. Provides that the Act is repealed and the Task Force is dissolved upon the submission of the report by the Task Force, with certain filing requirements.

725 ILCS 5/103-2.3 new

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. Provides that at that time, the prosecution must tender any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and any other evidence the State intends to rely upon to determine the statement's reliability. Provides that before trial, a defendant may move to exclude a statement alleged to be unreliable. Provides that the defendant shall specifically identify the statement or statements alleged to be unreliable. Provides that at the hearing, it shall be the burden of the prosecutor to prove by a preponderance of the evidence that the statement is reliable. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement.

Provides that, when the Lunar New Year falls on a Saturday or Sunday, the following Monday shall be held and considered the holiday. Amends the Election Code, the Illinois Procurement Code, the School Code, and the Promissory Note and Bank Holiday Act to include the Lunar New Year as a holiday.

Deletes reference to:

205 ILCS 630/17

from Ch. 17, par. 2201

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes all changes to the Election Code, Illinois Procurement Code, and the Promissory Note and Bank Holiday Act. In the School Code, makes Lunar New Year an optional special holiday (rather than a mandatory legal holiday).

Fiscal Note, House Floor Amendment No. 1 (Dept. of Central Management Services)

HB 3790, as amended by HAM #1, will not require additional resources. Salaries will be paid, whether it is a State holiday or a regular workday. What will be lost is productivity. If productivity were to equate to the cost of salaries, CMS estimates its' payroll (1120) costs to be approximately \$250,000 for the day. On a Statewide level, that payroll figure is estimated to be roughly \$12.5 million.

New Act

Creates the Honorable Funerals for First Responders Act. Provides that a first responder killed in the line of duty shall receive an honorable funeral. Provides that an elected official may not attend the funeral of a first responder killed in the line of duty if the elected official knows, or has reason to know, that the family of the first responder killed in the line of duty does not wish the elected official to attend the funeral. Provides that in no case shall any elected official be required to attend the funeral of a first responder killed in the line of duty. Provides that the family of the first responder killed in the line of duty shall have sole discretion over which elected official may attend the funeral of a first responder killed in the line of duty. Provides that, before an elected official attends the funeral of a first responder killed in the line of duty, the elected official must make reasonable efforts to learn if the family of the first responder killed in the line of duty would like the elected official to attend the funeral. Amends the Illinois Physical Therapy Act. Provides that initial physical therapy evaluations without a referral or an established diagnosis may be performed by a licensed physical therapist via telehealth when the physical therapist determines that an in-person examination is not required based on the physical therapist's clinical judgment and the applicable standard of care (rather than cannot be performed via telehealth unless necessary to address a documented hardship). Provides that a physical therapist or a licensed physical therapy assistant may require the patient to undergo an in-person visit instead of providing telehealth services (rather than the use of telehealth as a primary means of delivering physical therapy must be an exception and documentation must support the clinical justification). New Act

Creates the Commission on Eliminating Food Deserts Act. Establishes the Commission on Eliminating Food Deserts in the Office of the Lieutenant Governor for the purpose of reviewing the effectiveness of current State-led efforts to eliminate food deserts in Illinois and advising the General Assembly on policy, funding, initiatives, and best practices for the elimination of food deserts in Illinois. Describes the membership of the Commission. Provides that the Commission shall convene at the call of the chairperson and meet as frequently as necessary to carry out its duties. Provides that the Office of the Lieutenant Governor shall provide administrative and other support to the Commission. Provides that commissioners shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose. Provides that the Commission shall submit a report to the Governor and the General Assembly on or before January 1, 2027, with annual addenda thereafter. Provides that the Act is repealed and the Commission is dissolved if 90% of food deserts in this State have been eliminated, with certain requirements. Defines terms.

House Committee Amendment No. 1

In provisions concerning the Commission on Eliminating Food Deserts, adds a commissioner who is a representative of labor organizations, appointed by the Governor, to members of the Commission.

House Floor Amendment No. 2

Provides that the Director of Commerce and Economic Opportunity or the Director's designee serves on the Commission as an ex officio, nonvoting, advisory member.

House Floor Amendment No. 3

Provides that the Commission on Eliminating Food Deserts is established in the Department of Public Health (rather than the Office of the Lieutenant Governor), and that the Department of Public Health (rather than the Office of the Lieutenant Governor) shall provide support to the Commission. Replaces the Lieutenant Governor or the Lieutenant Governor's designee as chairperson on the Commission with the Director of Public Health or the Director's designee as chairperson. Adds the Director of Aging or the Director's designee to the Commission.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Retitles the Act as the Task Force on Eliminating Food Deserts Act (rather than the Commission on Eliminating Food Deserts Act), and makes corresponding changes throughout the Act. Changes the date of the submission of the report by the Task Force to January 1, 2028 (rather than January 1, 2027). Deletes provisions regarding the submission of an addendum noting the percentage of food deserts in the State that have been eliminated since the submission of the report, and deletes provisions that trigger repeal if 90% of food deserts have been eliminated. Provides that the Act is repealed and the Task Force is dissolved upon the submission of the report by the Task Force, with certain filing requirements.

Replaces everything after the enacting clause. Amends the Meat and Poultry Inspection Act. In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.". Provides that a notice on a physical display shall be displayed on a placard and a notice displayed online shall be displayed in the form of a message on the farm's online sales interface at the point of sale.
