- 730 ILCS 5/5-4.5-110 new
- 730 ILCS 5/5-8-9 new

Amends the Unified Code of Corrections. Provides that in the case of a person who is, at the time of the effective date of the amendatory Act, incarcerated for a felony offense under the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act that has been subsequently reclassified as a misdemeanor, the sentencing court, the Director of Corrections, or the incarcerated person may make a motion to recall the original sentence issued and re-sentence the person to a misdemeanor sentence. Creates the Justice Reinvestment Fund in the State treasury for: (1) addressing the destabilizing effects that high incarceration rates have had on families and communities; (2) targeting the community conditions that perpetuate the cycle of crime; (3) providing formerly incarcerated persons a better chance to succeed outside of prison; and (4) providing support to victims. Provides that on or before August 31, 2018, and on or before August 31 of the next 9 fiscal years thereafter, the Comptroller shall transfer from the General Revenue Fund to the Justice Reinvestment Fund 85% of the total savings calculated by the Sentencing Policy Advisory Council from the reduction of the prison population as a result of the reduced sentences provided by the amendatory Act. Amends the State Finance Act to make conforming changes.

**HOUSE COMMITTEE AMENDMENT NO. 1**

- Deletes reference to:

BALANCED BUDGET NOTE (Office of Management and Budget)

The fiscal impact of this bill is estimated to be minimal but depends on judicial utilization of the factor described in House Bill 3735 in increasing penalties. The fiscal impact is also dependent on the number of offenders convicted of crimes whose sentences would be eligible to be increased under House Bill 3735. Due to the uncertainty in judicial utilization of the newly proposed factor in House Bill 3735 and low number of offenders anticipated to be affected by House Bill 3735, the fiscal impact of House Bill 3735 is minimal.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

The Illinois Department of Transportation has determined that no land conveyance is necessary for this bill.

FISCAL NOTE (Dept of Corrections)

These enhancements would result in an increase of 3 offenders with \$144,100 in additional costs over the first ten years after enactment. However, the impact of this legislation is dependent on how many arrests take place, how offenders would be prosecuted and sentenced to prison, and how judges would use factors in aggravation to increase penalties. Therefore, the full impact of this legislation is unknown.

FISCAL NOTE (Capital Development Board)

The Capital Development Board (CDB) estimates a fiscal impact of approximately \$1,800,000 annually associated with additional software and staff to monitor construction sites and enforce the new requirements contained in this legislation. The annual cost includes approximately 8 employees to handle all aspects of this bill. Each employee would cost CDB approximately \$200,000 after factoring in the personal services, pension, social security, group insurance, travel and required software licenses. A new software platform for tracking the man-hours requirement would also need to be developed, which has an estimated cost of up to \$200,000 annually.

- 515 ILCS 5/20-45 from Ch. 56, par. 20-45
- 520 ILCS 5/3.2 from Ch. 61, par. 3.2

Amends the Fish and Aquatic Life Code and the Wildlife Code. Provides that the respective fees for resident fishing, combination sportsmen, and hunting licenses are waived for current and retired State, municipal, and local law enforcement officers.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

The Illinois Department of Transportation has determined that no Land Conveyance is required for this bill.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 3750 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE (Dept of Corrections)

HB 3750 has no fiscal or population impact on the Department of Corrections.

PENSION NOTE (Government Forecasting & Accountability)

HB 3750 will not impact any public pension fund or retirement system in Illinois.

FISCAL NOTE (Dept. of Natural Resources)

Loss of both license sale revenue (hunting/fishing) and federal reimbursement funding totals approximately \$96,095 annually. This estimate does not include the annual impact by retired officers. The Illinois Department of Natural Resources' Wildlife and Fisheries divisions DO NOT receive General Revenue Funds from the State of Illinois. Revenue for conservation work, aquatic habitat enhancement, fish stocking and research is generated by the sale of licenses, stamps, permits and other fees. Eroding the pool of funds available by making hunting and fishing privileges free to certain classes of hunters and anglers would continue to reduce the Department's capacity .

BALANCED BUDGET NOTE (Office of Management and Budget)

In total, estimated revenue to the state would be reduced by more than \$100,000 annually if House Bill 3750 were to become law due to less revenues in hunting and fishing license sales and federal reimbursement. According to the Department of Natural Resources, the loss of hunting license revenue for active police officers is estimated at \$37,000 annually. This includes an estimated \$12,000 directly from license revenue, plus \$25,000 in federal apportionment funding. Additionally, the Department of Natural Resources estimates the loss of fishing license revenue for active police officers to be \$59,095 annually. This includes an estimated \$33,450 due to the loss in license revenues plus \$25,645 in lost federal apportionment funds. Based on active police officers, the estimated loss in revenue would be \$96,095. House Bill 3750 includes waivers for both active and retired officers, however at this time the fiscal impact can only be estimated for active law enforcement officers. As such, the fiscal impact of House Bill 3750 is likely to be greater than the above estimates due to the non-inclusion of retired law enforcement officers in the estimates. According to the Department of Natural Resources, conservation work, aquatic habitat enhancement, fish stocking, and research is funded by the sale of licenses, stamps, permits and other fees. Reducing the pool of funds available by making hunting and fishing privileges free to certain classes of hunters and anglers would reduce the capacity of the Department of Natural Resources to fund these duties and if continued could require reductions in service or general funds to support these functions.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not pre-empt home rule authority.

