Provides that every person in the actual possession of lands or tenements, under claim and color of title, as a purchaser following a foreclosure, and who for 3 successive years continues in possession, and also, during such time, pays all taxes legally assessed on the lands or tenements, shall be held and adjudged to be the legal owner of the lands or tenements, to the extent and according to the purport of his or her paper title. Provides that, in determining whether to grant an owners license to an applicant, the Illinois Gaming Board shall consider the extent to which the applicant considers veterans of the armed forces of the United States for employment. Amends the Illinois Pension Code. On January 1, 2021, merges all Article 3 police pension funds into a single Downstate Police Officers Pension Fund and all Article 4 firefighters' pension funds into a single Downstate Firefighters Pension Fund. Creates Transition Boards, which are responsible for planning, overseeing, and administering the consolidation. Authorizes the Transition Boards to undertake numerous activities necessary for the consolidation, including making arrangements for staff, investments, transfer of assets and liabilities, acquisition of property, establishment of municipal accounts, and the adoption of rules and procedures. Authorizes each Transition Board to enter into contracts and to obligate and expend the assets of each Fund. Creates a new Board of Trustees for each Fund, and provides for administration of each Fund by the Transition Board until the new Board assumes its duties on January 1, 2022. Converts the board of trustees of each consolidated pension fund into a pension benefit determination and payment board. Provides for investment of the Funds' assets by custodians chosen by the Boards of Trustees. Makes conforming and other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately, except that certain changes to the Illinois Pension Code take effect January 1, 2021.

Amends the Counties Code and Illinois Municipal Code. Provides that a county's or municipality's initial report of its audit findings to CATV operators shall include the complete list of all addresses within the corporate limits of the county or municipality. Limits the scope of provisions concerning franchise fees and service provider fee reviews. Provides that contingent fees paid to auditors, including subcontractors, may not exceed 25% of the net amount recovered, inclusive of interest and penalties. Provides that counties and municipalities shall provide to each CATV operator an updated complete list of addresses within the corporate limits of the county or municipality annually. In addition, the county or municipality shall provide a CATV operator the updated address list within 90 days after the date of a written request by the CATV operator and before a CATV operator's franchise fees or service provider fees are derived. county or municipality does not provide the updated address list. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 2

105 ILCS 5/26-12 from Ch. 122, par. 26-12

Replaces everything after the enacting clause. Amends the School Code. Requires a school district to make reasonable efforts to provide ongoing professional development to teachers, administrators, school board members, school resource officers, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement. In the Article governing compulsory attendance of pupils, provides that the term "valid cause" for absence means a circumstance which causes reasonable concern to the parent for the mental, emotional, or physical health or safety of the student, amongst other meanings (rather than concern for the safety or health of the student). Provides that a school district may not refer a truant, chronic truant, or truant minor to any other local public entity for that local public entity to issue the child a fine or fee as punishment for his or her truancy. Allows a school district to refer any person having custody or control of a truant, chronic truant, or truant minor to any other local public entity for that local public entity to issue the person a fine or fee for the child's truancy only if the school district's truant officer, regional office of education, or intermediate service center has been notified and all appropriate and available supportive services and other school resources have been offered to the child; specifies appropriate and available services for certain children referred to a municipality. Provides that before a school district may refer a person having custody or control of a child to another local public entity, the school district must document any appropriate and available supportive services offered to the child.

New Act

Creates the Anti-Registry Program Act. Provides that no agent or agency shall use any moneys, facilities, property, equipment, or personnel of the agency to participate in or provide support in any manner for the creation, publication, or maintenance of a registry program. Provides that no agent or agency shall provide or disclose to any government authority personal demographic information regarding any individual that is requested for the purpose of: (1) creating a registry program; or (2) requiring registration of persons in a registry program. Provides that no agent or agency shall make available personal demographic information from any agency database, including any database maintained by a private vendor under contract with the agency. Provides provisions regarding the construction and interpretation of the Act. Defines terms.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that nothing in the Anti-Registry Program Act prohibits an agent or agency from creating or maintaining a database that contains personal demographic information where such information is collected, among other purposes, for the purpose of tax administration by the Department of Revenue, or the information is contained within personnel files kept in the ordinary course of business.

SENATE FLOOR AMENDMENT NO. 2

Modifies the term "registry program" as used under the Anti-registry Program Act to mean a public, private, or joint public-private initiative: (1) for which particular individuals or groups of individuals, designated on the basis of their race, color, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, military status, order of protection status, pregnancy, or unfavorable discharge from military service, are required by law to register; and (2) whose primary purpose is to compile a list of individuals who fall within a demographic category identified by their race, color, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, military status, order of protection status, pregnancy, or unfavorable discharge from military service. Adds language providing that, in addition to the United States decennial census, "registry program" does not include: (1) any initiative whose purpose is administration of services, benefits, contracts, or programs, including permits, licenses, and other regulatory programs; or (2) Selective Service registration. Provides that no agent or agency shall use any monies, facilities, property, equipment, or personnel of the agency, or any personal demographic information in the agency's possession, to participate in or provide support in any manner for the creation, publication, or maintenance of a registry program.

SENATE FLOOR AMENDMENT NO. 3

Specifies that no agent or agency shall provide or disclose to any government authority personal demographic information that is not otherwise publicly available regarding any individual that is requested for specified purposes. Specifies that no agent or agency shall make available personal demographic information that is not otherwise publicly available from any agency database for such specified purposes, including any database maintained by a private vendor under contract with the agency.

625 ILCS 5/7-701.5 new

Provides that the Act may be referred to the Stay of Driver's License Suspension for Child Support Arrearage Law. Amends the Illinois Vehicle Code. Includes a statement of legislative purpose. Provides that in any proceeding to enforce arrearages in child support payments or orders, the obligor shall have the right to petition the court or child support administrative body for an order to stay the suspension of driver's license ("stay order") lasting 12 months after the date of the stay order. Provides that the court or the child support administrative body shall oversee the stay order and shall review the stay order every 90 days to determine if the obligor has started to pay child support if already employed, gains employment, or has made specified efforts to gain employment. Provides that the court shall impose specified requirements. Adds other provisions governing: employment, business, or self-employment income; additional issues, temporary disability or incapacity; support order requirements; termination of stay order for noncompliance; stay order extensions; and other matters. Provides that if the new provisions are inconsistent with Sections of the Code pertaining to notice and hearing requirements currently in place for the suspension of a driver's license for nonpayment, the new provisions control.

#### SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: (1) provides that the obligor may petition the court for a stay order lasting up to 12 months (instead of "lasting 12 months"); (2) provides that as the child support arrearage accrued while the obligor's license had yet to be suspended, the obligor must prove by clear and convincing evidence that the suspension should be stayed and that the child support obligation will be paid; (3) provides that the court may enter additional sanctions against an obligor who fails to meet any or all of the new provisions; (4) provides that in order to be granted an extension of the stay order, the obligor must show a good faith effort on the part of the obligor to pay the child support obligation; and (5) makes corresponding changes.

Amends the Children with Disabilities Article of the School Code. Provides that, in a school district with a population of more than 500,000 inhabitants, the principal and all school personnel who are regular members of an individualized education program team shall determine the special education staffing needs of the school based on individualized education program minutes, status of the school's least restrictive environment, optimal scheduling protocols, and other relevant factors. Provides that once a staffing level is set, the school board shall provide full staffing for the school and shall fund the total cost of each position. Provides that the school board may not reduce the special education staffing levels of a school in which the general staffing levels are less than 90% of the State average. Provides that the school board may require more efficient staff scheduling if the scheduling does not impair or hinder any reasonable goals of the school's general education program. Creates the Service-Member Employment and Reemployment Rights Act. Provides that the Attorney General shall appoint an Illinois Service-Member Employment and Reemployment Rights Act Advocate to carry out various duties related to the Act. Provides that in times of national or State emergency, the Governor may extend the protections of the Act. Limits the concurrent exercise of power by home rule units. Makes corresponding and related changes throughout the statutes. Repeals the Military Leave of Absence Act, the Public Employee Armed Services Rights Act, the Municipal Employees Military Active Duty Act, and the Local Government Employees Benefits Continuation Act. Amends the Service Member's Employment Tenure Act to change the short title to the Service Member's Tenure Act.

## SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Changes the short title of the Service-Member Employment and Reemployment Rights Act to the Service Member Employment and Reemployment Rights Act and makes related changes. In the provisions of the Service Member Employment and Reemployment Rights Act, defines "active service without pay" and "inactive duty". Removes definitions for "emergency care", "mobilization for a contingency operation", and "special needs family member". Makes changes to provisions concerning differential compensation. Removes language providing that a retroactive upgrade does not entitle a service member employee to back pay and other benefits attributable to the time period between discharge and retroactive upgrade. Provides that during periods of military leave for annual training (rather than annual training), public employees shall continue to receive full compensation as a public employee for up to 30 (rather than 15) days per calendar year and military leave for purposes of receiving concurrent compensation may be performed nonsynchronously. Removes language providing that concurrent compensation shall not be paid for active duty or active duty without pay. Provides that differential compensation for voluntary active service is limited to 60 (rather than 40) work days in a calendar year. Provides that public employees who have exhausted concurrent compensation under specified provisions in a calendar year shall receive differential compensation when authorized under other specified provisions in the same calendar year. Removes certain exceptions to provisions concerning additional benefits for public employee members of a reserve component providing that employer-based health plan benefits shall continue. Makes other changes.

In provisions concerning additional benefits for public employee members of a reserve component, provides that the employer's share of the full premium and administrative costs for employer-based health plan benefits shall continue to be paid by the employer (rather than may not be charged) for active duty beyond 30 days (currently, active duty beyond 30 days in cases of involuntary active service). In provisions concerning private right enforcement of the Service Member Employment and Reemployment Rights Act, provides that a violation of provisions concerning a notice of right and duties may not be the sole basis for a civil action under the Act. Makes other changes.

## HOUSE COMMITTEE AMENDMENT NO. 1

In the provisions of the Service Member Employment and Reemployment Rights Act concerning differential compensation, provides that for purposes of inactive duty, the daily rate of compensation for military service is calculated in accordance with the applicable drill pay chart issued by Defense Finance and Accounting Services. Provides that the provisions prohibiting an employer from imposing conditions for military leave shall not be construed to prevent an employer from providing scheduling options to employees in lieu of paid military leave. Provides that provisions concerning service, efficiency, and performance ratings do not apply to probationary periods. Makes changes to provisions concerning legislative intent and other changes.

Amends the School Code. Requires a school district to make reasonable efforts to provide ongoing professional development to teachers, administrators, school board members, school resource officers, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement. In the Article governing compulsory attendance of pupils, provides that the term "valid cause" for absence includes when a person who has custody or control of a child withholds the child from school due to a bona fide dispute over special education services or placement that is being addressed through the child's individualized education program, federal Section 504 plan, mediation, or a due process hearing. Provides that a school district may not refer a truant, chronic truant, or truant minor to any other local public entity for the purpose of issuing the child a fine or fee as punishment for the child's absence from school; defines "local public entity." Allows a school district to refer any person having custody or control of a truant, chronic truant, or truant minor to a local public entity for the purpose of issuing the child a fine or fee for the child's absence from school if all appropriate and available supportive services have been exhausted and the person has knowingly and willfully permitted the child's truant behavior to continue.

Amends the Illinois Public Aid Code. In provisions concerning the child care assistance program, requires the Department of Human Services to provide child care services to parents or other relatives who are engaged in a good-faith job search for a period of up to 6 months. Deletes certain provisions regarding eligibility of certain families eligible for child care assistance and factors for determining assistance. Contains provisions limiting redeterminations to once every 12 months. Removes provisions authorizing the Department to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year as are necessary to ensure that child care benefits paid under the Code do not exceed the amounts appropriated for those child care benefits. Contains provisions requiring the Department to: (1)

establish a wage scale sufficient to recruit and retain a skilled and diverse child care workforce; (2) annually publish in draft form its determination of the cost of quality care; (3) adopt policies that maximize the participation of eligible children in Head Start and Early Head Start programs; and (4) submit annual reports to the General Assembly concerning certain matters.

Amends the State Employees Group Insurance Act of 1971. Removes a provision prohibiting the non-contributory portion of a program of health-benefits from including the expenses of obtaining an abortion. Amends the Illinois Public Aid Code. Removes a provision excluding abortions or induced miscarriages or premature births from the list of services provided under the State's medical assistance program. Removes language providing for the adoption of rules to prohibit a physician from providing medical assistance to anyone eligible for medical assistance benefits if the physician has been found guilty of willfully and wantonly performing an abortion procedure upon a woman who was not pregnant at the time of the procedure. Removes other provisions concerning abortion restrictions. Amends the Problem Pregnancy Health Services and Care Act. Removes language prohibiting the Department of Human Services from making grants to nonprofit agencies and organizations that use such grants to refer or counsel for, or perform, abortions. Amends the Illinois Abortion Law of 1975. Provides that it is the intention of the General Assembly to reasonably regulate abortion in conformance with the legal standards set forth in the decisions of the United States Supreme Court of January 22, 1973. Removes language concerning the General Assembly's declaration that the unborn child is a human being from the time of conception and is, therefore, a legal person for purposes of the unborn child's right to life. Makes other changes.

**STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)**

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

**PENSION NOTE (Government Forecasting & Accountability)**

HB 40 will not impact any public pension fund or retirement system in Illinois.

**JUDICIAL NOTE (Admin Office of the Illinois Courts)**

This bill would neither increase nor decrease the number of judges needed in the State.

**CORRECTIONAL NOTE (Dept of Corrections)**

HB 40 has no fiscal or population impact on the Department of Corrections.

**JUDICIAL NOTE (Admin Office of the Illinois Courts)**

This bill would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

The Illinois Department of Transportation has determined that no land conveyance is necessary for this bill.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 40 does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling, a single-family residence.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 40 does not pre-empt home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

An accurate cost assessment for this bill cannot be completed at this time because it does not mandate the State to fund these services. However, by removing these prohibitions it opens the State up for significant cost liabilities to incur. It is unknown how often these services would be utilized by Medicaid enrollees or State employees, the exact cost to health insurance plans, or how many new grant requests the Department of Human Services would receive as a response to this, and future related legislation.

FISCAL NOTE (Dept. of Healthcare & Family Services)

The estimated annual cost for abortion services resulting from House Bill 40 is approximately \$1.8 million, which would be 100% GRF funded. There may be other budgetary impacts that are not quantifiable.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling, a single-family residence.

HOUSE FLOOR AMENDMENT NO. 1

Further amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that notwithstanding any other provision of the Code, reproductive health care that is otherwise legal in Illinois shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 40 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Replaces everything after the enacting clause. Creates the Keep Illinois Business Act. Creates a child tax credit in an amount equal to 20% of the federal tax credit allowed under Section 24 of the federal Internal Revenue Code. Creates a credit for amounts paid under the Business Occupation Assessment Act. Creates a credit for wages paid pursuant to a qualified apprenticeship program. Creates the Business Occupation Assessment Act. Imposes an assessment of \$5,000 per taxable years on each corporation doing business in the State; provides that the amount of the assessment shall be adjusted annually for

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1  
(Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 160 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1  
(Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of the Attorney General)

Fiscal Impact: No dollar estimate can be provided.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Revenue)

The bill makes changes to numerous tax acts and creates a new Business Occupation Assessment. The following table summarizes the revenue impacts that can be quantified by the Department. There is a fiscal year 2018 impact and long-run annualized impact. The fiscal year 2018 impact of the corporate income tax rate reduction has an outsized effect relative to the annualized effect because of retroactivity. The Business Occupation Assessment for fiscal year 2018 is net of credits for income tax liability. (A) Individual Income Tax: (1) Earned Income Tax Credit - The proposed increase to the earned income tax credit to 12.5% effective January 1,2017, has a cost of \$59 million in fiscal year 2018. The bill increases the earned income tax credit to 15% of the federal credit effective January 1,2018, which will cost \$118 million in FY19; (2) Economic Development for a Growing Economy (EDGE) Tax Credit against withholding - The bill repeals the election for taxpayers to claim EDGE credit against their employees withholding liability under IITA section 704A. This proposal increases IIT revenue by an estimated \$28 Million annually (based on micro-simulation model that uses more than 6 million Illinois tax records). This repeal as proposed may be subject to litigation. The change is retroactive and seeks to disallow credits already awarded. May be an impairment of contract. Legal should opine; (B) Sales Tax - It is not possible to estimate the impact since the data is not stated separately on the ST-1 nor does any reliable public data source exist; (C) Corporate Income Tax - For a full 12 months of implementation, a reduction in the corporate income tax rate from 5.25% to 2.625% would reduce gross corporate income tax revenue by approximately \$1 billion. Net of refunds, the rate reduction would reduce net revenue by approximately \$850 million. It is unlikely that such a change would have a significant impact on revenue for the remainder of fiscal year 2017. Adjustments in estimated payments are generally slow to come as taxpayers attempt to avoid penalties resulting from underpayment. A decrease in

