Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 28, 2018

To the Honorable Members of
The Illinois Senate
100th General Assembly:

Today, I return Senate Bill 2641 with specific recommendations for change.

Peer-to-peer car sharing is an innovative new service that simultaneously allows vehicle owners the freedom to realize additional income on an existing household asset, while also affording consumers a new service to meet their mobility needs. Illinoisans can expect to see this expansion result in lower prices and more choice. There are meaningful and direct benefits to car sharing that Illinoisans will enjoy at every level; it will reduce congestion, lower the strain placed on scarce parking space inventory, and it will make it easier for people to afford vehicles while simultaneously lowering the cost of transportation for those who cannot afford full-time car ownership.

Oversight of this new industry is important to protect consumers; however, we should be careful not to unintentionally smother its growth before it has a chance to get off the ground.

Senate Bill 2641 was passed rapidly by the General Assembly in the final hours of the legislative session, potentially strangling a nascent new service industry while also adding a large tax increase on the millions of Illinoisans who desire to use this service as either car owners or car users; all without any meaningful time for public input or debate.

Many of the structures this sweeping legislation proposes are ill-suited to thoughtfully regulate this new industry. For example, it is unclear that the current car rental tax rate, which in some cases was meant to compensate for the benefits to the rental car industry derived from the positive spillover of conferences and tourism, has anything to do with Illinoisans providing a nominal service for their neighbor's trip to the grocery store or weekend vacation out of town. There could also be instances of redundant taxation where a user is taxed on a taxi, Uber or Lyft ride from the airport to a nearby household, just to be taxed again on the vehicle they reserved through a ride sharing platform. Further state and local regulatory burdens that make little or no sense placed on car sharing platforms include regulations regarding pamphlets and font sizes, print advertising, real estate design requirements, document inspection, and other restrictions that undermine the innovation in the platform.

In contrast, this recommended amendment was crafted in close coordination with the broader stakeholder community, with the guiding principle of ensuring maximum consumer choice and an equitable treatment under tax law.

Therefore, pursuant to Section 9(e) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2641, entitled "AN ACT concerning transportation," with specific recommendations for change listed below.

On page 1, immediately after line 3, by inserting the following:

coverage for motor vehicles made available for rent, sharing, or hire or for any business use.

- (l) The peer-to-peer car sharing company shall collect and verify records pertaining to the use of a vehicle, including, but not limited to, times used, fees paid by the shared vehicle driver, and revenues received by the shared vehicle owner and provide that information upon request to the shared vehicle owner, the shared vehicle owner's insurer, or the shared vehicle driver's insurer to facilitate a claim coverage investigation. The peer-to-peer car sharing company shall retain the records for a reasonable period after the expiration of the applicable personal injury statute of limitations.
- (m) A peer-to-peer car sharing program and a shared vehicle owner shall be exempt from vicarious liability in accordance with 49 14 U.S.C. § 30106 and under any state or local law that imposes liability solely based on vehicle ownership.
- (n) A motor vehicle insurer that defends or indemnifies a claim against a shared motor vehicle that is excluded under the terms of its policy shall have the right to seek contribution against the motor vehicle insurer of the peer-to-peer car sharing program if the claim is:
 - (i) made against the shared vehicle owner or the shared vehicle driver for loss or injury that occurs during the car sharing period; and

Section 930. The Metropolitan Pier and Exposition Authority Act is amended by changing Section 13 as follows:

(70 ILCS 210/13)

(Text of Section from P.A. 100-23, Article 35, Section 35-25)

Sec. 13. (a) The Authority shall not have power to levy taxes for any purpose, except as provided in subsections (b), (c), (d), (e), and (f).

(b) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a Metropolitan Pier and Exposition Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail within the territory described in this subsection at the rate of 1.0% of the gross receipts (i) from the sale of food, alcoholic beverages, and soft drinks sold for consumption on the premises where sold and (ii) from the sale of food, alcoholic beverages, and soft drinks sold for consumption off the premises where sold by a retailer whose principal source of gross receipts is from the sale of food, alcoholic beverages, and soft drinks prepared for immediate consumption.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and, until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside of the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined

in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts, not including credit memoranda, collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for the payment of refunds, less 2% of such balance, which sum shall be deposited by the State Treasurer into the Tax Compliance and Administration Fund in the State Treasury from which it shall be appropriated to the Department to cover the costs of the Department in administering and enforcing the provisions of this subsection, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification, the Comptroller shall cause the orders to be drawn for the remaining amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois Department of Revenue to a retailer under the Retailers' Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under this subsection, and no additional registration shall be required under the ordinance imposing the tax or under this subsection.

A certified copy of any ordinance imposing or discontinuing any tax under this subsection or effecting a change in the rate of that tax shall be filed with the Department, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

The tax authorized to be levied under this subsection may be levied within all or any part of the following described portions of the metropolitan area:

(1) that portion of the City of Chicago located within the following area: Beginning at the point of intersection of the Cook County - DuPage County line and York Road, then North along York Road to its intersection with Touhy Avenue, then east along Touhy Avenue to its intersection with the Northwest Tollway, then southeast along the Northwest Tollway to its intersection with Lee Street, then south along Lee Street to Higgins Road, then south and east along Higgins Road to its intersection with Mannheim Road, then south along Mannheim Road to its intersection with Irving Park Road, then west along Irving Park Road to its intersection with the Cook County - DuPage County line, then north and west along the county line to the point of beginning; and

(2) that portion of the City of Chicago located within the following area: Beginning at the intersection of West 55th Street with Central Avenue, then east along West 55th Street to its intersection with South Cicero Avenue, then south along South Cicero Avenue to its intersection with West 63rd Street, then west along West 63rd Street to its intersection with South Central Avenue, then north along South Central Avenue to the point of beginning; and

(3) that portion of the City of Chicago located within the following area: Beginning at the point 150 feet west of the intersection of the west line of North Ashland Avenue and the north line of West Diversey Avenue, then north 150 feet, then east along a line 150 feet north of the north line of West Diversey Avenue extended to the shoreline of Lake Michigan, then following the shoreline of Lake Michigan (including Navy Pier and all other improvements fixed to land, docks, or piers) to the point where the shoreline of Lake Michigan and the Adlai E. Stevenson Expressway extended east to that shoreline intersect, then west along the Adlai E. Stevenson Expressway to a point 150 feet west of the west line of South Ashland Avenue, then north along a line 150 feet west of the west line of South and North Ashland Avenue to the point of beginning.

The tax authorized to be levied under this subsection may also be levied on food, alcoholic beverages, and soft drinks sold on boats and other watercraft departing from and returning to the shoreline of Lake Michigan (including Navy Pier and all other improvements fixed to land, docks, or piers) described in item (3).

(c) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose an occupation tax upon all persons engaged in the corporate limits of the City of Chicago in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate of 2.5% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the City of Chicago, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in that Act. Gross rental receipts shall not include charges that are added on account of the liability arising

from any tax imposed by the State or any governmental agency on the occupation of renting, leasing, or letting rooms in a hotel.

The tax imposed by the Authority under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit that registrant to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are prescribed in the Hotel Operators' Occupation Tax Act (except where that Act is inconsistent with this subsection), as fully as if the provisions contained in the Hotel Operators' Occupation Tax Act were set out in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, the municipal tax imposed under Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 19 of the Illinois Sports Facilities Authority Act.

The person filing the return shall, at the time of filing the return, pay to the Department the amount of tax, less a discount of 2.1% or \$25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(d) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a tax upon all persons engaged in the business of renting automobiles in the metropolitan area at the rate of 6% of the gross receipts from that business, except that no tax shall be imposed on the business of renting automobiles for use as taxicabs or in livery service. Until the owner of an individually-owned passenger motor vehicle or vehicles used in peer-to-peer car sharing transactions, as defined in Section 1-110.06 of the Illinois Vehicle Code, has shared such vehicle or vehicles in the aggregate for more than 1,825 vehicle days, as defined in Section 5 of the Illinois Peer-to-Peer Car Sharing Act, in a calendar year, tax shall not be imposed under this Section.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit that person to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 3 (in respect to all provisions of those Sections other than the State rate of tax; and in respect to the provisions of the Retailers' Occupation Tax Act referred to in those Sections, except as to the disposition of taxes and penalties collected, except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Automobile Renting Occupation and Use Tax Act, pursuant to bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for payment of refunds, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(e) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a tax upon the privilege of using in the metropolitan area an automobile that is rented from a rentor outside Illinois and is titled or registered with an agency of this State's government at a rate of 6% of the rental price of that automobile, except that no tax shall be imposed on the privilege of using automobiles rented for use as taxicabs or in livery service. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given

as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State or an exemption determination must be obtained from the Department of Revenue before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which or State officer with whom the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this subsection, to collect all taxes, penalties, and interest due under this subsection, to dispose of taxes, penalties, and interest so collected in the manner provided in this subsection, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 4 (except provisions pertaining to the State rate of tax; and in respect to the provisions of the Use Tax Act referred to in that Section, except provisions concerning collection or refunding of the tax by retailers, except the provisions of Section 19 pertaining to claims by retailers, except the last paragraph concerning refunds, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the State Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the State Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(f) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose an occupation tax on all persons, other than a governmental agency, engaged in the business of providing ground transportation for hire to passengers in the metropolitan area at a rate of (i) \$4 per taxi or livery vehicle departure with passengers for hire from commercial service airports in the metropolitan area, (ii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person other than a person described in item (iii): \$18 per bus or van with a capacity of 1-12 passengers, \$36 per bus or van with a capacity of 13-24 passengers, and \$54 per bus or van with a capacity of over 24 passengers, and (iii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person regulated by the Interstate Commerce Commission or Illinois Commerce Commission, operating scheduled service from the airport, and charging fares on a per passenger basis: \$2 per passenger for hire in each bus or van. The term

"commercial service airports" means those airports receiving scheduled passenger service and enplaning more than 100,000 passengers per year.

In the ordinance imposing the tax, the Authority may provide for the administration and enforcement of the tax and the collection of the tax from persons subject to the tax as the Authority determines to be necessary or practicable for the effective administration of the tax. The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds and less the taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section. All taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898 shall be paid by the State Treasurer as follows: 25% for deposit into the Convention Center Support Fund, to be used by the Village of Rosemont for the repair, maintenance, and improvement of the Donald E. Stephens Convention Center and for debt service on debt instruments issued for those purposes by the village and 75% to the Authority to be used for grants to an organization meeting the qualifications set out in Section 5.6 of this Act, provided the Metropolitan Pier and Exposition Authority has entered into a marketing agreement with such an organization.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and, other than the amounts transferred into the Tax Compliance and Administration Fund under subsections (b), (c), (d), and (e), shall be administered by the Treasurer as follows:

(1) An amount necessary for the payment of refunds with respect to those taxes shall be retained in the trust fund and used for those payments.

(2) On July 20 and on the 20th of each month thereafter, provided that the amount requested in the annual certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been appropriated for payment to the Authority, 1/8 of the local tax transfer amount, together with any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this subparagraph (2) during the fiscal year for which the certificate has been filed, shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State treasury until 100% of the local tax transfer amount has been so transferred. "Local tax transfer amount" shall mean the amount requested in the annual certificate, minus the reduction amount. "Reduction amount" shall mean \$41.7 million in fiscal year 2011, \$36.7 million in fiscal year 2012, \$36.7 million in fiscal year 2013, \$36.7 million in fiscal year 2014, and \$31.7 million in each fiscal year thereafter until 2032, provided that the reduction amount shall be reduced by (i) the amount certified by the Authority to the State Comptroller and State Treasurer under Section 8.25 of the State Finance Act, as amended, with respect to that fiscal year and (ii) in any fiscal year in which the amounts deposited in the trust fund under this Section exceed \$318.3 million, exclusive of amounts set aside for refunds and for the reserve account, one dollar for each dollar of the deposits in the trust fund above \$318.3 million with respect to that year, exclusive of amounts set aside for refunds and for the reserve account.