Amends the Alcoholism and Other Drug Abuse and Dependency Act. Requires the Department of Human Services, upon request, to provide DUI service providers licensed by the State and any court, as defined, with copies of identification and arrest data the Department receives from federal, State, and local law enforcement agencies. Establishes the DUI Service Provider Effectiveness Program Exploratory Committee to create an audit and evaluation process that permits the evaluation of treatment and intervention outcomes of licensed DUI service providers so that persons interested in DUI treatment or intervention services can make informed decisions concerning provider selection and courts can better determine which DUI service providers to keep on their approved-provider lists. Contains provisions concerning membership on the Committee, initial appointments, voting rights, reporting requirements, and other matters. Requires the Committee to prepare and publish in a central publication information obtained through the audit and evaluation process established by the Committee, but not before performing certain tasks, including the development of: (i) a process and statistical method of outcome analysis and research that targets DUI recidivism as a measure of the treatment or intervention effectiveness of each DUI service provider; and (ii) a standardized method or process by which a court may consult and collaborate with a DUI service provider whose program of DUI treatment or intervention services fails to meet or adequately address the needs of clients residing within the court's judicial circuit. Amends the Illinois Vehicle Code. Adds a requirement concerning DUI treatment review surveys. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

- Deletes reference to:  
20 ILCS 301/5-10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Removes a provision that requires the Department of Human Services, upon request, to provide DUI service providers licensed by the State and any court, as defined, with copies of identification and arrest data the Department receives from federal, State, and local law enforcement agencies. Redefines "DUI" to mean a conviction under a specified provision of the Illinois Vehicle Code (rather than to mean driving under the influence of alcohol or other substances which may cause impairment of driving ability). In provisions concerning the DUI Service Provider Effectiveness Program Exploratory Committee established in the introduced bill, provides that vacancies on the Committee shall be filled by individuals possessing the same membership requirements as the original appointee whom the replacement is

taking the place of (rather than in the same manner as the original appointments). Makes changes to provisions concerning: (i) absent and substitute members; survival analysis studies; the collection of information for survival analysis studies and outcome analysis and research studies; an auditing and evaluation process to be developed by the Department in order to verify information on the resources provided by DUI service providers and included in the central publication; and other matters. Requires the Committee to dissolve upon submitting its report to the General Assembly and the Department of Human Services as required in the provisions of the introduced bill. Permits the Department to modify, add, or remove information collected and published within the central publication as well as modify the auditing and evaluation measures used in analyzing such information for the central publication upon the dissolution of the Committee. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The Department of Human Services currently funds DUI services from the Drunk and Drugged Driving Prevention Fund. For every dollar that the Department has to divert to support the driving abstract fee, a corresponding dollar of service will need to be reduced. Without additional revenue streams, the Department will have no choice but to reduce services. During FY16, the Department funded approximately 6,600 risk assessments and risk educational programs at a cost of \$884.0K. If the Department has to fund 6,600 driving abstracts at \$12 each, the cost would be an estimated \$79,200. This would decrease available service dollars by 9% and would reduce the number of assessments and educational programs available to an estimated 587 individuals. The costs associated with this proposal are estimated based on the Department's current income eligibility guidelines. If these income thresholds are not maintained, then the Department would be responsible for additional individuals that would not qualify for State funded Addiction Treatment Services under the current rules.

HOUSE FLOOR AMENDMENT NO. 2

Adds the Director of the Illinois State Police, or his or her designee, to the list of members on the DUI Service Provider Effectiveness Program Exploratory Committee.

Makes changes concerning the time and circumstances under which financial organization deposits are presumed abandoned. Makes changes in provisions governing extending the reporting date of certain reported renewable time deposits. Deletes language requiring a holder to inform the administrator to provide a telephone number to contact the administrator to inquire about or claim property. Provides that the administrator does not need to notify the Department of Revenue of the names or social security numbers of apparent owners of abandoned property if he or she reasonably believes that the Department of Revenue will be unable to provide information that would provide sufficient evidence to establish that the person in the Department of Revenue's records is the apparent owner of unclaimed property in the custody of the administrator. Provides that the State Treasurer may, at reasonable times and upon reasonable notice: (1) examine the records of specified types of financial organizations under certain conditions; (2) issue an administrative subpoena requiring the financial organization to make records available for examination; and (3) bring an action seeking judicial enforcement of the subpoena. Provides that records obtained in examinations of State-regulated financial organizations are subject to the same provisions concerning use and confidentiality as records obtained in examinations of other persons. Makes other changes. Effective immediately.

705 ILCS 405/5-622 rep.

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987. Provides that all juvenile records which have not been expunged are sealed and may never be disclosed to the general public or otherwise made widely available. Provides that sealed records may be obtained only when their use is needed for good cause and with an order from the juvenile court, as required by those not authorized to retain them. Provides that a juvenile adjudication shall never be considered a conviction nor shall an adjudicated individual be considered a criminal. Provides that, unless expressly allowed by law, a juvenile adjudication shall not operate to impose upon the individual any of the civil disabilities ordinarily imposed by or resulting from conviction. Provides that adjudications shall not prejudice or disqualify the individual in any civil service application or appointment, from holding public office, or from receiving any license granted by public authority. Provides that the confidentiality provisions of the Act apply to law enforcement and municipal ordinance violations. Provides that willful violation of the confidentiality provisions of the Act is a Class B misdemeanor and each

violation is subject to a fine of \$1,000. Provides for various circumstances when juvenile records shall be expunged automatically without a petition brought by the individual and repeals provisions pertaining to those court procedures. Eliminates the requirement that a person be 21 years of age be eligible for expungement by petition. Provides that a person whose delinquency adjudications are not eligible for automatic expungement may petition the court to expunge all law enforcement records relating to any incidents occurring before his or her 18th birthday which did not result in proceedings in criminal court and all juvenile court records with respect to any adjudications (except those based upon first degree murder) if 2 years have elapsed since all juvenile court proceedings relating to him or her have been terminated and his or her commitment to the Department of Juvenile Justice under this Act has been terminated. Provides that applications for employment within the State must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of adjudication or arrest. Provides that local law enforcement agencies shall send written notice to the minor of the expungement of any records within 60 days of automatic expungement or the date of service of an expungement order. Defines "dissemination" and "juvenile court record". Makes other changes.