the tax rate for tax year 2017 would likely be felt most strongly in fiscal year 2018 and the beginning of fiscal year 2019 as taxpayers adjust estimated, final, and extension payments and request larger refunds to compensate for overpayment during the preceding tax year; (1) Business Occupation Assessment - For a full 12 months of implementation, the Business Occupation Assessment will generate \$480 million net of all credits applied against the corporate income tax; (2) Credit for Student-Assistance Contributions - The changes to the Credit to Student-Assistance Contributions will have a negligible impact on state tax revenues; (3) River Edge Historic Preservation Tax Credit - Because we have no way to estimate the number or scale of potential qualified rehabilitation projects that will occur in a River Edge Redevelopment Zone, we cannot estimate the potential cost to the State resulting from this credit; (4) Internship Credit - The impact on state tax revenue resulting from this credit is yet to be determined; (5) Apprenticeship Training Credit - The proposed amendment to the Illinois Income Tax Act would have a negative impact on revenue. It is estimated that a full 12 months of implementation would reduce income tax revenue by \$80,000 - \$4.5 million; (6) Economic Development for a Growing Economy (EDGE) Tax Credit - This component of the bill would have no impact on state tax revenue; (7) Angel Investment Credit Sunset Date Extension - This component of the bill would reduce state tax revenue by \$10 million per year; (8) Live Theater Production Credit Sunset Date Adjustment (January 1, 2022) - It is estimated that for a full 12 months of implementation, a change to the sunset date for the tax credits earned under this Act will have a negative impact on revenue of approximately \$1 million; (9) Film Production Services Tax Credit Sunset Date Adjustment (January 1, 2026) - It is estimated that for a full 12 months of implementation, a change to the sunset date for the tax credits earned under this Act will have a negative impact on revenue of approximately \$16 million. It should be noted, however, that the annual amount of tax credits earned and applied can vary significantly from year to year; (D) Other State Revenue Sources; (1) Repeal Corporate Franchise Tax - Elimination of the Corporate Franchise Tax will cost the general funds \$180 million per year; (2) LLC and Series LLC Fee Reduction - The Department of Revenue has no way to estimate the number of LLCs and series LLCs that file applications for admission or restated articles of organization on an annual basis. Lowering the filing fees to \$39 and \$59 would have a negative impact on revenue, but we are unable to estimate the size of the impact. The Illinois Secretary of State should be able to estimate this impact; (3) Various Taxes - Verified Overpayment Credit - These changes will have no impact on state tax revenues; (4) Estate Tax -Business property exempted from state tax credit calculation - This change will likely have a negative impact on state tax revenues.

Deletes reference to:

305 ILCS 5/1-5

Adds reference to:

305 ILCS 5/5B-4 from Ch. 23, par. 5B-4

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. In provisions concerning an assessment on occupied bed days, provides that when the State fails to reimburse for services rendered in the month on which the assessment is imposed, the due date for payment of the assessment must be no earlier than 30 days after reimbursement by the State (rather than a facility that has delayed payment due to the State's failure to reimburse for services rendered may request an extension on the due date for payment and shall pay the assessment within 30 days of reimbursement by the Department of Healthcare and Family Services). Provides that the Department may not collect payment of the assessment if the long-term care provider has not been paid for services provided during the month on which the assessment is levied and the long-term care provider does not need to take any additional action (rather than the Department may not deny a request for delay of payment of the assessment if the long-term care provider has not been paid for services provided during the month on which the assessment is levied). In a provision concerning a penalty assessment for failure to file an assessment bill with payment, provides that no penalty shall be assessed if the long-term care facility submits its assessment bill prior to the payment if the payment is delayed when the long-term care facility has not been paid for services provided during the month on which the assessment is levied. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 2**

entity authorized by the Department to make payments on its behalf until at least 30 days have elapsed since the receipt of payment. Provides that the Department shall establish, by rule, a process for the determination of delayed payment dates that shall include, at a minimum, notice requirements, but shall not require the facility to apply and be approved for a delay of payment due to nonpayment nor shall any other criteria for the delay be imposed. Removes a provision prohibiting the Department from denying a request for delay of payment of the assessment if the long-term care provider has not been paid for services provided during the month on which the assessment is levied. Effective immediately.

305 ILCS 5/3-2 from Ch. 23, par. 3-2

Amends the Illinois Public Aid Code. Makes a technical change in a Section concerning conditions for basic maintenance grants of aid to the aged, blind, or disabled.

**HOUSE FLOOR AMENDMENT NO. 1**

Deletes reference to:

305 ILCS 5/3-2

Adds reference to:

305 ILCS 5/5-5g new

305 ILCS 5/11-5.4

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Requires long-term care providers to submit all changes in resident status, including, but not limited to, death, discharge, changes in patient credit, third party liability, and Medicare coverage to the Department of Healthcare and Family Services through the Medical Electronic Data Interchange System, the Recipient Eligibility Verification System, or the Electronic Data Interchange System under a specified schedule. Requires the Department of Healthcare and Family Services to serve

as the lead agency assuming primary responsibility for the full implementation of provisions concerning expedited long-term care eligibility determinations, renewals, enrollments, and payments, including the establishment and operation of the expedited long-term care system. Provides that beginning on June 29, 2018, provisional eligibility must be issued to any applicant who has not received a final eligibility determination on his or her application for Medicaid or Medicaid long-term care benefits or a notice of an opportunity for a hearing within the federally prescribed deadlines for the processing of such applications. Requires the Department to maintain the applicant's provisional Medicaid enrollment status until a final eligibility determination is approved or the applicant's appeal has been adjudicated and eligibility is denied. Provides that the Department or the managed care organization, if applicable, must reimburse providers for all services rendered during an applicant's provisional eligibility period. Requires the Department to adopt, by rule, policies and procedures to ensure prospective compliance with the federal deadlines for Medicaid and Medicaid long-term care benefits eligibility determinations. Sets forth certain standards and principles the policies must address, including: (i) a streamlined application and enrollment process; (ii) protocols to expedite the eligibility processing system for applicants meeting certain guidelines, regardless of the age of the application; (iii) the review of applications for long-term care benefits when there exists credible evidence that an applicant has transferred assets with the intent of defrauding the State; and other matters. Contains provisions concerning: (1) the adoption of policies and procedures to improve communication between long-term care benefits central office personnel, applicants, and facilities in which the applicants reside; the establishment of policies and procedures to improve accountability and provide for the expedited payment of services rendered; (3) the Department's investigation of public-private partnerships in use in Ohio, Michigan, and Minnesota that are aimed at redeploying caseworkers to targeted high-Medicaid facilities for the purpose of expediting initial Medicaid and Medicaid long-term care benefits applications, renewals, and all other things related to enrollment, reimbursement, and application processing; (4) provider association meetings; (5) presumptive eligibility of benefits; (6) the prioritization of processing applications on a last-in, first-out basis; and other matters. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, but with the following changes: Provides that an applicant with provisional enrollment status must have his or her benefits paid for under the State's fee-for-service system until such time as the State makes a final determination on the applicant's Medicaid or Medicaid long-term care application (rather than an applicant with provisional enrollment status, who is not enrolled in a managed care organization at the time the applicant's provisional status is issued, must continue to have his or her benefits paid for under the State's fee-for-service system until such time as the State makes a final determination on the applicant's Medicaid or Medicaid long-term care application). Provides that if an individual is enrolled with a managed care organization for community benefits at the time the individual's provisional status is issued, the managed care organization is only responsible for paying benefits covered under the capitation payment received by the managed care organization for the individual. Requires the Department of Healthcare and Family Services to clearly identify as provisional eligibility vouchers those vouchers submitted to the Office of the Comptroller on behalf of applicants with provisional enrollment status. Adds a definition for the term "renewal". Effective immediately.

Deletes reference to:

735 ILCS 5/1-101

Adds reference to:

735 ILCS 5/2-301 from Ch. 110, par. 2-301

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that a party filing any other pleading or motion prior to the filing of a motion objecting to a court's jurisdiction over the party's person waives all objections to the court's jurisdiction over the party's person, both prospectively and retroactively, unless the initial motion filed is: (i) a motion for an extension of time to answer or otherwise plead or (ii) a motion requesting a judgment, relief from a judgment, or relief from a default judgment. Provides that any motion objecting to a court's jurisdiction over the party's person shall be filed within 60 days of the court's order disposing of an initial motion requesting a judgment, relief from a judgment, or relief from a default judgment. Provides that nothing precludes a party from filing a motion objecting to a court's jurisdiction over the party's person combined with a motion requesting a judgment, relief from a judgment, or relief from a default judgment; and that if such a combined motion is filed, any objection to the court's jurisdiction over the party's person is not waived.

