**HOUSE COMMITTEE AMENDMENT NO. 1**

In the Animal Welfare Act and the Animal Control Act, adds breeders who purchase microchips to the list of entities to contact if a dog or cat has been microchipped and the primary contact listed by the chip manufacturer cannot be located or refused to reclaim the dog or cat. In the Animal Welfare Act: provides that an application for license renewal shall report the beginning inventory and intake and outcome statistics from the previous calendar year (rather than shall report intake and outcome statistics from the previous calendar year); provides that the intake and outcome statistics report shall include the total number of dogs, cats, and other animals taken in by the animal shelter or animal control facility that are impounded other than stray (rather than impounded), confiscated under the Human Care For Animals Act (rather than confiscated), and born in shelter or animal control facility (rather than born in shelter); and requires the Department of Agriculture to post on its website the name (rather than the name and address) of each licensed animal control facility or animal shelter with other specified information.

Replaces everything after the enacting clause. Amends the Child Death Review Team Act. Provides that the Inspector General of the Department of Children and Family Services (rather than the Director of the Department) in consultation and cooperation with the Illinois Child Death Review Teams Executive Council (Executive Council) shall appoint members to a child death review team in each of the Department's administrative subregions of the State outside Cook County and at least one child death review team in Cook County. Provides that each child death review team may make recommendations to the Inspector General of the Department (rather than the Director) concerning additional appointments; and that in the event of a disagreement, the Executive Council's decision shall control. Requires each child death review team to select a vice-chairperson who may also serve on the Illinois Child Death Review Teams Executive Council, but shall not have a vote on child death review team business unless the chairperson is unable to attend a meeting. Requires the Department to provide at least one full-time Statewide Department of Children and Family Services Liaison who shall attend all child death review team meetings, all Executive meetings, all Executive Council meetings, and meetings of the Director with the Executive Council. Permits child death review teams to review all unfounded child death cases. Requires the Department to provide child death review teams with certain records and information in the Department's possession within a specified time period. Requires child death review team staff to have full access to the Statewide Automated Child Welfare Information System, any other child welfare database maintained by the Department, and any death certificates from the Department of Human Services. Makes changes to provisions concerning support staff for the Executive Council and other matters. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 2**

Removes language that: (i) prohibits the reduction of any separate line item appropriation for child death review teams in the Department of Children and Family Services' annual budget; and (ii) requires the Illinois Child Death Review Teams Executive Council to send a copy of its annual report to persons other than members of the Senate or the House of Representatives,

county coroners and medical examiners, and State's Attorneys.

FISCAL NOTE (Dept. of Children & Family Services)

The proposed change to the Child Death Review Team Act that would suggest a potential fiscal implication, the full-time liaison staffing mandate, is not an issue given current practice. No or very little fiscal impact.

705 ILCS 505/8 from Ch. 37, par. 439.8

Provides that the amendatory Act may be referred to as the Commitment to Justice Act and includes legislative findings. Amends the Court of Claims Act. Removes the \$100,000 limit on awards in tort cases. Provides that the changes apply to cases filed on or after July 1, 2015. Effective immediately.

**SENATE FLOOR AMENDMENT NO. 2**

Adds reference to:

705 ILCS 505/16	from Ch. 37, par. 439.16
705 ILCS 505/18	from Ch. 37, par. 439.18
705 ILCS 505/21	from Ch. 37, par. 439.21
705 ILCS 505/22	from Ch. 37, par. 439.22
705 ILCS 505/24	from Ch. 37, par. 439.24

Replaces everything after the enacting clause. Amends the Court of Claims Act. Increases the maximum award for certain claims sounding in tort filed on or after July 1, 2015 from \$100,000 to \$2,000,000. Provides that the court shall annually adjust the maximum awards to reflect the increase, if any, in the Consumer Price Index For All Urban Consumers for the previous calendar year, as determined by the United States Department of Labor. Provides that Comptroller shall make the new amount resulting from each annual adjustment available to the public via the Comptroller's official website by January 31 of every year. Provides that the signature of one judge is binding if a decision is entered in a lapsed appropriation claim in which a motion or stipulation has been filed or a decision is entered on a Crime Victims Compensation Act claim. Deletes language providing that in matters involving the award of emergency funds under the Crime Victims Compensation Act, the decision of one judge is necessary to award emergency funds. Provides that from funds appropriated by the General Assembly, the court may direct immediate payment of claims against the State for unjust imprisonment. Adds applicability and severability language and makes other changes. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 2**