#### HOUSE FLOOR AMENDMENT NO. 3

Clarifies that unless otherwise allowed by law, juvenile adjudications shall not prejudice or disqualify the individual in any civil service application or appointment, from holding public office, or from receiving any license granted by public authority. Provides that nothing in the expungement of juvenile law enforcement and court records provisions shall require the physical destruction of the internal office records, files, or databases maintained by the Office of the Secretary of State. Changes automatic expungement of records from being executed within 5 business days to 60 business days. Excludes a specific list of forcible felony type offenses from the automatic expungement provisions. Restores current law that an expungement of records on an offense for which the person was adjudicated delinquent which is sought upon termination of juvenile court proceedings is limited to a Class B misdemeanor, Class C misdemeanor, petty offense, or business offense. Provides records of an offense under the sex offense Article of the Criminal Code is precluded from expungement if the person is required to register under the Sex Offender Registration Act.

#### SENATE COMMITTEE AMENDMENT NO. 1

Adds the offenses of dismembering a human body, inducement to commit suicide, reckless discharge of a firearm, gunrunning, firearms trafficking, possession of a stolen firearm, and aggravated possession of a stolen firearm to the list of forcible felony type offenses excluded from the automatic expungement provisions.

Amends the Criminal Identification Act. Requires that applications for certification, registration, and licensure must contain specific language that states that the applicant is not obligated to disclose sealed or expunged records of conviction or arrest and prohibits entities authorized to grant professional licenses, certifications, and registrations from asking if an applicant has had records sealed or expunged. Provides that certain sealed or impounded felony records shall not be disseminated in connection with an application for a professional or business license, registration, or certification, except specified health care worker licenses. Amends various professional licensing Acts with the following changes: Provides that the licensing agency must find that a license applicant has not committed certain acts or has been sufficiently rehabilitated to approve the application. In provisions concerning license denial, nonrenewal, or revocation for conviction of a felony, allows the licensing agency to issue a license with monitoring requirements and provides for an exception if an individual demonstrates to the licensing agency sufficient rehabilitation to warrant the public trust. Provides that the licensing agency shall not require applicants to report certain criminal history information and the licensing agency shall not consider the information. Requires the licensing agency to consider certain mitigating factors and evidence of rehabilitation for license applicants. Requires the licensing agency, upon denial of a license, to provide the applicant certain information concerning the denial. Provides that on May 1 of each year, the licensing agency shall prepare, publicly announce, and publish certain statistical information. Makes other changes. Effective January 1, 2018.

HOUSE COMMITTEE AMENDMENT NO. 2

- Deletes reference to:
  - 20 ILCS 2360/13
  - 210 ILCS 50/3.50
  - 210 ILCS 50/3.51 new

Replaces everything after the enacting clause. Reinserts the introduced bill with changes that include the following. Makes changes to the list of information that must be included in a notice of denial if the applicable State agency refuses to issue a license to an applicant. Specifies that the applicable State agency shall consider certain factors and evidence to determine whether a prior conviction will impair the ability of the applicant to engage in the position for which a license is sought. Makes changes to reporting requirements. Removes provisions specifying that it is the affirmative obligation of the applicable State agency to demonstrate that a prior conviction would impair the ability of the applicant to engage in the licensed practice. In provisions amending the Illinois Lottery Law, provides that the Department of the Lottery may grant a license to a person convicted of a felony where such conviction will impair the person's ability to engage in the licensed position when a period of 5 years after the conviction or 3 years since release from confinement, whichever is later, has elapsed without a subsequent conviction. In provisions amending the Criminal Identification Act concerning the effect of expungement or sealing records, provides that the entity authorized to grant a license shall include, in an application for licensure, specific language stating that the applicant is not obligated to disclose sealed or expunged records of a conviction or arrest; however, if the inclusion of that language in an application for licensure is not practical, the entity shall publish on its website instructions specifying that applicants are not obligated to

disclose sealed or expunged records of a conviction or arrest (rather than applications for licensure must contain specific language which states that the applicant is not obligated to disclose sealed or expunged records of conviction or arrest). Removes provisions relating to the retention and release of sealed records. Removes provisions amending the Emergency Medical Services (EMS) Systems Act. In provisions amending the Dietitian Nutritionist Practice Act concerning applicant convictions, provides that when reviewing, for the purposes of licensure, a conviction of any felony or a misdemeanor directly related to the practice of the profession of an applicant, the Department of Financial and Professional Regulation shall consider the applicant's successful completion of sentence. In provisions amending the Illinois Horse Meat Act concerning applicant provisions, provides that the Department of Agriculture shall not require applicants to report certain information and shall not consider certain criminal history records (rather than certain information shall not be requested, inquired into, or considered) in connection with an application for a license under the Act. Makes other changes. Effective January 1, 2018.

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced with changes. Removes language providing that the aggregate appropriations available for funding of public education and human services in this State from all State funds for each State fiscal year shall be no less than the total aggregate appropriations made available for funding of public education and human services in this State for the immediately preceding fiscal year. Removes language providing for an irrevocable and continuing appropriation for the funding of public education and human services at the previous year's levels, and the irrevocable and continuing authority for and direction to the State Treasurer and the Comptroller to make payments at those levels. Provides that if any cash flow deficit resulting from timing variation between disbursement and receipt of funds in the General Revenue Fund is anticipated, in efforts to manage timing variations, the Comptroller shall prioritize payments for education and human services relative to payments for financial services. Provides that when any warrant is presented to the State Treasurer to be countersigned, he shall do so, among other requirements, if the Comptroller certifies that specified provisions of the State Comptroller Act have been followed (currently, the Comptroller is not required to certify). Provides that the estimate of the amounts of net payments to be included in the calculation of interest required to be paid by the State shall be itemized by each agreement or contract for which a net amount has been included. Provides that the amounts included in appropriations for the payment of interest on variable rate bonds shall include the total amount (rather than amounts) certified by the Director of the Governor's Office of Management and Budget. Removes language providing that the irrevocable and continuing authority to appropriate funds under the General Obligation Bond Act shall cover payments to bondholders, but shall not cover fees for credit enhancements or net payments on interest rate swap agreements, or financial futures contracts associated with General Obligation Bonds. Provides that any amounts included in the Comptroller's computations and certifications of specified payable interest that are based on amounts from the Director of the Governor's Office of Management and Budget certified under a specified Section shall be itemized by each agreement or contract for which a net amount has been included. Provides that computations on specified payable interest that include amounts certified under a specified Section shall be itemized by each agreement or contract for which a net amount is included, and documents created by either the State Treasurer or State Comptroller in the course of executing transfers and payments shall include this itemization. Modifies the term "Payments for financial services".