(3) On July 20, 2010, the Comptroller shall certify to the Governor, the Treasurer, and the Chairman of the Authority the 2010 deficiency amount, which means the cumulative amount of transfers that were due from the trust fund to the McCormick Place Expansion Project Fund in fiscal years 2008, 2009, and 2010 under Section 13(g) of this Act, as it existed prior to May 27, 2010 (the effective date of Public Act 96-898), but not made. On July 20, 2011 and on July 20 of each year through July 20, 2014, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay that amount to the Authority. On July 20, 2015 and on July 20 of each year thereafter, as long as bonds and notes issued under Section 13.2 or bonds and notes issued to refund

those bonds and notes are outstanding, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay one-half of that amount to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid and shall pay the balance of the surplus revenues to the Authority. "Surplus revenues" means the amounts remaining in the trust fund on June 30 of the previous fiscal year (A) after the State Treasurer has set aside in the trust fund (i) amounts retained for refunds under subparagraph (1) and (ii) any amounts necessary to meet the reserve account amount and (B) after the State Treasurer has transferred from the trust fund to the General Revenue Fund 100% of any post-2010 deficiency amount. "Reserve account amount" means \$15 million in fiscal year 2011 and \$30 million in each fiscal year thereafter. The reserve account amount shall be set aside in the trust fund and used as a reserve to be transferred to the McCormick Place Expansion Project Fund in the event the proceeds of taxes imposed under this Section 13 are not sufficient to fund the transfer required in subparagraph (2). "Post-2010 deficiency amount" means any deficiency in transfers from the trust fund to the McCormick Place Expansion Project Fund with respect to fiscal years 2011 and thereafter. It is the intention of this subparagraph (3) that no surplus revenues shall be paid to the Authority with respect to any year in which a post-2010 deficiency amount has not been satisfied by the Authority.

Moneys received by the Authority as surplus revenues may be used (i) for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, (ii) for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority, and (iii) for the corporate purposes of the Authority in fiscal years 2011 through 2015 in an amount not to exceed \$20,000,000 annually or \$80,000,000 total, which amount shall be reduced \$0.75 for each dollar of the receipts of the Authority in that year from any contract entered into with respect to naming rights at McCormick Place under Section 5(m) of this Act. When bonds and notes issued under Section 13.2, or bonds or notes issued to refund those bonds and notes, are no longer outstanding, the balance in the trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this Section shall be repealed when bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are no longer outstanding.

Section 935. The Local Mass Transit District Act is amended by changing Section 3610/5.02 as follows:

(70 ILCS 3610/5.02) (from Ch. 111 2/3, par. 355.02)

Sec. 5.02. (a) The Board of Trustees of any Metro East Mass Transit District may impose a tax upon all persons engaged in the business of renting automobiles in the district at the rate of not to exceed 1% of the gross receipts from such business. The tax imposed by a district pursuant to this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act, or under the Automobile Renting Occupation and Use Tax Act shall permit such person to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this paragraph without registering separately with the Department under such ordinance or resolution or under this paragraph. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 2 and 3 (in respect to all provisions therein other than the State rate of tax; and with relation to the provisions of the Retailers' Occupation Tax referred to therein, except as to the disposition of taxes and penalties collected, and except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued hereunder may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if provisions contained in those Sections were set forth herein. Persons subject to any tax imposed pursuant to the authority granted in this paragraph may reimburse themselves for their tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount with State tax which sellers are

required to collect under the Automobile Renting Occupation and Use Tax Act pursuant to such bracket schedules as the Department may prescribe. Nothing in this paragraph shall be construed to authorize district to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State. Until the owner of an individually-owned passenger motor vehicle or vehicles used in peer-to-peer car sharing transactions, as defined in Section 1-110.06 of the Illinois Vehicle Code, has shared such vehicle or vehicles in the aggregate for more than 1,825 vehicle days, as defined in Section 5 of the Illinois Peer-to-Peer Car Sharing Act, in a calendar year, tax shall not be imposed under this Section.

(b) The Board of Trustees of any Metro East Mass Transit District may impose a tax upon the privilege of using, in such district, an automobile which is rented from a rentor outside Illinois, and which is titled or registered with an agency of this State's government, at a rate not to exceed 1% of the rental price of such automobile. Such tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in such district. Such tax shall be collected by the Department of Revenue for any district imposing such tax. Such tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration. The Department shall have full power to administer and enforce this paragraph to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 2 and 4 (except provisions pertaining to the State rate off tax; and, with relation to the provisions of the Use Tax Act referred to therein, except provisions concerning collection or refunding of the tax by retailers, and except the provisions of Section 19 pertaining to claims by retailers and except that last paragraph concerning refunds, and except that credit memoranda issued hereunder may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, which are not inconsistent with this paragraph, as fully as if provisions contained in those Sections were set forth herein.

(c) Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refunds shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund created pursuant to Section 5.01 of this Act.

(d) The Department shall forth with pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties and interest collected under this Section. On or before the 25th day of each calendar month, the Department shall prepare and certify to the State Comptroller the disbursement of stated sums of money to named districts from which the Department, during the second preceding calendar month, collected taxes imposed pursuant to this Section. The amount to be paid to each district shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such district, less 2% of such balance, which sum shall be retained by the State Treasurer to cover the costs incurred by the Department in administering and enforcing this Section as provided herein. The Department at the time of each monthly disbursement to the districts shall prepare and certify to the State Comptroller the amount, so retained by the State Treasurer, to be paid into the General Revenue Fund of the State Treasury. Within 10 days after receipt, by the State Comptroller, of the disbursement certification to the districts and the General Revenue Fund, provided for in this Section to be given to the State Comptroller by the Department, the State comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

(e) An ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the calendar month next following the month in which such

ordinance or resolution is passed. The Board of Trustees of any district which levies a tax authorized by this Section shall transmit to the Department of Revenue on or not later than 5 days after passage of the ordinance or resolution a certified copy of the ordinance or resolution imposing such tax whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of such district of the effective date of the ordinance or resolution. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the board of trustees shall, on or not later than 5 days after passage of the ordinance or resolution discontinuing the tax or effecting a change in rate, transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting such change or discontinuance.

Sec. 4.03.1. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit such person to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this paragraph without registering separately with the Department under such ordinance or resolution or under this paragraph. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 2 and 3 (in respect to all provisions therein other than the State rate of tax; and with relation to the provisions of the Retailers' Occupation Tax referred to therein, except as to the disposition of taxes and penalties collected, and except for the provision allowing retailers a deduction from the tax cover certain costs, and except that credit memoranda issued hereunder may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act as fully as if provisions contained in those Sections of said Act were set forth herein. Persons subject to any tax imposed pursuant to the authority granted in this paragraph may reimburse themselves for their tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Automobile Renting Occupation and Use Tax Act pursuant to such bracket schedules as the Department may prescribe. (b) The Board may impose a tax upon the privilege of using, in the metropolitan region an automobile which is rented from a renter outside Illinois, and which is titled or registered with an agency of this State's government, at a rate not to exceed 1% of the rental price of such automobile within the County of Cook, and not to exceed 1/4% of the rental price within the counties of DuPage, Kane, Lake, McHenry and Will. Such tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. Such tax shall be collected by the Department of Revenue for the Regional Transportation Authority. Such tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or State officer with

(c) Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund created pursuant to Section 4.03 of this Act.

(d) The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties and interest collected under this Section. On or before the 25th day of each calendar month, the Department shall prepare and certify to the State Comptroller the amount to be paid to the Authority. The State Department of Revenue shall also certify to the Authority the amount of taxes collected in each County other than Cook County in the metropolitan region less the amount necessary for the payment of refunds to taxpayers in such County. (e) An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the calendar month next following the month in which such ordinance is passed. The Board shall transmit to the Department of Revenue on or not later than 5 days after passage of the ordinance a certified copy of the ordinance imposing such tax whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Authority as of the effective date of the ordinance. Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 2619

A bill for AN ACT concerning local government.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 27, 2018

To the Honorable Members of
The Illinois Senate
100th General Assembly:

Today I veto Senate Bill 2619 from the 100th General Assembly, which mandates that home rule communities comply with increased eligibility criteria for the appointment of a fire chief, acting chief, the department head, or other positions responsible for day-to-day operations of a fire department.

This bill would preempt home rule authority and mandate the use of eligibility criteria for the appointment of a municipal department head. While local governments might value the type of experience and training this bill would require, it would force them to exclude qualified candidates coming from different backgrounds including leaders from other public safety disciplines.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2619, entitled "AN ACT concerning local government," with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner

August 23, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today I veto Senate Bill 2589 from the 100th General Assembly, which allows a \$13 million local bond issuance by Midlothian Park District to be exempt from the restrictions of statutory debt limitations. The purpose of a debt limitation is to restrict local governments from the type of debt-dependent spending that hides the impact of their spending, forces up property taxes over time, and pushes the local government towards financial distress in the long run. We should be very wary of exempting multimillion dollar projects from these limitations as exceptions will continue to erode the very purpose of the borrowing restriction. Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2589, entitled "AN ACT concerning local government," with the foregoing objections, vetoed in its entirety.

The Illinois Senate,
100th General Assembly:

Today I veto Senate Bill 2629 from the 100th General Assembly, which would undermine the free and transparent training the Attorney General's Office provides to bodies under the Open Meetings Act by placing it in competition with training conducted by an organization that represents fire protection districts.

The Attorney General's Office offers training to appointees to boards and commissions that follow the Open Meetings Act. This training is available online, and any member of the public can also take this training and see what requirements and principles guide their representatives. Senate Bill 2629 would instead permit appointees to the board of trustees of fire protection districts to take a different training, conducted by private organizations, in lieu of the more public and zero-cost training already available.

The Open Meetings Act is within the purview of the Attorney General's Office to administer and oversee. Senate Bill 2692 improperly gives the private sector the ability to opine on the legal requirements for open meetings and the applicability and procedures of the Act. The bill does not ensure that this training will be approved or reviewed by the State. This change therefore invites unpredictability and noncompliance with the Act.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2629, entitled "AN ACT concerning government," with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner
GOVERNOR

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 2830

A bill for AN ACT concerning local government.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 24, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today I veto Senate Bill 2830 from the 100th General Assembly, which amends the Election Code to provide that trustees for the Fox Metro Water Reclamation District will be elected, rather than appointed.

Currently, the three water reclamation districts created under the Sanitary District Act of 1917 (70 ILCS 2405) - the Fox River Water Reclamation District, the Sanitary District of Decatur, and the Northern Moraine Wastewater Reclamation District - select their officials via appointments.

Passing a state law impacting only a single unit of local government is questionable practice subject to possible political motivations and should be avoided. The state should not be codifying in law carve-outs and special solutions that only apply to an individual unit of local government. If the governance model introduced by this legislation represents good practice, then it should be applied to all reclamation districts uniformly.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2376, entitled "AN ACT concerning local government," with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the Governor's specific recommendations for change to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 904

A bill for AN ACT concerning regulation.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 28, 2018

To the Honorable Members of
The Illinois Senate
100th General Assembly:

Today I return Senate Bill 904 with specific recommendations for change.

SB 904, as approved by the General Assembly, proposes changes to the Workers' Compensation Act to: 1) provide to medical providers a mechanism for collection of the 1% per month interest penalty provided by Section 8.2 of the Act; and 2) provide penalties for the Department of Insurance enforcement of the electronic claims transaction requirements under the Act.

This Administration has advocated since taking office the need for reform of our workers' compensation system to provide relief to employers from the high costs of our system. Unfortunately, the majorities in the General Assembly have sent to me legislation that does not provide the changes needed to bring our workers' compensation costs in line with other states. Failure to work with our business community, legislators supporting reform, and my office to enact meaningful reform has resulted in the maintaining of our high costs, which are driving high wage jobs with good benefits out of our state.

