States that the new Department of Early Childhood and its planning process should prioritize appropriate attention to the facilities needs of our State's mixed-delivery system of early care and education. Additionally states that the State should move expeditiously to award its remaining Early Childhood Construction Grant monies to qualified applicants, to assist providers of critical birth-to-five programs in meeting their growing building-and-repair demands. Finally states that the State should also move as quickly as feasible to replenish Early Childhood Construction Grant resources to help Illinois achieve the long-term vision of the bipartisan Funding Commission for making services "simpler, better, fairer" for young children, their families, and communities statewide.

New Act

Creates the Community-Based Corrections Act. Provides that the Department of Corrections shall establish a program that funds community-based nonprofit providers to serve emerging adults as an alternative to traditional incarceration. Provides that community-based providers shall offer housing, workforce training, mental health counseling, and restorative justice programming in alignment with State guidelines. Provides that the program shall be subject to judicial discretion, allowing sentencing judges to assign eligible individuals to community-based settings instead of Department of Corrections facilities. Provides that all community-based providers must have a written agreement with a restorative justice court for all emerging adults within their care to participate in the restorative justice court programs. Provides that community-based providers shall be compensated at a rate equivalent to the monthly per-inmate cost of incarceration as determined by the Department in its Fiscal Impact Statement. Community-based providers shall be paid on a monthly basis for the number of individuals within their care. Provides that the Department of Corrections shall allocate existing budget authority for contractual services to fund the program created by the Act. Provides that the Department of Human Services shall establish operational standards, including housing conditions, workforce training quality, and mental health support services, to ensure program efficacy. Provides that the Department of Human Services shall monitor and evaluate providers to maintain compliance with State and judicial requirements. Provides that community-based providers shall submit annual reports to the Department of Corrections and the Department of Human Services detailing participant outcomes, including recidivism rates, employment statistics, and community reintegration success. Provides that the Department of Corrections shall report program performance to the General Assembly annually, including cost savings from reduced incarceration based on emerging adults participating with community-based providers for fewer years than they would serve in a Department of Corrections facility. Effective immediately.

Creates the Inclusive History Act. Establishes the Inclusive History Commission to (i) address the deficiencies and inadequacies in both perspective and content in traditional history course material and instruction and (ii) develop multiperspective, inclusive, and comprehensive standards that a school may use as a guide in replacing or developing its curricula for history education. Sets forth the membership of the Commission. Contains provisions concerning meetings, duties, and reporting. Repeals the provisions on December 31, 2026. Amends the Courses of Study Article of the School Code. Beginning with the 2025-2026 school year, requires schools to suspend all instruction in history education, with exceptions. Not later than June 30, 2026, requires the State Superintendent of Education to provide to schools instructional guidelines and standards based on the recommendations of the Commission so that schools may develop alternative curricula to replace traditional course material and instruction to ensure that students obtain a multiperspective, inclusive, and comprehensive understanding about history. Provides that beginning with the 2026-2027 school year, schools shall resume instruction in history, which shall require the use of age-appropriate discussion, textbooks, and other course material that reframe the study of history by presenting to students an examination of history through the inclusion of diverse perspectives, contrary interpretations, and the viewpoints of various groups of people whose voices have traditionally been excluded from the conventional teaching of history. Effective immediately.

105 ILCS 5/22-101 new

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note (State Board of Education)

HB 3247 amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Provides that the Act does not supersede prohibitions related to users of automated license plate readers.

Senate Committee Amendment No. 1

In the Freedom of Information Act, provides that the exemption for images from cameras under the Expressway Camera Act and all automated license plate reader information used and collected by the Illinois State Police is inoperative on and after July 1, 2028 (rather than July 1, 2025).

HB 01332 (Continued)

