Replaces everything after the enacting clause. Amends the Board of Higher Education Act. Requires the Board of Higher Education to establish and administer, subject to appropriation, an Illinois Excellence Program to incentivize the recruitment and retention of promising faculty throughout the Illinois system of higher education. Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to implement and

administer a program beginning with the 2018-2019 academic year to award College Affordability grants to certain Illinois residents who have graduated from an approved high school with a cumulative grade point average of at least a 3.0 on a 4.0 scale and are seeking a degree from a public institution of higher education. Sets forth the grant amount. Sets forth the terms and conditions of the program, including requiring a 2-year residency obligation following termination of the academic program and requiring students awarded grants under the program to participate in a student loan counseling program through the Commission. Requires the Commission to implement and administer a program in which the Commission shall award work-study stipends to applicants who are grant recipients and who agree to work for 5 to 15 hours per week as peer mentors or tutors for other grant recipients. Requires the Commission to implement and administer a program in which the Commission shall buy-out the private student loans of any eligible participants. Sets forth eligibility requirements. Amends the State Finance Act to create the College Affordability Fund, Work-Study Fund, College Affordability Purchasing Fund, and Illinois Excellence Fund as special funds in the State treasury. Effective July 1, 2018, but provisions concerning the College Affordability grants are effective immediately.

**FISCAL NOTE (Illinois Student Assistance Commission)**

This fiscal note discusses the three programs that would be administered by ISAC: (1) COLLEGE AFFORDABILITY GRANT: An estimated 100,000 students would immediately qualify for the College Affordability Grant program. If MAP and Pell grant funding is held constant, approximately \$300 million would be required to fully fund the new program in the first year (FY19). This cost would be expected to grow in subsequent years as additional students qualified for the grant; based on the current capacity of public institutions, these costs could rise to \$400 million annually; (2) Given the terms of the grant and their potential to convert to loans, the program could entail substantial start-up and on-going operational costs. ISAC preliminarily estimates that if the grant/loan program itself were fully funded, additional operational costs could total over \$10 million annually, particularly because the program requires tracking recipients from the time the grant is made until at least two years after graduation. In the case of recipients who enter repayment, the agency would be required to collect from them for at least a decade and longer in some cases, since some recipients will be unable to pay back the grants over 10 years; (3) WORK-STUDY: Each participant in the work-study program would be permitted to work 5-15 hours/week, or 150-450 hours in the average academic year. At the Illinois minimum wage of \$8.25 an hour, each recipient would need to be allocated a minimum of \$1,237.50 - \$3,712.50 annually. To double current work-study opportunities (the intent described by one bill sponsor) about 11,000 work study recipients would be served at a cost of about \$18.1million annually; (4) PRIVATE STUDENT LOAN PURCHASING: Appropriators could allocate any amount to this program; ISAC estimates that Illinois public university graduates from the last ten years with GPAs at or above 3.0 may hold approximately \$500 million in private loan debt. The fiscal impact of this program would include both the amount needed to purchase the loans and the start-up and on-going operational costs to administer the new loan program. Even a relatively small pilot program would have to be run for more than 10 years. If \$50 million in outstanding private loans were to be purchased, ISAC estimates additional funding needs of approximately \$780,000 in the first year and a total of about \$6 million over the 10-year life of the new loans to cover program costs. Those include the one-time cost of originating the new loans, plus the on-going costs of servicing, reporting, monitoring, collection of delinquent loans, etc. In addition, some portion of the loans that become delinquent will ultimately be written off as uncollectible.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code, the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require

coverage for hearing instruments and related services for all individuals 63 years of age and older when a hearing care professional prescribes a hearing instrument. Provides that an insurer shall provide coverage for hearing instruments subject to certain restrictions. Provides that an insurer shall not be required to pay a claim if the insured filed such a claim 24 months prior to the date of filing the claim with the insurer and the claim was paid by the insurer. Contains a nonacceleration provision.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Insurance)

HB 1333 (H-AM 1) has no projected fiscal impact upon the Illinois Department of Insurance. However, HB 1333 (H-AM 1) creates a state mandate that would require state funding. Under the ACA states cover the costs of mandates passed after 2011 that apply to individual and small group plans sold on and off the Marketplaces. Therefore, if this mandate increases the plan's premiums, Illinois will be responsible for funding the cost attributable to this mandate.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