SB 904 is not reform, does nothing to assist injured workers and dramatically tips the balance in favor of medical providers in a system where Illinois has the second highest medical fee schedule in the country for overall professional services and the highest in the country for major surgery services. Furthermore, SB 904 diminishes an employer's ability to determine causation and whether an injury is work-related.

A much more balanced approach is necessary to meet the bill's purpose and to reduce the friction in the billing and payment of medical bills in our workers' compensation system. Rather than creating lengthy disputes in our court system, I propose a procedure through the Illinois Workers' Compensation Commission which would result in more timely determinations of interest payments for all concerned. Furthermore, this administration is dedicated to the proper enforcement of the Insurance Code, and the Department of Insurance will be issuing guidance on compliance with the relevant law.

Therefore, pursuant to Section 9(e) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 904, entitled "AN ACT concerning regulation," with the following specific recommendations for change: On page 1 by replacing line 5 with:

(4) If an employer or insurer has not paid interest on an undisputed medical bill within 30 days after payment of the bill, a medical provider may file a petition with the Commission to determine if interest is owed. Within 30 days of receipt of the petition, the employer or its designee may file a response to the petition. “(820 ILCS 305/8.7) Sec. 8.7. Utilization review programs.

(a) As used in this Section: "Utilization review" means the evaluation of proposed or provided health care services to determine the appropriateness of both the level of health care services medically necessary and the quality of health care services provided to a patient, including evaluation of their efficiency, efficacy, and appropriateness of treatment, hospitalization, or office visits based on medically accepted standards. The evaluation must be accomplished by means of a system that identifies the utilization of health care services based on standards of care of nationally recognized peer review guidelines as well as nationally recognized treatment guidelines and evidence-based medicine based upon standards as provided in this Act. Utilization techniques may include prospective review, second opinions, concurrent review, discharge planning, peer review, independent medical examinations, and retrospective review (for purposes of this sentence, retrospective review shall be applicable to services rendered on or after July 20, 2005). Nothing in this Section applies to prospective review of necessary first aid or emergency treatment.

(b) No person may conduct a utilization review program for workers' compensation services in this State unless once every 2 years the person registers the utilization review program with the Department of Insurance and certifies compliance with the Workers' Compensation Utilization Management standards or Health Utilization Management Standards of URAC sufficient to achieve URAC accreditation or submits evidence of accreditation by URAC for its Workers' Compensation Utilization Management Standards or Health Utilization Management Standards. Nothing in this Act shall be construed to require an employer or insurer or its subcontractors to become URAC accredited.

(c) In addition, the Director of Insurance may certify alternative utilization review standards of national accreditation organizations or entities in order for plans to comply with this Section. Any alternative utilization review standards shall meet or exceed those standards required under subsection (b).

(d) This registration shall include submission of all of the following information regarding utilization review program activities:

(1) The name, address, and telephone number of the utilization review programs. (2) The organization and governing structure of the utilization review programs. (3) The number of lives for which utilization review is conducted by each utilization review program.

(4) Hours of operation of each utilization review program.

(5) Description of the grievance process for each utilization review program.

(6) Number of covered lives for which utilization review was conducted for the previous calendar year for each utilization review program.

(7) Written policies and procedures for protecting confidential information according to applicable State and federal laws for each utilization review program.

(e) A utilization review program shall have written procedures to ensure that patient-specific information obtained during the process of utilization review will be:

- (1) kept confidential in accordance with applicable State and federal laws; and
- (2) shared only with the employee, the employee's designee, and the employee's health care provider, and those who are authorized by law to receive the information. Summary data shall not be considered confidential if it does not provide information to allow identification of individual patients or health care providers.

Only a health care professional may make determinations regarding the medical necessity of health care services during the course of utilization review. When making retrospective reviews, utilization review programs shall base reviews solely on the medical information available to the attending physician or ordering provider at the time the health care services were provided.

(f) If the Department of Insurance finds that a utilization review program is not in compliance with this Section, the Department shall issue a corrective action plan and allow a reasonable amount of time for compliance with the plan. If the utilization review program does not come into compliance, the Department may issue a cease and desist order. Before issuing a cease and desist order under this Section, the Department shall provide the utilization review program with a written notice of the reasons for the order and allow a reasonable amount of time to supply additional information demonstrating compliance with the requirements of this Section and to request a hearing. The hearing notice shall be sent by certified mail, return receipt requested, and the hearing shall be conducted in accordance with the Illinois Administrative Procedure Act.

(g) A utilization review program subject to a corrective action may continue to conduct business until a final decision has been issued by the Department.

(h) The Department of Insurance may by rule establish a registration fee for each person conducting a utilization review program.

(i) Upon receipt of written notice that the employer or the employer's agent or insurer wishes to invoke the utilization review process, the provider of medical, surgical, or hospital services shall submit to the utilization review, following accredited procedural guidelines.

(1) The provider shall make reasonable efforts to provide timely and complete reports of clinical information needed to support a request for treatment. If the provider fails to make such reasonable efforts, the charges for the treatment or service may not be compensable nor collectible by the provider or claimant from the employer, the employer's agent, or the employee. The reporting obligations of providers shall not be unreasonable or unduly burdensome.

(2) Written notice of utilization review decisions, including the clinical rationale for certification or non-certification and references to applicable standards of care or evidence-based medical guidelines, shall be furnished to the provider and employee.

(3) An employer may only deny payment of or refuse to authorize payment of medical services rendered or proposed to be rendered on the grounds that the extent and scope of medical treatment is excessive and unnecessary in compliance with an accredited utilization review program under this Section.

(4) When a payment for medical services has been denied or not authorized by an employer or when authorization for medical services is denied pursuant to utilization review, the employee has the burden of proof to show by a preponderance of the evidence that a variance from the standards of care used by the person or entity performing the utilization review pursuant to subsection (a) is reasonably required to cure or relieve the effects of his or her injury.

(5) The medical professional responsible for review in the final stage of utilization review or appeal must be available in this State for interview or deposition; or must be available for deposition by telephone, video conference, or other remote electronic means. A medical professional who works or resides in this State or outside of this State may comply with this requirement by making himself or herself available for an interview or deposition in person or by making himself or herself available by telephone, video conference, or other remote electronic means. The remote interview or deposition shall be conducted in a fair, open, and cost-effective manner. The expense of interview and the deposition method shall be paid by the employer. The deponent shall be in the presence of the officer administering the oath and recording the deposition, unless otherwise agreed by the parties. Any exhibits or other demonstrative evidence to be presented to the deponent by any party at the deposition shall be provided to the officer administering the oath and all other parties

within a reasonable period of time prior to the deposition. Nothing shall prohibit any party from being with the deponent during the deposition, at that party's expense; provided, however, that a party attending a deposition shall give written notice of that party's intention to appear at the deposition to all other parties within a reasonable time prior to the deposition.

An admissible utilization review shall be considered by the Commission, along with all other evidence and in the same manner as all other evidence, and must be addressed along with all other evidence in the determination of the reasonableness and necessity of the medical bills or treatment. Nothing in this Section shall be construed to diminish the rights of employees to reasonable and necessary medical treatment or employee choice of health care provider under Section 8(a) or the rights of employers to medical examinations under Section 12.

(j) When an employer denies payment of or refuses to authorize payment of first aid, medical, surgical, or hospital services under Section 8(a) of this Act, if that denial or refusal to authorize complies with a utilization review program registered under this Section and complies with all other requirements of this Section, then there shall be a rebuttable presumption that the employer shall not be responsible for payment of additional compensation pursuant to Section 19(k) of this Act or interest penalties provided in Section 8.2 of this Act and if that denial or refusal to authorize does not comply with a utilization review program registered under this Section and does not comply with all other requirements of this Section, then that will be considered by the Commission, along with all other evidence and in the same manner as all other evidence, in the determination of whether the employer may be responsible for the payment of additional compensation pursuant to Section 19(k) of this Act or interest penalties provided in Section 8.2 of this Act.

The changes to this Section made by this amendatory Act of the 97th General Assembly apply only to health care services provided or proposed to be provided on or after September 1, 2011.

(820 ILCS 305/19) (from Ch. 48, par. 138.19)

Sec. 19. Any disputed questions of law or fact shall be determined as herein provided.

(a) It shall be the duty of the Commission upon notification that the parties have failed to reach an agreement, to designate an Arbitrator.

1. Whenever any claimant misconceives his remedy and files an application for adjustment of claim under this Act and it is subsequently discovered, at any time before final disposition of such cause, that the claim for disability or death which was the basis for such application should properly have been made under the Workers' Occupational Diseases Act, then the provisions of Section 19, paragraph (a-1) of the Workers' Occupational Diseases Act having reference to such application shall apply.

2. Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the Workers' Occupational Diseases Act and it is subsequently discovered, at any time before final disposition of such cause that the claim for injury or death which was the basis for such application should properly have been made under this Act, then the application so filed under the Workers' Occupational Diseases Act may be amended in form, substance or both to assert claim for such disability or death under this Act and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and such compensation may be awarded as is warranted by the whole evidence pursuant to this Act. When such amendment is submitted, further or additional evidence may be heard by the Arbitrator or Commission when deemed necessary. Nothing in this Section contained shall be construed to be or permit a waiver of any provisions of this Act with reference to notice but notice if given shall be deemed to be a notice under the provisions of this Act if given within the time required herein.

(b) The Arbitrator shall make such inquiries and investigations as he or they shall deem necessary and may examine and inspect all books, papers, records, places, or premises relating to the questions in dispute and hear such proper evidence as the parties may submit.

The hearings before the Arbitrator shall be held in the vicinity where the injury occurred after 10 days' notice of the time and place of such hearing shall have been given to each of the parties or their attorneys of record.

The Arbitrator may find that the disabling condition is temporary and has not yet reached a permanent condition and may order the payment of compensation up to the date of the hearing, which award shall be reviewable and enforceable in the same manner as other awards, and in no instance be a bar to a further hearing and determination of a further amount of temporary total

compensation or of compensation for permanent disability, but shall be conclusive as to all other questions except the nature and extent of said disability.

The decision of the Arbitrator shall be filed with the Commission which Commission shall immediately send to each party or his attorney a copy of such decision, together with a notification of the time when it was filed. As of the effective date of this amendatory Act of the 94th General Assembly, all decisions of the Arbitrator shall set forth in writing findings of fact and conclusions of law, separately stated, if requested by either party. Unless a petition for review is filed by either party within 30 days after the receipt by such party of the copy of the decision and notification of time when filed, and unless such party petitioning for a review shall within 35 days after the receipt by him of the copy of the decision, file with the Commission either an agreed statement of the facts appearing upon the hearing before the Arbitrator, or if such party shall so elect a correct transcript of evidence of the proceedings at such hearings, then the decision shall become the decision of the Commission and in the absence of fraud shall be conclusive. The Petition for Review shall contain a statement of the petitioning party's specific exceptions to the decision of the arbitrator. The jurisdiction of the Commission to review the decision of the arbitrator shall not be limited to the exceptions stated in the Petition for Review. The Commission, or any member thereof, may grant further time not exceeding 30 days, in which to file such agreed statement or transcript of evidence. Such agreed statement of facts or correct transcript of evidence, as the case may be, shall be authenticated by the signatures of the parties or their attorneys, and in the event they do not agree as to the correctness of the transcript of evidence it shall be authenticated by the signature of the Arbitrator designated by the Commission.