Replaces everything after the enacting clause with the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Changes the short title to the Emergency Contact and Caregiver Advise, Record, and Enable Act. Makes changes to defined terms. Provides that, following the patient's admission into the hospital as an inpatient, a hospital shall provide each patient or, if applicable, the patient's legal representative with an opportunity to designate a caregiver following the patient's admission into the hospital as an inpatient and prior to the patient's discharge (rather than only prior to the patient's discharge) to the patient's residence or transfer to another facility. Requires a hospital, as soon as practicable, to notify the emergency contact of the patient's death (rather than notify a patient's emergency contact of the patient's death or if the patient's condition has become life threatening) if a patient has authorized the hospital to share protected health information with an emergency contact that is not the patient's legal representative and the patient's legal representative does not object. Limits the liability of hospitals who attempt to contact an emergency contact. Removes provisions concerning failure to contact the patient's emergency contact. Provides that, if a patient fails to authorize the hospital to share the patient's protected health information or revokes such authorization, the hospital may contact the emergency contact only as otherwise allowed by law. Amends the Rivers, Lakes, and Streams Act. Provides that the public right to access and use navigable waters includes all rights recognized by State or federal law, including the rights set forth in the Northwest Ordinance of 1787 and the federal navigational servitude, and all rights arising under the public trust doctrine, which shall be understood and applied in a manner consistent with the spirit of the Act to maximize the full and free enjoyment of State waters by the public. Provides that any segment of a lake, river, or stream that is capable of supporting use by commercial or recreational watercraft for a substantial part of the year, or that is actually so used, shall be deemed navigable, and shall be open to public access and use, unless the contrary is proven in litigation by a preponderance of the evidence. Amends the Sexual Assault Survivors Emergency Treatment Act. Defines "acute sexual assault" as a sexual assault that has recently occurred within a specified time. Replaces various references to "sexual assault" with "acute sexual assault". Deletes the definition of "prepubescent sexual assault survivor". Changes provisions regarding hospitals located in counties with a population of less than 1,000,000 and within a 20-mile radius of a 4-year public university with respect to a sexual assault treatment plan approved by the Department of Public Health. Makes changes in various provisions concerning plans of correction and penalties for hospitals that commit specified violations of the Act. In provisions regarding requirements for medical forensic services, provides that the provisions of the Act are not intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital or approved pediatric health care facility with a nonacute complaint of sexual assault if there is a compelling reason for evidence collection, or upon the request of the survivor. In provisions regarding the prohibition on billing sexual assault survivors directly for certain services, changes references to the Office of the Attorney General to references to the Department of Healthcare and Family Services.

Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Corrects a grammatical error. Effective immediately.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Anna Moeller**HB 03350 (Continued)**

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of Stateissued bond, and, therefore, would not affect the level of State indebtedness

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Amends the Illinois Insurance Code. Establishes reimbursement rates for mental health and substance use disorder treatment services for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2027 or for any contracted third party administering the behavioral health benefits for the insurer. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 or any contracted third party administering the behavioral health benefits for the insurer to cover certain medically necessary mental health and substance use disorder treatment services. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 for each violation. Excludes certain health care plans serving Medicaid populations who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Requires the Department to review the impact of the proposed mental health and substance abuse mandate on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. HB 01085 (Continued)

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

Senate Floor Amendment No. 3

Deletes reference to:

215 ILCS 5/370c.4 new

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. In provisions concerning mental health and substance use parity, makes changes to defined terms. Requires specified provider reimbursement rates to comply with the reimbursement floors for all in-network mental health and substance use disorder services. Establishes the reimbursement rate floor for each Healthcare Common Procedure Coding System (HCPCS) code, Current Procedural Terminology (CPT) code, Ambulatory Payment Classification (APC), Enhanced Ambulatory Patient Group (EAPG), Medicare Severity Diagnosis Related Group (MS-DRG), All Patient Refined Diagnosis Related Group (APR-DRG), and base payment rate with adjusters and applicable outliers for a mental health or substance use disorder service. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2027, or any contracted third party administering the behavioral health benefits for the insurer, shall cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". HB 01237 (Continued)

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning the necessity for the licensure of dentists, provides that, if an applicant neglects, fails without an approved excuse, or refuses to take the next available examination offered for licensure under the Act, the fee paid by the applicant shall be forfeited to the Department of Financial and Professional Regulation and the application shall expire (rather than shall be denied). Amends the Behavior Analyst Licensing Act, the Clinical Psychologist Licensing Act, the Clinical Social Work and Social Work Practice Act, the Marriage and Family Therapy Licensing Act, the Medical Practice Act of 1987, the Licensed Certified Professional Midwife Practice Act, the Nurse Practice Act, the Pharmacy Practice Act, the Physician Assistant Practice Act of 1987, the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act, the Wholesale Drug Distribution Licensing Act, the Registered Surgical Assistant and Registered Surgical Technologist Title Protection Act, and the Genetic Counselor Licensing Act. Provides that the Department of Professional and Financial Regulation shall not take any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based solely upon the person's involvement in any health care service, so long as the care was not unlawful under the laws of the State. Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Changes certain references to official occupation titles in the amended Acts to "person". Amends the Illinois Food, Drug and Cosmetic Act. Provides that a drug's status as not approved by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug if its safety and efficacy have been established by peer-reviewed research or if it is recommended for use by the World Health Organization, even if the drug's labelling reflects prior approval that is no longer in effect, so long as such labelling was true and accurate at the time of manufacture.