305 ILCS 5/4-0.5

Adds reference to:

20 ILCS 105/4.02 from Ch. 23, par. 6104.02

20 ILCS 2405/3 from Ch. 23, par. 3434

210 ILCS 45/3-402 from Ch. 111 1/2, par. 4153-402

305 ILCS 5/5-5 from Ch. 23, par. 5-5

305 ILCS 5/5-5.01a

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging, the Disabled Persons Rehabilitation Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool shall be eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool, and those individuals are found to be ineligible under that updated assessment tool. Requires the Department on Aging, the Department of Human Services, and the Department of Healthcare and Family Services to adopt rules through the regular rulemaking process regarding the updated assessment tool, but prohibits those Departments from adopting emergency or peremptory rules regarding the updated assessment tool. Contains provisions concerning continued eligibility for persons made ineligible for services under the updated assessment tool. Further amends the Illinois Act on the Aging by prohibiting the Department on Aging from: (i) adopting any rule that restricts eligibility under the Community Care Program to persons who qualify for medical assistance under Article V of the Illinois Public Aid Code; or (ii) establishing, by rule, a separate program of home and community-based long term care services for persons who are otherwise eligible for services under the Community Care Program but who do not qualify for medical assistance under Article V of the Illinois Public Aid Code. Prohibits the Department from increasing copayment levels under the Community Care Program to the levels that were in effect on January 1, 2016, except to make an adjustment for inflation. Removes language that makes Medicaid enrollment or eligibility a condition of eligibility under the Community Care Program if the Auditor General has reported that the Department has failed to comply with certain reporting requirements under the Illinois State Auditing Act. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. Provides that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. on Aging)

An additional \$120M will be required for FY18 should HB1424 (H-AM 1) pass and be signed into law, by 2020 the cost will increase by just over \$398M. The loss of revenue if Federal waivers are jeopardized for the Department on Aging alone is over \$227M.

**HB-1445 DAVIS - CARROLL.**

410 ILCS 65/1 from Ch. 111 1/2, par. 8051

Amends the Illinois Rural/Downstate Health Act. Makes a technical change in a Section concerning the short title.

**HOUSE FLOOR AMENDMENT NO. 1**

Deletes reference to:

410 ILCS 65/1

Adds reference to:

405 ILCS 5/2-101.1

Replaces everything after the enacting clause. Amends the Mental Health and Developmental Disabilities Code. Provides that until the consent of the adult's guardian has been obtained, counseling or psychotherapy provided to an adult under guardianship shall be limited to not more than 12 (rather than 5) sessions, a session lasting not more than 60 (rather than 45) minutes.

**LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1**  
(Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

**FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1** (Guardianship & Advocacy Commission)

The Illinois Coalition Against Sexual Assault (ICASA) reports that Illinois' rape crisis counseling centers receive federally funded grants to provide counseling and other services to Illinois citizens who are victims of sexual assaults. There is no cost to the state and counseling centers do not charge clients fees for rape crisis counseling or other services. Rape counseling centers are mandated to offer counseling as part of federal grant requirements. The additional counseling sessions referenced in HB 1445 would be covered under existing federal grants mechanisms, at no cost to the State. ICASA reports that the population represented in HB 1445, individuals with disabilities, is miniscule and, thus, the extra sessions would be easily absorbed by existing, federally-funded rape counseling centers.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill would not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)  
 There is no corrections population impact or fiscal impact to the Department of Corrections.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

The bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Amends the Criminal Code of 2012. Makes a technical change in a Section concerning piercing the body of a minor.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)  
 The fiscal impact of this amended legislation would range from \$267,370,000 to \$531,870,000 over the first 10 years after enactment. There would be unknown costs for such amenities as consultants, monitors, outside contracts, as well as compensation for the members of the Oversight Board and unanticipated requirements and needs; therefore, the full impact on the Department is unknown. There would be no corrections population impact on the Department. Finally, there would be tasks currently conducted by Department staff that would not be able to be completed due to responsibilities required within HB 1472 (H-AM 1).