Replaces everything after the enacting clause. Amends the General Provisions Article of the Illinois Pension Code. Provides that the Board of any pension fund or retirement system may authorize active Tier 1 employees to elect to have automatic annual increases in retirement and survivor's annuities delayed and reduced. Provides that a Tier 1 employee who makes that election is entitled to have contributions reduced to a specified rate and to receive a consideration payment of 10% of contributions made prior to the election. Provides separate benefits for persons who, on or after July 1, 2018, first become participants or members under

the State Universities or Downstate Teachers Article or noncovered participants under the State Employees Article. Authorizes persons who first become members or participants of those Systems on or after July 1, 2018 to elect the Tier 2 benefits in lieu of those separate benefits. Authorizes Tier 2 members to elect those separate benefits in lieu of the Tier 2 benefits. Requires those retirement systems to establish a voluntary defined contribution plan for certain Tier 1 members. In the Chicago Municipal, Cook County, Cook County Forest Preserve, Chicago Laborers, Chicago Park District, and Chicago Teachers Articles, establishes similar benefits if the governing body of the unit of local government adopts those benefits by resolution or ordinance. In the State Employee, State Universities, and Downstate Teachers Articles, authorizes those Systems to calculate the net present value of the pension benefits for certain inactive members and to offer those members the opportunity to elect to receive an accelerated pension benefit payment equal to 70% of the net present value of their pension benefits in lieu of receiving any pension benefit. In the State Universities and Downstate Teachers Articles, shifts certain costs to the local employer. Repeals certain provisions related to defined contributions plans under Public Act 98-599, which has been declared unconstitutional. Amends the State Employees Group Insurance Act of 1971 to make a conforming change. Amends the State Mandates Act to require implementation without reimbursement. Makes other changes.

Provides that the Department of Healthcare and Family Services shall require each Medicaid Managed Care Organization to list as preferred on the Medicaid Managed Care Organization's preferred drug list every pharmaceutical that is listed as preferred on the Department's preferred drug list. Provides that the Department shall not prohibit, or adopt any rules or policies that prohibit, a Medicaid Managed Care Organization from: (i) covering additional pharmaceuticals that are not listed on the Department's preferred drug list; or (ii) removing from the Medicaid Managed Care Organization's preferred drug list any prior approval requirements applicable under the Department's preferred drug list. Provides that the Department shall not require a Medicaid Managed Care Organization to utilize a single, statewide preferred drug list and shall not prohibit a plan from negotiating drug pricing concessions or rebates on any drug with pharmaceutical companies, unless otherwise required by federal law. Provides that no later than July 1, 2018, the Department shall develop a standardized format for all Medicaid Managed Care Organization preferred drug lists in cooperation with Medicaid Managed Care Organizations and stakeholders, including, but not limited to, community-based organizations, providers, and individuals or entities with expertise in drug formulary development. Requires each Medicaid Managed Care Organization to post its preferred drug list on its website without restricting access to enrolled members and to update the preferred drug list posted on its website within 2 business days of making any changes to the preferred drug list, including, but not limited to, any and all changes to requirements for prior approval. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires Medicaid managed care organizations (rather than managed care entities) that provide services under the Code to use a pharmacy formulary that is no more restrictive by drug class than the Department of Healthcare and Family Services' preferred drug list (rather than the Department's pharmaceutical program). Provides that beginning January 1, 2019 and continuing through January 1, 2022, the Department shall require each Medicaid managed care organization to list as preferred on the Medicaid managed care organization's preferred drug list at least the same number, and no fewer, of drugs per drug class as are listed on the Department's preferred drug list. Prohibits the Department from adopting any rules or policies that prohibit a Medicaid managed care organization from: (1) covering additional drugs that are not listed on the Department's preferred drug list; (2) submitting all covered drugs listed on the Department's preferred drug list and additional drugs covered by the Medicaid managed care organization as qualified encounters to be used for appropriate purposes; or (3) removing from the Medicaid managed care organization's preferred drug list any prior approval requirements, step therapy, or other utilization controls applicable under the Department's preferred drug list. Requires the Department to develop a standardized format for all Medicaid managed care organization preferred drug lists by January 1, 2019 and to allow Medicaid managed care organizations 6 months from the completion date of the standardized

format to comply with the new Preferred Drug List format. Requires each Medicaid managed care organization to post its preferred drug list on its website without restricting access and to update the preferred drug list posted on its website no less than 30 days prior to the date upon which any update or change takes effect. Requires the Department to establish, no later than January 1, 2019, the Illinois Pharmacy and Therapeutics Advisory Board to have the authority and responsibility to provide recommendations to the Department regarding which drug products to list on the Department's preferred drug list. Contains provisions concerning Board meetings and correspondence; the Board's composition; voting and non-voting members; and other matters. Requires the Department to adopt rules, to be in place no later than January 1, 2019, for the purpose of establishing and maintaining the Board. Effective immediately.

