New Act

Creates the Access to Basic Mental Health Information Act. Provides definitions for "mental health facility", "physician", and "recipient". Provides that specified individuals are entitled, upon request, to obtain certain information regarding a recipient in a mental health facility if the individual declares that he or she is involved in the recipient's care or paying for the recipient's care and the individual meets specified requirements. Provides that an individual requesting information must submit to the mental health facility specified information. Provides that a mental health facility is required to receive information relevant to the recipient's mental health treatment. Provides that if the recipient requests the mental health record from the mental health facility, any information that was tendered to the mental health facility under a promise of confidentiality may be withheld from the recipient if disclosure of the information would be reasonably likely to reveal the source of the mental health information. Provides that whenever access or modification is requested, the request, the grounds for its acceptance or denial, and any action taken thereon shall be noted in the recipient's record. Provides that a mental health facility and its employees or agents are not liable for any action under the Act unless the release was made deliberately or the release constituted gross negligence. Provides that nothing in the Act constitutes an infringement on an individual's right to obtain mental health records of the recipient if the individual has another right to the mental health records by law, regulation,

or consent of the recipient. Provides that the Act shall be liberally construed to allow receipt of mental health information to individuals entitled to a recipient's information. Provides that the Act supersedes the Mental Health and Developmental Disabilities Code and any other law that would be viewed to limit the access of an individual to a recipient's mental health records to the extent necessary to give the Act full implementation.

Amends the Developmental Disability and Mental Disability Services Act. Provides that the Department of Human Services shall establish family resource centers throughout this State to provide counseling and mental health services to families who are indigent based on any behavior or mental health condition as determined by Department rule. Provides that the Department shall employ or contract with psychiatrists, clinical psychologists, clinical social workers, and licensed marriage and family therapists to provide those services.

FISCAL NOTE (Dept. of Human Services)

HB 4918 amends the Developmental Disability and Mental Disability Services Act. The bill requires the Department of Human Services to establish family resource centers throughout the State to provide counseling and mental health services to indigent populations based on any behavior or mental health conditions as determined by Department rule. As written, family resource centers appear to be duplicative of current community based mental health services. The Department of Human Services spending for community mental health based services is approximately \$260M annually. If the family resource centers were in addition to the current state investment in community mental health services, the cost could be significant.

Requires the Department of Children and Family Services to place youth in care in the least restrictive and most family-like setting that is consistent with the youth's needs and best interests. Creates a private right of action for: (i) a youth in care who remains in a psychiatric hospital for more than 14 days beyond the time the youth was clinically ready for discharge or beyond medical necessity; and (ii) a youth in care who remains in a detention center or Department of Juvenile Justice facility for more than 14 days after the youth could have been released. Provides that the remedies are in addition to any remedies available under local, State, or federal law.

Amends the Unified Code of Corrections. Deletes provision that the Department of Corrections shall require the committed person receiving medical or dental services on a non-

emergency basis to pay a \$5 co-payment to the Department for each visit for medical or dental services. Provides that if a Department facility maintains a commissary or commissaries serving inmates, the selling prices for all goods shall be sufficient to cover the costs of the goods and an additional charge of up to 10% (rather than 35% for tobacco products and up to 25% for non-tobacco products). Deletes provisions that the Department shall notify the Attorney General of the existence of any proceeds which it believes should be applied towards a satisfaction, in whole or in part, of the person's incarceration costs. Deletes provision that of the compensation earned for work assignments, a portion, as determined by the Department, shall be used to offset the cost of the committed person's incarceration.

**CORRECTIONAL NOTE (Dept of Corrections)**

The total impact of HB 5104 would result in a budget reduction of \$59,000,000 over ten years. The reduction in operating funds will also impact the offender population as the elimination of funds described under the bill currently provide a direct quality of life benefit to incarcerated persons. Therefore, the impact of this proposal on the Department of Corrections is not limited to budgetary concerns, but will also negatively impact those it seeks to assist.

**HOUSE FLOOR AMENDMENT NO. 1**

- Deletes reference to:  
730 ILCS 5/3-7-2a  
730 ILCS 5/3-12-1  
730 ILCS 5/3-12-2

Restores provision that if a Department of Corrections facility maintains a commissary or commissaries serving inmates, the selling prices for all goods shall be sufficient to cover the costs of the goods and an additional charge of up to 35% for tobacco products and up to 25% for non-tobacco products. Restores provisions that the Department shall notify the Attorney General of the existence of any proceeds which it believes should be applied towards a satisfaction, in whole or in part, of the person's incarceration costs. Restores provision that of the compensation earned for work assignments, a portion, as determined by the Department, shall be used to offset the cost of the committed person's incarceration.