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant

graduated with a grade point average in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university or satisfied the ACT's College Readiness Benchmarks on the ACT college admission assessment applicable to the applicant or earned on the SAT college admission assessment a score of at least 1,500 out of 2,400; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

**FISCAL NOTE (Illinois Board of Higher Education)**

Assuming the provisions of HB 230 would operate under existing capacity levels, it appears that the increased number of mandated entering freshmen students would off-set other eligible entering freshmen and the cost of instruction would generally remain the same. However, depending on the financial profile of the freshmen included under the guidelines presented in HB 230, financial aid costs could increase, although specific estimates are undeterminable at this time. The Illinois Board of Higher Education's FY2016 Weighted Average Tuition Report indicated an entering freshman class of 34,760 for the current academic year.

**STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)**

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Provides that the Illinois Student Assistance Commission (rather than the Board of Higher Education) shall develop and implement a program to increase and enhance efforts of institutions in conducting outreach to academically high-performing high school seniors in the State who are likely eligible for automatic admission under the Act.

**FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois Board of Higher Education)**

Assuming the provisions of House Bill 230 (H-AM 2) would operate under existing capacity levels, it appears that the increased number of mandated entering freshman students would off-set other eligible entering freshman and the cost of instruction would generally remain the same. However, depending on the financial profile of the freshman included under the guidelines presented in House Bill 230, financial aid costs could increase although specific estimates are undeterminable at this time.

**JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)**

This legislation would neither increase nor decrease the number of judges needed in the State.

**STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)**

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

**HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)**

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

**BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)**

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

This legislation will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Amends the Illinois Power Agency Act. Makes changes to the definition of "distributed renewable energy generation device" by removing language limiting hydropower under the definition to hydropower that does not involve new construction of hydropower dams from the list of sources that power a device. Makes a similar change to the list of energy sources in the definition of "renewable energy resources". In a provision concerning the duties and responsibilities of the Resource Development Bureau, provides that the first electric generation or co-generation facility that the Illinois Power Agency develops, finances, or constructs may be a facility that uses coal produced in Illinois or a renewable energy facility (rather than shall be a facility that uses coal produced in Illinois). Removes language providing that the Agency may also develop, finance, or construct renewable energy facilities after work on the first facility has commenced. Amends the Renewable Energy, Energy Efficiency, and Coal Resources Development Law of 1997 by making a similar change to the Act's definition of "renewable energy resources".

**STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)**

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

**FISCAL NOTE (Illinois Power Agency)**

HB 232 would result in no immediate or direct impacts on state revenues. Over time, through allowing for a broader range of facilities to serve as the initial electric generation facility developed, financed, or constructed by the Agency, HB 232 slightly increases the likelihood that the Agency would be required to establish a Resource Development Bureau, hire a Resource Development Bureau Chief, and hire additional staff or outside consultants having expertise in the development, financing, or construction of electric generation or co-generation facilities. Should these costs then need to be borne by the State - and HB 232 does not directly cause such costs to be incurred, but instead merely increases the likelihood that they would be - such costs would range from \$200,000 at the lowest estimate to \$2-\$3 million at the high end depending on the complexity of the electric generating project. These estimates are based on the cost of establishing the Resource Development Bureau and estimates of costs previously incurred by the Agency for complex and resource-intensive Agency activities. Other costs associated with the development of a new electric generating facility would be offset by revenues generated from the output of that facility (which "shall be supplied at cost" under 20 ILCS 3855/1-80(d)).

305 ILCS 5/5-5.01a

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging, the Rehabilitation of Persons with Disabilities Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool shall be eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool, and those individuals are found to be ineligible under that updated assessment tool. Requires the Department on Aging, the Department of Human Services, and the Department of Healthcare and Family Services to adopt rules through the regular rulemaking process regarding the updated assessment tool, but prohibits those Departments from adopting emergency or peremptory rules regarding the updated assessment tool. Contains provisions concerning continued eligibility for persons made ineligible for services under the updated assessment tool. Further amends the Illinois Act on the Aging by prohibiting the Department on Aging from: (i) adopting any rule that restricts eligibility under the Community Care Program to persons who qualify for medical assistance under Article V of the Illinois Public Aid Code; or (ii) establishing, by rule, a separate program of home and community-based long term care services for persons who are otherwise eligible for services under the Community Care Program but who do not qualify for medical assistance under Article V of the Illinois Public Aid Code. Prohibits the Department from increasing copayment levels under the Community Care Program to the levels that were in effect on January 1, 2016, except to make an adjustment for inflation. Removes language that makes Medicaid enrollment or eligibility a condition of eligibility under the Community Care Program if the Auditor General has reported that the Department has failed to comply with certain reporting requirements under the Illinois State Auditing Act. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. Provides that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

Provides that a committed person shall not be placed in isolated confinement unless there is reasonable cause to believe that the committed person would create a substantial risk of immediate serious harm to himself, herself, or another, and a less restrictive intervention would be insufficient to reduce this risk and the correctional facility shall bear the burden of establishing this standard. Provides that a committed person shall not be placed in isolated confinement before receiving a personal and comprehensive medical and mental health examination conducted by a clinician. Defines "clinician" as: (1) a physician who is licensed to practice medicine in all of its branches and is certified in psychiatry by the American Board of Psychiatry and Neurology or the American Osteopathic Board of Neurology and Psychiatry, or has completed 4 years of an accredited post-graduate training program in psychiatry; or (2) a licensed clinical psychologist. Provides that a committed person held in

emergency confinement shall receive an initial medical and mental health evaluation within 2 hours. Establishes conditions in which a committed person may be placed in protective custody. Amends the Unified Code of Corrections to make conforming changes. Effective January 1, 2018, except that the Department of Corrections rules provisions are effective immediately.

Provides that the lead investigator shall be a person certified by the Illinois Law Enforcement Training Standards Board as a sexual assault investigator, or similar training approved by the Illinois Law Enforcement Training Standards Board or the Department of State Police, or similar training provided at an Illinois Law Enforcement Training Standards Board certified school. Provides that no investigator involved in the investigation may be employed by the law enforcement agency that employs the officer involved in the officer-involved criminal sexual assault, unless the investigator is employed by the Department of State Police or a municipality with a population of over 1,000,000 and is not assigned to the same division or unit as the officer involved in the criminal sexual assault. Provides that the investigators conducting the investigation shall, in an expeditious manner, provide a complete report to the State's Attorney of the county in which the officer-involved criminal sexual assault occurred. Provides that the Act does not prohibit a law enforcement agency from conducting an internal investigation into the officer-involved criminal sexual assault if the internal investigation does not interfere with the investigation. 35 ILCS 5/901 from Ch. 120, par. 9-901

Amends the Illinois Income Tax Act. Provides that, from February 1, 2017 through January 31, 2018, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2018 through January 31, 2019, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2019 through January 31, 2020, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2020, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

Although this bill would have no effect on total revenue, the Department of Revenue estimates that deposits into the General Revenue Fund for fiscal year 2017 would be reduced by \$30 million. Deposits into the General Revenue Fund for fiscal year 2018 would be reduced by \$100 million. Deposits into the General Revenue Fund for fiscal year 2019 would be reduced by \$175 million. Deposits into the General Revenue Fund for fiscal year 2020 would be reduced by \$258 million. Deposits into the General Revenue Fund for fiscal year 2121 would be reduced by \$314 million. After that, the amount of deposits into General Revenue Fund would be reduced increasingly, as individual income tax and corporate income tax revenue keep growing. This estimate was calculated by multiplying the net corporate income tax and individual income tax revenue forecasts by the difference between actual Local Government Distributive Fund transfer percentages and proposed Local Government Distributive Fund transfer percentages.