House Floor Amendment No. 1

Provides that a drug's status as not approved by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug in violation of the Act if it is recommended for use by the World Health Organization (rather than if its safety and efficacy have been established by peer-reviewed research or if it is recommended for use by the World Health Organization).

Senate Committee Amendment No. 1

Provides that, if a drug had been approved by the U.S. Food and Drug Administration before January 1, 2025, the revocation of approval by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug in violation of the Illinois Food, Drug and Cosmetic Act if the drug is recommended for use by the World Health Organization, even if the drug's labeling reflects prior approval that is no longer in effect, so long as the drug's labeling was true and accurate at the time of its manufacture. Provides that those provisions are inoperative on and after January 1, 2035.

Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Amends the Probate Act of 1975. 405 ILCS 5/3-210

from Ch. 91 1/2, par. 3-210

Amends the Mental Health and Developmental Disabilities Code. Makes changes to a provision concerning initial Department of Human Services investigations of a facility employee's alleged abuse, neglect, or financial exploitation of a recipient of mental health or developmental disability services. Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

House Committee Amendment No. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

Provides that the board of directors of a credit union with a composite rating of either 1 or 2 under the Uniform Financial Institutions Rating System known as the CAMELS supervisory rating system and a management rating under such composite rating of either 1 or 2 may meet not less than 4 (instead of 6) times annually. Provides that the supervisory committee of a credit union with assets of less than \$10,000,000 may, at its option, engage (instead of a credit union with assets of \$5,000,000 or more, but less than \$10,000,000 shall engage) a licensed certified public accountant or licensed certified public accounting firm to perform specified auditing and other services. Permits the merger of credit unions, without meeting certain voting and notice requirements, where supervisory concerns exist and upon agreement of the boards of directors of the merging and continuing credit unions, as confirmed by a majority vote of the directors present at a meeting of each board at which a quorum is present. Provides that the board of directors of a credit union with \$50,000,000 or more in assets, a composite rating of either 1 or 2 under the Uniform Financial Institutions Rating System known as the CAMELS supervisory rating system (or an equivalent rating under a comparable rating system), and a management rating under the composite rating of either 1 or 2 shall meet no fewer than 4 times annually, with at least one meeting held during each fiscal quarter. House Committee Amendment No. 1

Adds reference to:
20 ILCS 3855/1-10

Adds reference to:
220 ILCS 5/16-108

Adds reference to:
220 ILCS 5/16-111.5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

House Floor Amendment No. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

HB 02827 (Continued)

Creates the Homeschool Act. Requires the State Board of Education to create a Homeschool Declaration Form to be used by a homeschool administrator to submit information indicating that a child is enrolled in a homeschool program to the principal of the public school or to the school district that the homeschooled child would otherwise attend. Provides that a student enrolled in a homeschool program in which the homeschool administrator has not notified the public school or school district with the Homeschool Declaration Form is considered truant, with penalties applying. Provides that if a child in a homeschool program seeks to enroll part time in a public school or participate in any public school activities taking place on or off of school grounds, the homeschool administrator must submit proof that the child has received all required immunizations and health examinations or a signed Certificate of Religious Exemption. Sets forth requirements for homeschool administrators and programs and reporting requirements. Makes conforming and other changes in the Freedom of Information Act, the School Code, and the Illinois School Student Records Act, including requiring (rather than allowing) nonpublic schools to register with the State Board of Education.

House Committee Amendment No. 1

Adds reference to:

105 ILCS 10/2

from Ch. 122, par. 50-2

Adds reference to:

105 ILCS 10/6

from Ch. 122, par. 50-6

Adds reference to:

105 ILCS 10/8.5 new

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Homeschool Act: Requires proof of immunization and a health examination or an exemption only for regularly occurring, public-school-sponsored, public-school activities. Requires a homeschool administrator to have a high school diploma or its recognized equivalent at a minimum. Requires the homeschool administrator to provide proof of, among other options, any degree obtained from an institution of higher education. Changes the reporting date for regional offices of education, intermediate service centers, and the Chicago school district from June 30 (beginning in 2027 and every year thereafter) to July 31; changes the reporting date for the State Board of Education from July 31 (previously beginning in 2027, but now beginning in 2028) to February 1; and makes other changes. Provides that nothing in the Act supersedes the Department of Children and Family Services Guardianship Administrator's authority to approve or deny whether a youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator may participate in a homeschool program and that consent must be obtained from the Department of Children and Family Services Guardianship Administrator prior to the Homeschool Declaration Form being submitted for all youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator. In the Freedom of Information Act: Provides that information and records held by any school district (rather than the Chicago school district) containing confidential information about a student, parent, or guardian under the Homeschool Act is exempt from copying and inspection. In the Illinois School Student Records Act: Provides that neither a "student permanent record" nor a "student temporary record" includes a Homeschool Declaration Form or any record that a homeschool administrator submits to a school district for proof of a homeschooled student's immunization and health examination. Provides that student records or information may be released, transferred, disclosed, or otherwise disseminated to the State Board of Education or a school or school district's regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent of schools only for the purposes of transmitting a Homeschool Declaration Form to one of these entities in accordance with the Homeschool Act. Requires a regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent that receives a Homeschool Declaration Form to maintain a copy of the Homeschool Declaration Form for not less than 5 years after receiving the Homeschool Declaration Form. Provides that a public school or school district is not required to maintain a Homeschool Declaration Form or a copy of a Homeschool Declaration Form, but may maintain a copy of a Homeschool Declaration Form as long as the public school or school district abides by all storage requirements and confidentiality requirements. Requires a public school or school district that receives proof of a homeschooled student's immunization and health examination to maintain a copy of those records for not less than 5 years after receipt.

Provides that a supported decision-making agreement is terminated if: (i) there is a restraining order against the supporter by or on behalf of the principal; (ii) the principal revokes the agreement; (iii) the supporter resigns; (iv) ordered by a court; or (v) the agreement includes a termination date. Provides that a supported decision-making agreement is suspended while: (i) the conditions of the Health Care Surrogate Act are met, (ii) a medical or psychological evaluation has concluded that the principal lacks decisional capacity but a subsequent evaluation has not yet found the principal's decisional capacity restored; or (iii) the agency established in a durable power of attorney has begun but not yet terminated. Provides that upon the filing of a petition by an interested person, a court may suspend or terminate a supported decision-making agreement if necessary to ensure the well-being and safety of the principal.

Creates the Temporary Immunity for Child Welfare Agencies Act. Creates immunity from civil liability for a licensed child welfare agency that provides service for youth in foster care for a 2-year period unless the agency's acts or omissions constitute willful and wanton conduct. Provides that the immunity extends to the agency's employees, volunteers, and agents acting within the scope of their employment. Defines a "child welfare agency" to mean a public or private child care facility that receives a child or children for the purpose of placing or arranging for the placement or free care of the child or children in foster family homes, unlicensed pre-adoptive and adoptive homes, adoption-only homes, or other facilities for child care apart from the custody of the child's or children's parents. The term "child welfare agency" includes (i) all agencies established and maintained by a municipality or other political subdivision of the State to protect, guard, train or care for children outside their own homes; and (ii) all agencies, persons, groups of persons, organizations, corporations, institutions, centers, or group providing adoption services but does not include a circuit court, appointed juvenile probation officer, or youth counselor of the court who receive and place children under an order of the court. Creates the Child Welfare Agency Liability Task Force to develop and recommend a permanent solution to address the unavailability of liability insurance for child welfare agencies in the State. Requires that the Task Force submit its first report to the General Assembly no later than December 26, 2026. Effective immediately.

Amends the Township Open Space Article of the Township Code. Reduces the acreage that constitutes open land or open space under the Article to 25 acres (currently, 50 acres). Provides, in the definition of "open space purposes", that development includes development for agricultural purposes. Provides that, after the effective date of the amendatory Act, a township board may lease open space that is a part of the township's open space program for a period not longer than 25 years from the date of the lease to an individual, a nonprofit organization, the federal government, a state government, or a local government for specified purposes consistent with open space purposes. Provides that, upon expiration of a lease of land that was leased after the effective date of the amendatory Act, title to all structures on the leased land shall be vested in the township. Provides that leased open space may be used for agricultural purposes. Provides that a township board may lease open space for open space purposes and buildings and facilities on the open space to an individual, a nonprofit organization, the federal government, a state government, or a local government. Provides that the township board may not sell, convey, donate, or otherwise dispose of open space without referendum approval by the majority of the voters of the township at a regular election, and provides that the board may certify the question of disposition of property to the appropriate election authority only if the board approves the question by at least a two-thirds majority of the board members. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any affected open space shall continue to be used for open space purposes unless the open space is disposed of or is approved by a two-thirds vote of the board of the unit of local government in control of that open space and after referendum of the voters of the unit of local government.