Deletes reference to:

705 ILCS 505/16  
705 ILCS 505/21

Deletes changes providing: that the signature of one judge is binding if a decision is entered in a lapsed appropriation claim in which a motion or stipulation has been filed or a decision is entered on a Crime Victims Compensation Act claim; and that the court may impose a fee of \$15 for the filing of a petition in which the award sought is less than \$1,000 (instead of more than \$50 and less than \$1,000).

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

This bill would not impact any public pension fund or retirement system in Illinois.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

FISCAL NOTE (Court of Claims)

The amendment to section 8 will likely require the additional expenditure of State funds, in that it proposes to raise the tort liability limit on non-vehicle lawsuits against the State. The bill proposes an effective date of July 1, 2015. The Court cannot forecast whether cases pending since July 1, 2015 will result in an award to Claimant. Likewise, the Court does not know the fiscal impact of yet-to-be-filed cases where awards will be made. The amendment to section 22(g) will likely require the additional expenditure of State funds. The Court currently has 36 Claimants with cases involving lost warrants, totaling \$28,000.00. These are currently postured for denial. Most of these would likely be payable, if this bill is passed. None of the other sections have any fiscal impact

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends changing the maximum award for certain claims sounding in tort to \$300,000 (rather than \$2,000,000).

Amends the Condominium Property Act. Provides that the lien for nonpayment of common expenses and fines attaches after the unit owner is given written notice and an opportunity to be heard. Provides that the board of managers may seek remedies under the Act after providing the unit owner or agent of the unit owner with written notice of the default and providing an opportunity to be heard regarding any fees that are in dispute. Provides that the bylaws shall provide that the association has no authority to initiate collection proceedings against a unit owner until the board of managers issues a 30-day written notice of delinquency, and an opportunity for a hearing is given to dispute any amounts due. Provides that the board of managers has the power, after written notice (instead of "notice") and an opportunity to be heard, to levy reasonable fines for violation of the declaration, bylaws, and rules and regulations of the association.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes language providing that the lien for nonpayment of common expenses and fines attaches after the unit owner is given written notice and an opportunity to be heard. Provides instead that the board of managers shall not record or foreclose upon a lien for nonpayment of common expenses and fines until after it provides the unit owner with written notice and an opportunity to be heard. Provides that the board of managers may seek remedies under the Act after providing the unit owner or agent of the unit owner with written notice of the default and providing an opportunity to be heard regarding charges assessed against the unit owner's account, including attorney's fees that are in dispute (instead of "any fees that are in dispute"). Provides that the bylaws shall provide that the association has no authority to report adverse information to a credit reporting agency until the board of managers issues a 30-day written notice of delinquency, and an opportunity for a hearing is given to dispute any amounts due. Specifies that a collection proceeding includes, but is not limited to, an action under the Eviction Article of the Code of Civil Procedure.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Condominium Property Act.

Provides that before the board may levy a fine, it shall first provide the unit owner a minimum of 20 days' written notice and an opportunity to be heard. Provides that the written notice shall be made in accordance with the requirements of the Act. Provides that the notice and opportunity to be heard requirements apply only to the ability to levy fines, and nothing contained in the new provisions limits or restricts the ability of the board to pursue or enforce the rights of the association. Provides that the association has no authority to report adverse information to a credit reporting agency or initiate collection proceedings against a unit owner for unpaid fines unless the board of managers has first complies with the notice and hearing requirements. Makes corresponding changes.