Whether the employee is working or not, if the employee is not receiving or has not received medical, surgical, or hospital services or other services or compensation as provided in paragraph (a) of Section 8, or compensation as provided in paragraph (b) of Section 8, the employee may at any time petition for an expedited hearing by an Arbitrator on the issue of whether or not he or she is entitled to receive payment of the services or compensation. Provided the employer continues to pay compensation pursuant to paragraph (b) of Section 8, the employer may at any time petition for an expedited hearing on the issue of whether or not the employee is entitled to receive medical, surgical, or hospital services or other services or compensation as provided in paragraph (a) of Section 8, or compensation as provided in paragraph (b) of Section 8. When an employer has petitioned for an expedited hearing, the employer shall continue to pay compensation as provided in paragraph (b) of Section 8 unless the arbitrator renders a decision that the employee is not entitled to the benefits that are the subject of the expedited hearing or unless the employee's treating physician has released the employee to return to work at his or her regular job with the employer or the employee actually returns to work at any other job. If the arbitrator renders a decision that the employee is not entitled to the benefits that are the subject of the expedited hearing, a petition for review filed by the employee shall receive the same priority as if the employee had filed a petition for an expedited hearing by an Arbitrator. Neither party shall be entitled to an expedited hearing when the employee has returned to work and the sole issue in dispute amounts to less than 12 weeks of unpaid compensation pursuant to paragraph (b) of Section 8.

Expedited hearings shall have priority over all other petitions and shall be heard by the Arbitrator and Commission with all convenient speed. Any party requesting an expedited hearing shall give notice of a request for an expedited hearing under this paragraph. A copy of the Application for Adjustment of Claim shall be attached to the notice. The Commission shall adopt rules and procedures under which the final decision of the Commission under this paragraph is filed not later than 180 days from the date that the Petition for Review is filed with the Commission.

Where 2 or more insurance carriers, private self-insureds, or a group workers' compensation pool under Article V 3/4 of the Illinois Insurance Code dispute coverage for the same injury, any such insurance carrier, private self-insured, or group workers' compensation pool may request an expedited hearing pursuant to this paragraph to determine the issue of coverage, provided coverage is the only issue in dispute and all other issues are stipulated and agreed to and further provided that all compensation benefits including medical benefits pursuant to Section 8(a) continue to be paid to or on behalf of petitioner. Any insurance carrier, private self-insured, or group workers' compensation pool that is determined to be liable for coverage for the injury in issue shall reimburse any insurance carrier, private self-insured, or group workers' compensation pool that has paid benefits to or on behalf of petitioner for the injury.

(b-1) If the employee is not receiving medical, surgical or hospital services as provided in paragraph (a) of Section 8 or compensation as provided in paragraph (b) of Section 8, the employee, in accordance with Commission Rules, may file a petition for an emergency hearing by an Arbitrator on the issue of whether or not he is entitled to receive payment of such compensation or services as provided therein.

Such petition shall have priority over all other petitions and shall be heard by the Arbitrator and Commission with all convenient speed. Such petition shall contain the following information and shall be served on the employer at least 15 days before it is filed:

- (i) the date and approximate time of accident;
- (ii) the approximate location of the accident;
- (iii) a description of the accident;
- (iv) the nature of the injury incurred by the employee;
- (v) the identity of the person, if known, to whom the accident was reported and the date on which it was reported;
- (vi) the name and title of the person, if known, representing the employer with whom the employee conferred in any effort to obtain compensation pursuant to paragraph (b) of Section 8 of this Act or medical, surgical or hospital services pursuant to paragraph (a) of Section 8 of this Act and the date of such conference;
- (vii) a statement that the employer has refused to pay compensation pursuant to paragraph (b) of Section 8 of this Act or for medical, surgical or hospital services pursuant to paragraph (a) of Section 8 of this Act;
- (viii) the name and address, if known, of each witness to the accident and of each other person upon whom the employee will rely to support his allegations;
- (ix) the dates of treatment related to the accident by medical practitioners, and the names and addresses of such practitioners, including the dates of treatment related to the accident at any hospitals and the names and addresses of such hospitals, and a signed authorization permitting the employer to examine all medical records of all practitioners and hospitals named pursuant to this paragraph;
- (x) a copy of a signed report by a medical practitioner, relating to the employee's current inability to return to work because of the injuries incurred as a result of the accident or such other documents or affidavits which show that the employee is entitled to receive compensation pursuant to paragraph (b) of Section 8 of this Act or medical, surgical or hospital services pursuant to paragraph (a) of Section 8 of this Act. Such reports, documents or affidavits shall state, if possible, the history of the accident given by the employee, and describe the injury and medical diagnosis, the medical services for such injury which the employee has received and is receiving, the physical activities which the employee cannot currently perform as a result of any impairment or disability due to such injury, and the prognosis for recovery;
- (xi) complete copies of any reports, records, documents and affidavits in the possession of the employee on which the employee will rely to support his allegations, provided that the employer shall pay the reasonable cost of reproduction thereof;
- (xii) a list of any reports, records, documents and affidavits which the employee has demanded by subpoena and on which he intends to rely to support his allegations;
- (xiii) a certification signed by the employee or his representative that the employer has received the petition with the required information 15 days before filing.

Fifteen days after receipt by the employer of the petition with the required information the employee may file said petition and required information and shall serve notice of the filing upon the employer. The employer may file a motion addressed to the sufficiency of the petition. If an objection has been filed to the sufficiency of the petition, the arbitrator shall rule on the objection within 2 working days. If such an objection is filed, the time for filing the final decision of the Commission as provided in this paragraph shall be tolled until the arbitrator has determined that the petition is sufficient.

The employer shall, within 15 days after receipt of the notice that such petition is filed, file with the Commission and serve on the employee or his representative a written response to each claim set forth in the petition, including the legal and factual basis for each disputed allegation and the following information: (i) complete copies of any reports, records, documents and affidavits in the possession of the employer on which the employer intends to rely in support of his response, (ii) a list of any reports, records, documents and affidavits which the employer has demanded by

subpoena and on which the employer intends to rely in support of his response, (iii) the name and address of each witness on whom the employer will rely to support his response, and (iv) the names and addresses of any medical practitioners selected by the employer pursuant to Section 12 of this Act and the time and place of any examination scheduled to be made pursuant to such Section.

Any employer who does not timely file and serve a written response without good cause may not introduce any evidence to dispute any claim of the employee but may cross examine the employee or any witness brought by the employee and otherwise be heard.

No document or other evidence not previously identified by either party with the petition or written response, or by any other means before the hearing, may be introduced into evidence without good cause. If, at the hearing, material information is discovered which was not previously disclosed, the Arbitrator may extend the time for closing proof on the motion of a party for a reasonable period of time which may be more than 30 days. No evidence may be introduced pursuant to this paragraph as to permanent disability. No award may be entered for permanent disability pursuant to this paragraph. Either party may introduce into evidence the testimony taken by deposition of any medical practitioner.

The Commission shall adopt rules, regulations and procedures whereby the final decision of the Commission is filed not later than 90 days from the date the petition for review is filed but in no event later than 180 days from the date the petition for an emergency hearing is filed with the Illinois Workers' Compensation Commission.

All service required pursuant to this paragraph (b-1) must be by personal service or by certified mail and with evidence of receipt. In addition for the purposes of this paragraph, all service on the employer must be at the premises where the accident occurred if the premises are owned or operated by the employer. Otherwise service must be at the employee's principal place of employment by the employer. If service on the employer is not possible at either of the above, then service shall be at the employer's principal place of business. After initial service in each case, service shall be made on the employer's attorney or designated representative.

(c) (1) At a reasonable time in advance of and in connection with the hearing under Section 19(e) or 19(h), the Commission may on its own motion order an impartial physical or mental examination of a petitioner whose mental or physical condition is in issue, when in the Commission's discretion it appears that such an examination will materially aid in the just determination of the case. The examination shall be made by a member or members of a panel of physicians chosen for their special qualifications by the Illinois State Medical Society. The Commission shall establish procedures by which a physician shall be selected from such list.

(2) Should the Commission at any time during the hearing find that compelling considerations make it advisable to have an examination and report at that time, the commission may in its discretion so order.

(3) A copy of the report of examination shall be given to the Commission and to the attorneys for the parties.

(4) Either party or the Commission may call the examining physician or physicians to testify. Any physician so called shall be subject to cross-examination.

(5) The examination shall be made, and the physician or physicians, if called, shall testify, without cost to the parties. The Commission shall determine the compensation and the pay of the physician or physicians. The compensation for this service shall not exceed the usual and customary amount for such service.

(6) The fees and payment thereof of all attorneys and physicians for services authorized by the Commission under this Act shall, upon request of either the employer or the employee or the beneficiary affected, be subject to the review and decision of the Commission.

(d) If any employee shall persist in insanitary or injurious practices which tend to either imperil or retard his recovery or shall refuse to submit to such medical, surgical, or hospital treatment as is reasonably essential to promote his recovery, the Commission may, in its discretion, reduce or suspend the compensation of any such injured employee. However, when an employer and employee so agree in writing, the foregoing provision shall not be construed to authorize the reduction or suspension of compensation of an employee who is relying in good faith, on treatment by prayer or spiritual means alone, in accordance with the tenets and practice of a recognized church or religious denomination, by a duly accredited practitioner thereof.

(e) This paragraph shall apply to all hearings before the Commission. Such hearings may be held in its office or elsewhere as the Commission may deem advisable. The taking of testimony

on such hearings may be had before any member of the Commission. If a petition for review and agreed statement of facts or transcript of evidence is filed, as provided herein, the Commission shall promptly review the decision of the Arbitrator and all questions of law or fact which appear from the statement of facts or transcript of evidence.

In all cases in which the hearing before the arbitrator is held after December 18, 1989, no additional evidence shall be introduced by the parties before the Commission on review of the decision of the Arbitrator. In reviewing decisions of an arbitrator the Commission shall award such temporary compensation, permanent compensation and other payments as are due under this Act. The Commission shall file in its office its decision thereon, and shall immediately send to each party or his attorney a copy of such decision and a notification of the time when it was filed. Decisions shall be filed within 60 days after the Statement of Exceptions and Supporting Brief and Response thereto are required to be filed or oral argument whichever is later.

In the event either party requests oral argument, such argument shall be had before a panel of 3 members of the Commission (or before all available members pursuant to the determination of 7 members of the Commission that such argument be held before all available members of the Commission) pursuant to the rules and regulations of the Commission. A panel of 3 members, which shall be comprised of not more than one representative citizen of the employing class and not more than one representative citizen of the employee class, shall hear the argument; provided that if all the issues in dispute are solely the nature and extent of the permanent partial disability, if any, a majority of the panel may deny the request for such argument and such argument shall not be held; and provided further that 7 members of the Commission may determine that the argument be held before all available members of the Commission. A decision of the Commission shall be approved by a majority of Commissioners present at such hearing if any; provided, if no such hearing is held, a decision of the Commission shall be approved by a majority of a panel of 3 members of the Commission as described in this Section. The Commission shall give 10 days' notice to the parties or their attorneys of the time and place of such taking of testimony and of such argument.

In any case the Commission in its decision may find specially upon any question or questions of law or fact which shall be submitted in writing by either party whether ultimate or otherwise; provided that on issues other than nature and extent of the disability, if any, the Commission in its decision shall find specially upon any question or questions of law or fact, whether ultimate or otherwise, which are submitted in writing by either party; provided further that not more than 5 such questions may be submitted by either party. Any party may, within 20 days after receipt of notice of the Commission's decision, or within such further time, not exceeding 30 days, as the Commission may grant, file with the Commission either an agreed statement of the facts appearing upon the hearing, or, if such party shall so elect, a correct transcript of evidence of the additional proceedings presented before the Commission, in which report the party may embody a correct statement of such other proceedings in the case as such party may desire to have reviewed, such statement of facts or transcript of evidence to be authenticated by the signature of the parties or their attorneys, and in the event that they do not agree, then the authentication of such transcript of evidence shall be by the signature of any member of the Commission.

If a reporter does not for any reason furnish a transcript of the proceedings before the Arbitrator in any case for use on a hearing for review before the Commission, within the limitations of time as fixed in this Section, the Commission may, in its discretion, order a trial de novo before the Commission in such case upon application of either party. The applications for adjustment of claim and other documents in the nature of pleadings filed by either party, together with the decisions of the Arbitrator and of the Commission and the statement of facts or transcript of evidence hereinbefore provided for in paragraphs (b) and (c) shall be the record of the proceedings of the Commission, and shall be subject to review as hereinafter provided.