**HOUSE FLOOR AMENDMENT NO. 2**

Restores that notwithstanding any other provision to the contrary, any person committed to any facility operated by the Department of Juvenile Justice is exempt from the co-payment requirement for the duration of confinement in those facilities.

**HOUSE FLOOR AMENDMENT NO. 3**

Replaces everything after the enacting clause. Amends the Unified Code of Corrections. Deletes provision that the Department of Corrections shall require the committed person receiving medical or dental services on a non-emergency basis to pay a \$5 co-payment to the Department for each visit for medical or dental services. Provides that neither the Department of Corrections nor the Department of Juvenile Justice may require a committed person or person committed to any facility operated by the Department of Juvenile Justice to pay any co-payment for receiving medical or dental services.

**GOVERNOR AMENDATORY VETO MESSAGE**

Recommends reducing from \$5 to \$3.90 the co-payment for non-emergency medical or dental services for persons committed to the Department of Corrections or the Department of Juvenile Justice (rather than prohibiting the Department of Corrections and the Department of Juvenile Justice from requiring a committed person to pay a co-payment for medical or dental services).

Amends the Children and Family Services Act. Makes post-secondary education tuition and fee waivers available to youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Requires applicants to have earned a high school diploma from an accredited institution or a high school equivalency certificate or have met the State criteria for high school graduation before the start of the school year for which they are applying for the waivers. Limits the tuition and fee waivers to persons under the age of 26 and provides that waivers shall be available to a student for at least the first 5 years the student is enrolled in a community college, university, or college maintained by the State. Provides that the age requirement and 5-year cap on tuition and fee waivers shall be waived and eligibility extended for applicants or students who were unable to enroll in a qualifying post-secondary school or complete an academic term because the student: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Permits the Department to provide the student with a stipend to cover maintenance and school expenses during the academic years to supplement the student's earnings. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the tuition and fee waivers.

HOUSE FLOOR AMENDMENT NO. 1

Provides that qualifying youth shall receive a tuition and fee waiver to assist them in attending and completing their post-secondary education (rather than a waiver of all tuition and fees to attend and complete their post-secondary education). In provisions requiring an applicant to meet certain academic and age requirements, provides that the applicant must also apply for federal and State grant assistance by completing the Free Application for Federal Student Aid. Provides that the community college or public university that an applicant attends must waive any tuition and fee amounts that exceed the amounts paid to the applicant under the federal Pell Grant Program or the State's Monetary Award Program.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Dept. of Children & Family Services)

If just 10% of the 11,000 eligible youth took advantage of the opportunity, the Department of Children and Family Services would be looking at an additional cost to the stipend program of \$562,000 per month and \$6,744,000 annually.

820 ILCS 205/12.5 new

Amends the Child Labor Law. Provides that, before a child may be issued a permit to work as a model, a trust account must be established providing, at a minimum, that: at least 15% (or a greater percentage as determined by rule) of the gross earnings of the child model shall be deposited into the account; the funds in the account shall be available only to the child model; the funds shall be held by a bank, corporate fiduciary, or trust company, as those terms are defined in the Corporate Fiduciary Act; and the funds in the account shall become available to the child model upon the child model attaining the age of 18 years. Provides that the Department of Labor shall adopt rules to implement these provisions.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Dept. of Labor)

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the introduced bill, but makes its provisions applicable to child performers rather than child models, adds definitions, and makes other changes.

Amends the Juvenile Court Act of 1987. Provides that after the court has placed a minor in the care of a temporary custodian, any party may apply to the court to grant the temporary custodian the authority to serve as a surrogate decision maker for the minor under the Health Care Surrogate Act for purposes of making the decision whether to forgo life-sustaining treatment, if the court determines by clear and convincing evidence that it is in the best interests of the minor to grant the temporary custodian such authority. Provides that in making its determination, the court shall consider specified factors, the efforts made to engage the respondents in decision making on behalf of the child, evidence of the impact of a delay in decision making on the child, and any other factors the court deems relevant to a determination of the best interests of the minor. Provides that if the Department of Children and Family Services is the temporary custodian of the minor, in addition to specified requirements, the Department shall follow its rules and procedures in exercising authority granted under the new provisions. Amends the Health Care Surrogate Act. To the list of surrogate decision makers, adds the patient's temporary custodian appointed under the Juvenile Court Act of 1987 if the court has entered an order granting such authority.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Removes language providing that any party may apply to the court to grant the temporary custodian the authority to serve as a surrogate decision maker for the minor if the court determines by clear and convincing evidence that it is in the best interests of the minor to grant the temporary custodian such authority. Provides instead that any party may apply, and the court may grant the motion if it determines by clear and convincing evidence that it is in the best interests of the minor to grant the temporary custodian such authority. Corrects a cross-reference.