Amends the Illinois Marriage and Dissolution of Marriage Act. To the list of purposes of the Act, adds recognizing that the involvement of each parent for equal time is presumptively in the children's best interests. Deletes language providing that nothing in the Act requires that each parent be allocated decision-making responsibilities. Provides that it is presumed that it is in the child's best interests to award equal time to each parent. Provides that it is presumed that both parents are fit and the court shall not place any restrictions on parenting time unless it finds by clear and convincing evidence (instead of a preponderance of the evidence) that a parent's exercise of parenting time would seriously endanger the child's physical, mental, moral, or emotional health. In specified situations, requires the court to issue a written decision stating its specific findings of fact and conclusions of law in support of its ruling. Provides that the court may restrict or modify parental responsibilities after a showing of clear and convincing evidence (instead of a preponderance of the evidence) that the restriction or modification is warranted.

HOUSE COMMITTEE AMENDMENT NO. 2

Relocates provisions listing factors for the court to consider in determining a child's best interests for purposes of allocating parenting time. Removes language changing the burden of proof from preponderance of the evidence to clear and convincing evidence. Provides that the presumption in favor of equal parenting time is rebuttable.

215 ILCS 134/25

Amends the Managed Care Reform and Patient Rights Act. In provisions concerning transition of services, provides that the health care plan shall not modify an enrollee's coverage of a drug during the plan year if the drug has been previously approved for coverage by the plan for a medical condition, the plan's prescribing provider continues to prescribe the drug for the medical condition, and the patient continues to be an enrollee of the health care plan. Provides specific prohibited modifications of drug coverage in the health plan. Provides that the provisions do not prohibit a health care plan from requiring a pharmacist to effect generic substitutions of prescription drugs. Provides that the provisions do not prohibit the addition of prescription drugs to a health care plan's list of covered drugs during the coverage year. Provides that the provisions do not apply to a health care plan as defined in the State Employees Group Insurance Act of 1971 or medical assistance under the Illinois Public Aid Code. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

In language providing that a health care plan is not prohibited from requiring a pharmacist to effect substitutions of prescription drugs, provides that the health care plan is not prohibited from requiring a pharmacist to effect substitutions consistent with provisions from the Pharmacy Practice Act that allow a pharmacist to substitute an interchangeable biologic for a prescribed biologic product and select a generic drug determined to be therapeutically equivalent by the United States Food and Drug Administration and in accordance with the Illinois Food, Drug and Cosmetic Act.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Central Management Services)

The fiscal impact to the Department of Central Management Services is negligible.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Managed Care Reform and Patient Rights Act. During an enrollee's plan year, prohibits a health care plan from removing a drug from its formulary or negatively changing its preferred or cost-tier sharing unless, at least 60 days before making the formulary change, the health care plan provides certain notifications to current and prospective enrollees and prescribing providers. Provides that the notification to a prescribing provider shall include a one-page form and may direct the provider to an electronic portal through which the provider may certify that coverage of the drug for the enrollee is medically necessary. Provides that if a provider certifies that a drug is medically necessary, the health care plan shall authorize coverage for the drug based solely on the provider's assertion that coverage is medically necessary and prohibits the health care plan from making certain modifications to the coverage related to the covered drug. Provides that the provisions do not prevent a health care plan from removing a drug from its formulary or denying an enrollee coverage if the U.S. Food and Drug Administration calls into question the clinical safety of the drug, the drug manufacturer notifies the U.S. Food and Drug Administration of a manufacturing discontinuance or potential discontinuance, or the drug manufacturer removes the drug from the market. Provides that the provisions do not prohibit a health care plan from requiring a pharmacist to effect generic substitutions of prescription drugs. Provides that the provisions apply to a policy or contract that is amended, delivered, issued, or renewed on or after January 1, 2019. Provides that the provisions do not apply to a health care plan as defined in the State Employees Group Insurance Act of 1971 or medical assistance under the Illinois Public Aid Code. Provides that the provisions concerning transition of services shall not be construed to prohibit the addition of prescription drugs to a health care plan's list of covered drugs during the coverage year. Effective immediately.

In the home repair consumer rights pamphlet, replaces notice language concerning lien waivers with the following: "Illinois law requires that, before payment, your contractor give you a sworn statement which lists: (1) all the persons or companies your contractor hired to work on your home and their addresses; and (2) the amounts previously paid, the amounts about to be paid, and the total amount owed after the payment to these persons or companies. The sworn statement should be fully completed, signed, and notarized. When the contractor's sworn statement lists an amount due or to become due to a subcontractor, or when a subcontractor gives you notice of an amount due to the subcontractor, you must retain sufficient funds to pay that subcontractor. Subcontractors give the contractors lien waivers when they are paid. Ask

your contractor for copies of these lien waivers. If your contractor tells you he or she needs a payment from you in order to pay subcontractors, you have the right to pay the subcontractors directly."

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

815 ILCS 513/10

Replaces everything after the enacting clause. Amends the Home Repair and Remodeling Act. In the home repair consumer rights pamphlet, replaces the revised notice language relating to lien waivers with the following: "Before you pay your contractor, understand that the Mechanics Lien Act requires that you shall request and the contractor shall give you a signed and notarized written statement (known as a "Sworn Statement") that lists all the persons or companies your contractor hired to work on your home, their addresses along with the amounts about to be paid, and the total amount owed after the payment to those persons or companies. Suppliers and subcontractors have a right to file a lien against your home if they do not get paid for their labor or materials. To protect yourself against liens, you should demand that your contractor provide you with a Sworn Statement before you pay the contractor. You should also obtain lien waivers from all contractors and subcontractors if appropriate. You should consult with an attorney to learn more about your rights and obligations under the Mechanics Lien Act.". States that the pamphlet language is informational only and is not a substantive enforceable provision of the Home Repair and Remodeling Act and does not affect substantive law under the Mechanics Lien Act.