735 ILCS 5/2-1401 from Ch. 110, par. 2-1401

Amends the Unified Code of Corrections. Provides that it is a mitigating factor in sentencing that at the time of the offense, the defendant was suffering from post-partum depression or post-partum psychosis which was either undiagnosed or untreated, or both, and this temporary mental illness tended to excuse or justify the defendant's criminal conduct and the defendant has, after sentencing, been diagnosed as suffering from post-partum depression or post-partum psychosis, or both, by a qualified medical person and the diagnoses or testimony, or both, was not used at trial or sentencing, or both. Amends the Code of Civil Procedure concerning relief from final orders and judgments, after 30 days from the entry of the judgment. Provides that a meritorious claim may be made for that relief if the allegations in the petition establish each of the following by a preponderance of the evidence: (1) the movant was convicted of a forcible felony; (2) the movant's participation in the offense was a direct result of the movant's mental state either suffering from post-partum depression or post-partum psychosis; (3) no evidence of post-partum depression or post-partum psychosis was presented by a qualified medical person at trial or sentencing, or both; (4) the movant was unaware of the mitigating nature of the evidence or if aware was at the time unable to present this defense due to suffering from post-partum depression or post-partum psychosis or at the time of trial or sentencing neither was a recognized mental illness and as such unable to receive proper treatment; and (5) evidence of post-partum depression or post-partum psychosis as suffered by the movant is material and noncumulative to other evidence offered at the time of trial or sentencing and it is of such a conclusive character that it would likely change the sentence imposed by the original court. Defines "post-partum depression" and "post-partum psychosis".

725 ILCS 5/116-2.2 new

Amends the Code of Criminal Procedure of 1963. Allows a motion to be filed with the trial court that entered the judgment of conviction in a defendant's case at any time following the entry of a guilty verdict or a finding of guilt for any offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance by the defendant provided: (1) the motion clearly states the penalty for the offense for which the defendant was found guilty or convicted has been amended or changed and became effective after his or her plea of guilty or conviction, which includes but is not limited to: (A) reduces the minimum or maximum sentence for the offense; (B) grants the court more discretion over the range of penalties for the offense; (C) the underlying conduct relating to the offense was decriminalized; or (D) other instances in which the penalties associated with the offense or conduct underlying the offense were reduced in any way; and (2) reasonable notice of the motion is served upon the State. If the court grants a motion under this Section, it must reduce the penalty imposed on the defendant so that it is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed and the court may take any additional action it deems appropriate under the circumstances.

FISCAL NOTE (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

**HOUSE FLOOR AMENDMENT NO. 2**

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides upon verified petition for resentencing by the defendant (in the introduced bill, by motion), the trial court that entered the judgment of conviction in a defendant's case may order resentencing at any time after 30 days have passed following the imposition of a sentence under a guilty verdict or a finding of guilt for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance provided: (1) the State's Attorney or other prosecuting attorney is given at least 30 day notice of the filing of the petition seeking resentencing; (2) the State's Attorney or other prosecuting attorney files a response indicating agreement with the petition and the defendant's request for resentencing (in the introduced bill, the motion is not objected to by a non-moving party); and (3) the petition clearly states the statutory penalty for the offense for which the defendant was found guilty or convicted has, since his or her plea of guilty or conviction, been subsequently reduced or altered in a manner that includes, but is not limited to, reducing the minimum or maximum sentence for the offense, granting the court more discretion over the range of penalties available for the offense, or changing the penalties associated with the offense or conduct underlying the offense in any way. Provides that if the court grants a petition, the court must resentence the defendant in a manner that is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed or the original sentence was imposed and the court may take any additional action it deems appropriate under the circumstances (in the introduced bill, if the court grants a motion, it must reduce the penalty imposed on the defendant so that it is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed and the court may take any additional action it deems appropriate under the circumstances).

New Act

Creates the Wage Lien Act. Provides that a lien exists on an employer's property for the amount of unpaid wages owed to an employee. Defines terms and includes provisions concerning creation of the lien; exemptions; notice; limitations; recording of the lien; enforcement; other claims on the employer's property; successor obligations; and construction.