Amends the Administration of Psychotropic Medications to Children Act. Provides that the Department of Children and Family Services shall adopt rules requiring the Department to distribute treatment guidelines on an annual basis to all persons licensed under the Medical Practice Act of 1987 to practice medicine in all of its branches. Provides that the Department shall prepare and submit an annual report to the General Assembly with specified information concerning the administration of psychotropic medication to persons for whom it is legally responsible. Amends the Medical Practice Act of 1987. Provides that the Department of Financial and Professional Regulation may revoke, suspend, place on probation, reprimand, refuse to issue or renew, or take any other disciplinary or non-disciplinary action as the Department may deem proper with regard to the license or permit of any person issued under the Act upon repeated acts of clearly excessive prescribing, furnishing, or administering psychotropic medications to a minor without a good faith prior examination of the patient and medical reason.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes: In provisions amending the Administration of Psychotropic Medications to Children Act concerning requiring the Department of Children and Family Services to adopt rules on distributing certain treatment guidelines, provides that the guidelines should be distributed to all persons licensed under the Medical Practice Act of 1987 to practice medicine in all of its branches who prescribe psychotropic medications to youth for whom the Department is legally responsible. Replaces language concerning required information to be included in an annual report to be submitted to the General Assembly concerning pharmacy claims data for youth for whom the Department is legally responsible. For each youth who falls into certain categories, the Department shall maintain a record of certain information (rather than submit the information to the General Assembly). The information includes diagnoses received on each youth (rather than on non-pharmacy claims). Removes from the required information the unit, quantity of, and the number of days' supply of the medication. Provides that the Department may (rather than shall) contract for consulting services from a psychiatrist who has expertise and specializes in pediatric care to review the data submitted in an annual report to the General Assembly. In language requiring the Department to analyze prescribing patterns for certain populations, removes persons who are in facilities operated by the Department of Corrections or the Department of Juvenile Justice. Makes other changes.

**FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Children & Family Services)**

The annual report required under HB 281 (H-AM 1) would be developed by the existing UIC Behavioral Health and Welfare Program, in consultation with DCFS, utilizing records and data they currently have access to and utilize for analysis and reporting. The Department of Children and Family Services estimates no significant fiscal impact.

- 765 ILCS 1025/20 from Ch. 141, par. 120

Amends the Unclaimed Life Insurance Benefits Act. Provides that "policy" includes a policy that has lapsed or been terminated. Requires insurers to, at no later than the date of policy delivery or the establishment of an account, and upon any change of insured or beneficiary, request information sufficient to ensure that all benefits or proceeds are distributed to the appropriate persons upon the death of the insured. Allows insurers to contact insureds in certain circumstances for the information. Provides that the Act applies to policies, annuity contracts, and retained asset accounts in force at any time on or after January 1, 1996 (rather than on or after the effective date of the Act). Provides that the Act does not apply to a lapsed or terminated policy with no benefits payable that was compared against the Death Master File within the 18 months following the date of the lapse or termination of the applicable policy. Amends the Vital Records Act. Provides that any information contained in the vital records shall be made available at no cost to the State Treasurer for purposes related to the Uniform Disposition of Unclaimed Property Act. Amends the Uniform Disposition of Unclaimed Property Act. Removes provisions concerning certain fees and charges for unclaimed property. Provides that no person or company shall be entitled to a fee for discovering presumptively unclaimed property during the period beginning on the date the property was presumed abandoned and ending 24 months after the payment or delivery of the property to the State Treasurer (rather than until it has been in the custody of the State Treasurer for at least 24 months). Makes other changes.

**FISCAL NOTE (Department of Insurance)**

As a result of the requirements brought about by this legislation, the Department of Insurance would need to add, at minimum, one (1) full time position to fulfill complaint unit duties. The proposed legislation would substantially increase the amount of policies eligible for review by carriers (and thereby eligible for consumer inquiries). This position would be housed within the Department's Life and Annuities Products Division at a total annual cost to the Department of Insurance of approximately \$100,000 for both personal services and related expenses and lower line item costs. The projected cost associated with these responsibilities is expected to be covered by Other, Dedicated State Funding.

**BALANCED BUDGET NOTE (Office of Management and Budget)**

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

**CORRECTIONAL NOTE (Dept of Corrections)**

This legislation has no fiscal or population impact on the Department of Corrections.

**HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)**

This bill will have no effect on the cost of constructing, purchasing, owning, or selling

a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (Government Forecasting & Accountability)

HB 302 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 302 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

215 ILCS 185/30

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions amending the Unclaimed Life Insurance Benefits Act, provides that an insurer shall initially perform a comparison of certain policies, contracts, and accounts in force on or after January 1, 2012 by using the full Death Master File (rather than all certain policies, contracts, and accounts). Provides that an insurer required to perform a comparison of certain policies, contracts, and accounts in force on or after January 1, 2000 shall perform a comparison of certain policies, contracts, and accounts in force between January 1, 2000 and December 31, 2016 on or before December 31, 2018 by using the full Death Master File. Removes language requiring an insurer to request information sufficient to ensure that all benefits or proceeds are distributed to the appropriate persons upon the death of the insured. Further amends the Unclaimed Life Insurance Benefits Act. Requires the Department of Insurance to define "electronic searchable files" in rules. Removes provisions allowing the Department to limit an insurer's Death Master File comparisons to the insurer's electronic searchable files or approve a plan and timeline for conversion of the insurer's files to searchable electronic files upon a demonstration of hardship by the insurer. Provides that the Act applies to policies, annuity contracts, and retained asset accounts in force at any time on or after January 1, 2012 (rather than on or after January 1, 1996). Provides that for an insurer that has entered into a written agreement with the State Treasurer on or before December 31, 2018 to resolve an unclaimed property examination, the provisions of the Act apply to certain policies, contracts, and accounts in force on or after January 1, 2017. Provides that the provisions of the Act apply to certain policies, contracts and accounts in force at any time on or after January 1, 2000 to the extent that an insurer has electronic searchable files concerning those policies, contracts, and accounts.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends removing the following provisions added to the Unclaimed Life Insurance Benefits Act: (i) that an insurer required to perform a comparison of electronic searchable files concerning its insureds', annuitants', and retained asset account holders' in-force policies, annuity contracts, and retained asset accounts in force on or after January 1, 2000 shall perform a comparison of policies, annuity contracts, and retained asset accounts in force between January 1, 2000 and December 31, 2016 on or before December 31, 2018 by using the full Death Master File; (ii) that the Department of Insurance shall, by rule, define "electronic searchable files"; and (iii) that the Act applies to policies, annuity contracts, and retained asset accounts in force at any time on or after January 1, 2000 to the extent that an insurer has electronic searchable files concerning such policies, annuity contracts, and retained asset accounts. Recommends removing a provision under the Uniform Disposition of Unclaimed Property Act that permits the Office of the State Treasurer to enter into contracts with persons to examine holders located outside the State under which the Office of the State Treasurer agrees to pay such persons based upon a percentage of the property recovered by the State.

#### New Act

Creates the Network Adequacy and Transparency Act. Provides that administrators and insurers, prior to going to market, must file with the Department of Insurance for review and approval a description of the services to be offered through a network plan, with certain criteria included in the description. Provides that the network plan shall demonstrate to the Department, prior to approval, a minimum ratio of full-time equivalent providers to plan beneficiaries and maximum travel and distance standards for plan beneficiaries, which shall be established annually by the Department based upon specified sources. Provides that the Department shall conduct quarterly audits of network plans to verify compliance with network adequacy standards. Establishes certain notice requirements. Provides that a network plan shall provide for continuity of care for its beneficiaries under certain circumstances and according to certain requirements. Provides that a network plan shall post electronically a current and accurate provider directory and make available in print, upon request, a provider directory subject to certain specifications. Provides that the Department is granted specific authority to issue a cease and desist order against, fine, or otherwise penalize any insurer or administrator for violations of any provision of the Act. Makes other changes. Effective January 1, 2018.

#### HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes: Removes the definition of "administrator". Includes in the definition of "insurer" workers compensation insurance and pharmacy benefit managers. Defines "telehealth" and "telemedicine". Removes references to "administrators" throughout the Act. Removes provisions requiring an insurer providing a network plan to file the following information with the Director of Insurance: the method of the marketing plan and certain written policies and procedures. Provides that insurers shall provide the Director a description of how the use of telemedicine, telehealth, or mobile care services may be used to partially meet the network adequacy standards (rather than a description of each network hospital of the percentage of physicians in certain specialties who practice in the hospital are in the insurer's network). Provides that the Department shall consider establishing ratios for certain physicians or other providers (rather than requiring ratios at a minimum to include certain physicians or other providers). Provides that maximum travel and distance standards for network plan beneficiaries

established annually by the Department shall be done in consultation with the Department of Public Health. Removes the requirement that the network plan must demonstrate, prior to approval, that it has contracted with physicians who specialize in certain areas in sufficient numbers at any in-network facility or in-network hospital so patients have reasonable access to the in-network physicians. Provides that the network plan shall demonstrate sufficient inpatient services. Provides that the network plan may consider use of other health care service delivery options. Provides that the Director may (rather than shall) conduct periodic (rather than semi-annual) audits of the accuracy of provider directories. Removes language granting the Director specific authority to issue a cease and desist order against, fine, or otherwise penalize any insurer for violations of any provision of the Act. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the Act applies to an individual or group policy of accident and health insurance with a network plan amended, delivered, issued, or renewed in this State on or after January 1, 2019. Defines "authorized representative". Removes references to "exchange plans or Medicare Advantage Plans". Removes language that requires insurers to file a description of services for review prior to going to market. In provisions concerning notice of renewal or termination, includes language that primary care providers must notify active affected patients of nonrenewal or termination of the provider from the network plan, except in the case of incapacitation. Adds provisions concerning facility nonparticipating provider transparency. Makes other changes. Provides that the bill takes effect upon becoming law (rather than on January 1, 2018).