Provides that if a caregiver unreasonably prevents a family member of a frail individual from visiting the frail individual, the court, upon a verified petition by the family member, may order the caregiver to permit visitation between the frail individual and the family member if the court finds that the visitation is in the frail individual's best interests. Provides that in making its determination, the court shall consider the standards provided in the Probate Act of 1975. Provides that the caregiver shall provide a person awarded reasonable visitation with notice of the frail individual's hospitalization or transfer to a healthcare facility, relocation to another residence, and death.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Creates the Frail Elderly Individual Family Visitation Protection Act. Provides that the Act may be referred to as the Kasem/Baksys Visitation Law. Defines "family caregiver", "family member", "frail elderly individual", and "petitioner". New Act

Creates the Wage Lien Act. Provides that a lien exists on an employer's property for the amount of unpaid wages owed to an employee. Defines terms and includes provisions concerning creation of the lien; exemptions; notice; limitations; recording of the lien; enforcement; other claims on the employer's property; successor obligations; and construction.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Dept. of Labor)

The Department of Labor currently lacks expertise in the filing and enforcement of liens. With passage of this bill, the Department will need to add a minimum of three full-time staff to devise and implement new lien procedures, research, file, and process the liens. Also, two additional attorneys preferably with lien recovery experience are needed to review for enforcement sufficiency and to represent the Department at hearings. Additionally, two administrative law judges with lien recovery and or Uniform Commercial Code expertise would also be needed to handle the increase in administrative hearings. Administrative costs include postage, filing fees, office supplies and new employee IT equipment and licensing. Currently, according to the Cook County Recorder of Deeds, recording costs for liens range from \$25.00 to \$32.00. The Department estimate that if we had this additional staff the number of liens that we could theoretically record would be around 1,000 to 1,500 per year. Fiscal Impact = \$1,038,336 (7 Headcount = \$972,336; Administrative Costs = \$66,000)

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Does not create a State Mandate.

30 ILCS 500/30-40 new

Amends the Illinois Procurement Code. Provides that for any project under a construction contract, the contract shall require that, to the extent practicable, at least 10% of man-hours performing construction services be performed by individuals who reside in areas of poverty. Requires the Department of Central Management Services to annually release a list of areas of poverty that meet the requirements.

FISCAL NOTE (Dept. of Transportation)

The Illinois Department of Transportation (IDOT) estimates a fiscal impact of approximately \$6,000,000 annually associated with additional software and staff to monitor construction sites and enforce the new requirements contained in this legislation. IDOT has on average 850 active construction contracts every year. The workforce needed for each construction project is driven by the volume, nature and complexity of work which results in a variable workforce that can change from day to day at each project. This will result in the need for daily monitoring of the workforce at each project site to assure compliance with the legislation. Based on the number of projects and how widespread they are throughout the State, there is potential need for 50 staff to enforce compliance. Each employee would cost IDOT approximately \$120,000 after factoring in group insurance and other benefit costs. Additionally, there is not a standard software application to capture and monitor such data, so something will have to be custom developed at a potential cost of \$100,000 to \$300,000. Annual maintenance for the system is estimated at \$25,000.

225 ILCS 90/17 from Ch. 111, par. 4267

Amends the Illinois Physical Therapy Act. Provides that the limitation on determining a differential diagnosis shall not in any manner limit a physical therapist from establishing a relevant diagnosis. In the definition of "documented current and relevant diagnosis" and in provisions concerning disciplinary actions, removes language requiring a diagnosis to be substantiated by a physician, dentist, advanced practice registered nurse, physician assistant, or podiatric physician. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 1**

Adds reference to:

225 ILCS 90/1.2 new

In the definition of "physical therapy", provides that the limitation on determining a differential diagnosis shall not limit a physical therapist from performing an evaluation and establishing a physical therapy treatment plan (rather than performing an evaluation and establishing a relevant diagnosis). Removes language providing that a physical therapist shall refer a patient whose medical condition is determined to be beyond the scope of practice of the physical therapist to specified health care providers. Makes conforming changes in grounds for discipline. Removes the definition of "documented current and relevant diagnosis". Defines "health care professional". Further amends the Illinois Physical Therapy Act. Provides requirements for physical therapy services.

**HOUSE FLOOR AMENDMENT NO. 2**

In provisions concerning physical therapy services, removes language providing that a physical therapist will consult and collaborate with the appropriate health care professional on

conditions related to temporomandibular disorder. Instead, provides that a physical therapist shall promptly consult and collaborate with the appropriate health care professional anytime a patient's condition indicates that it may be related to temporomandibular disorder so that a diagnosis can be made by that health care professional for an appropriate treatment plan.

HOUSE FLOOR AMENDMENT NO. 3

In provisions concerning physical therapy services, provides that a physician therapist shall refer a patient to the health care professional if the patient does not demonstrate measurable or functional improvement after 10 visits or 15 business days, whichever occurs first, and continued improvement thereafter.

Amends the Township Code. Provides that if a vacant township supervisor office is filled by appointment, the appointed supervisor shall fulfill the bond requirement for township supervisors. Provides that the appointed supervisor may be a trustee appointed by a majority vote of the trustees and shall have one vote on any matter properly before the board. Provides for the appointment of a temporary deputy to perform the ministerial functions of a vacant township office until a person can be appointed to fill the vacant position for the remainder of the vacant term (rather than only allowing the appointment of a temporary deputy in a vacant township office due to a physical incapacity of a township officer). Provides that the temporary deputy, including a trustee appointed as a temporary deputy, shall be compensated at the same rate set by the board for the vacant position. Provides that if the appointed deputy is a trustee, his or her trustee compensation shall be suspended until he or she concludes his or her appointment as an appointed deputy upon the permanent appointment to fill the vacancy. Exempts the temporary deputy from the requirement to fill a vacant township office with a member of the same political party. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that whenever any township or multi-township office becomes vacant or temporarily vacant due to the physical incapacity of a township officer, the township or multi-township board may temporarily appoint a deputy to perform the ministerial functions of the vacant office. Restores provisions allowing the physically incapacitated township officer to submit a written and sworn statement that he or she is physically able to perform his or her duty. Restores a provision allowing the appropriate board to determine the temporary deputy compensation (removing a new provision providing that the temporary deputy's compensation shall be the same as the compensation set by the board for the vacant position).