FISCAL NOTE (Dept. of Revenue)

The Department of Revenue currently lacks expertise in the filing and enforcement of liens. With passage of this bill, the Department will need to add up to three fulltime staff to devise and implement new lien procedures, research, file, and process the liens. Also, two additional attorneys preferably with lien recovery experience are needed to review for enforcement sufficiency and to represent the Department at hearing. Additionally, two administrative law judges with lien recovery and or Uniform Commercial Code expertise would also be needed to handle the increase in administrative hearings. Administrative costs include postage, filing fees, office supplies and new employee IT equipment and licensing. Currently, according to the Cook County Recorder of Deeds, recording costs for liens range from \$25.00 to \$32.00. It is

estimated that if the Department had this additional staff the number of liens that it theoretically could record would be around 1,000 to 1,500 per year. Fiscal Impact = \$1,038,336 (7 Headcount - \$972,336; Administrative Costs - \$66,000).

New Act  
 430 ILCS 65/8.2  
 430 ILCS 66/70

Creates the Lethal Violence Order of Protection Act. Provides that a petitioner may request an emergency lethal violence order of protection by filing an affidavit or verified pleading alleging that the respondent poses an immediate and present danger of causing personal injury to himself, herself, or another by having in his or her custody or control, owning, purchasing, possessing, or receiving a firearm. Provides that the petition shall also describe the type, and location of any firearms presently believed by the petitioner to be possessed or controlled by the respondent. Provides that the petitioner may be a family member of the respondent or a law enforcement officer, who files a petition alleging that the respondent poses a danger of causing personal injury to himself, herself, or another by having in his or her custody or control, owning, purchasing, possessing, or receiving a firearm. Establishes factors that the court must consider before issuing a lethal violence order of protection. Provides for the issuance of ex parte orders and one-year orders. Provides that if the court issues the order the respondent must: (1) refrain from having in his or her custody or control, owning, purchasing, possessing, or receiving additional firearms for the duration of the order; and (2) turn over to the local law enforcement agency any firearm, Firearm Owner's Identification Card, or concealed carry license in his or her possession. Establishes factors for renewing and terminating lethal violence orders of protection. Amends the Firearm Owners Identification Card Act and the Firearm Concealed Carry Act to make conforming changes.

FISCAL NOTE (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

FISCAL NOTE (Illinois State Police)

The fiscal impact of this legislation is difficult to determine. Depending on the volume

of Lethal Violence Orders of Protection additional Firearms Eligibility Analysts (FEAs) may be needed to process these orders and deny/revoke Firearm Owner's Identification (FOID) Cards and concealed carry licenses. The Illinois State Police currently processes approximately 930 FOID card revocations per month. The average cost for an FEA is \$101,598 annually. Additionally, any identified need for FEAs will require an increase to the Department's authorized headcount.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

