Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. Many of my neighbors and members of my community do not know when they will be able to work again. They should not lose their homes due to a pandemic - and once people lose their homes it is extremely hard to become housed again. The coronavirus crisis was, to some extent, unpreventable - but a crisis of homelessness is completely preventable and will last for years and cause untold suffering if not averted by your action NOW.