SENATE FLOOR AMENDMENT NO. 1

Excludes appointments in townships in a county with a population greater than 250,000 from provisions requiring appointees to a vacancy to be a member of the same political party as the person vacating the office if the person vacating the office was elected as a member of an established political party.

Provides that the Department of Financial and Professional Regulation shall provide technical and administrative support and any other necessary assistance to the Task Force and shall be responsible for administering its operations and ensuring that the requirements of the provisions are met. Provides that the Task Force shall conduct a study on student credit card debt; specifies study requirements. **GOVERNOR AMENDATORY VETO MESSAGE**

Recommends the following changes to provisions added to the Credit Card Marketing Act of 2009: Expands the list of legislative findings to include a finding that there is value to the citizens of Illinois in investigating the availability and accessibility of information provided by credit card issuers to better understand factors in the accumulation of student credit card debt and factors mitigating the amount of credit card debt a student faces after graduating. Expands the membership of the College Student Credit Card Marketing and Debt Task Force to include a representative of a credit card issuer. Requires the Task Force to conduct a study that may examine any of the listed

factors as determined to be necessary and available by the Task Force (rather than requiring the Task Force to conduct a study that specifically examines all of the listed factors). Expands the list of factors the Task Force may examine to include the following: (i) agreements between credit card issuers and higher education institutions or organizations affiliated with the institutions; (ii) evaluation of the effectiveness of the Credit Card Marketing Act of 2009; (iii) other state actions taken to address the marketing of credit cards to students and the accumulation of student credit card debt ; and (iv) other factors the Task Force deems relevant regarding student credit card debt within the consumer credit card market. Requires the Task Force to report its findings on or before December 14, 2019, at which time the Task Force shall be dissolved (rather than on or before December 14, 2018, at which time the Task Force shall be dissolved). Recommends changing the repeal date for all of the added provisions to January 1, 2020 (rather than November 1, 2019).

## HOUSE FLOOR AMENDMENT NO. 1

Adds reference to:

## 305 ILCS 5/5-5g new

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Requires long-term care providers to submit all changes in resident status, including, but not limited to, death, discharge, changes in patient credit, third party liability, and Medicare coverage to the Department of Healthcare and Family Services through the Medical Electronic Data Interchange System, the Recipient Eligibility Verification System, or the Electronic Data Interchange System under a specified schedule. Requires the Department of Healthcare and Family Services to serve as the lead agency assuming primary responsibility for the full implementation of provisions concerning expedited long-term care eligibility determinations, renewals, enrollments, and payments, including the establishment and operation of the expedited long-term care system. Provides that beginning on June 29, 2018, provisional eligibility must be issued to any individual who has not received a final eligibility determination on the individual's application for Medicaid or Medicaid long-term care benefits or a notice of an opportunity for a hearing within the federally prescribed deadlines for the processing of such applications. Requires the Department to maintain the individual's provisional Medicaid enrollment status until a final eligibility determination is approved or the individual's appeal has been adjudicated and eligibility is denied. Provides that the Department or the managed care organization, if applicable, must reimburse providers for all services rendered during an individual's provisional eligibility period. Requires the Department to adopt, by rules, policies and procedures to ensure prospective compliance with the federal deadlines for Medicaid and Medicaid long-term care benefits eligibility determinations. Sets forth certain standards and principles the policies must address, including: (i) a streamlined application and enrollment process; (ii) protocols to expedite the eligibility processing system for applicants meeting certain guidelines, regardless of the age of the application; (iii) the review of applications for long-term care benefits when there exists credible evidence that an applicant has transferred assets with the intent of defrauding the State; and other matters. Contains provisions concerning: (1) the adoption of policies and procedures to improve communication between long-term care benefits central office personnel, applicants, and facilities in which the applicants reside; the establishment of policies and procedures to improve accountability and provide for the expedited payment of services rendered; (3) the Department's investigation of public-private partnerships in use in Ohio, Michigan, and Minnesota that are aimed at redeploying caseworkers to targeted high-Medicaid facilities for the purpose of expediting initial Medicaid and Medicaid long-term care benefits applications, renewals, and all other things related to enrollment, reimbursement, and application processing; (4) provider association meetings; (5) presumptive eligibility of benefits; (6) the prioritization of processing applications on a last-in, first-out basis; and other matters.

## SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, but with the following changes: Provides that an applicant with provisional enrollment status must have his or her benefits paid for under the State's fee-for-service system until such time as the State makes a final determination on the applicant's Medicaid or Medicaid long-term care application (rather than an applicant with provisional enrollment status, who is not enrolled in a managed care organization at the time the applicant's provisional status is issued, must continue to have his or her benefits paid for under the State's fee-for-service system until such time as the State makes a final determination on the applicant's Medicaid or Medicaid long-term care application). Provides that if an individual is enrolled with a managed care organization for community benefits at the time the individual's provisional status is issued, the managed care organization is only responsible for paying benefits covered under the capitation payment received by the managed care organization for the individual. Requires the Department of

Healthcare and Family Services to clearly identify as provisional eligibility vouchers those vouchers submitted to the Office of the Comptroller on behalf of applicants with provisional enrollment status. Adds a definition for the term "renewal". Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

