Robert T. Starks, Professor Emeritus, Inner City Studies and Political Science, Jacob H. Carruthers Center for Inner City Studies, Northeastern Illinois University

The Illinois Department of Revenue

About CTBA

Founded in 2000, the Center for Tax and Budget Accountability is a non-profit, bi-partisan research and advocacy think tank committed to ensuring that tax, spending and economic policies are fair and just, and promote opportunities for everyone, regardless of economic or social status.

CTBA uses a data-focused, bipartisan approach to work in partnership with legislators, community groups and other organizations to help change both public policy and perceptions.