Amends the Illinois Act on the Aging. Requires the Department on Aging to establish and implement a Community Care Program Medicaid Initiative to: provide targeted funding to care coordination units to help seniors complete applications for medical assistance benefits under the State's Medical Assistance program; provide a funding pool to help care coordination units make improvements to the application process; establish requirements for State agencies to make enrollment in the Medical Assistance program easier for seniors; and other matters. Creates the Community Care Program Medicaid Enrollment Oversight Task Force to make recommendations on how best to increase the number of Illinois residents who are enrolled in the Community Care Program and receive services not paid for under the Medical Assistance program although they may be eligible for benefits. Provides for the membership of the Task Force. Requires the Task Force to provide oversight to the Initiative and to meet quarterly to provide the Department with data on the number of persons who receive Community Care Program services and are eligible for medical assistance but are not enrolled in the Medical Assistance program. Requires the Department to publish such data on its website and to collaborate with other agencies to determine how best to achieve the responsibilities of the Initiative. Establishes payment incentives to care coordination units that assist seniors in completing medical assistance applications. Provides that the Initiative shall cease operation 5 years after the effective date of the amendatory Act, after which the Task Force shall dissolve.

Deletes language regarding: the maximum length of vehicles on all non-State highways; and the highways that vehicles not exceeding 65 feet in overall length are allowed to access. Provides that combinations of vehicles over 65 feet in length with no overall length limitation are allowed certain access if there is no sign prohibiting access and the route is not being used as a thoroughfare between Class I or Class II highways. Provides that the maximum length limitation on non-designated highways for a truck tractor in combination with a semitrailer is 65 feet overall dimension and 60 feet overall dimension for a truck tractor-semitrailer-trailer or truck tractor semitrailer-semitrailer. Provides that length limitations do not apply on legal holidays and for a tow truck in combination with a disabled vehicle or combination of disabled vehicles. Provides that a unit of local government shall affirm to the Department if it has no Class II designated truck routes. Provides that units of local government shall report to the Department, and the Department shall post on its website, any limitations prohibiting the operation of vehicles imposed by ordinance or resolution in the unit of local government's non-designated highway system. Provides that, to be effective, an ordinance or resolution passed to designate a Class II roadway need not be signed, but shall be reported to the Department. Repeals a provision that requires local units of government to report to the Department all preferred truck routes, designated truck route networks, or whether there are no such truck routes.

#### HOUSE FLOOR AMENDMENT NO. 2

Provides that Class II highways include state highways and designated local roads (rather than major arterials) not built to interstate highways standards that have at least 11 feet lane widths. Deletes language providing that non-designated highways include highways that have lane widths of less than 11 feet. Provides that each unit of local government may (rather than shall) report to the Department of Transportation any limitations prohibiting the operation of vehicles imposed by ordinance or resolution in the unit of local government's non-designated highway system. Deletes language providing that to be effective, an ordinance or resolution passed to designate a Class II roadway need not be signed, but shall be reported to the Department. Provides instead that to be effective, an ordinance or resolution designating a Class II roadway need not require that signs be erected, but the designation shall be reported to the Department. Makes other changes.

Amends the Counties Code. Creates a mechanics lien demand and referral pilot program. Provides that in counties with a code hearing unit, a recorder may adopt rules establishing a mechanics lien demand and referral process for residential property after a public hearing. Provides that if a recorder determines that a mechanics lien recorded in the grantor's index or the grantee's index is a defective lien, the recorder shall serve a Notice of Defective Lien by certified mail to the last known address of the owner. Provides that if the owner or legal representative of the owner of the residential property confirms in writing that the lien is not involved in pending litigation, the owner may request that the recorder refer the defective mechanics lien to the county's code hearing department for adjudication or serve a Demand to Commence Suit forcing the lienholder to either file suit, respond to the Demand, or forfeit the lien. Provides how the recorder is to serve a Demand to Commence Suit or file a Notice of Referral with the code hearing unit. Provides that if the mechanics lien is referred to the code hearing unit, the code hearing unit will set a hearing and notify the applicable parties. Provides if the recorder shows by clear and convincing evidence that the lien in question is a defective lien, the administrative law judge shall rule the lien is forfeited and that the lien no longer affects the chain of title of the property in any way. Limits liability. Includes other provisions. Repeals the provisions on January 1, 2022. Further amends the Counties Code making conforming changes in county code hearing unit provisions. Amends the Mechanics Lien Act making conforming changes.