At the request of either party or on its own motion, the Commission shall set forth in writing the reasons for the decision, including findings of fact and conclusions of law separately stated. The Commission shall by rule adopt a format for written decisions for the Commission and arbitrators. The written decisions shall be concise and shall succinctly state the facts and reasons for the decision. The Commission may adopt in whole or in part, the decision of the arbitrator as the decision of the Commission. When the Commission does so adopt the decision of the arbitrator, it shall do so by order. Whenever the Commission adopts part of the arbitrator's decision, but not all, it shall include in the order the reasons for not adopting all of the arbitrator's decision. When a majority of a panel, after deliberation, has arrived at its decision, the decision shall be filed as

provided in this Section without unnecessary delay, and without regard to the fact that a member of the panel has expressed an intention to dissent. Any member of the panel may file a dissent. Any dissent shall be filed no later than 10 days after the decision of the majority has been filed.

Decisions rendered by the Commission and dissents, if any, shall be published together by the Commission. The conclusions of law set out in such decisions shall be regarded as precedents by arbitrators for the purpose of achieving a more uniform administration of this Act.

(f) The decision of the Commission acting within its powers, according to the provisions of paragraph (e) of this Section shall, in the absence of fraud, be conclusive unless reviewed as in this paragraph hereinafter provided. However, the Arbitrator or the Commission may on his or its own motion, or on the motion of either party, correct any clerical error or errors in computation within 15 days after the date of receipt of any award by such Arbitrator or any decision on review of the Commission and shall have the power to recall the original award on arbitration or decision on review, and issue in lieu thereof such corrected award or decision. Where such correction is made the time for review herein specified shall begin to run from the date of the receipt of the corrected award or decision.

(1) Except in cases of claims against the State of Illinois other than those claims under Section 18.1, in which case the decision of the Commission shall not be subject to judicial review, the Circuit Court of the county where any of the parties defendant may be found, or if none of the parties defendant can be found in this State then the Circuit Court of the county where the accident occurred, shall by summons to the Commission have power to review all questions of law and fact presented by such record.

A proceeding for review shall be commenced within 20 days of the receipt of notice of the decision of the Commission. The summons shall be issued by the clerk of such court upon written request returnable on a designated return day, not less than 10 or more than 60 days from the date of issuance thereof, and the written request shall contain the last known address of other parties in interest and their attorneys of record who are to be served by summons. Service upon any member of the Commission or the Secretary or the Assistant Secretary thereof shall be service upon the Commission, and service upon other parties in interest and their attorneys of record shall be by summons, and such service shall be made upon the Commission and other parties in interest by mailing notices of the commencement of the proceedings and the return day of the summons to the office of the Commission and to the last known place of residence of other parties in interest or their attorney or attorneys of record. The clerk of the court issuing the summons shall on the day of issue mail notice of the commencement of the proceedings which shall be done by mailing a copy of the summons to the office of the Commission, and a copy of the summons to the other parties in interest or their attorney or attorneys of record and the clerk of the court shall make certificate that he has so sent said notices in pursuance of this Section, which shall be evidence of service on the Commission and other parties in interest.

The Commission shall not be required to certify the record of their proceedings to the Circuit Court, unless the party commencing the proceedings for review in the Circuit Court as above provided, shall file with the Commission notice of intent to file for review in Circuit Court. It shall be the duty of the Commission upon such filing of notice of intent to file for review in the Circuit Court to prepare a true and correct copy of such testimony and a true and correct copy of all other matters contained in such record and certified to by the Secretary or Assistant Secretary thereof. The changes made to this subdivision (f)(1) by this amendatory Act of the 98th General Assembly apply to any Commission decision entered after the effective date of this amendatory Act of the 98th General Assembly.

No request for a summons may be filed and no summons shall issue unless the party seeking to review the decision of the Commission shall exhibit to the clerk of the Circuit Court proof of filing with the Commission of the notice of the intent to file for review in the Circuit Court or an affidavit of the attorney setting forth that notice of intent to file for review in the Circuit Court has been given in writing to the Secretary or Assistant Secretary of the Commission.

(2) No such summons shall issue unless the one against whom the Commission shall have rendered an award for the payment of money shall upon the filing of his written request for such summons file with the clerk of the court a bond conditioned that if he shall not successfully prosecute the review, he will pay the award and the costs of the proceedings in the courts. The amount of the bond shall be fixed by any member of the Commission and the surety or sureties of the bond shall

be approved by the clerk of the court. The acceptance of the bond by the clerk of the court shall constitute evidence of his approval of the bond.

Every county, city, town, township, incorporated village, school district, body politic or municipal corporation against whom the Commission shall have rendered an award for the payment of money shall not be required to file a bond to secure the payment of the award and the costs of the proceedings in the court to authorize the court to issue such summons.

The court may confirm or set aside the decision of the Commission. If the decision is set aside and the facts found in the proceedings before the Commission are sufficient, the court may enter such decision as is justified by law, or may remand the cause to the Commission for further proceedings and may state the questions requiring further hearing, and give such other instructions as may be proper. Appeals shall be taken to the Appellate Court in accordance with Supreme Court Rules 22(g) and 303. Appeals shall be taken from the Appellate Court to the Supreme Court in accordance with Supreme Court Rule 315.

It shall be the duty of the clerk of any court rendering a decision affecting or affirming an award of the Commission to promptly furnish the Commission with a copy of such decision, without charge.

The decision of a majority of the members of the panel of the Commission, shall be considered the decision of the Commission.

(g) Except in the case of a claim against the State of Illinois, either party or a medical provider receiving an award of interest under Section 8.2, may present a certified copy of the award of the Arbitrator, or a certified copy of the decision of the Commission when the same has become final, when no proceedings for review are pending, providing for the payment of compensation according to this Act, to the Circuit Court of the county in which such accident occurred or either of the parties are residents, whereupon the court shall enter a judgment in accordance therewith. In a case where the employer refuses to pay compensation according to such final award or such final decision upon which such judgment is entered the court shall in entering judgment thereon, tax as costs against him the reasonable costs and attorney fees in the arbitration proceedings and in the court entering the judgment for the person in whose favor the judgment is entered, which judgment and costs taxed as therein provided shall, until and unless set aside, have the same effect as though duly entered in an action duly tried and determined by the court, and shall with like effect, be entered and docketed. The Circuit Court shall have power at any time upon application to make any such judgment conform to any modification required by any subsequent decision of the Supreme Court upon appeal, or as the result of any subsequent proceedings for review, as provided in this Act.

Judgment shall not be entered until 15 days' notice of the time and place of the application for the entry of judgment shall be served upon the employer by filing such notice with the Commission, which Commission shall, in case it has on file the address of the employer or the name and address of its agent upon whom notices may be served, immediately send a copy of the notice to the employer or such designated agent.

(h) An agreement or award under this Act providing for compensation in installments, may at any time within 18 months after such agreement or award be reviewed by the Commission at the request of either the employer or the employee, on the ground that the disability of the employee has subsequently recurred, increased, diminished or ended.

However, as to accidents occurring subsequent to July 1, 1955, which are covered by any agreement or award under this Act providing for compensation in installments made as a result of such accident, such agreement or award may at any time within 30 months, or 60 months in the case of an award under Section 8(d)1, after such agreement or award be reviewed by the Commission at the request of either the employer or the employee on the ground that the disability of the employee has subsequently recurred, increased, diminished or ended.

On such review, compensation payments may be re-established, increased, diminished or ended. The Commission shall give 15 days' notice to the parties of the hearing for review. Any employee, upon any petition for such review being filed by the employer, shall be entitled to one day's notice for each 100 miles necessary to be traveled by him in attending the hearing of the Commission upon the petition, and 3 days in addition thereto. Such employee shall, at the discretion of the Commission, also be entitled to 5 cents per mile necessarily traveled by him within the State of Illinois in attending such hearing, not to exceed a distance of 300 miles, to be taxed by the Commission as costs and deposited with the petition of the employer.

When compensation which is payable in accordance with an award or settlement contract approved by the Commission, is ordered paid in a lump sum by the Commission, no review shall be had as in this paragraph mentioned.

(i) Each party, upon taking any proceedings or steps whatsoever before any Arbitrator, Commission or court, shall file with the Commission his address, or the name and address of any agent upon whom all notices to be given to such party shall be served, either personally or by registered mail, addressed to such party or agent at the last address so filed with the Commission. In the event such party has not filed his address, or the name and address of an agent as above provided, service of any notice may be had by filing such notice with the Commission.

(j) Whenever in any proceeding testimony has been taken or a final decision has been rendered and after the taking of such testimony or after such decision has become final, the injured employee dies, then in any subsequent proceedings brought by the personal representative or beneficiaries of the deceased employee, such testimony in the former proceeding may be introduced with the same force and effect as though the witness having so testified were present in person in such subsequent proceedings and such final decision, if any, shall be taken as final adjudication of any of the issues which are the same in both proceedings.

(k) In case where there has been any unreasonable or vexatious delay of payment or intentional underpayment of compensation, or proceedings have been instituted or carried on by the one liable to pay the compensation, which do not present a real controversy, but are merely frivolous or for delay, then the Commission may award compensation additional to that otherwise payable under this Act equal to 50% of the amount payable at the time of such award. Failure to pay compensation in accordance with the provisions of Section 8, paragraph (b) of this Act, shall be considered unreasonable delay.

When determining whether this subsection (k) shall apply, the Commission shall consider whether an Arbitrator has determined that the claim is not compensable or whether the employer has made payments under Section 8(j).

(l) If the employee has made written demand for payment of benefits under Section 8(a) or Section 8(b), the employer shall have 14 days after receipt of the demand to set forth in writing the reason for the delay. In the case of demand for payment of medical benefits under Section 8(a), the time for the employer to respond shall not commence until the expiration of the allotted 30 days specified under Section 8.2(d). In case the employer or his or her insurance carrier shall without good and just cause fail, neglect, refuse, or unreasonably delay the payment of benefits under Section 8(a) or Section 8(b), the Arbitrator or the Commission shall allow to the employee additional compensation in the sum of \$30 per day for each day that the benefits under Section 8(a) or Section 8(b) have been so withheld or refused, not to exceed \$10,000. A delay in payment of 14 days or more shall create a rebuttable presumption of unreasonable delay.

(m) If the commission finds that an accidental injury was directly and proximately caused by the employer's wilful violation of a health and safety standard under the Health and Safety Act or the Occupational Safety and Health Act in force at the time of the accident, the arbitrator or the Commission shall allow to the injured employee or his dependents, as the case may be, additional compensation equal to 25% of the amount which otherwise would be payable under the provisions of this Act exclusive of this paragraph. The additional compensation herein provided shall be allowed by an appropriate increase in the applicable weekly compensation rate.

(n) After June 30, 1984, decisions of the Illinois Workers' Compensation Commission reviewing an award of an arbitrator of the Commission shall draw interest at a rate equal to the yield on indebtedness issued by the United States Government with a 26-week maturity next previously auctioned on the day on which the decision is filed. Said rate of interest shall be set forth in the Arbitrator's Decision. Interest shall be drawn from the date of the arbitrator's award on all accrued compensation due the employee through the day prior to the date of payments. However, when an employee appeals an award of an Arbitrator or the Commission, and the appeal results in no change or a decrease in the award, interest shall not further accrue from the date of such appeal.

The employer or his insurance carrier may tender the payments due under the award to stop the further accrual of interest on such award notwithstanding the prosecution by either party of review, certiorari, appeal to the Supreme Court or other steps to reverse, vacate or modify the award.

(o) By the 15th day of each month each insurer providing coverage for losses under this Act shall notify each insured employer of any compensable claim incurred during the preceding month and the amounts paid or reserved on the claim including a summary of the claim and a brief

statement of the reasons for compensability. A cumulative report of all claims incurred during a calendar year or continued from the previous year shall be furnished to the insured employer by the insurer within 30 days after the end of that calendar year.