SENATE COMMITTEE AMENDMENT NO. 1

In provisions concerning network adequacy, removes language providing that the network plan shall demonstrate sufficient inpatient services, including services by preferred providers who specialize in emergency medicine, anesthesiology, pathology, and radiology. Removes provisions concerning facility nonparticipating provider transparency.

Amends the Nurse Practice Act. In provisions concerning scope of practice, written collaborative agreements, temporary practice with a collaborative agreement, prescriptive authority

with a collaborative agreement, titles, advertising, continuing education, and reports relating to professional conduct and capacity, changes references of "advanced practice nurse" and "APN" to "advanced practice registered nurse" and "APRN". Provides that a written collaborative agreement is required for all postgraduate advanced practice registered nurses until specific requirements have been met. Provides that postgraduate advanced practice registered nurses may enter into written collaborative agreements with collaborating advanced practice registered nurses or physicians (rather than collaborating physicians or podiatric physicians). In provisions concerning prescriptive authority for postgraduate advanced practice registered nurses, sets forth the requirements for postgraduate advanced practice registered nurses to have prescriptive authority and the limitations of such authority. Defines "full practice authority" and provides requirements for it to be granted to an advanced practice registered nurse. Removes provisions concerning advanced practice nursing in hospitals, hospital affiliates, or ambulatory surgical treatment centers, except the provision for anesthesia services and the provision requiring advanced practice registered nurses to provide services in accordance with other Acts. Makes other changes. Effective immediately.

Amends the General Assembly Article of the Illinois Pension Code. Requires the General Assembly Retirement System to establish a self-directed retirement plan. Provides that on and after the effective date of the amendatory Act, an active participant's participation in the System shall be limited to participation in the self-directed retirement plan. Provides that an annuitant shall not receive an automatic increase in retirement annuity on or after the effective date of the amendatory Act unless, according to the most recent actuarial valuations, the total assets of the System are equal to or greater than 100% of the total actuarial liabilities of the System. Establishes a schedule for vesting in the self-directed retirement plan. Requires the Public Pension Division of the Department of Insurance to develop a schedule that, subject to certain requirements, increases the retirement age of active participants who are ineligible to retire as of the effective date of the amendatory Act. Provides that the Division's schedule shall also provide for the adjustment of retirement ages using a matrix that (i) takes into account the current statutory retirement age for various classes of persons and service credit accrued by

those persons and (ii) proportionally discounts the increase in statutory retirement ages based on proximity to the currently established retirement age. Provides a new funding formula for State contributions, with a 100% funding goal through 2045 (determined using the projected unit credit actuarial cost method) and a 100% funding goal thereafter.

New Act

Creates the Immigration Safe Zones Act. Provides that schools, medical treatment and health care facilities, and places of worship may not grant access to State and local law enforcement agencies that have entered into an agreement with United States Immigration and Customs Enforcement or undertake other joint efforts with federal, State, or local law enforcement agencies to investigate, detain, or arrest individuals for violation of federal immigration law, unless a court has issued a warrant and appropriate personnel have reviewed that warrant and have consented to access or unless required by law and appropriate personnel have consented. Prohibits employees of elementary and secondary schools and institutions of higher education from asking about a student's immigration status or that of the student's family members, with

exceptions. Requires the Department of Human Services to provide training or make training available to teachers, administrators, and other staff of elementary and secondary schools, as well as to medical treatment and health care facilities, on how to deal with immigration issues and how to notify families of those issues in multiple languages. Requires appropriate personnel of a facility to develop a plan to provide assistance, information, and safety to persons who are concerned about the government's immigration enforcement efforts. Provides for the removal of certain file information by State agencies, public schools, and public institutions of higher education. Contains a severability clause. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The estimated cost of \$5 million is based on the current \$1.9 million Immigrant Family Resource Program (IFRP), which educates and assists immigrants on Department of Human Service (DHS) benefits. In addition to providing multi-lingual education, DHS is responsible for the required training of various providers--such as health care and education--statewide. The \$5.0 million fiscal impact could grow for that reason.

Amends the Illinois Pension Code. With respect to the 5 State-funded Retirement Systems: requires each System to prepare and implement a Tier 3 plan by July 1, 2018 that aggregates State and employee contributions in individual participant accounts which are used for payouts after retirement. Provides that a Tier 1 or Tier 2 participant may irrevocably elect to participate in the Tier 3 plan instead of the defined benefit plan and may also elect to terminate all participation in the defined benefit plan and to have a specified amount credited to his or her account under the Tier 3 plan. In the Downstate Teachers, State Employees, and State Universities Articles, authorizes a person to elect not to participate or to terminate participation in those Systems. In the General Assembly and Judges Articles, authorizes a participant to terminate his or her participation in the System. In the Illinois Municipal Retirement Fund (IMRF), State Employees, State Universities, and Downstate Teachers Articles, for participants who first become participants on or after the effective date, prohibits (i) payments for unused sick or vacation time from being used to calculate pensionable salary and (ii) unused sick or vacation time from

being used to establish service credit. In the Downstate Teachers Article, prohibits an employer from making employee contributions on behalf of an employee, except for the sole purpose of allowing an employee to make pre-tax contributions. Provides that "new benefit increase" does not include any benefit increase

resulting from the changes made by the amendatory Act. In the Downstate Teachers, State Employees, and State Universities Articles, authorizes a person to elect not to participate or to terminate his or her participation in those Systems. In the General Assembly and Judges Articles, authorizes a participant to terminate his or her participation in the System. Makes related changes in the Retirement Systems Reciprocal Act (Article 20 of the Code) and the State Employees Group Insurance Act of 1971. Makes other changes. Effective immediately.

New Act

30 ILCS 5/3-1 from Ch. 15, par. 303-1

735 ILCS 30/15-5-46

Creates the Community Bank of Illinois Act. Provides that the Department of Financial and Professional Regulation shall operate The Community Bank of Illinois. Specifies the authority of the advisory board of directors to the Bank. Provides that the Secretary of Financial and Professional Regulation is to employ a president and employees. Contains provisions concerning the removal and discharge of appointees. Provides that State funds must be deposited in the Bank. Contains provisions concerning the nonliability of officers and sureties after deposit. Specifies the powers of the Bank. Contains provisions concerning the guaranty of deposits and the Bank's role as a clearinghouse, the authorization of loans the General Revenue Fund, bank loans to farmers, limitations on loans by the Bank, the name in which business is conducted and titles taken, civil actions, surety on appeal, audits, electronic fund transfer systems, confidentiality of bank records, the sale and leasing of acquired agricultural real estate, and the Illinois higher education savings plan. Provides that the Bank is the custodian of securities. Amends the Illinois State Auditing Act to require that the Auditor General must contract with an independent certified public accounting firm for an annual audit of The Community Bank of Illinois as provided in the Community Bank of Illinois Act. Amends the Eminent Domain Act to allow the Bank to acquire property by eminent domain.

FISCAL NOTE (Financial & Professional Regulation)

The minimum capital required to operate the bank is projected at \$13.6 billion (assuming a minimum of 12 percent capital to asset ratio that the Division of Banking recommends to State Chartered Banks Currently). The bank would not be FDIC insured and its deposits would be guaranteed by the full faith and credit of the State of Illinois. The Illinois Department of Financial and Professional Regulation (IDFPR) would need at least 100 new positions to the agency to operate the bank. Assuming 100 new positions with a starting salary of \$70,000.00 plus benefits, HB 454 would lead to a recurring annual cost of approximately \$10,739,900. A higher amount may be required after review of the business plan. This fiscal note does not include any administrative costs to operate the bank (Information technology support audit fees, marketing, lending and investment staff, and costs to operate facilities). For the purposes of this fiscal note, it is estimated that the expenses currently incurred by the various universities and state agencies associated with the management of locally held funds would no longer be expended by those respective agencies but would be spent instead by the Community Bank of Illinois and would therefore be revenue neutral to State government, It would require that the respective staff of those agencies be transferred to the Community Bank of Illinois. The Illinois Department of Financial and Professional Regulation bank would be competing with the banks it regulates, thus putting the Department in conflict of interest position.

Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to award grants to students in financial need whose household income is less than the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services and who are enrolled for at least 15 credit hours in a public university. Provides that the Commission shall receive funding for the grants through appropriations, with each grant awarded being in an amount sufficient to pay the cost of attendance at the university in which the student is enrolled for 2 semesters of enrollment within an academic year. Defines "cost of attendance" to mean the tuition and fee, room and board, and book and supply costs related to a student's attendance at a public university.

FISCAL NOTE (Illinois Student Assistance Commission)

The cost to implement HB 456 would vary based on the number of students who take advantage of the program, the availability of other financial aid programs (namely, the MAP grant), and the cost of attendance at Illinois public universities. Assuming that MAP grants continue to be funded, it would cost approximately \$300 million during the first year to fully fund the new grants under HB 456 for the estimated 19,900 students who currently meet the bill's enrollment and income requirements. The cost in future years would increase as additional students changed their behavior to qualify for the grant (e.g. by enrolling full-time rather than part-time or by transferring from other sectors to public universities). Depending on how many students took advantage of the program and were accepted by public universities, annual costs in future years could reach \$800 million or more. If the MAP grant were not funded, the Year One costs of HB 456 would be approximately \$380 million; future annual costs would be expected to grow to about \$1 billion as students changed their behavior to qualify. Since HB 456 requires the grant to be "in an amount sufficient to pay the cost of attendance," future costs would also grow as public university tuition and fees, room and board, and book and supply costs increased.

HOUSE FLOOR AMENDMENT NO. 1

Provides that the award of grants each year is subject to appropriation. Provides that if, in any fiscal year, the amount appropriated for grants is less than the amount determined necessary to cover the cost of attendance for all eligible applicants, then the grants shall be proportionately reduced accordingly.

New Act

105 ILCS 5/19-32 new

Creates the School District Debt Control and Taxpayer Protection Act, and amends the School Code. Provides that a school district may not refinance debt past the repayment period of the debt when issued, may not issue debt to be serviced over a period of greater than 20 years, and may not issue capital appreciation bonds. Provides that school districts may not be indebted in an amount greater than that indicated in the Act and if a school district does exceed the debt limitation, then the school district may not incur any new debt until the school district's debt is lower than the debt limitation. Effective immediately.

**HOUSE COMMITTEE AMENDMENT NO. 2**

Provides that, notwithstanding any other provision of the Act, a school district may only exceed its debt limitation upon the Governor declaring a disaster within the school district, in part or in whole, under the Illinois Emergency Management Agency Act or upon the Governor's prior approval for any other reason. Requires the referendum question allowing a school district to issue bonds to include the total cost of the bond, including interest, principal, and issuance costs, as well as the proposed term of the bond. Provides that any material or literature from a school district that is used to present information to the public about the issuance of bonds shall provide a projected cost per median-priced home in the district. Requires this information to include the school district's current long-term debt amount. Effective immediately.

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 2, with the following changes. Provides that for the purpose of calculating the debt limit of a school district in relation to its equalized assessed value, debt shall include all debt issued and its associated interest and issuance costs (instead of the debt including alternate revenue bonds, privately placed debt, and all interest on all debt). Provides that no school district may become indebted in any manner or for any purpose in an amount in the aggregate exceeding 13.8% for a unit district or 6.9% for an elementary or high school district of the value of the taxable property therein (rather than just 13.8% of the value of the taxable property therein) or, if greater, the sum that is produced by multiplying the school district's 2016 equalized assessed value by the debt limitation percentage in effect on the effective date of the Act (instead of on January 1, 2017), previous to the incurring of such indebtedness. Removes the provisions allowing a school district to exceed its debt limitation upon the Governor declaring a disaster or upon the Governor's prior approval for any other reason. Changes the provisions concerning bond referendum information and bond issuance information. Removes the provisions amending the School Code. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

50 ILCS 750/15.3  
 50 ILCS 750/99

from Ch. 134, par. 45.3

Replaces everything after the enacting clause. Reinserts certain provisions of the bill as introduced with changes, and removes a provision amending the Emergency Telephone System Act to increase a surcharge for the purpose of being deposited into the South Suburban Trauma Center Fund. Provides that the South Suburban Trauma Center Fund shall receive revenue generated from a specified toll plaza together with moneys appropriated from the Trauma Center Fund. Provides that of the revenue generated from that toll plaza, 20% shall be collected and deposited into the South Suburban Trauma Center Fund.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)  
 The Department of Public Health (IDPH) can only estimate what the cost to implement HB477 (H-AM 1) would be for the Department itself. The Department is unable to estimate the expenses for the Health Facilities and Services Review Board. The construction of a Trauma Center is a very complex and daunting task that requires expertise throughout a lot of different areas. The Department lacks the appropriate consultants, architects, engineers, construction managers, trauma experts, and health care administrative staff to tackle the project of identifying a site, applying for permits, designing, developing, bidding and/or overseeing this type of construction project. Assuming IDPH was required to add even eight (8) professional staff for this project, the salaries and benefit packages would exceed two million dollars. This bill also places a requirement on the Health Facilities and Services Review Board and the Department to identify a provider to oversee the Trauma Center. The cost of operations will be greatly affected depending on the established level of the Trauma Center. Level I Trauma Centers have much higher operational costs and significantly require more physician specialists. There are also inpatient hospital services that must be available in both Level I and Level II Trauma Centers. Without extensive consulting services, there is no reliable way for IDPH to predict start-up costs or ongoing operational or maintenance expenses of which a health care facility would incur. Additionally, there is not time to complete this type of estimate. Long-term effects could be difficult to predict since there is no guarantee of sustainable funding after 2027. Additionally, it might take several years to raise enough money from toll booth charges to fund such an endeavor. The bill requires the Health Facility and Services Review Board in consultation with IDPH to determine the sources of revenue needed to maintain the Trauma Center. If the State agencies failed to find long-term sustainable funding, the newly developed Trauma Center might face financial hardships with detrimental consequences when the funding has been depleted. It is safe to predict that a health care provider might be reluctant to take on contracts without assurance of sustained funding beyond 2027.

Amends the Crossing of Railroad Right-of-way Act. Adds providers of broadband service to the definition of "utility". Amends the Illinois Vehicle Code. Provides that cable operators, holders of State authorizations, and broadband service providers shall not be prevented by a railroad from entering onto railroad real estate or right of way for purposes of construction or installation of system or facilities if they have followed the procedures to enter the property as required by statute. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that a community antenna television company shall not cross (currently, just shall not enter upon) any real estate or rights-of-way in the possession or control of specified entities without prior written notice of intent to enter, install, maintain, cross, or remove. Defines "crossing" or "cross". Provides that the written notice shall also include: (i) detailed design and construction plans for installation, maintenance, repair, crossing, or removal; and (ii) a statement, based upon information available to the community antenna television company, confirming that the proposed installation, maintenance, repair, crossing, or removal does not create a dangerous condition or threaten public safety and will not adversely impact railroad operations or disrupt vital transportation services. Provides that within 30 days (currently, 15 business days) of receipt of a written prior notice of entry, the public utility, railroad, or pipeline owner or operator shall investigate and determine whether or not the proposed entry would create a dangerous condition. Provides that, upon application of the community antenna company, the Illinois Commerce Commission Transportation Division (rather than just the Illinois Commerce Commission) shall determine in accordance with the Commission's Rail Safety Program whether the proposed installation, maintenance, repair, crossing, or removal creates a dangerous condition. Removes provisions preventing a railroad from prohibiting a cable operator, holder of State authorization, or broadband service providers

from entering onto railroad real estate or right-of-way for purposes of construction or installation of system or facilities under specified circumstances. Provides that a community antenna television company franchised by a municipality or county (rather than a community antenna television company, holder of state authorization, cable operation, or provider of broadband service) shall not enter upon or cross any real estate or rights-of-way in the possession or control of any railroad under specified circumstances. Defines "community antenna television company." Effective immediately.