SENATE COMMITTEE AMENDMENT NO. 1

Reinserts the provisions of the engrossed bill with the following changes: provides that the demand and referral process is for expired mechanics liens (rather than defective mechanics liens); adds a definition of "residential property"; makes changes concerning how expired liens are classified; provides that a lien may be determined expired if an automatic stay under specified provisions of the United States Bankruptcy Code does not prohibit a suit or counterclaim to foreclose; provides that when the lienholder commences a suit or files an answer within 30 days or the lienholder records a release of lien with the county recorder provisions (rather than the mechanics lien is forfeited because no suit or answer is filed), then the demand and referral process is completed for the recorder for that property; provides that the recorder (rather than the administrative law judge) shall provide notice of hearing; provides that a decision by the administrative law judge is reviewable under the Administrative Review Law and review shall be consistent with the Administrative Review Law (rather than de novo); provides that a lienholder or property owner may remove the matter to circuit court under specified circumstances and if the matter is not resolved in the circuit court, the recorder may reinstitute the demand and referral process; and provides that the administrative law judge handling the demand and referral proceedings needs to be familiar with the areas of law relating to mechanics liens (rather than specializes in public records).

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1 with the following changes: removes the definition of "subcontractor"; makes changes concerning how a recorder determines if a lien is expired; provides that a recorder may not proceed with referral of a matter if a lienholder responds to the Demand to Commence Suit served by the recorder but may refer the matter if no response is received; modifies the procedures related to the notice of hearing of a referral and the when the hearing occurs in the code hearing unit; and provides that the recorder shall record a copy of the administrative law's finding that the lien is not expired (rather than to be valid and still within the statutorily prescribed period of time to remain as an active lien in the property's chain of title).

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulation anticipates HB 5208, as amended, will produce an increase in the number of licensees between 18 years of age and the existing threshold minimum of 21 years of age in the community association manager, supervising community association manager, and home inspector categories. HB 5208, as amended, is anticipated to generate a slight uptick in revenue with no immediate need to increase headcount.

professional service corporation that renders services that are regulated by the Department of Financial and Professional Regulation. Establishes a renewal fee of \$40 for a certificate of registration issued by the Department. Makes similar changes to the Medical Corporation Act. Amends the Limited Liability Company Act. Amends the Professional Limited Liability Company Act. Defines "license". Provides that the company name of a professional limited liability company must contain the terms "professional limited liability company", "P.L.L.C.", or "PLLC". Lists the professional services a professional limited liability company may render, with certain exceptions. Provides that a professional limited liability company's certificate of registration shall expire on January 1, 2019 and on January 1 of every third year thereafter; and that the renewal fee for a certificate of registration shall be \$40 (rather than calculated at the rate of \$40 per year). Effective immediately.

FISCAL NOTE (Financial & Professional Regulation)

The Department of Financial and Professional Regulation anticipates HB 5211 will have minimal impact on operations. Although HB 5211 will result in a decline of approximately \$136,000 per annum in revenue for the second and third years of the 3-year license term, the reduction in revenue will be offset by reductions in costs associated with annual license renewals. HB 5211 will have limited fiscal implications which can be absorbed through existing operations.

  - 410 ILCS 70/5.4 new
  - 410 ILCS 70/9.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill

with the following changes: Provides that the Department of Public Health may not approve a sexual assault transfer plan unless a treatment hospital has agreed, as a part of an areawide treatment plan, to accept sexual assault survivors from the proposed transfer hospital and a transfer to the treatment hospital would not unduly burden the sexual assault survivor. Provides that in counties with a population of less than 1,000,000, the Department may not approve a sexual assault transfer plan for a hospital located within a 20-mile radius of a 4-year public university, not including community colleges, unless there is a treatment hospital with a sexual assault treatment plan approved by the Department within a 20-mile radius of the 4-year public university. Makes several changes to provisions requiring sexual assault-related training for certain employees of treatment hospitals and treatment hospitals with approved pediatric transfer and Department personnel that conduct on-site reviews of approved sexual assault treatment plans. Provides that the Department, in consultation with the Office of the Attorney General, shall adopt administrative rules by January 1, 2020 establishing a process for physicians and physician assistants to provide documentation of training and clinical experience that meets specified guidelines in order to qualify as a sexual assault forensic examiner. Provides that a qualified medical provider must provide specified medical forensic, information, medication, photo documentation, instruction, referral, and medical advocacy services by January 1, 2021 (rather than 2023). Provides that by January 1, 2021 (rather than 2023), every hospital with a treatment plan approved by the Department shall employ or contract with a qualified medical provider. Provides that if a sexual assault survivor is unable to consent to medical forensic services, the services may be provided under applicable State and federal laws. Provides that photo documentation of a sexual assault survivor under the age of 18 shall be retained indefinitely and shall not be destroyed. Provides that photo documentation of a sexual assault survivor 18 years of age or older shall be retained for a period of 20 years. Makes other changes. Further amends the Sexual Assault Survivors Emergency Treatment Act. Adds provisions concerning out-of-state hospitals. Provides that a transfer hospital, treatment hospital, treatment hospital with approved pediatric transfer, or approved pediatric health care facility located in a county adjacent to the city of St. Louis, Missouri may transfer a pediatric sexual assault survivor to an out-of-state hospital located in St. Louis, Missouri, that has been designated as a trauma center by the Department under the Emergency Medical Services (EMS) Systems Act if the out-of-state hospital meets certain criteria. Makes related changes. Creates the Sexual Assault Medical Forensic Services Implementation Task Force to assist hospitals and approved pediatric health care facilities with the implementation of the changes made by the amendatory Act. Adds provisions concerning the membership of the Task Force. Provides that the Office of the Attorney General shall provide the Task Force with administrative and other support. Provides that the first meeting of the Task Force shall be called by the co-chairpersons of the Task Force no later than 90 days after the effective date of these provisions. Provides that the Task Force shall have specified goals. Provides that the provisions concerning the Task Force are repealed on January 1, 2021. Establishes the Sexual Assault Nurse Examiner Program within the Office of the Attorney General for sexual assault training-related purposes under the Act. Provides that the amendatory Act takes effect January 1, 2019, except that the effective date provision and the provisions creating the Task Force are effective immediately.

Amends the Alcoholism and Other Drug Abuse and Dependency Act. Requires the Department of Human Services to develop and maintain an online registry for recovery residences that operate in Illinois to serve as a referral resource for individuals seeking continued recovery assistance. Defines "recovery residence" to mean a sober, safe, and healthy living environment that promotes recovery from alcohol and other drug use and associated problems. Encourages non-licensable recovery residences to register with the Department. Provides that the registry shall be publicly available through online posting and shall highlight attributes of the recovery residences and their locations. Provides that registrants are encouraged to seek national accreditation from any entity that has developed uniform national standards for recovery residences. Effective January 1, 2019.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, but with the following changes: Provides that the online registry for recovery residences shall indicate any accreditation, certification, or licensure that each recovery residence has received from an entity that has developed uniform national standards (rather than the registry shall highlight attributes of recovery residences such as any endorsement by a third party). Provides that registrants are encouraged to seek national accreditation from any entity that has developed uniform State or national standards (rather than national standards) for recovery residences. Removes language requiring a registrant's national accreditation designation to be indicated in the online registry as an indicator of a quality setting that promotes a culture of recovery and supports and improves treatment outcomes. Instead requires the Department of Human Services to include a disclaimer on the registry that states that the recovery residences are not regulated by the Department and their listing is provided as a resource but not as an endorsement by the State. Effective January 1, 2019.

20 ILCS 2630/5.2

Amends the Criminal Identification Act. Provides that notwithstanding any other provision of

law, the court shall not deny a sealing or expungement petition because the petitioner has not satisfied an outstanding financial obligation established, imposed, or originated by a court, law enforcement agency, or a municipal, State, county, or other unit of local government, including, but not limited to, any cost, assessment, fine, or fee. Makes changes to the definition of "terminate". Effective immediately.

#### HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that an outstanding legal financial obligation does not include any court ordered restitution to a victim under the Unified Code of Corrections, unless the restitution has been converted to a civil judgment. Provides that nothing in the prohibition for denying a petition to seal due to an outstanding legal financial obligation waives, rescinds, or abrogates a legal financial obligation or otherwise eliminates or affects the right of the holder of any financial obligation to pursue collection under applicable federal, State, or local law (in the introduced bill, nothing in the provision eliminates the right of the holder of those financial obligations to pursue collection under federal, State, or local law). Provides that upon motion, the court may order that a sealed or expunged judgment or other court record necessary to demonstrate the amount of any legal financial obligation due and owing be made available for the limited purpose of collecting any legal financial obligations owed by the petitioner that were established, imposed, or originated in the criminal proceeding for which those records have been sealed or expunged. Provides that records shall be immediately re-impounded upon the collection of the outstanding financial obligations. Provides that notwithstanding any other provision, a circuit court clerk may access a sealed or expunged record for the limited purpose of collecting payment for any legal financial obligations that were established, imposed, or originated in the criminal proceedings for which those records have been sealed or expunged. Effective immediately.