The insured employer may challenge, in proceeding before the Commission, payments made by the insurer without arbitration and payments made after a case is determined to be noncompensable. If the Commission finds that the case was not compensable, the insurer shall purge its records as to that employer of any loss or expense associated with the claim, reimburse the employer for attorneys' fees arising from the challenge and for any payment required of the employer to the Rate Adjustment Fund or the Second Injury Fund, and may not reflect the loss or expense for rate making purposes. The employee shall not be required to refund the challenged payment. The decision of the Commission may be reviewed in the same manner as in arbitrated cases. No challenge may be initiated under this paragraph more than 3 years after the payment is made. An employer may waive the right of challenge under this paragraph on a case by case basis.

(p) After filing an application for adjustment of claim but prior to the hearing on arbitration the parties may voluntarily agree to submit such application for adjustment of claim for decision by an arbitrator under this subsection (p) where such application for adjustment of claim raises only a dispute over temporary total disability, permanent partial disability or medical expenses. Such agreement shall be in writing in such form as provided by the Commission. Applications for adjustment of claim submitted for decision by an arbitrator under this subsection (p) shall proceed according to rule as established by the Commission. The Commission shall promulgate rules including, but not limited to, rules to ensure that the parties are adequately informed of their rights under this subsection (p) and of the voluntary nature of proceedings under this subsection (p). The findings of fact made by an arbitrator acting within his or her powers under this subsection (p) in the absence of fraud shall be conclusive. However, the arbitrator may on his own motion, or the motion of either party, correct any clerical errors or errors in computation within 15 days after the date of receipt of such award of the arbitrator and shall have the power to recall the original award on arbitration, and issue in lieu thereof such corrected award. The decision of the arbitrator under this subsection (p) shall be considered the decision of the Commission and proceedings for review of questions of law arising from the decision may be commenced by either party pursuant to subsection (f) of Section 19. The Advisory Board established under Section 13.1 shall compile a list of certified Commission arbitrators, each of whom shall be approved by at least 7 members of the Advisory Board. The chairman shall select 5 persons from such list to serve as arbitrators under this subsection (p). By agreement, the parties shall select one arbitrator from among the 5 persons selected by the chairman except that if the parties do not agree on an arbitrator from among the 5 persons, the parties may, by agreement, select an arbitrator of the American Arbitration Association, whose fee shall be paid by the State in accordance with rules promulgated by the Commission. Arbitration under this subsection (p) shall be voluntary.”.

With these changes, Senate Bill 904 will have my approval. I respectfully request your concurrence.

Sincerely,

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the Governor's specific recommendations for change to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 1737

A bill for AN ACT concerning regulation.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 26, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today I return Senate Bill 1737 with specific recommendations for change.

This omnibus bill overhauls the Illinois Insurance Code on a number of fronts, including reforming Illinois' handling of reinsurers to conform with best practices, updating our captive insurance law to be more attractive to companies that use this insurance option, and adds flexibility to the process of dividing domestic stock companies. However, it also would impose detrimental new limitations on certain types of health coverage upon Illinois consumers and would overregulate our competitive market for workers' compensation insurance.

Portions of this legislation are both necessary and wise, such as the provisions that bring Illinois in line with national and international accreditation standards for reinsurers. The changes in collateral requirements are based on a tested model and will bring Illinois in equivalence with international regulatory frameworks. Similarly, the updates to the captive insurance regulatory structure are in line with other states, and will help Illinois overcome its competitive disadvantage in attracting the companies that offer this product to Illinois businesses. It also further increases clarity for domestic stock companies undergoing corporate divisions. However, this legislation imposes concerning additional regulatory barriers to short-term limited-duration health plans (STLDs) and workers' compensation insurance.

STLDs have historically been utilized to cover individuals who may be experiencing a gap in longer term coverage options, such as between jobs with employer-sponsored plans. They are exempt from certain mandates under federal law, and often offer participants lower costs, more flexible coverage, and broader access to providers than traditional individual market plans.

This legislation would impose numerous restrictions on these plans, including strict maximum time frames and prohibitions on renewal. I recognize concerns that certain STLDs have not always been clear in their terms and coverage, but ultimately broad restrictions such as those contained in Senate Bill 1737 will reduce consumer plan choice as well as the availability of STLD options in Illinois. The scope of STLDs has recently been debated at the federal level, and we should look to be consistent with the regulatory structures of other states and the federal government, as further regulation will create barriers to Illinoisans' access to the health care plans that best fit their needs.

This legislation also includes unnecessary new restrictions on rate-setting in the Illinois workers' compensation insurance industry. Illinois has one of the country's most competitive markets for workers' compensation insurance, which has a history of modulating rates through market dynamics. This legislation, much like other workers' compensation legislation passed by the General Assembly in recent years, demonstrates a misunderstanding of the true cost drivers in our system and increases regulation to the detriment of Illinois businesses and individuals, to whom additional costs will inevitably be passed on.

Therefore, pursuant to Section 9(e) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 1737, entitled "AN ACT concerning regulation," with the following recommendation for change:

By deleting Page 1, line 4 through Page 5, line 16; and

On page 5, by replacing line 17 through 22 with the following:

"Section 90. The Illinois Insurance Code is amended by adding Article IIB and Sections 123C-23, 123C-24, 123C-25, 123C-26, 123C-27, and 123C-28 and by changing Sections 121-2.08, 123C-1, 123C-2, 123C-3, 123C-9, 123C-11, 123C-12, 123C-13, 123C-16, 123C-17, 123C-19, 156, and 173.1 as follows:"; and

By deleting Page 99, Line 7 through page 107, line 15; and

By replacing page 107 lines 16 through 19 with:

"(215 ILCS 5/123C-4 rep.)

Section 95. The Illinois Insurance Code is amended by repealing Sections 123C-4."; and

On page 107, by replacing lines 20 through 24 with: "Section 99. Effective date. This Act takes effect upon becoming law.".

With these changes, Senate Bill 1737 will have my approval. I respectfully request your concurrence.

Sincerely,

Bruce Rauner

A message from the Senate by
Mr. Anderson, Secretary:
Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the Governor's specific recommendations for change to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 2297

A bill for AN ACT concerning local government.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 14, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today, I return Senate Bill 2297 with specific recommendations for change.

This legislation provides for rescue squad districts to levy a new tax to fund ambulance services. I applaud that this tax is required to go to the electors of a district, as giving citizens' more control over their tax burdens is essential to combating the property tax and excessive local government crisis being experienced across Illinois and driving citizens out of our state.

However, the local and citizen control of taxes in legislation goes only in one direction, and there is no ability for overtaxed electors to vote to bring this property tax elevating levy—or any increase in their property taxes—back down.

Therefore, pursuant to Section 9(e) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2297, entitled "AN ACT concerning local government", with the following specific recommendations for change:

On page 2, immediately after line 6, by inserting the following:

"A board of trustees of a rescue squad district where an ambulance service tax has been imposed under this Section pursuant to a referendum held on or after the effective date of this amendatory Act of the 100th General Assembly may submit the question at an election to the voters of the district of the question of reducing or discontinuing the tax. The board shall certify the question to the proper election authority. The election authority must submit the question in substantially the following form:

Shall the ambulance service tax currently imposed in (name of Rescue Squad District) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

If a majority of the electors voting on the question vote in the affirmative, then, the tax shall be reduced or discontinued as set forth in the question.

Whenever a petition, subject to the petition requirements of Section 28-3 of the Election Code, is presented to the board of trustees of a rescue squad district where an ambulance service tax has been imposed under this Section requesting that the tax be reduced or discontinued, the board shall cause the proposition to be certified to the proper election officials who shall submit the proposition to the voters at the next appropriate election in accordance with this subsection and general election law. The ballot question shall be in substantially the following form on the ballot:

Shall the ambulance service tax currently imposed in (name of Rescue Squad District) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)? YES NO

If a majority of the electors voting on the question vote in the affirmative, then, the tax shall be reduced or discontinued as set forth in the question.

Section 10. The Property Tax Code is amended by amending Section 18-205 as follows:
(35 ILCS 200/18-205)

Sec. 18-205. Referendum to increase the extension limitation.

(a) A taxing district is limited to an extension limitation of 5% or the percentage increase in the Consumer Price Index during the 12 month calendar year preceding the levy year, whichever is less. A taxing district may increase its extension limitation for one or more levy years if that taxing district holds a referendum before the levy date for the first levy year at which a majority of voters voting on the issue approves adoption of a higher extension limitation. Referenda shall be conducted at a regularly scheduled election in accordance with the Election Code.

(b) The question shall be presented in substantially the following manner:

Shall the extension limitation under the Property Tax Extension Limitation Law for (insert the legal name, number, if any, and county or counties of the taxing district and geographic or other common name by which a school or community college district is known and referred to), Illinois, be increased from the lesser of 5% or the percentage increase in the Consumer Price Index over the prior levy year to (insert the percentage of the proposed increase)% per year for (insert each levy year for which the increased extension limitation will apply)?

(c) Whenever a petition, subject to the petition requirements of Section 28-3 of the Election Code, is presented to the governing body of a taxing district requesting that the taxing district's aggregate extension be decreased by not more than 10% of its aggregate extension for the previous levy year, that governing body shall cause the proposition to be certified to the proper election officials who shall submit the proposition to the voters at the next appropriate election in accordance with this subsection and general election law. A petition under this subsection (c) shall include:

- (1) the desired aggregate extension decrease;
- (2) signatures by a number of registered voters equal to or greater than 5% of the total ballots cast in the taxing district at the last preceding general election; and
- (3) an affidavit of publication, attesting that notice of the petition decrease the taxing district's aggregate extension was published in a newspaper of general circulation within the taxing district.

The parties filing a petition under this Section shall give notice in substantially the following form:

NOTICE OF PETITION TO (INCREASE/DECREASE) (TAXING DISTRICT'S) PROPERTY TAX.

Residents of (taxing district) are notified that a petition will be filed with (taxing district) requesting a referendum to decrease property tax by (amount of increase or decrease) % for (tax levy year(s)).

A petition that meets the requirements of this subsection shall be placed on the ballot at the general election next following. Failure to publish the required notice of petition shall render the petition, and the results of any referendum held on the petition, null and void.

The ballot question shall be in substantially the following form on the ballot:

Shall the property tax rate of (taxing district) be decreased by (insert amount) % in (tax levy year(s))?
)? YES NO

The increase or decrease is approved when three-fifths of the electors of the taxing district approve and the decrease shall be applicable for each levy year specified.

(d) The votes under subsection (b) or (c) must be recorded as "Yes" or "No". Except as provided in subsection (c), if a majority of voters voting on the issue approves the adoption of the increase, the increase shall be applicable for each levy year specified.

(e) The ballot for any question submitted pursuant to this Section shall have printed thereon, but not as a part of the question submitted, only the following supplemental information (which shall be supplied to the election authority by the taxing district) in substantially the following form:

(1) For the (insert the first levy year for which the increased or reduced extension limitation will be applicable) levy year the approximate amount of the additional or reduced tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$...