#### **SENATE FLOOR AMENDMENT NO. 3**

not limited to, evaluating crowd size, density, or movement, assessing public safety vulnerabilities or weaknesses, determining appropriate staffing levels for law enforcement or other public safety personnel, or identifying possible criminal activity. Defines "large-scale event". Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:  
725 ILCS 167/35

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that a law enforcement agency that uses a drone under the new exception shall not equip the drone with tear gas canisters, stun gun technology, or any other dangerous or deadly weapon or fire a projectile from a drone. Provides that if a law enforcement agency owns one or more drones, the law enforcement agency shall report in writing annually by April 1 to the Illinois Criminal Justice Information Authority the number of times in the previous year that the law enforcement agency has deployed a drone under each of the exceptions under the Act, including the exception used, the date of the deployment, and location of the deployment. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

This bill will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE (Dept of Corrections)

There is no corrections population impact or fiscal impact to the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE (Office of Management and Budget)

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

815 ILCS 305/15

815 ILCS 305/30

from Ch. 134, par. 130

Replaces everything after the enacting clause. Amends the Automatic Telephone Dialers Act.

Redefines "recorded message" to mean any artificial or recorded communication that includes or introduces an advertisement or constitutes telemarketing without live voice interaction (rather than any taped communication soliciting the sale of goods or services without live voice interaction). Prohibits an autodialer from providing inaccurate caller ID information in violation of a specified federal law and regulations of the Federal Communications Commission. Provides that it is a violation of the Act to play a recorded message (rather than a prerecorded message) placed by an autodialer without the (i) prior express written consent of the called party or (ii) the prior express written consent of the called party if the call is made by or on behalf of a tax-exempt nonprofit organization or is a call that delivers a health care message made by, or on behalf of, a covered entity or its business associate as those terms are defined in a specified provision of the Health Insurance Portability and Accountability Act of 1996. Defines "telemarketing" and "prior written consent".

HOUSE COMMITTEE AMENDMENT NO. 1

In provisions concerning violations of the Act, removes language providing that it is a violation to play a recorded message placed by an autodialer without the prior express written consent of the called party if the call is made by or on behalf of a tax-exempt nonprofit organization. Makes a grammatical change.

Amends the Alcoholism and Other Drug Abuse and Dependency Act. Changes the short title of the Act to the Substance Use Disorder Act. Removes the terms "addict", "addiction", "alcoholic", "alcoholism", and "substance abuse" and their corresponding definitions. Requires the Department of Human Services to reduce the incidence of substance use disorders (rather than reduce the incidence and consequences of the abuse of alcohol and other drugs). Defines "substance use disorder". Requires the Department to design, coordinate, and fund prevention, early intervention, treatment, and other recovery support services for substance use disorders that are accessible and address the needs of at-risk individuals and their families. Requires the Department to develop a comprehensive plan on the provision of such services; assist other State agencies in developing and establishing substance use disorder services for the agencies' clients; adopt medical and clinical standards on how to determine a substance use disorder diagnosis; and other matters. Contains provisions concerning the licensing of substance use disorder treatment providers; licensure categories and services; the identification of individuals who need substance use disorder treatment using "SBIRT"; patients' rights; services for pregnant women, mothers, and criminal justice clients; and other matters. Repeals a provision of the Act establishing the Committee on Women's Alcohol and Substance Abuse Treatment. Repeals a provision of the Act setting forth the powers and duties of the Medical Advisory Committee. Makes conforming changes concerning the Substance Use Disorder Act to several Acts including the Department of Human Services Act, the Children and Family Services Act, and the Mental Health and Developmental Disabilities Administrative Act. Effective January 1, 2019.