35 ILCS 5/246 new

Amends the Illinois Income Tax Act. Provides that the Department of Revenue, with the assistance of the Department of Commerce and Economic Opportunity, shall examine the investment credit and the research and development credit to determine the impact that each of these credits has on the creation and retention of jobs, and report its findings to the Governor and the General Assembly on or before December 1, 2019. Provides that the Department of Revenue, with the assistance of the Department of Commerce and Economic Opportunity, shall examine each credit against a tax imposed under the Illinois Income Tax Act on and after the effective date of this amendatory Act to determine the impact that each credit has on the creation and retention of jobs, including, but not limited to, any stated job creation goals, and report its findings for each credit to the Governor and the General Assembly on or before 3 years after the effective date of the credit in question, and on or before every 3 years thereafter. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but adds provisions requiring the Department of Revenue, with the assistance of the Department of Commerce and Economic Opportunity, to prepare a report including specified information concerning the credits under subsections (e) and (k) of Section 201 of the Illinois Income Tax Act. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Revenue)

This bill would have no impact on State tax revenues. The bill, as amended, initially requires a thorough evaluation of the investment and research & development tax credits, and the drafting of a final report by December 1, 2019. Thereafter, the Department is tasked with an evaluation of tax credits every third year. These responsibilities can be managed with existing staff; and therefore, the operational impact on the Department of Revenue will be minimal.

Amends the Illinois Controlled Substances Act. Provides that controlled substances which are lawfully administered in hospitals or institutions licensed under the Hospital Licensing Act shall be reported under (rather than, exempt from) specified reporting provisions under the Act, and the prescription for the controlled substances ordered and the quantity actually administered (rather than, the reporting requirement only applies for more than a 72-hour supply of a discharge medication to be consumed outside of the hospital or institution). Provides that the information required to be transmitted under the prescription monitoring program must be transmitted not later than the end of the business day on which a controlled substance is dispensed, or at such other time as may be required by the Department of Human Services by administrative rule (rather than, at the end of the next business day on which the controlled substance is dispensed).

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)

Since this list is currently maintained on the OHS website, there is no fiscal impact.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 5508 (H-AM 1) would not require a unit of local government to establish, expand, or modify activities in such a way to necessitate additional expenditures from local revenues. Therefore, in the opinion of DCEO, HB 5508 (H-AM 1) does not create a State mandate. However, under some provision under the bill a state mandate could be created.

Provides that the State Board of Education shall provide the Balanced Accountability Measure Committee an annual report with data and other information collected from entities identified by the State Board as learning partners (rather than lead partners), including, but not

limited to, data and information on the learning partners' (rather than the Committee's) effectiveness, geographic distribution, and cost to serve as part of a comprehensive statewide system of support. Provides that, pursuant to the federal Every Student Succeeds Act, the State Board may establish educator preparation pilot programs (rather than establish entrance educator preparation programs, encourage collaboration between schools of educator preparation and high-need districts, establish projects to recruit, select, prepare, and provide professional development for teachers or school leaders, and establish initiatives that focus on funding performance-based programs or human capital management systems). Repeals a provision in the Chicago School District Article on partnership agreements for advancing student achievement. Makes other and conforming changes.

New Act

Creates the Design-Build for Public Schools Act. Defines terms. Provides that a school district shall, for each public project, make a written determination as to whether it is in the best interests of the school district to enter into a design-build contract for that project. Specifies factors to be considered in making the determination. Provides that if a school district elects to use a design-build delivery method under the Act, it must issue a notice of intent to receive proposals for a project no less than 14 days before issuing the request for proposals. Specifies requirements for the request for proposals. Requires a school district that elects to use the design-build delivery method to establish a committee to evaluate and select the design-build entity, which shall consist of no less than 5 members but no more than 7 members and shall include no less than one licensed design professional. Requires a school district to use a 2-phase procedure for the selection of a design-build entity; specifies the criteria for each phase. Provides that a school district may award the contract to the highest overall ranked entity. Repeals the Act on July 1, 2023. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to the legislative intent provision. Defines "design-build entity". Provides that a request for proposals must include the design-build entity's plan to comply with the utilization goals established by the corporate authorities of the school district for minority-owned and women-owned business enterprises and to comply with a provision in the Illinois Human Rights Act; makes conforming changes. Provides that a school district may