House Floor Amendment No. 1

Reduces the acreage that constitutes open land or open space under the Article from 50 acres or more to 12 acres or more (rather than from 50 acres or more to 25 acres or more in the introduced bill). Provides that a township board may, without a referendum, sell, convey, or donate any part of the open space to the Illinois Department of Transportation if specified conditions are satisfied. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any open space affected by that action shall continue to be used for open space purposes unless, among other reasons, the open space is sold, conveyed, or donated to a nonprofit organization, the federal government, a state government, or a local government to be used for open space purposes.

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Floor Amendment No. 1

Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Amends the Uniform Electronic Transactions in Dental Care Billing Act. Provides that beginning January 1, 2028 (instead of 2026), no dental plan carrier is required to accept from a dental care provider eligibility for a dental plan transaction or dental care claims or equivalent encounter information transaction. Sets forth exemptions from the requirements of the Act, and requires a dental care provider who is exempt from the requirements of the Act to file a form with the Department of Insurance indicating the applicable exemption. Requires each dental plan carrier to establish a portal that provides certain benefit and billing information. Requires a dental plan carrier to establish an electronic portal that allows dental care providers to submit claims electronically and directly to the dental care provider; accept attachments in an electronic format with the initial electronic claim's submission; and provide remittance advice with the corresponding payment. Provides that nothing in the Act requires a dental care provider to only accept electronic payment from a dental plan carrier. Provides that dental plan carriers shall allow alternative forms of payment, without additional fees or charges, to a dental care provider, if requested. Effective immediately.

Provides that all dental plan carriers and dental care providers must comply with applicable State and federal privacy and security laws and regulations when conducting the exchange of information under the Act. Requires the Department of Insurance to provide a specified exemption form no later than January 1, 2027 (rather than 2028). Establishes additional requirements for the eligibility and benefit verification portal. Removes language requiring dental plan carriers to allow alternative forms of payment, without additional fees or charges, to a dental care provider, if requested. Makes changes to defined terms and makes other changes. Effective immediately, except that provisions concerning exemptions, requirements for the eligibility and benefit verification portal, and payments accepted by dental care providers are effective January 1, 2027.

Senate Committee Amendment No. 1

In provisions concerning circumstances in which a dental care provider shall not be required to submit claims electronically, includes a dental care provider that works less than 16 (rather than 20) hours per week and is a solo practitioner. State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

House Floor Amendment No. 2

Provides that the Act does not apply to a receivership if the receiver is appointed under the Nursing Home Care Act.

Amends the State Employee Article of the Illinois Pension Code. Provides that a contributing employee may establish additional service credit for periods of full-time employment with the federal government or a unit of state or local government located outside Illinois for which he or she does not qualify for credit under any other provision of the State Employee Article of the Code, provided that (i) the amount of service credit established by a person under the provision shall not exceed 9 years, (ii) the amount of service credit established by a person under the provision for federal employment, when added to the amount of all military service credit granted to the person under the State Employee Article, shall not exceed 14 years, and (iii) any credit received for the federal or out-of-state employment in any federal or other public employee pension fund or retirement system has been terminated or relinquished. Prohibits credit from being established under the provision for any period of military service or for any period for which credit has been or may be established under the alternative formula provisions of the State Employee Article of the Code. Requires the applicant for the additional service credit to submit a written application to the State Employees' Retirement System of Illinois within 6 months after the effective date of the amendatory Act, including documentation of the federal or out-of-state employment satisfactory to the System's Board, and pay to the System (1) employee contributions at the rates provided in the Article based upon the person's salary on the last day as a participating employee prior to the federal or out-of-state employment, or on the first day as a participating employee after that employment, whichever is greater, plus (2) an amount determined by the Board to be equal to the employer's normal cost of the benefits accrued for that employment, plus (3) regular interest on items (1) and (2) from the date of conclusion of the employment to the date of payment. 330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

105 ILCS 5/24-12

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Floor Amendment No. 1

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Corrects a grammatical error. Effective immediately.