#### SENATE FLOOR AMENDMENT NO. 1

Further amends the Alcoholism and Other Drug Abuse and Dependency Act. Defines the terms "designated program", "recovery", "recovery support", "substance use disorder", and "withdrawal management". Restores all references to "designated program". Requires the Department of Human Services to promulgate regulations to identify and disseminate best practice guidelines that can be utilized by publicly and privately funded programs as well as for levels of payment to government funded programs that provide prevention, early intervention, treatment, and other recovery support services for substance use disorders and those services referenced in specified provisions of the Substance Use Disorder Act. Requires the Department to identify and disseminate evidence-based best practice guidelines as maintained in administrative rule that can be utilized to determine a substance use disorder diagnosis. Requires the Department to encourage all health and disability insurance programs to include substance use disorder treatment as a covered service and to use evidence-based best practice criteria as maintained in administrative rule and as required in Public Act 99-0480 in determining the necessity for such services and continued stay (rather than to use the clinical standards adopted by the Department in determining medical necessity for such services and criteria for continuing stay). Requires the Department to post on its website a licensed provider directory updated at least quarterly. In provisions allowing an individual who is charged with or convicted of a crime to receive substance use disorder treatment from a designated program as a condition of probation, requires case management services to be delivered by the designated program. Makes other changes.

Amends the Children and Family Services Act. Makes post-secondary education tuition and fee waivers available to youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Requires applicants to have earned a high school diploma from an accredited institution or a high school equivalency certificate or have met the State criteria for high school graduation before the start of the school year for which they are applying for the waivers. Limits the tuition and fee waivers to persons under the age of 26 and provides that waivers shall be available to a student for at least the first 5 years the student is enrolled in a community college, university, or college maintained by the State. Provides that the age requirement and 5-year cap on tuition and fee waivers shall be waived and eligibility extended for applicants or students who were unable to enroll in a qualifying post-secondary school or complete an academic term because the student: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Permits the Department to provide the student with a stipend to cover maintenance and school

expenses during the academic years to supplement the student's earnings. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the tuition and fee waivers.

## FISCAL NOTE (IL Workers' Compensation Commission)

SB 2863 would have a significant fiscal impact on the Illinois Workers' Compensation Commission. The bill includes a provision that would result in less revenues to fund office operations while requiring increased expenditure of state funds to hire additional professionals with expertise in various disciplines and additional investigators to investigate workers' compensation fraud. An accurate cost estimate of this legislation is not available at this time.

Amends the Revised Uniform Unclaimed Property Act. Provides that certain property is presumed abandoned after 5 (instead of 3) years. Provides that any property due or owed by a business association to or for the benefit of another business association resulting from a transaction occurring in the normal and ordinary course of business is exempt from the Act. Provides that an action or proceeding may not be maintained by the State Treasurer ("administrator") to enforce the Act in regard to the reporting, delivery, or payment of property more than 5 years after the holder filed a non-fraudulent report with the administrator (instead of 10 after the holder specifically identified the property in a report filed with the administrator or gave express notice to the administrator of a dispute regarding the property). Deletes language providing that in the absence of a report or other express notice, the period of limitation is tolled, and that the period of limitation is also tolled by the filing of a report that is fraudulent. Provides instead that the parties may agree to extend the limitation period. Provides that the administrator may not commence an action, proceeding, or examination with respect to a duty of a holder under the Act more than 10 years after the duty arose. Provides that in the absence of certain records the administrator may use specified estimation techniques. Provides that within 60 business days of the receipt of a final examination report, a holder may

request a hearing to contest the use or validity of estimation techniques. Deletes provisions concerning the administrator's authority to contract with another to conduct an examination. Provides instead that the administrator may not enter into a contract with a person to conduct an examination of a holder under which the administrator agrees to pay the person a fee based upon a percentage of the property recovered for this State. Deletes language providing that an initial report filed under the Act for property that was not required to be reported before the effective date of the Act, but that is required to be reported under the Act, must include all items of property that would have been presumed abandoned during the 5-year period preceding the effective date of the Act as if the Act had been in effect during that period. 305 ILCS 5/11-5.4