430 ILCS 65/8.3 new

Replaces everything after the enacting clause. Creates the Firearms Restraining Order Act. Provides that a petitioner may request an emergency firearms restraining order by filing an affidavit or verified pleading alleging that the respondent poses an immediate and present danger of causing personal injury to himself, herself, or another by having in his or her custody or control, purchasing, possessing, or receiving a firearm. Provides that the petition shall also describe the type and location of any firearms presently believed by the petitioner to be possessed or controlled by the respondent. Provides that the petitioner may be a family member of the respondent or a law enforcement officer, who files a petition alleging that the respondent poses a danger of causing personal injury to himself, herself, or another by having in his or her custody or control, purchasing, possessing, or receiving a firearm. Establishes factors that the court must consider before issuing a firearms restraining order. Provides for the issuance of ex parte orders and 6-month orders. Provides that if the court issues the order, the respondent must: (1) refrain from having in his or her custody or control, purchasing, possessing, or receiving additional firearms for the duration of the order; and (2) turn over to the local law enforcement agency any firearm, Firearm Owner's Identification Card, or concealed carry license in his or her possession. Provides that a respondent whose Firearm Owner's Identification Card has been revoked may petition the court to transfer the respondent's firearm to a person who is lawfully able to possess the firearm if the person does not reside at the same address as the respondent. Provides that notice of the petition shall be served upon the person protected by the firearms restraining order. Provides that if a person other than the respondent claims title to any firearms surrendered under this provision, he or she may petition the court, if the petitioner is present in court or has notice of the petition, to have the firearm returned to him or her. Provides that if the court determines that person to be the lawful owner of the firearm, the firearm shall be returned to him or her, provided that: (1) the firearm is removed from the respondent's custody, control, or possession and the lawful owner agrees to store the firearm in a manner such that the respondent does not have access to or control of the firearm; and (2) the firearm is not otherwise unlawfully possessed by the owner. Provides that the person petitioning for the return of his or her firearm must swear or affirm by affidavit that he or she: (1) is the lawful owner of the firearm; (2) shall not transfer the firearm to the respondent; and (3) will store the firearm in a manner that the respondent does not have access to or control of the firearm. Establishes factors for renewing and terminating firearms restraining orders. Provides that if the court denies issuance of a firearms restraining order against the respondent, all records of the proceeding shall be immediately expunged from the court records. Provides that if the firearms restraining order is granted, all records of the proceeding shall, 3 years after the expiration of the order, be sealed. Provides that any act of omission or commission by any law enforcement officer acting in good faith in rendering emergency assistance or otherwise enforcing this Act shall not impose civil liability upon the law enforcement officer or his or her supervisor or employer, unless the act is a result of willful or wanton misconduct. Amends the Firearm Owners Identification Card Act and the Firearm Concealed Carry Act to make conforming changes.

New Act

30 ILCS 105/5.878 new

Creates the Family Leave Insurance Program Act. Requires the Department of Labor to establish and administer a Family Leave Insurance Program that provides family leave insurance benefits to eligible employees who take unpaid family leave to care for a newborn child, a newly adopted or newly placed foster child, or a family member with a serious health condition. Sets forth eligibility requirements for benefits under the Act including that the employee must (i) establish that he or she has been employed for at least 680 hours in employment during the employee's qualifying year and (ii) document that he or she has provided the employer with written notice of the employee's intention to take family leave. Defines "employer" to mean (a) any person, partnership, corporation, association, or other business entity that employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the year in which the leave is to be taken or in the year immediately preceding the year in which the leave is to be taken; and (b) the State of Illinois and any other unit of local government. Contains provisions concerning disqualification from benefits; premium payments; the amount and duration of benefits; the recovery of erroneous payments; hearings; defaulted premium payments; elective coverage; employment protection; coordination of family leave; defined terms; and other matters. Amends the State Finance Act. Creates the Family Leave Insurance Account Fund.

**HOUSE COMMITTEE AMENDMENT NO. 4**

Replaces everything after the enacting clause. Creates the Family Leave Insurance Act. Provides that an employee may take up to 12 weeks of family leave within any 24-month period for the purpose of providing care for the birth of a child, adoption of a child or placement of a foster child, or serious health condition of a family member. Establishes terms and conditions for taking leave. Authorizes compensation for the family leave to be paid from the State Benefits Fund, a special fund created in the State treasury. Prohibits simultaneous receipt of benefits under the Family Leave Insurance Act, the Unemployment Insurance Act, and the Workers' Compensation Act. Imposes a charge upon certain wages for the payment of benefits. Provides for administration by the Department of Employment Security. Creates civil penalties for certain violations. Provides that a violation with intent to defraud the Department is a Class C misdemeanor. Amends the State Finance Act to add the State Benefits Fund to the list of special funds in the State treasury. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 5**

Removes the immediate effective date.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept of Employment Security)  
 (A) Initial Start Costs - An estimated \$75 million to \$100 million would be needed to develop a program and system to administer this program, which would include an online submission component, an interagency connection to the Department of Labor, and a revenue collection component, as well as 10 full-time equivalents for the creation and establishment of rules, policies, procedures, etc., or reporting, appeals, and adjudication. The derived estimate is based on startup experience with the Illinois Benefit Information System (IBIS), which serves as the IDES benefit management platform for the administration of the unemployment insurance program; (B) Ongoing Costs - Expected to be at least \$46 million annually to administer the program. Approximately 400 full time equivalents would be needed to administer and manage the day-to-day operations of this program. This estimate is based on the staffing levels for similar programs as reported by New Jersey and California. Most of the ongoing costs would be salaries, benefits, administrative overhead for these positions, and other ongoing operating expenses. A significant amount of these costs (\$6 million) are the estimated annual system-related costs; (C) Revenue - \$15 million to \$20 million annually from the payroll premium deductions may be generated to help cover the costs of administering the program. Based on these assumptions, revenues from this program will not be sufficient to cover the costs of the program.