New Act
105 ILCS 5/27A-5

Creates the Right to Play Act. Provides that a student who is a member of a school athletic activity may participate in a nonschool athletic activity that is of the same sport as the school athletic activity during the season in which the student participates in the school athletic activity without losing eligibility to participate in the school athletic activity, provided that the student may not participate in both the nonschool athletic activity and a school athletic practice or competition for the same sport on the same day.

House Floor Amendment No. 1

Provides that the student may participate with a waiver granted by the principal or athletic director from the student's school. Provides that the waiver may also apply to "all-star team" events and that up to 2 waivers per student may be granted over the course of each school year. Requires the waiver to be reported by the school granting the waiver to an association or other entity that has as one of its purposes promoting, sponsoring, regulating, or in any manner providing for interscholastic athletics or any form of athletic competition among schools and students within the State. Removes language that provides that the student may not participate in both the nonschool athletic activity and a school athletic practice or competition for the same sport on the same day. Corrects terminology and typographical errors.

Provides that beginning with the 2026-2027 school year, a school district shall provide informational materials about the Illinois Achieving a Better Life Experience (ABLE) account program (rather than the Achieving a Better Life Experience (ABLE) account program) annually to the parent or guardian of a student who has a section 504 Plan under the federal Rehabilitation Act of 1973, using the same distribution methods employed for other communications related to the student's section 504 Plan. Amends the Department of Early Childhood Act and the Early Intervention Services System Act. In provisions requiring individualized family service plans for children receiving early intervention services, provides that during the initial development of an individual family service plan and at each review meeting of the service plan, the regional intake offices shall provide the parent or guardian with informational materials about the Illinois (ABLE) account program. Requires the informational materials to include an overview of the Illinois ABLE account program, eligibility criteria, and other necessary enrollment information. Requires the Office of the State Treasurer to prepare and deliver the informational materials about the Illinois ABLE account for distribution to regional intake offices which shall subsequently disseminate the informational materials to parents and guardians in the same manner as they transmit other documents to families. 105 ILCS 5/27-23.19 new

Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. Provides that at that time, the prosecution must tender any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and any other evidence the State intends to rely upon to determine the statement's reliability. Provides that before trial, a defendant may move to exclude a statement alleged to be unreliable. Provides that the defendant shall specifically identify the statement or statements alleged to be unreliable. Provides that at the hearing, it shall be the burden of the prosecutor to prove by a preponderance of the evidence that the statement is reliable. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement.

HB 01224 (Continued)

New Act
30 ILCS 540/1

from Ch. 127, par. 132.401

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the amount of any and all draw amounts submitted and approved under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract of the amount of any and all draw amounts submitted and approved under the terms of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes the provisions that amended the State Prompt Payment Act. Provides that "retainage" does not include moneys withheld from grants to entities for capital improvements to non-State property. Provides that, if the contractor or subcontractor has displayed unsatisfactory performance on previous State agency projects resulting in a low performance score or suspension of prequalification, the State agency may apply retainage from the beginning of the project. Provides that, notwithstanding any other provision of law, if a State agency has not withheld retainage from a payment to a contractor on a project, then that contractor may not withhold retainage from a payment to a subcontractor for the same project. Provides that, if a State agency has withheld retainage from a contractor under the Act, then the contractor may withhold retainage from a payment to a subcontractor, but only to the extent that the amount retained from payment to the contractor by the State agency is attributable to a failure on the part of the subcontractor to make satisfactory progress with respect to the subcontractor's contractual obligations. Specifies that the Act's limitations on retainage from subcontracts apply only to subcontracts that are entered into on or after the Act's effective date of the Act in connection with a State construction contract that is subject to the Act. Effective July 1, 2026.