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Requires long-term care providers to submit all changes in resident status, including, but not limited to, death, discharge, changes in patient credit, third party liability, and Medicare coverage to the Department of Healthcare and Family Services through the Medical Electronic Data Interchange System, the Recipient Eligibility Verification System, or the Electronic Data Interchange System under a specified schedule. Requires the Department of Healthcare and Family Services to serve as the lead agency assuming primary responsibility for the full implementation of provisions concerning expedited long-term care eligibility determinations, renewals, enrollments, and payments, including the establishment and operation of the expedited long-term care system. Provides that beginning on June 29, 2018, provisional eligibility must be issued to any applicant who has not received a final eligibility determination on his or her application for Medicaid or Medicaid long-term care benefits or a notice of an opportunity for a hearing within the federally prescribed deadlines for the processing of such applications. Requires the Department to maintain the applicant's provisional Medicaid enrollment status until a final eligibility determination is approved or the applicant's appeal has been adjudicated and eligibility is denied. Provides that the Department or the managed care organization, if applicable, must reimburse providers for all services rendered during an applicant's provisional eligibility period. Requires the Department to adopt, by rule, policies and procedures to ensure prospective compliance with the federal deadlines for Medicaid and Medicaid long-term care benefits eligibility determinations. Sets forth certain standards and principles the policies must address, including: (i) a streamlined application and enrollment process; (ii) protocols to expedite the eligibility processing system for applicants meeting certain guidelines, regardless of the age of the application; (iii) the review of applications for long-term care benefits when there exists credible evidence that an applicant has transferred assets with the intent of defrauding the State; and other matters. Contains provisions concerning: (1) the adoption of policies and procedures to improve communication between long-term care benefits central office personnel, applicants, and facilities in which the applicants reside; the establishment of policies and procedures to improve accountability and provide for the expedited payment of services rendered; (2) the Department's investigation of public-private partnerships in use in Ohio, Michigan, and Minnesota that are aimed at redeploying caseworkers to targeted high-Medicaid facilities for the purpose of expediting initial Medicaid and Medicaid long-term care benefits applications, renewals, and all other things related to enrollment, reimbursement, and application processing; (4) provider association meetings; (5) presumptive eligibility of benefits; (6) the prioritization of processing applications on a last-in, first-out basis; and other matters. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

305 ILCS 5/11-6

from Ch. 23, par. 11-6

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Requires long-term care providers to submit all changes in resident status, including, but not limited to, death, discharge, changes in patient credit, third party liability, and Medicare coverage to the Department of Healthcare and Family Services through the Medical Electronic Data Interchange System, the Recipient Eligibility Verification System, or the Electronic Data Interchange System under a specified schedule. Requires the Department to serve as the lead agency assuming primary responsibility for the full implementation of provisions concerning expedited long-term care eligibility determinations and enrollments, including the establishment and operation of the expedited long-term care system. Requires the Department to adopt, by rule, policies and

procedures to ensure prospective compliance with the federal deadlines for Medicaid and Medicaid long-term care benefits eligibility determinations. Provides that on or before January 1, 2019, a streamlined application and enrollment process shall be put in place which must include, but need not be limited to, provide training and step-by-step written instructions for caseworkers, applicants, and providers. Requires the Department to expedite the eligibility processing system for applicants meeting specified guidelines, regardless of the age of the application. Provides that, subject to federal approval, the Department must implement an ex parte renewal process for Medicaid-eligible individuals residing in long-term care facilities. Provides that the ex parte renewal process shall be fully operational by January 1, 2019. Requires the Department to use certain standards and distribution requirements for notification of missing supporting documents and information during all phases of the application process. Requires the Department to adopt policies and procedures to improve communication between long-term care benefits central office personnel, applicants and their representatives, and facilities in which the applicants reside. Provides that if an applicant is determined ineligible for any public assistance, the notice shall include a list of all missing supporting documents and information and the date the documents were requested. Grants the Department rulemaking authority. Makes other changes. Effective immediately.

#### HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Removes language requiring the Department of Healthcare Family Services to serve as the lead agency assuming primary responsibility for the full implementation of expedited long-term care eligibility determinations and enrollments. Instead provides that the establishment of the expedited long-term care eligibility determination and enrollment system shall be a joint venture of the Departments of Human Services and Healthcare and Family Services and the Department on Aging. Provides that the streamlined application and enrollment process shall be put in place on or before July 1, 2019 (rather than on or before January 1, 2019). Removes language requiring the Department of Healthcare and Family Services to establish policies and procedures to ensure prospective compliance with certain federal deadlines for Medicaid and Medicaid long-term care benefits eligibility determinations. Provides that the State (rather than the Department of Healthcare and Family Services) must expedite the eligibility process for applicants meeting specified guidelines, regardless of the age of the application. Subjects the specified guidelines to federal approval. Provides that the ex parte renewal process for Medicaid-eligible individuals residing in long-term care facilities must be fully operational on or before January 1, 2019 (rather than by January 1, 2019). Provides that no local Department of Human Services office shall request submission of any document in hard copy. In provisions concerning decisions on applications for medical assistance, provides that "application" also refers to requests for admission approval to facilities licensed under the Nursing Home Care Act or to supportive living facilities authorized under the Code. Effective immediately.

#### HOUSE FLOOR AMENDMENT NO. 4

Requires the Department of Human Services (rather than the Department of Healthcare and Family Services) to: (i) use certain standards and distribution requirements for notification of missing supporting documents and information during all phases of the application process; and (ii) adopt policies and procedures to improve communication between long-term care benefits central office personnel, applicants and their representatives, and facilities in which the applicants reside. Provides that no Department of Human Services office (rather than no local Department of Human Services office) shall request submission of any document in hard copy. Removes language providing that if an applicant is determined ineligible for any public assistance, the notice shall include a list of all missing supporting documents and information and the date the documents were requested.

720 ILCS 570/320

Amends the Illinois Controlled Substances Act. Provides that the Department of Human Services, in consultation with the Advisory Committee, shall adopt rules allowing licensed prescribers or pharmacists who have registered to access the Prescription Monitoring Program to authorize a licensed or non-licensed designee (rather than any designee) employed in that licensed prescriber's office or licensed pharmacist's pharmacy and who has received training in the federal Health Insurance Portability and Accountability Act to consult the Prescription Monitoring Program on their behalf. Requires the Clinical Director of the Prescription Monitoring Program to select 6 members (rather than 5 members), 3 physicians, 2 pharmacists, and one dentist, of the Prescription Monitoring Program Advisory Committee to serve as members of the peer review subcommittee. Effective immediately.

**SENATE FLOOR AMENDMENT NO. 2**

Adds reference to:  
720 ILCS 570/318

Replaces everything after the enacting clause. Amends the Illinois Controlled Substances Act. Provides that to ensure the federal Health Insurance Portability and Accountability Act privacy of an individual's prescription data reported to the Prescription Monitoring Program received from a retail dispenser under this Act, the data shall be stored and isolated from any other database and remain under the full and complete control of the Prescription Monitoring Program. Provides that as an active step to address the current opioid crisis in this State and to prevent and reduce addiction resulting from a sports injury or an accident, the Prescription Monitoring Program and the Department of Public Health shall coordinate a continuous review of the Prescription Monitoring Program and the Department of Public Health data to determine if a patient may be at risk of opioid addiction. Each patient discharged from any medical facility with an International Classification of Disease, 10th edition code related to a sport or accident injury shall be subject to the data review. If the discharged patient is dispensed a controlled substance, the Prescription Monitoring Program shall alert the patient's prescriber and dispenser as to the addiction risk and urge each to follow the Centers for Disease Control and Prevention guidelines or his or her respective profession's treatment guidelines related to the patient's injury. This provision is inoperative on or after January 1, 2024. Provides that membership in the Prescription Monitoring Program Advisory Committee shall consist of 12 members appointed by the Clinical Director of the Prescription Monitoring Program. The current