There is no additional fiscal impact to the Department of Central Management Services. By increasing the aspirational goal, as established in the Act, by 15%, more of the State resources spent on these contracts will be available to minority owned businesses, provided they are available. This legislation's intent is to increase the allocation of state spend to BEP vendors rather than adding additional spend to the state's budget.

Amends the Common Interest Community Association Act. Provides that the association shall have one class of voting membership (instead of "one class of membership") unless the declaration, bylaws, or operating agreement provide otherwise. Makes a similar change in the Condominium Property Act. Further amends the Condominium Property Act. Deletes language providing that if the property contains 4 or more units, the owners may agree to sell the property by a vote of 75%. Provides instead that if the property contains at least 4 but not more than 6 units, a vote of 75% of the owners is required to sell the condominium property. Provides that if the property contains 7 or more units, a vote of 85% of the owners is required to sell the condominium property.

SENATE FLOOR AMENDMENT NO. 2

Adds, as an exception to the required percentage of affirmative votes of unit owners required to sell a condominium property stated in the engrossed bill, that if less than 25% of the units are owner-occupied, the required percentage shall not be less than 75%.

SENATE FLOOR AMENDMENT NO. 3

Provides that a condominium association and a common interest community association may have only one class of membership, rather than one class of voting membership. Provides that rules relating to parking spaces or storage spaces, when not covered by a declaration, and rules regarding safety and security do not create different classes of membership.

With respect to the 5 State-funded Retirement Systems: requires each System to implement a Tier 3 plan by July 1, 2018 that aggregates State and employee contributions in individual participant accounts which are used for payouts after retirement. Provides that a person who becomes a participant of a System on or after July 1, 2018 shall participate in the Tier 3 plan instead of the defined benefit plan. Authorizes a Tier 1 or Tier 2 participant to elect to participate in the Tier 3 plan instead of the defined benefit plan and to also elect to terminate all participation in the defined benefit plan and to have a specified amount credited to his or her account. Makes related changes in the State Employees Group Insurance Act of 1971. In the Downstate Teachers, State Employees, and State Universities Articles, authorizes a person to elect not to participate or to terminate participation in those Systems. In the General Assembly and Judges Articles, authorizes a participant to terminate his or her participation in the System. In the Illinois Municipal Retirement Fund (IMRF), State Employees, State Universities, and Downstate Teachers Articles, for participants who first become participants on or after the effective date, prohibits payments for unused sick or vacation time from being used to calculate pensionable salary and unused sick or vacation time from being used to establish service credit. Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Defines "applicant", "email address of record", "license", and "licensee". Provides that the Department of Financial and Professional Regulation shall require all applicants and licensees to provide a valid address and email address, which shall serve as the address and email address of record, and to inform the Department of any change of address or email address through specified means. Provides that the Department shall provide notice of a suspension to the licensee by mailing a copy of the Department's order to the licensee's address of record or emailing a copy of the order to the licensee's email address of record (rather than mailing a copy of the order by certified and regular mail to the licensee's last known address as registered with the Department). Changes references of "registrant" to "licensee or applicant" and references of "certificate" to "license" throughout the Law. Provides that if a licensed health care worker has been convicted of a criminal battery against any patient in the course of patient care or treatment or is required to register as a sex offender and the health care worker has had his or her license revoked for a forcible felony conviction, the health care worker may not petition the Department to restore his or her license. Amends the Cannabis Control Act, the Illinois Controlled Substances Act, and the Methamphetamine Control and Community Protection Act. Provides that 12.5% of all moneys and the sale proceeds of all other property forfeited and seized under the Acts shall be distributed to the Office of the Public Defender of the county in which the prosecution resulting in the forfeiture was instituted, deposited in a special fund in the county treasury and appropriated to the Public Defender to be used for the expenses incurred in defending persons charged with violating laws governing cannabis and controlled substances. Decreases from 65% to 52.5% the amounts distributed to the metropolitan enforcement group, local, municipal, county, or state law enforcement agency or agencies which conducted or participated in the investigation resulting in the forfeiture.