Reinserts the provisions of the introduced bill with the following changes: provides that: (1) if, within 20 days of the transmittal by the clerk of the circuit court of the placement order, the Department of Human Services fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall contact a designated person within the Department to inquire about when a placement will become available at the designated facility and bed availability at other facilities; (2) if, within 20 days of the transmittal by the clerk of the circuit court of the placement order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall notify the Department of its intent to transfer the defendant to the nearest secure mental health facility operated by the Department and inquire as to the status of the evaluation and availability for placement in such facility operated by the Department by contacting a designated person within the Department. The Department shall respond to the

sheriff within 2 business days of the notice and inquiry by the sheriff seeking the transfer and the Department shall provide the sheriff with the status of the evaluation, information on bed and placement availability, and an estimated date of admission for the defendant and any changes to that estimated date of admission; (3) if the Department notifies the sheriff during the 2 business day period of a facility operated by the Department with placement availability, the sheriff shall promptly transport the defendant to that facility; and (4) whenever the court receives a report from the supervisor of the defendant's treatment that the defendant is fit, the court shall immediately enter an order directing the sheriff to return the defendant to the county jail and set the matter for trial; at any time the issue of the defendant's fitness can be raised again under the Code.

Amends the Downstate Firefighter and Chicago Firefighter Articles of the Illinois Pension Code. Authorizes a firefighter to transfer up to 10 years of creditable service in a downstate firefighter pension fund to the Firemen's Annuity and Benefit Fund of Chicago upon payment of a specified amount. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

It is difficult to discern the potential impact of HB 688. This bill would only affect Firefighters who earned serviceable credit under a Downstate Police pension fund and are now members of the Firemen's Annuity and Benefit Fund of Chicago. That amount of firefighters who meet this criterion is currently unavailable. The fiscal impact of this legislation would need to be evaluated on a case-by-case basis by the Chicago Fire Pension Fund's actuary.

**HOUSE FLOOR AMENDMENT NO. 1**

Limits the authorization to transfer credit to the period ending 6 months after the effective date of the amendatory Act.

FISCAL NOTE (Dept of Insurance)

HB 688 has no projected fiscal impact upon the Illinois Department of Insurance.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

The Illinois Department of Transportation has determined that no Land Conveyance is

required by this bill.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

It is difficult to discern the potential impact of HB 688(H-AM 1). This bill would only affect Firefighters who earned serviceable credit under a Downstate Police pension fund and are now members of the Firemen's Annuity and Benefit Fund of Chicago. That amount of firefighters who meet this criterion is currently unavailable. The fiscal impact of this legislation would need to be evaluated on a case-by-case basis by the Chicago Fire Pension Fund's actuary.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 688 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 688 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Insurance)

HB 688 (H-AM 1) has no projected fiscal impact upon the Illinois Department of Insurance.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

SENATE FLOOR AMENDMENT NO. 1

40 ILCS 5/3-110.12 new

40 ILCS 5/4-108

from Ch. 108 1/2, par. 4-108

Authorizes an active member of a downstate firefighters' pension fund to transfer up to 6 years of creditable service to that fund from the downstate police pension fund that is administered by the same unit of local government if that active member was not subject to disciplinary action when he or she terminated employment with that police department. Requires application within 6 months after the effective date of the amendatory Act. Authorizes reinstatement of service that was terminated by a refund. Effective immediately.

Adds reference to:

- 820 ILCS 175/33 new

Replaces everything after the enacting clause. Amends the Day and Temporary Labor Services Act. Requires a day and temporary labor service agency to attempt to place day or temporary laborers in permanent positions. Requires compliance with Occupational Safety and Health Administration standards. Requires reports of the race and gender of temporary laborers to be reported to the Department of Employment Security. Requires an agency to provide a laborer with transportation back to the point of hire at the end of each work day. Prohibits an agency or third party client from charging a laborer for the expense of conducting a consumer report, a criminal background check, or a drug test. Makes changes regarding damages in a private right of action.

**FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept. of Employment Security)**

HB 690 requires day and temporary labor service agencies provide a report to the Department of Employment Security annually at the time of registration with the Department of Labor containing the race and gender of each day or temporary laborer

sent to an employer and segregated by branch office and aggregated for all day and temporary laborers assigned within Illinois in the prior year. Day and temporary service agencies who fail to submit the report to the Department of Employment Security is subject to a civil penalty of \$50 for each failure to comply. Therefore, a new program and system to collect and track compliance with HB 690 will need to be created. Federal Funding cannot be used to subsidize the cost of this new program. Fiscal Overview (1) Initial Start Costs: \$3.5 million to \$7 million to develop a program and system to collect and track compliance with HB 690, which includes an online submission component, an interagency connection to the Department of Labor, and a revenue collection component, as well as 4-8 full-time equivalents for the creation and establishment of rules, policies, procedures, etc., for reporting, appeals, and adjudication. We derived this estimate based on our startup experience with our Adeptia Work Opportunity Tax Credit system. We believe a similar effort will be needed to develop the Equal Pay Certification platform. (2) Ongoing Costs: \$500,000 to \$750,000 to administer the program annually. Approximately 4-6 full time equivalents would be needed to administer and manage the day-to-day operations of this program. This estimate includes the cost of hiring a program administrator, technical assistance specialist, IT contractors, and an investigator to implement the provisions of the bill. The vast majority of the ongoing costs would be salaries, fringe benefits, one-time expenditures, and other ongoing operating expenses.

#### HOUSE FLOOR AMENDMENT NO. 3

Deletes reference to:

820 ILCS 175/40

820 ILCS 175/95

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 2, but with the following changes: Amends the Freedom of Information Act. Exempts from inspection and copying reports of the race and gender of temporary laborers submitted to the Department of Labor by registering day and temporary labor service agencies as required under the Day and Temporary Labor Services Act. Further amends the Day and Temporary Labor Services Act. Removes a provision requiring day and temporary service agencies and third party clients to comply with Occupational Safety and Health Administration standards. Removes provisions providing that, regardless of the length of a temporary laborer's assignment, if a third party client supervises and directs the work of the temporary laborers, the third party client has primary responsibility for fulfilling, in the same manner as provided to the client's own employees, the following obligations with respect to the temporary laborers: (i) providing the workers with worksite-specific safety training and information; (ii) fulfilling Occupational Safety and Health Administration recordkeeping requirements; and (iii) selecting, providing, and ensuring the use of personal protective equipment appropriate for the processes or operations to which the temporary laborers are assigned. Removes a provision requiring worksite-specific safety training to be completed by the party responsible for supervision of the worker before the temporary laborer begins work on a project. Requires a day and temporary labor service agency to inform a laborer of the type of equipment, protective clothing, and training required for the work to be performed. Requires reports of the race and gender of temporary laborers to be reported to the Department of Labor (rather than the Department of Employment Security) and exempts such reports from inspection and copying under the Freedom of Information Act. Makes other changes.

Amends the Charter Schools Law of the School Code. Removes provisions allowing the State Charter School Commission to reverse a school board's decision to deny, revoke, or not renew a charter; makes related changes. Provides that if a charter school applicant submits a proposal to a school board outside of the process adopted by that school board for receiving charter school proposals on an annual basis, the applicant shall not have any right to submit its proposal to the State Charter School Commission as otherwise authorized. In a provision concerning a charter school proposed to be jointly authorized by 2 or more school districts and the school boards unanimously denying the charter school proposal with a statement that the school boards are not opposed to the charter school, but that they yield to the Commission in light of the complexities of joint administration, allows the charter applicant to submit the proposal to the Commission and requires the Commission to follow the same process and be subject to the same timelines for review as a school board. Provide that the Commission may condition approval of an application on the acceptance of funding in an amount less than requested. Provides that final decisions of the Commission are subject to judicial review under the Administrative Review Law. Provides that if the Commission is the authorized chartering entity, then the Commission shall execute a charter agreement (instead of approve the charter agreement). Provides that the Commission has no authority to approve a charter school proposal that has been denied by a school board. Effective immediately.

FISCAL NOTE (Dept. of Central Management Services)

The Department of Central Management Services is unable to project a fiscal impact associated with this proposed legislation due to the following factors: (1) The rapid change of the automobile industry - what manufacturers offer VIN numbers 1/2/4/5 may not be the same manufacturers that offer them tomorrow; (2) Whether master contracts with those manufacturers exist or would need to be bid out; (3) Each vehicle purchase is unique in that the type of vehicle that is needed - pickup truck versus a sedan vs. economy car; (4) The amount of vehicles purchased at any given time is dependent upon need a adequate cash flow, which is especially unpredictable.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

FISCAL NOTE (Dept. of Transportation)

A definite fiscal impact is not determinable at this time. The bill however, is likely to cause a significant cost increase when purchasing vehicles for the Department.