Advisory Committee shall continue to serve until January 1, 2019. At the first meeting of 2019 lots shall be drawn and 4 members shall serve 3 years, 4 members shall serve 2 years, and 4 members shall serve one year. Members may serve more than one term but no more than 3 terms. Nominations shall be submitted by the professional associations representing prescribers and dispensers. If there are more nominees than membership positions for a prescriber or dispenser category, the Clinical Director of the Prescription Monitoring Program shall appoint a member or members for each profession from the nominations to serve on the advisory committee. Provides that the Advisory Committee shall select from its members 7 members of the Peer Review Committee (now peer review subcommittee) composed of: (1) 2 physicians; (2) one pharmacist; (3) one dentist; (4) one advanced practice registered nurse; (5) one physician assistant; and (6) one optometrist or ophthalmologist. Provides that the Peer Review Committee member, whose profession is the same as the prescriber or dispenser being reviewed, shall prepare a preliminary report and recommendation for any non-action or action. The Prescription Monitoring Program Clinical Director and staff shall provide the necessary assistance and data as required. Effective immediately.

**SENATE FLOOR AMENDMENT NO. 3**

Increases the membership on the Peer Review Committee from 7 to 9 members. Adds one additional physician and one additional pharmacist to the Committee.

**SENATE FLOOR AMENDMENT NO. 4**

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 2 with changes. Provides that the Department of Public Health's Prescription Monitoring Program Administrator shall receive, store, and maintain a prescription record users database which shall be the Prescription Information Library. Provides that to ensure the federal Health Insurance Portability and Accountability Act privacy of an individual's prescription data reported to the Prescription Monitoring Program received from a retail dispenser under this Act, and in order to execute the duties and responsibilities under this Act and rules for disclosure under this Act, the Clinical Director of the Prescription Monitoring Program or his or her designee shall maintain direct access to all Prescription Monitoring Program data. Any request for Prescription Monitoring Program data from any other department or agency must be approved in writing by the Clinical Director of the Prescription Monitoring Program or his or her designee unless otherwise permitted by law. Prescription Monitoring Program data shall only be disclosed as permitted by law. Increases the membership on the Peer Review Committee from 7 to 11 members. Adds one additional physician, two additional pharmacists, and one veterinarian to the Committee. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 2**

Changes the composition of the Prescription Monitoring Program Advisory Committee in the engrossed bill. Provides that the Prescription Monitoring Program Advisory Committee shall consist of 16 members appointed by the Clinical Director of the Prescription Monitoring Program composed of prescribers and dispensers licensed to practice in his or her respective profession as follows: one family or primary care physician; one pain specialist physician; 4 other physicians, one of whom may be an ophthalmologist; 2 (rather than one) advanced practice registered nurses; one physician assistant; one optometrist; one dentist; (eliminates one podiatric physician); one veterinarian; one clinical representative from a statewide organization representing hospitals; and 3 pharmacists. Provides that the initial terms of members shall be that 6 members shall serve 3 years, 5 members shall serve 2 years, and 5 members shall serve one year. 40 ILCS 5/15-155.1 new

Amends the State Universities Article of the Illinois Pension Code. Provides that if an employer fails to transmit required contributions to the System for more than 120 days after the payment of those contributions is due, the Board may certify to the State Comptroller the amount of those delinquent employer contributions and the State Comptroller shall deduct the certified amount from State funds to the employer and remit the amount deducted to the System. Provides that if State funds from which those deductions may be made are not available or if deductions are delayed for longer than 120 days after the date of the certification to the Comptroller, the Board may proceed against the employer to recover the amounts of such

delinquent payments in the appropriate circuit court. Adds similar provisions if the employer is a community college district. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

40 ILCS 5/15-155

from Ch. 108 1/2, par. 15-155

Replaces everything after the enacting clause. Amends the State Universities Article of the Illinois Pension Code. Provides that for State fiscal years (rather than academic years) beginning on or after July 1, 2017, if the amount of a participant's earnings for any State fiscal year exceeds the amount of the salary set by law for the Governor that is in effect on July 1 of that fiscal year (rather than the salary set for the Governor), the participant's employer shall pay to the System an additional contribution. Provides that the additional contribution may be paid within 90 days after issuance (rather than receipt) of the bill. Provides that if the employer contributions are not paid within 90 days after issuance (rather than receipt) of the bill, then interest will be charged at a specified rate compounded annually from the 91st day after issuance (rather than receipt) of the bill. Provides that all payments must be received (rather than concluded) within 3 years after issuance (rather than the employer's receipt) of the bill. Provides that if the employer fails to make complete payment, including payment of any applicable interest, within 3 years, then the System may, after giving notice to the employer, certify the delinquent amount to the State Comptroller, and the Comptroller shall thereupon deduct the certified delinquent amount from State funds payable to the employer and pay them instead to the System. 805 ILCS 320/4 from Ch. 21, par. 38