Senate Committee Amendment No. 1

Deletes reference to:
New Act

Deletes reference to:
30 ILCS 540/1

from Ch. 127, par. 132.401

Adds reference to:
30 ILCS 550/1

from Ch. 29, par. 15

Replaces everything after the enacting clause. Amends the Public Construction Bond Act. Provides that, before the completion of 50% of the contract for public works, the State or a local governmental unit, except for the Department of Transportation, may not withhold retainage from any payment to a contractor who furnishes the bond or bond substitute required by the Act in an amount in excess of 10% of any payment made before the date of completion of 50% of the contract for public works. Provides that, when a contract for public works is 50% complete, the State or the local governmental unit, except for the Department of Transportation, shall reduce the retainage so that no more than 5% is held. Allows a State agency, subject to these limitations, to withhold as retainage a portion of the moneys from the payment of a contract that is entered into on or after the effective date of the amendatory Act if and only if the State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made. Requires satisfactory progress to be clearly provided for in the contract between the State agency and the contractor or subcontractor. Provides that retainage may not be used as a substitute for good contract management, and the State agency may not withhold funds without cause. Provides that determinations to retain and the specific amount to be withheld must be made by the State agency on a case-by-case basis based on the performance of milestones under the current contract as provided for in the contract between the State agency and the contractor. Prohibits a contractor from withholding retainage from a subcontractor except to the extent a State agency has withheld retainage from the contractor which is attributable to that subcontractor's subcontract. Defines "retainage". Provides that nothing in the amendatory Act may be construed to modify any provision of the State Prompt Payment Act or the Local Government Prompt Payment Act. Effective June 1, 2027.

Senate Floor Amendment No. 3

Provides that the provision does not apply to the Illinois State Toll Highway Authority.

5 ILCS 375/6.11E

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Specifies that nothing in provisions of the Illinois Insurance Code requiring coverage of certain treatments or medications prescribed to slow the progression of Alzheimer's disease or another related dementia prohibits a group or individual policy of accident and health insurance or managed care plan from requiring a pharmacist to effect substitutions of prescription drugs under certain provisions of the Pharmacy Practice Act. Provides that the required coverage shall not apply to managed care plans that are under contract with the Department of Healthcare and Family Services. Amends the State Employees Group Insurance Act of 1971 to require the same coverage as provided under the Illinois Insurance Code for treatments to slow the progression of Alzheimer's disease and related dementias. Provides for repeal of existing provisions for such coverage in that Act on July 1, 2027. Effective immediately, except some provisions amending the State Employees Group Insurance Act of 1971 are effective July 1, 2027.

Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning non-emergency transportation services for medical assistance recipients, removes a requirement that facilities complete a Physician Certification Statement prior to ordering non-emergency transportation services for a patient. Instead, requires the Department of Healthcare and Family Services to develop, subject to federal approval, a Uniform Non-Emergency Transportation Certification Form (form) for non-emergency transportation. Provides that the form shall be the only form used by and required of all facilities, physicians, transportation providers, and transportation brokers whenever a patient or person covered by the medical assistance program is being transported from a facility or personal residence and requires non-emergency transportation. Makes corresponding changes to the Nursing Home Care Act and the Hospital Licensing Act. Further amends the Medical Assistance Article with a provision authorizing transportation brokers to use a network of independent driver providers for the delivery of covered transportation services. Provides that transportation brokers and participating independent driver providers shall be subject to the same driver credentialing and licensing standards and provider registration requirements as transportation network companies (TNC) and TNC drivers enrolled in the Impact Medicaid Program Advanced Cloud Technology system. With respect to the Department's Business Enterprise Program requirements for Medicaid managed care organizations (MCO), requires each MCO to submit only one Letter of Intent that consolidates and sets forth all pending transportation services from all BEP-certified transportation providers contracted with the MCO. Requires the Department to permit a MCO's transportation broker to attest to the accuracy of all claims for services provided by a contracted transportation provider.

Amends the Affordable Housing Planning and Appeals Act. Permits the following persons to appeal a municipality's denial of a proposed supportive housing project, including a project to develop a permanent supportive housing apartment building or community integrated-living arrangement, for low-income persons with disabilities: (1) the affordable housing developer of the proposed project; (2) a person who would be eligible to apply for residency in the proposed project; and (3) the community group or supportive housing advocacy group advocating for the proposed project. Provides that if a municipality fails to respond to an appeal within 60 days of its receipt, the State Housing Appeals Board (Board) shall automatically reverse the municipality's decision to deny the proposed supportive housing project. Provides that if the municipality timely responds to the appeal, it must demonstrate by clear and convincing evidence that the proposed supportive housing project would be detrimental to the fair operation and interest of the municipality or would place an unreasonable and disproportionate financial burden on the municipality or on municipal services. Requires the Board to reverse the municipality's decision to deny the proposed supportive housing project if the Board determines that the municipality has not met this burden.

New Act

Creates the Warehouse Tornado Preparedness Act. Provides that all operators of a warehouse within this State shall prepare a tornado safety plan for each warehouse they operate within 120 days after the effective date of the Act for each existing warehouse or, for warehouses opened on or after 120 days after the effective date of the Act, no later than 7 days after the warehouse becomes operational. Provides that each plan shall be specific to the warehouse it was prepared for and must be reviewed and updated at least once per year or upon any significant change to the operations of the warehouse that affects the applicability or accuracy of the information in the plan. Specifies what the plan must contain. Requires each warehouse facility to have designated or constructed sufficient shelter space for at least 125% of persons who regularly work in the warehouse at the same time, including persons who are at the warehouse temporarily, such as delivery drivers. Requires each warehouse to maintain specified emergency supplies in its tornado shelter. Effective immediately.