(2) Based upon an average annual percentage increase (or decrease) in the market value of such property of ... % (insert percentage equal to the average annual percentage increase or decrease for the prior 3 levy years, at the time the submission of the question is initiated by the taxing district, in the amount of (A) the equalized assessed value of the taxable property in the taxing district less (B) the new property included in the equalized assessed value), the approximate amount of the additional

or reduced tax extendable against such property for the levy year is estimated to be \$... and for the ... levy year is estimated to be \$

Paragraph (2) shall be included only if the increased or reduced extension limitation will be applicable for more than one year and shall list each levy year for which the increased or reduced extension limitation will be applicable. The additional or reduced tax shown for each levy year shall be the approximate dollar amount of the increase or decrease over the amount of the most recently completed extension at the time the submission of the question is initiated by the taxing district. The approximate amount of the additional or reduced tax extendable shown in paragraphs (1) and (2) shall be calculated by multiplying \$100,000 (the fair market value of the property without regard to any property tax exemptions) by (i) the percentage level of assessment prescribed for that property by statute, or by ordinance of the county board in counties that classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution; (ii) the most recent final equalization factor certified to the county clerk by the Department of Revenue at the time the taxing district initiates the submission of the proposition to the electors; (iii) the last known aggregate extension base of the taxing district at the time the submission of the question is initiated by the taxing district; and (iv) the difference between the percentage increase or decrease proposed in the question and the lesser of 5% or the percentage increase in the Consumer Price Index for the prior levy year (or an estimate of the percentage increase or decrease for the prior levy year if the increase or decrease is unavailable at the time the submission of the question is initiated by the taxing district); and dividing the result by the last known equalized assessed value of the taxing district at the time the submission of the question is initiated by the taxing district. This amendatory Act of the 97th General Assembly is intended to clarify the existing requirements of this Section, and shall not be construed to validate any prior non-compliant referendum language. Any notice required to be published in connection with the submission of the question shall also contain this supplemental information and shall not contain any other supplemental information. Any error, miscalculation, or inaccuracy in computing any amount set forth on the ballot or in the notice that is not deliberate shall not invalidate or affect the validity of any proposition approved. Notice of the referendum shall be published and posted as otherwise required by law, and the submission of the question shall be initiated as provided by law.”

With these changes, Senate Bill 2297 will have my approval. I respectfully request your concurrence.

Sincerely,

Bruce Rauner

A bill for AN ACT concerning regulation.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 17, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today, I return Senate Bill 2419 with specific recommendations for change.

This legislation updates the certification standards for surgical assistants to become registered to practice in Illinois and adds additional certification requirements for the renewal of this registration.

Maintaining a safe and effective healthcare environment is of the utmost importance. However, this legislation only serves to needlessly expand bureaucratic requirements without any demonstrable improvements in patient safety.

The Department of Financial and Professional Regulation is well-equipped to regulate this profession in a way that protects the health and safety of Illinois patients without needing to enforce membership in a private association. There has been an average of less than 1 disciplinary action per year against this profession since 2010, and surgical assistants already operate under the direction supervision of licensed physicians. All this legislation will accomplish is increasing the direct costs for professionals seeking to renew their license, which will indirectly be passed on to consumers in the form of even higher healthcare costs, while supporting a private organization's certification program that may not even relate to the practice area of a given surgical assistant.

Specifically, this legislation will create at least 80,000 hours of additional unnecessary compliance work by members of this industry and over \$1.2 million of indirect costs over the next 10 years, on top of further restricting entry into the labor market for new workers.

While the certification requirements in law may make sense for the initial registration of surgical assistants, the reality of the highly-regulated environments in which they work makes statutorily required maintenance of this paper certification redundant. Instead of perpetuating barriers to work like this, Illinois should be making our economy and workforce more agile and responsive to the actual needs of our workplaces.

Therefore, pursuant to Section 9(e) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2419, entitled "AN ACT concerning regulation", with the following specific recommendations for change:

By deleting page 2, line 10 through page 3 line 23.

With these changes, Senate Bill 2419 will have my approval. I respectfully request your concurrence.

Sincerely,

Bruce Rauner
GOVERNOR

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the Governor's specific recommendations for change to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

A bill for AN ACT concerning courts.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 24, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today, I return Senate Bill 2481 with specific recommendations for change. We need to balance the need for relieving citizens inadvertently harmed by the state with the burden to which the state and its taxpayers are subjected through litigation awards it cannot afford.

When citizens are inadvertently harmed by the State of Illinois or State employees performing their duties, they are granted statutory recourse to address those harms through the Illinois Court of Claims. There are

approximately eight thousand cases filed against the State of Illinois each year, two hundred of which are for torts. Currently, these tort claims are subject to a cap of \$100,000.

I recognize that the current law is outdated and in need of adjustment. However, this adjustment should reflect regional and national averages in order to properly compensate those who, once properly adjudicated, were found harmed by the State of Illinois.

This legislation raises the cap on awards from \$100,000 to \$2,000,000, effectively ignoring the impact of vastly expanded future litigation on the fiscal position of the State and its taxpayers.

The increase stands out when compared to other large states across America. Among the largest states in the nation, the cap averages about \$350,000 for individual claims. As proposed, SB 2481 would make Illinois an extreme outlier when compared to our surrounding states. Wisconsin and Michigan are almost entirely immune from tort liability. Kentucky caps claims at \$250,000; Indiana at \$700,000 and Missouri at \$300,000. Iowa has essentially no cap on tort claims. Further, the increase proposed far outpaces what would be a reasonable increase based on growth statistics available from the United States Department of Labor's Bureau of Labor Statistics. Finally, as proposed, this legislation could invite frivolous lawsuits and expose taxpayers to hundreds of millions of dollars of potential damages each year without adequate study or justification.

Understanding that, I am adjusting the cap to a more reasonable and justifiable \$300,000.

Therefore, pursuant to Section 9(e) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2481, entitled "AN ACT concerning courts," with the following recommendation for change:

On page 3, line 16, by replacing "\$2,000,000" with "\$300,000"; and

On page 3, line 17, by replacing "\$2,000,000" with "\$300,000".

With these changes, Senate Bill 2481 will have my approval. I respectfully request your concurrence.

Sincerely,

Bruce Rauner

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 2407

A bill for AN ACT concerning State government.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 26, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today I veto Senate Bill 2407, which removes the authority of the Director of the department of Children and Family Services to appoint the members of the Department's child death review teams.

This legislation would shift the appointment authority to the Department's Inspector General, who already serves as an ex officio member of the Child Death Review Executive Council. The Director is in the best position to be a neutral party for these appointments. Furthermore, this bill otherwise codifies support to the teams and the Executive Council that largely reflects existing practice by the Department and is duplicative.

The work of these teams remains of utmost importance, and this administration along with the Department is committed to supporting them as they examine incredibly difficult situations and help educate the State on how to avoid such tragedies in the future.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2407, entitled "AN ACT concerning State government," with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner

Tim Anderson, Secretary of the Senate

August 17, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today I veto Senate Bill 427 from the 100th General Assembly, which increases the number of terms that an individual can serve as a member of the Metropolitan Pier and Exposition Board.

I previously vetoed this legislation when Senate Bill 734 was passed by the General Assembly and maintain that this extension of term limits represents the wrong direction for Illinois. Illinoisans deserve to have their confidence restored in public servants, and we should be instituting more term limits on elected and appointed officials, not fewer.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 427, entitled "AN ACT concerning local government," with the foregoing objections, vetoed in its entirety.

August 19, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today I veto Senate Bill 2345 which mandates a school report card disclose whether a school has participated in the Illinois Youth Survey.

The Illinois Youth Survey is administered every two years and provides information regarding social and behavioral habits of students in grades 8, 10, and 12, including patterns of substance use. Participation in the survey comes at no cost to schools, is not mandated, and student responses are anonymous, confidential, and aggregated by grade level. Furthermore, the survey results are not public and school reports are only released to administrators upon request.

Mere disclosure of a school's participation in the Illinois Youth Survey will not reveal any substantive data findings, thus rendering the information useless. The information will make report card users no more informed about a school, as no additional data about academic performance or the school environment will be disclosed. This mandate will cause unnecessary confusion without providing any useful information to parents.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2345, entitled "AN ACT concerning education," with the foregoing objections, vetoed in its entirety.

To the Honorable Members of
The Illinois Senate
100th General Assembly:

Today I veto Senate Bill 2662 from the 100th General Assembly, which creates the Task Force on Human Services Contracting Act.

While the goal of the task force is important, creating a task force that will develop recommendations on how State departments and agencies interact will likely conflict with the Grant Accountability & Transparency Act (GATA). GATA already prescribes how the state and grantees interact. The State and grantees are still

acclimating to the changes prescribed by GATA and to change things midstream would undo positive changes GATA has made.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2662, entitled "AN ACT concerning State government", with the foregoing objections, vetoed in its entirety.

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 3041

A bill for AN ACT concerning local government.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 21, 2018

To the Honorable Members of
The Illinois Senate,
100th General Assembly:

Today I return Senate Bill 3041 with specific recommendations for change.

This legislation extends the types of local governments that can levy an additional property tax for purposes of funding facilities and services for residents with developmental disabilities from exclusively counties to municipalities and townships. Although I recognize the unique needs and funding challenges of the mental health and developmental disability communities, increasing property taxes across various layers of local government without any mechanism for taxpayers to reduce their tax burdens is untenable in Illinois' current property tax crisis. When Illinoisans are able to impose taxes via referendum, citizens should also be fully empowered to vote to bring down levies raised for special purposes such as this, as well as their property taxes more generally.

Therefore, pursuant to Section 9(e) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 3041, entitled "AN ACT concerning local government", with the following specific recommendations for change:

On page 1, by replacing line 5 with: "Sections 18-195 and 18-205 as follows:"; and

On page 6, immediately after line 19, by inserting the following:

“(35 ILCS 200/18-205)

Sec. 18-205. Referendum to increase the extension limitation.

(a) A taxing district is limited to an extension limitation of 5% or the percentage increase in the Consumer Price Index during the 12 month calendar year preceding the levy year, whichever is less. A taxing district may increase its extension limitation for one or more levy years if that taxing district holds a referendum before the levy date for the first levy year at which a majority of voters voting on the issue approves adoption of a higher extension limitation. Referenda shall be conducted at a regularly scheduled election in accordance with the Election Code.

(b) The question shall be presented in substantially the following manner:

Shall the extension limitation under the Property Tax Extension Limitation Law for (insert the legal name, number, if any, and county or counties of the taxing district and geographic or other common name by which a school or community college district is known and referred to), Illinois, be increased from the lesser of 5% or the percentage increase in the Consumer Price Index over the prior levy year to (insert the percentage of the proposed increase)% per year for (insert each levy year for which the increased extension limitation will apply)?

(c) Whenever a petition, subject to the petition requirements of Section 28-3 of the Election Code, is presented to the governing body of a taxing district requesting that the taxing district's aggregate extension be decreased by not more than 10% of its aggregate extension for the previous levy year, that governing body shall cause the proposition to be certified to the proper election officials who shall submit the proposition to the voters at the next appropriate election in accordance with this subsection and general election law. A petition under this subsection (c) shall include:

(1) the desired aggregate extension decrease;

(2) signatures by a number of registered voters equal to or greater than 5% of the total ballots cast in the taxing district at the last preceding general election; and

(3) an affidavit of publication, attesting that notice of the petition decrease the taxing district's aggregate extension was published in a newspaper of general circulation within the taxing district.

The parties filing a petition under this Section shall give notice in substantially the following form:

NOTICE OF PETITION TO (INCREASE/DECREASE) (TAXING DISTRICT'S) PROPERTY TAX.

Residents of (taxing district) are notified that a petition will be filed with (taxing district) requesting a referendum to decrease property tax by (amount of increase or decrease) % for (tax levy year(s)).

A petition that meets the requirements of this subsection shall be placed on the ballot at the general election next following. Failure to publish the required notice of petition shall render the petition, and the results of any referendum held on the petition, null and void.

The ballot question shall be in substantially the following form on the ballot:

Shall the property tax rate of (taxing district) be decreased by (insert amount) % in (tax levy year(s))?
YES NO

The increase or decrease is approved when three-fifths of the electors of the taxing district approve and the decrease shall be applicable for each levy year specified.

(d) The votes under subsection (b) or (c) must be recorded as "Yes" or "No". Except as provided in subsection (c), if a majority of voters voting on the issue approves the adoption of the increase, the increase shall be applicable for each levy year specified.