Amends the Cemetery Association Act. Provides that the board of trustees of a cemetery located in DuPage, Kane, Kendall, Lake, McHenry, or Will county shall provide notice of vacancies to the presiding officer of the township in which the cemetery is located rather than to the presiding officer of the county. Provides that the presiding officer so notified shall appoint a person to fill the vacancy.

## SENATE COMMITTEE AMENDMENT NO. 1

Provides for appointments to be made by the township supervisor rather than the presiding officer of the township. Makes conforming changes. Requires appointments by the township supervisor to be made with the advice and consent of the township board. Provides that if a township is dissolved, the appointment authority is vested in the presiding officer of the county board. Provides that a township does not assume any financial responsibility with respect to a cemetery association because of the appointment authority with respect to vacancies.

## GOVERNOR AMENDATORY VETO MESSAGE

With respect to requiring a notice of vacancy to be provided to the township supervisor of the township in which a cemetery is located rather than to the presiding officer of the county board, recommends removing the limitation to the counties of DuPage, Kane, Kendall, Lake, McHenry, and Will. Instead, recommends requiring notice to be provided to the township supervisor if the cemetery is located in a township.

Allows a law enforcement agency to establish a program to facilitate contact between a person and a licensed substance abuse treatment provider for assessment and coordination of treatment. Requires the Illinois Criminal Justice Information Authority, in conjunction with a Police Chief's Association and Department of Human Services to develop the type of data to collect and measure performance of program. Provides for civil liability immunity and eligibility for funding.

SENATE FLOOR AMENDMENT NO. 1

Changes the name of the Act to the Community-Law Enforcement Partnership for Deflection and Substance Use Disorder Treatment Act. Provides that licensed substance use disorder treatment organizations shall adhere to federal regulations regarding confidentiality for information exchange or release. Provides that substance use disorder treatment services shall adhere to all regulations specified in Department of Human Services Administrative Rules. Provides that within 6 months of the effective date of the bill all statistical data relative to deflection programs shall be made available to the Department of Human Services, Division of Alcoholism and Substance Abuse for inclusion in planning efforts for services to persons with criminal justice or law enforcement involvement. Provides that specific linkage agreements with recovery support services or self-help entities may be a requirement of the program services protocols. Provides that all deflection programs shall encourage the involvement of key family members and significant others as a part of a family-based approach to treatment. Provides that all deflection programs are encouraged to use evidence-based practices and outcome measures in the provision of substance use disorder treatment and medication assisted treatment for persons with opioid use disorders. HOUSE FLOOR AMENDMENT NO. 1

Provides whenever appropriate and available, case management should be provided by a licensed treatment provider or other appropriate provider and may include peer recovery support approaches (rather than whenever appropriate and available, case management should be provided by a licensed treatment provider, and may be provided through peer recovery support approaches). Deletes deflection program partners may identify other case management resources that meet the definition of case management if a licensed treatment provider or peer recovery support is not appropriate or available. Removes the requirement that the Illinois Criminal

Justice Information Authority shall, within 6 months of the effective date of the bill, make all statistical data relative to deflection programs available to the Department of Human Services, Division of Substance Use Prevention and Recovery and just requires the data to be made available to the Department of Human Services, Division of Substance Use Prevention and Recovery. Provides distribution of funding by the Illinois Criminal Justice Information Authority for expenses related to deflection programs shall be made available to support both new and existing deflection programs in a broad spectrum of geographic regions in this State, including urban, suburban, and rural communities.