FISCAL NOTE (Illinois State Police)

If HB 2409 was law, it would result in an approximate 19.2% reduction in equitable sharing proceeds due to the legislation's percentage reduction. The Illinois State Police's Fiscal Year 2016 (FY16) receipts at the current 65% sharing was approximately \$2.761 million, which was based on a total of \$4.247 million forfeited. If the Illinois State Police's sharing was reduced to 52.5%, receipts would have been \$2.229 million, an actual reduction of 19.2% in receipts. Therefore, if this legislation were law, our FY16 revenue would have been reduced over one-half million dollars at \$532,000.

Amends the Downstate Public Transportation Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act. Beginning July 1, 2018, instead of use and occupation tax collections being deposited into the General Revenue Fund and then transferred monthly by the Comptroller from the General Revenue Fund to the Downstate Public Transportation Fund, requires the Department of Revenue to deposit the designated fraction of the net revenue realized from those collections directly into the Downstate Public Transportation Fund. Effective July 1, 2018.

FISCAL NOTE (Office of the Comptroller)

Provisions of HB 2453 would require the deposit of transit funds derived from sales taxes directly into the Downstate Public Transportation Fund that would amount to an estimated \$205 million annually. Currently, the Office of the Comptroller makes transfers from the General Revenue Fund into the Downstate Public Transportation Fund as available balances in the GRF allows throughout the fiscal year while facing a general funds backlog of bills at \$12.6 billion. This legislation would essentially remove the Comptroller's discretion for making such payments for downstate transit districts from cash management criteria used by the Comptroller in balancing payments for all the other pending obligations such as for education, medical programs, certain human service programs, debt service and State payrolls. As of March 24, 2017 the pending backlog for the Downstate transit programs was estimated at \$70 million.

 820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job

applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer. Limits defenses. Provides for penalties and injunctive relief.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 2462 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 2462 will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling, a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (Dept of Corrections)

The Illinois Department of Transportation has determined that no land conveyance is necessary for this bill.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have a negative fiscal impact on the State by increasing the workload on Illinois Department of Labor as it expands the Equal Pay Act to include newly prohibited activity. This increase in costs is not included in the Governor's FY18 proposed budget. There are no proposed revenues or offsetting budget reductions to support these increased costs. It is unknown how much additional operational cost it will bring to the Department at this point, therefore an accurate cost assessment cannot be determined.

FISCAL NOTE (Dept. of Revenue)

With passage of this bill, the Department of Revenue will need to add at least (1) full time staff. The increase in staff would consist of a Labor Conciliator. Additional administrative costs include postage, office supplies and new employee IT equipment and licensing. Fiscal Impact = \$162,000.

HOUSE FLOOR AMENDMENT NO. 1

Provides exceptions to the applicability of a provision stating that it is unlawful for an employer to seek the wage or salary history of any job applicant from any current or former employer.

Requires contractors and subcontractors to report the hours worked by minorities and females. Requires the Department of Transportation, the Capital Development Board, and the Illinois State Toll Highway Authority report that information to the General Assembly.

This bill has no fiscal or population impact on the Department of Corrections.

**JUDICIAL NOTE (Admin Office of the Illinois Courts)**

This legislation would neither increase nor decrease the number of judges needed in the State.

Amends the Prevailing Wage Act. Provides that the prevailing wage shall not be less than the rate that prevails for similar work performed under collective bargaining agreements in the locality provided that the agreements cover at least 30% of the workers. Provides that, if bargaining agreements do not exist in the locality, the Department of Labor shall ascertain the prevailing wage to be paid under the Act. Applies to public works performed without a written contract. Requires that the Department publish prevailing wages schedules on its website.