not consider any design-build entity for evaluation or award if the entity has any pecuniary interests in the project or has other relationships or circumstances that create the appearance of impropriety. Provides that, after a proposal has been submitted in accordance with the Act, a design-build entity may not replace, remove, or otherwise modify any design professional firm identified as a member of the design-build team unless certain criteria are met. Provides that the design-build entity, regional superintendent of schools, and State Board of Education shall annually submit a detailed report to the General Assembly on the status of projects procured under the Act. Provides that all projects procured under the Act using the design-build delivery method must comply with a provision in the School Code governing school buildings and shall be subject to review and approval by the State Board of Education. Makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

With respect to legislative intent, provides that all projects using the delivery system under the Act shall comply with the school building code provisions of the School Code and shall be subject to review and approval by the State Board of Education. Provides that price may not be used as a factor in the evaluation of Phase I proposals in the definition of "evaluation criteria". Changes a reference from "cost evaluation factors" to "evaluation factors".

Amends the Illinois Public Aid Code. Provides that notwithstanding any other provision of law or administrative rule to the contrary, beginning in fiscal year 2019, the specified threshold for working families must be no less than 185% of the then-current federal poverty level for each family size. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

There is no fiscal impact to the Department of Human Services. Effective October 1st 2017, the FPL was increased to 185% for eligibility in the Child Care Assistance Program (CCAP). The Department's opposition is because the legislation sets in statute the income level at the 185% threshold for low-income working families applying for CCAP. By establishing it in law, it restricts the State from decreasing the FPL for eligibility. The FPL is currently set in rule, and rules allow the necessary flexibility to raise and/or lower the FPL in order to be fiscally responsible and comply with any changes in federal law that may impact the Child Care Program.

625 ILCS 5/15-301

from Ch. 95 1/2, par. 15-301

Amends the Illinois Vehicle Code. Provides that the Department of Transportation and local authorities, with respect to highways under their respective jurisdictions, in their discretion and upon application in writing may issue a special permit authorizing the applicant to move loads of agricultural commodities on a 2-axle single vehicle registered by the Secretary of State with the axle loads not to exceed 45%, on a 3-axle or 4-axle vehicle registered by the Secretary of

State not to exceed 30%, and on a 5-axle vehicle registered by the Secretary of State not to exceed 20% above the allowed gross weights. Provides that the fee for such permit shall be \$500 to be distributed into the State Construction Account Fund. Effective July 1, 2019.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: (1) provides that the Department and local authorities may issue a special permit authorizing the applicant to move loads of agricultural commodities if: (i) the vehicle's axle weight and gross weight do not exceed 10% above the maximum limits allowed; and (ii) the vehicle's gross weight does not exceed the vehicles registered gross weight by 10% (rather than on a 2-axle single vehicle registered by the Secretary of State with the axle loads not to exceed 45%, on a 3-axle or 4-axle vehicle registered by the Secretary of State not to exceed 30%, and on a 5-axle vehicle registered by the Secretary of State not to exceed 20% above the gross weights allowed); (2) provides that all other restrictions to permits apply; (3) provides that permits issued under the new provisions are valid only on federal and State highways under the jurisdiction of the Department other than interstate highways; (4) provides that a local authority may waive special permit requirements for highways under its jurisdiction for any vehicle issued a permit under the new provisions; and (5) provides that a combination of permits shall not exceed a total fee of \$1,000. Effective July 1, 2019.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

The Illinois Department of Transportation would potentially receive additional revenue for the State Construction Account Fund from the issuance of overweight permits for agricultural commodities. Since the bill is not clear on the length of term for the permit, we assumed it was a one-time permit fee of \$500. Additionally, since this is not something that we have permitted in the past we have no definite way to estimate the number of permits that might be requested. However, last year was the first year that we had Emergency Harvest Permits and we issued 1,800 of those. If we assume that number as the basis for this new overweight permit, at \$500 each, this would bring in and additional \$900,000 for the State Construction Account Fund. The damage to the highway system from the overweight loads of agricultural commodities would exceed the revenue generated by the new permit.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

625 ILCS 5/15-312 from Ch. 95 1/2, par. 15-312

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that a special permit issued by the Department of Transportation (rather than upon declaration by the Governor that an emergency harvest situation exists) shall be required from September 1 through December 31 for a vehicle that exceeds the maximum axle weight and gross weight limits or exceeds the vehicle's registered gross weight, provided that the vehicle's axle weight and gross weight do not exceed 10% above the maximum limits under the Code and does not exceed the vehicle's registered gross weight by 10%. Makes conforming changes. Provides that an applicant for a State Police escort shall pay \$75 (rather than \$60) per hour, per State Police vehicle.