HB 02987 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. In provisions concerning tornado safety plans, provides that the operator of a warehouse should coordinate with the warehouse's local emergency services and disaster agency and fire department or fire protection district to create plans that, when implemented, will be consistent with the local jurisdiction's response activities. Provides that copies of the plan and all updates made to the plan must be filed with the fire department or fire protection district in the jurisdiction in which the warehouse is located and the local emergency services and disaster agency in the jurisdiction in which the warehouse is located (instead of filed with the Office of the State Fire Marshal, the Illinois Emergency Management Agency and Office of Homeland Security, and the fire department, fire protection district, or local emergency services agency with primary responsibility for the warehouse). Provides that warehouse facilities constructed after the effective date of the Act must provide the means, through modification, installation, or demonstration via rational analysis, to meet a life-safety performance level for tornado loading that is equivalent to, or exceeds, the life-safety performance level for the most onerous of other building code-prescribed extreme environmental loading events. Sets forth provisions concerning that evaluation. Provides that, in lieu of a risk-targeted approach, the evaluating design professional may elect to follow prescriptive methods as outlined in the Federal Emergency Management Agency standard P-431, Tornado Protection: Selecting Refuge Areas in Buildings and the Best Available Refuge Area Checklist to ensure that shelter areas designated in tornado safety plans are qualified as the best available refuge areas. Removes provisions concerning tornado shelters and emergency supplies. Amends the Counties Code. Defines "building inspector". Requires a building inspector to hold a certification from the International Code Council in the area in which the inspector is inspecting or examining. Requires that the county keep on file a copy of the certifications of the persons doing inspections or examinations on its behalf. Provides that a building inspector may have a grace period of one year from the date of hire to acquire the certification required under these provisions. Amends the Illinois Municipal Code to add similar requirements for building inspectors. Effective immediately, except that provisions amending the Counties Code and the Illinois Municipal Code take effect January 1, 2027.

Senate Committee Amendment No. 1

Provides that "warehouse" means a building in which warehouse workers perform their duties and goods are stored in industries defined by specified North American Industry Classification System (NAICS) codes, however such building is denominated (instead of an establishment as defined by specified North American Industry Classification System (NAICS) codes, however such establishment is denominated).

Amends the Public Higher Education Act. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall provide enrolled students with access to health care professionals authorized under State law to prescribe contraception. Provides that, beginning with the 2025-2026 school year, if the public institution of higher education's student health services includes a pharmacy, the pharmacy on campus shall dispense contraception to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall provide enrolled students with access to health care professionals authorized under State law to prescribe medication abortion. Provides that a public institution of higher education that dispenses medication abortion from the university pharmacy shall enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Requires each public institution of higher education to report annually to the Board of Higher Education that policies under the provisions have been adopted. Requires the Board to post to its website annually each public institution of higher education's compliance with the policies under the provisions. Effective immediately.

House Committee Amendment No. 1

In the provisions concerning medication abortion availability on campus, removes the requirement that a public institution of higher education that dispenses medication abortion from the university pharmacy enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Makes a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that each public institution of higher education with student health services shall provide enrolled students with access to one or more health care professionals whose scopes of practice collectively include prescribing and dispensing contraception to patients in the State or include prescribing medication abortion to patients in the State (rather than to health care professionals authorized under State law to prescribe contraception or medication abortion). Makes changes concerning the provision of services. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall make available, on the public institution of higher education's student health services' website, information on how students can access medication contraception on campus. Removes language providing that the pharmacy on campus shall dispense the medication abortion to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that the public institution of higher education shall make medication abortion available at a physical location on campus and enrolled students shall be able to access medication abortion at either a pharmacy on campus, the student health center via a health care professional licensed to dispense medication abortion, or another physical location on campus where students access other similar medications. Makes grammatical changes. Effective immediately.

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Provides that on or before September 1, 2026 and each September 1 thereafter, payments submitted in provisions concerning pharmacy benefit manager licensure requirements shall be based on the number of covered individuals reported to the Department in specified provisions of the Illinois Insurance Code. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law.