**CORRECTIONAL NOTE (Dept of Corrections)**

This bill has no fiscal or population impact on the Department of Corrections.

**JUDICIAL NOTE (Admin Office of the Illinois Courts)**

This legislation would neither increase nor decrease the number of judges needed in the State.

**PENSION NOTE (Government Forecasting & Accountability)**

This legislation will not impact any public pension fund or retirement system in Illinois.

**STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)**

HB 2495 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

**HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)**

This bill could have a fiscal effect on housing programs that employ public works persons and comply with the Prevailing Wage Act but there is insufficient information to determine what sort of effect there would be at this time, since it is a project-based, locality-based and timing-based calculation.

**BALANCED BUDGET NOTE (Office of Management and Budget)**

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

**FISCAL NOTE (Dept of Labor)**

The Department would foresee the additional hiring of an Administrative Law Judge. Salary and benefits would be estimated at a cost of \$152,500.00.

**STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)**

This bill does not create a State mandate.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Illinois Workers' Compensation Commission)

House Bill 2525 as introduced would have a significant fiscal impact on the Illinois Workers' Compensation Commission. The bill includes a provision that would result in less revenues to fund office operations while requiring increased expenditure of State funds to hire additional professionals with expertise in various disciplines and additional investigators to investigate workers' compensation fraud. An accurate cost estimate of this legislation is not available at this time.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

PENSION NOTE (Government Forecasting & Accountability)

This legislation will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Provides that unless the person whose marriage is dissolved or declared invalid requests otherwise, the court order shall contain a provision authorizing the person to resume the use of his or her former or maiden name, should he or she choose to do so, at any time he or she chooses to do so (instead of "upon request by a wife whose marriage is dissolved or declared invalid, the court shall order her maiden name or a former name restored").

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:  
750 ILCS 5/504 from Ch. 40, par. 504

Replaces everything after the enacting clause with the provisions of the engrossed bill, and further amends the Illinois Marriage and Dissolution of Marriage Act. Provides instead that the duration of a maintenance award shall be calculated by multiplying the length of the marriage at the time the action was commenced by whichever of the following factors applies: less than 5 years (.20); 5 years or more but less than 6 years (.24); 6 years or more but less than 7 years (.28); 7 years or more but less than 8 years (.32); 8 years or more but less than 9 years (.36); 9 years or more but less than 10 years (.40); 10 years or more but less than 11 years (.44); 11 years or more but less than 12 years (.48); 12 years or more but less than 13 years (.52); 13 years or more but less than 14 years (.56); 14 years or more but less than 15 years (.60); 15 years or more but less than 16 years (.64); 16 years or more but less than 17 years (.68); 17 years or more but less than 18 years (.72); 18 years or more but less than 19 years (.76); 19 years or more but less than 20 years (.80). Provides that for a marriage of 20 or more years, the court, in its discretion, shall order maintenance for a period equal to the length of the marriage or for an indefinite term (instead of "shall order either permanent maintenance or maintenance for a period equal to the length of the marriage"). Provides that in the discretion of the court, any term of temporary maintenance paid may be a corresponding credit to the duration of maintenance.

Amends the Unified Code of Corrections. Provides that the Department of Children and Family Services shall assign a caseworker to attend any hearing involving youth placed on aftercare release, including hearings involving sanctions for violation of aftercare release conditions and aftercare release revocation hearings. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Provides that the caseworker shall attend the hearings on aftercare release or hearings involving sanctions for violation of aftercare release conditions and aftercare release revocation hearings involving a youth in the care and custody of the Department of Children and Family Services.

FISCAL NOTE (Dept. of Children & Family Services)

This legislation is estimated to require an additional eight caseworkers to be hired at an annual cost of \$144,000 per worker. The total estimated annual impact of this legislation would be \$1,152,000.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Children & Family Services)

HB 2589 (H-AM 1) narrows the scope of the legislation, requiring only those aftercare cases associated with both Department of Children and Family Services and the Department of Juvenile Justice to be assigned to a DCFS caseworker. Because all youth served by DCFS are already assigned a caseworker at case opening, the Department estimates that House Bill 2589 (H-AM 1) will have little to no fiscal impact on the Department of Children and Family Services.