305 ILCS 5/5-5g new

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Provides that, beginning on June 29, 2018, provisional eligibility, in the form of a recipient identification number and any other necessary credentials to permit an applicant to receive benefits, must be issued to any applicant who has not received a final eligibility determination on his or her application for Medicaid or Medicaid long-term care benefits or a notice of an opportunity for a hearing within the federally prescribed deadlines for the processing of such applications. Requires the Department of Healthcare and Family Services to maintain the applicant's provisional Medicaid enrollment status until a final eligibility determination is approved or the applicant's appeal has been adjudicated and eligibility is denied. Provides that the Department or the managed care organization, if applicable, must reimburse providers for services rendered during an applicant's provisional eligibility period. Provides: (1) that claims for services rendered to an applicant with provisional eligibility status must be submitted and processed in the same manner as those submitted on behalf of beneficiaries determined to qualify for benefits; (2) that an applicant with provisional enrollment status must have his or her benefits paid for under the State's fee-for-service system until the State makes a final determination on the applicant's Medicaid or Medicaid long-term care application; and that the Department, within 10 business days of issuing provisional eligibility to an applicant, must submit to the Office of the Comptroller for payment a voucher for all retroactive reimbursement due. Requires the Department to adopt rules. Effective immediately.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends the following changes to provisions added by the bill to the Illinois Public Aid Code: Removes a provision that prohibits rulemaking from delaying the full implementation of certain provisions concerning Medicaid expedited long-term care eligibility determinations and enrollment. Provides that provisional eligibility must be issued to any applicant who, due to delay by the State, has not received an eligibility determination on his or her application for Medicaid long-term care benefits (rather than beginning on June 29, 2018, provisional eligibility must be issued to any applicant who has not received a final determination on his or her application for Medicaid or Medicaid long-term care benefits). Requires the Department of Healthcare and Family Services to maintain an applicant's provisional Medicaid enrollment status until an eligibility determination is made (rather than until a final eligibility determination is approved or the applicant's appeal has been adjudicated and eligibility is denied). Provides that an applicant with provisional enrollment status must have his or her benefits paid under the State's fee-for-service system until the State makes a determination (rather than a final determination) on the applicant's Medicaid long-term care application (rather than the applicant's Medicaid or Medicaid long-term care application). Removes a provision making managed care organizations responsible for paying benefits covered under the capitation payments they received for individuals with provisional eligibility status. Removes a provision requiring the Department to submit a voucher to the Office of the Comptroller for all retroactive reimbursement due. Provides that provisional eligibility for Medicaid long-term care benefits shall be repealed when the combined backlog of long-term care applications and admissions has been reduced by 80% or more from its 2018 peak. Requires the Department to recover all amounts paid to a provider for any individual while provisionally eligible if the individual's application is not approved.

Amends the Alcoholism and Other Drug Abuse and Dependency Act. Changes the short title of the Act to the Substance Use Disorder Act. Removes the terms "addict", "addiction", "alcoholic", "alcoholism", and "substance abuse" and their corresponding definitions. Requires the Department of Human Services to reduce the incidence of substance use disorders (rather than reduce the incidence and consequences of the abuse of alcohol and other drugs). Defines "substance use disorder". Requires the Department to design, coordinate, and fund prevention, early intervention, treatment, and other recovery support services for substance use disorders that are accessible and address the needs of at-risk individuals and their families. Requires the Department to develop a comprehensive plan on the provision of such services; assist other State agencies in developing and establishing substance use disorder services for the agencies' clients; adopt medical and clinical standards on how to determine a substance use disorder diagnosis; and other matters. Contains provisions concerning the licensing of substance use disorder treatment providers; licensure categories and services; the identification of individuals who need substance use disorder treatment using "SBIRT"; patients' rights; services for pregnant women, mothers, and criminal justice clients; and other matters. Repeals a provision of the Act establishing the Committee on Women's Alcohol and Substance Abuse Treatment. Repeals a provision of the Act setting forth the powers and duties of the Medical Advisory Committee. Makes conforming changes concerning the Substance Use Disorder Act to several Acts including the Department of Human Services Act, the Children and Family Services Act, and the Mental Health and Developmental Disabilities Administrative Act. Effective January 1, 2019.

HOUSE FLOOR AMENDMENT NO. 1

Further amends the Alcoholism and Other Drug Abuse and Dependency Act. Defines the terms "designated program", "recovery", "recovery support", "substance use disorder", and "withdrawal management". Restores all references to "designated program". Requires the Department of Human Services to promulgate regulations to identify and disseminate best practice guidelines that can be utilized by publicly and privately funded programs as well as for levels of payment to government funded programs that provide prevention, early intervention, treatment, and other recovery support services for substance use disorders and those services referenced in specified provisions of the Substance Use Disorder Act. Requires the Department to identify and disseminate evidence-based best practice guidelines as maintained in

administrative rule that can be utilized to determine a substance use disorder diagnosis. Requires the Department to encourage all health and disability insurance programs to include substance use disorder treatment as a covered service and to use evidence-based best practice criteria as maintained in administrative rule and as required in Public Act 99-0480 in determining the necessity for such services and continued stay (rather than to use the clinical standards adopted by the Department in determining medical necessity for such services and criteria for continuing stay). Requires the Department to post on its website a licensed provider directory updated at least quarterly. In provisions allowing an individual who is charged with or convicted of a crime to receive substance use disorder treatment from a designated program as a condition of probation, requires case management services to be delivered by the designated program. Makes other changes.

A Balanced Budget Note does not apply to House Bill 4819, as it is not a supplemental appropriation that increases or decreases appropriations.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept of Innovation & Technology)

The fiscal impact of this proposed legislation is unknown at this time. The proposed legislation has the potential to reduce the pool of vendors willing to contract with the State for these services, possibly resulting in less competition and higher pricing, resulting in a negative fiscal impact. This legislation may also result in reduced service offerings in some state offices due to lack of availability of service providers willing to contract with the State.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

PENSION NOTE (Government Forecasting & Accountability)

HB 4819 will not impact any public pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4819 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

There is no corrections population impact or fiscal impact to the Department of Corrections.