- 65 ILCS 5/7-2-1 from Ch. 24, par. 7-2-1

Amends the Union of Contiguous Municipalities Division of the Illinois Municipal Code. Adds "consolidation" to the title of the Division. Provides that any 2 or more incorporated contiguous municipalities may be united into one incorporated city or village (rather than only cities) upon the presentation of a petition, signed by the lesser of 10% of the total number of electors of each municipality voting in the last election or 250 electors, to the election authority for the county in which the municipalities are situated or, if the municipalities are situated in 2 or more counties, in the county where the largest population of the subject municipalities resides. Removes provisions limiting union to municipalities wholly or substantially situated in a single county. Removes provisions requiring union by annexation by another city. Modifies the referendum question to approve the union. Provides that a union is not considered the creation or formation of a new political subdivision for purposes of the Election Code and makes other references to the Election Code. Provides that any elected official, member, employee, or contractor of a city or village subject to a petition to unite shall be expressly prohibited from using any governmental or public resources in opposing or supporting the petition. Provides that if the majority of the votes cast in any of the contiguous municipalities (rather than each municipality) in the petition is in favor of the proposition, then those contiguous municipalities are united. Makes other changes.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with following changes: provides that if the municipalities are situated in 2 or more counties, a petition asking that the question of union of contiguous municipalities be submitted to the electors of each municipality shall be presented to the election authority in the county in which the largest municipality (by population) is situated and, if the largest municipality is situated in 2 or more counties, in the county in which the largest municipality's municipal hall is located, and a copy of the petition shall be presented to all other election authorities in all other counties referencing where the petition has been filed; changes proposition language; provides that if the majority of votes cast in each (rather than any) of the contiguous municipalities specified in the petition is in favor of the proposition, then those contiguous municipalities are united; provides that if a majority of persons voting on the question vote against the proposition, no further propositions shall be had on the question for at least 22 months from the date of the election in which a majority of persons voted against the proposition, except if a majority of persons voting on the question in 2 or more, but less than all, municipalities in the election vote in favor of the proposition, the 22-month prohibition does not apply to those municipalities in which a majority of persons voted in favor of the proposition.

Creates the Underrepresented Groups in Academia Task Force within the Board of Higher Education to examine strategies to grow underrepresented groups in institutions of higher education and to ascertain the viability of increasing the number of laboratory schools in the State and creating State-owned and operated trade schools.

FISCAL NOTE (Illinois Board of Higher Education)

According to House Joint Resolution 2, members of the Underrepresented Groups in Academia Task Force shall serve without compensation. Although some costs might be incurred to the Illinois Board of Higher Education in order to provide support for the Task Force, such costs would most likely be minimal. Expanding services and programs for underrepresented students can provide opportunities for a more marketable skill set that lends itself to enhancing the growth and economic viability of the State of Illinois. The Illinois Board of Higher Education has also been in discussions about developing a conference specifically focused on assisting underrepresented student populations at both public and private institutions. The Underrepresented Groups in Academia Task Force could help to promote this cause as well and/or connect its work to such a forum.

States the belief that O'Hare International Airport's noise monitoring technology should be coupled with artificial-intelligence software to match the noises perceived by each station at each time to specific individual flight operations and the operations of individual airlines and to gauge the compliance of each individual airline firm with the guidelines set down in the Fly Quiet Program. Calls for a measurable improvement in Fly Quiet compliance no later than January 1, 2017, with further improvements to follow. Urges the Aviation Department of the City of Chicago to select a trusted third party that represents the interests of O'Hare International Airport's noise neighbors and to share the information enumerated in this resolution with this third party. Urges the Aviation Department and the trusted third party to collaborate to develop a rank-ordered chart of each airline firm's compliance with Fly Quiet Program guidelines. Urges the Aviation Department and the trusted third party to give the charts explicit and formal consideration as elements in any decisions made, subsequent to the start of the generation of this data and these charts, on the reallocation of departure gates and support facilities at O'Hare International Airport.