(e) The ballot for any question submitted pursuant to this Section shall have printed thereon, but not as a part of the question submitted, only the following supplemental information (which shall be supplied to the election authority by the taxing district) in substantially the following form:

(1) For the (insert the first levy year for which the increased or reduced extension limitation will be applicable) levy year the approximate amount of the additional or reduced tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$

(2) Based upon an average annual percentage increase (or decrease) in the market value of such property of ... % (insert percentage equal to the average annual percentage increase or decrease for the prior 3 levy years, at the time the submission of the question is initiated by the taxing district, in the amount of (A) the equalized assessed value of the taxable property in the taxing district less (B) the new property included in the equalized assessed value), the approximate amount of the additional or reduced tax extendable against such property for the levy year is estimated to be \$... and for the ... levy year is estimated to be \$

Paragraph (2) shall be included only if the increased or reduced extension limitation will be applicable for more than one year and shall list each levy year for which the increased or reduced extension limitation will be applicable. The additional or reduced tax shown for each levy year shall be the approximate dollar amount of the increase or decrease over the amount of the most recently completed extension at the time the submission of the question is initiated by the taxing district. The approximate amount of the additional or reduced tax extendable shown in paragraphs (1) and (2) shall be calculated by multiplying \$100,000 (the fair market value of the property without regard to any property tax exemptions) by (i) the percentage level of assessment prescribed for that property by statute, or by

ordinance of the county board in counties that classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution; (ii) the most recent final equalization factor certified to the county clerk by the Department of Revenue at the time the taxing district initiates the submission of the proposition to the electors; (iii) the last known aggregate extension base of the taxing district at the time the submission of the question is initiated by the taxing district; and (iv) the difference between the percentage increase or decrease proposed in the question and the lesser of 5% or the percentage increase in the Consumer Price Index for the prior levy year (or an estimate of the percentage increase or decrease for the prior levy year if the increase or decrease is unavailable at the time the submission of the question is initiated by the taxing district); and dividing the result by the last known equalized assessed value of the taxing district at the time the submission of the question is initiated by the taxing district. This amendatory Act of the 97th General Assembly is intended to clarify the existing requirements of this Section, and shall not be construed to validate any prior non-compliant referendum language. Any notice required to be published in connection with the submission of the question shall also contain this supplemental information and shall not contain any other supplemental information. Any error, miscalculation, or inaccuracy in computing any amount set forth on the ballot or in the notice that is not deliberate shall not invalidate or affect the validity of any proposition approved. Notice of the referendum shall be published and posted as otherwise required by law, and the submission of the question shall be initiated as provided by law.”; and

On page 17, by inserting immediately after line 15 the following:

“(c) If the governmental unit's county board passes an ordinance or resolution as asking that an annual tax levied for the purpose of providing facilities or services set forth in this Section be reduced or discontinued and so instructs the county clerk, the clerk shall certify the proposition to the proper election officials for submission at the governmental unit's next general county election. The proposition shall be in substantially the following form:

Shall the tax currently imposed in (governmental unit) for the purposes of providing facilities or services for the benefit of its residents who are persons with intellectual or developmental disabilities at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

(d) If a majority of the votes cast upon the proposition are in favor thereof, such tax levy shall be reduced or discontinued as set forth in the proposition.”; and

On page 18, by inserting immediately after line 25 the following:

“(c) Whenever a petition for submission to referendum by the electors which requests the reduction or discontinuance of a tax levied pursuant to this Section is signed by electors of the governmental unit county equal in number to at least 10% of the total votes cast for the office that received the greatest total number of votes at the last preceding general county election of the governmental unit and is presented to the county clerk, the clerk shall certify the proposition to the proper election authorities for submission at the governmental unit's next general county election. The proposition shall be in substantially the following form:

Shall the tax currently imposed in (governmental unit) for the purposes of providing facilities or services for the benefit of its residents who are persons with intellectual or developmental disabilities at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

(d) If a majority of the votes cast upon the proposition are in favor thereof, such tax levy shall be reduced or discontinued as set forth in the proposition.”.

With these changes, Senate Bill 3041 will have my approval. I respectfully request your concurrence.

Sincerely,

Bruce Rauner

At the hour of 3:46 o'clock p.m., the House convened perfunctory session.

INTRODUCTION AND FIRST READING OF BILLS

The following bills were introduced, read by title a first time, ordered reproduced and placed in the Committee on Rules:

HOUSE BILL 5991. Introduced by Representative Zalewski, AN ACT concerning revenue.

HOUSE BILL 5992. Introduced by Representative Bennett, AN ACT concerning transportation.

RECEIPT OF EXECUTIVE ORDERS

The Clerk of the House acknowledges receipt of the following Executive Orders on September 21, 2018:

EXECUTIVE ORDERS 2018-10 & 2018-11

EXECUTIVE ORDER 2018-10

**EXECUTIVE ORDER REDUCING THE SIZE OF GOVERNMENT THROUGH THE
REVOCATION OF EXECUTIVE ORDERS**

WHEREAS, the State of Illinois has created more than 600 authorities, boards, bureaus, commissions, committees, councils, task forces, or other similar entities ("boards and commissions") by statute or Executive Order; and

WHEREAS, many boards and commissions continue in name only, often serving no current public purpose; and

WHEREAS, many boards and commissions have been inactive for five years or more; and

WHEREAS, many boards and commissions were created for a special or temporary purpose, which they have fulfilled, and their continued existence is unnecessary, while others are redundant with other units of government; and

WHEREAS, good governance requires clean-up of the programs, entities, and bodies tasked with important governmental purposes to ensure transparency about the ongoing work of the State and to increase the efficiency of the executive branch; and

WHEREAS, many boards and commissions that are already expired, dissolved, or abolished continue to appear in State publications, including public-facing State websites and Legislative Research Unit reports, and Illinois residents should be provided greater clarity about their defunct status; and

WHEREAS, Section 11 of Article V of the Constitution of the State of Illinois authorizes the Governor, by Executive Order, to reorganize executive agencies which are directly responsible to him, which includes the abolition of boards and commissions;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 and Section 11 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. DEFINITIONS

As used in this Executive Order:

"Abolished Entity" means an agency designated by Exhibit A of this Executive Order to be abolished pursuant to Section IT of this Executive Order. "Boards and Commissions" means authorities, boards, bureaus, commissions, committees, councils, task forces, and other similar entities created by statute or Executive Order and situated in the executive branch.

II. REVOCATION

FILED IMDFX.DEPARJMENT SEP 2 1 2018 IN THE OFFICE OF SECRETARY OF STATE

1. Effective immediately upon the filing of this Executive Order with the Secretary of State, the Executive Orders set forth on Exhibit A are revoked and rescinded, and the boards and commissions they authorize are abolished.
2. The rights, powers, duties, and functions vested by law in these entities by the Executive Orders set forth on Exhibit A to this Executive Order, and all rights, powers, and duties incidental to these provisions including funding mechanisms, are also abolished 30 days after the taking effect of this Executive Order.
3. Upon the taking effect of this Executive Order, to the extent authorized by law and required to facilitate the termination of the administration of an Abolished Entity, the functions, duties, rights, responsibilities, and, to the extent they exist, books, records and unexpended balances of appropriations or funds related to each Abolished Entity shall be transferred to the Department of Central Management Services or an appropriate agency designated by the Governor's Office. Such transfers shall be completed within 30 days of the taking effect of this Executive Order.
4. The corresponding terms of members appointed to the Abolished Entities are also terminated, and their appointed offices are subsequently abolished.

III SAVINGSCLAUSE

1. This Executive Order shall not affect any act undertaken, ratified, or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect, but these actions or proceedings may be prosecuted and continued by the Department of Central Management Services or an appropriate agency designated by the Governor's Office, if necessary.
2. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by a pertinent agency. Any rules, regulations, and other agency actions affected by the reorganization shall continue in effect. If necessary, however, the affected agencies shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Executive Order. These rule modifications shall coincide with, if applicable, the termination of the Abolished Entities' affairs.
3. This Executive Order does not contravene, and shall not be construed to contravene, any federal law, State statute, or collective bargaining agreement.

IV. CLARIFICATION AND CONFIRMATION OF ABOLISHED BOARDS

As a matter of both clarification and confirmation, the boards and commissions set forth on Exhibit a have been abolished, either through dissolution upon completing their mandated tasks or through revocation of their legal authority. All agencies under the jurisdiction of the Governor shall monitor their public-facing State websites and future publications to ensure that, when an agency mentions these and other inoperative boards and commissions, it identifies them as such.

V. FURTHER ACTION

The abolition of the entities set forth on Exhibit A does not foreclose further action by the Governor to review additional boards and commissions for abolition and to effectuate that abolition by Executive Order.

VI. PRIOR EXECUTIVE ORDERS

This Executive Order supersedes any contrary provision of any other prior Executive Order.

VII. SEVERABILITY CLAUSE

If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

VIII EFFECTIVE DATE

This Executive Order shall take effect immediately upon filing with the Secretary of State.

EXECUTIVE ORDER REDUCING THE SIZE OF GOVERNMENT THROUGH THE ABOLITION OF INOPERATIVE BOARDS AND COMMISSIONS

WHEREAS, the State of Illinois has created more than 600 authorities, boards, bureaus, commissions, committees, councils, task forces, or other similar entities ("boards and commissions") by statute or Executive Order; and

WHEREAS, many boards and commissions continue in name only, often serving no current public purpose; and

WHEREAS, many boards and commissions have been inactive for five years or more; and

WHEREAS, many boards and commissions were created for a special or temporary purpose, which they have fulfilled, and their continued existence is unnecessary, while others are redundant with other units of government; and

WHEREAS, many boards and commissions that are already expired, dissolved, or abolished continue to appear in State publications, including public-facing State websites and Legislative Research Unit reports, and Illinois residents should be provided greater clarity about their defunct status; and

WHEREAS, Section 11 of Article V of the Constitution of the State of Illinois authorizes the Governor, by Executive Order, to reorganize executive agencies which are directly responsible to him, which includes the abolition of boards and commissions;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 and Section 11 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. DEFINITIONS

As used in this Executive Order: "Abolished Entity" means an agency designated by Exhibit A of this Executive Order to be abolished pursuant to Section II of this Executive Order. "Boards and Commissions" means authorities, boards, bureaus, commissions, committees, councils, task forces, and other similar entities created by statute or Executive Order and situated in the executive branch.

II. ABOLITION OF ENTITIES AND TRANSFER OF RIGHTS

1. The entities set forth on Exhibit A are abolished upon the taking effect of this Executive Order.
2. The rights, powers, duties, and functions vested by law in these entities by the statutes set forth on Exhibit A to this Executive Order, and all rights, powers, and duties incidental to these provisions including funding mechanisms, are also abolished 30 days after the taking effect of this Executive Order.
3. Upon the taking effect of this Executive Order, to the extent authorized by law and required to facilitate the termination of the administration of an Abolished Entity, the functions, duties, rights, responsibilities, and, to the extent they exist, books, records and unexpended balances of appropriations or funds related to each Abolished Entity shall be transferred to the Department of Central Management Services or an appropriate agency designated by the Governor's Office. Such transfers shall be completed within 30 days of the taking effect of this Executive Order.

4. The corresponding terms of members appointed to the Abolished Entities are also terminated, and their appointed offices are subsequently abolished, upon the taking effect of this Executive Order.

III. INCONSISTENT ACTS

From the effective date of this reorganization, and as long as such reorganization remains in effect, the operation of any prior act of the General Assembly inconsistent with this reorganization is suspended to the extent of the inconsistency.

IV. SAVINGS CLAUSE

1. The rights, powers, duties, and functions of each the entities abolished by this Executive Order shall be vested in and shall continue to be exercised by the Department of Central Management Services or an appropriate agency designated by the Governor's Office to the extent authorized by law and necessary to effectuate the termination of affected entities' administrative affairs. Each act done in exercise of such rights, powers, duties, and functions shall have the same legal effect as if done by the Abolished Entity. Every person shall be subject to the same obligations and duties and to the associated penalties, if any, and shall have the same rights arising from the exercise of these obligations and duties as if exercised subject to the Abolished Entity or the officers and employees of the Abolished Entity.

2. This Executive Order shall not affect any act undertaken, ratified, or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect, but these actions or proceedings may be prosecuted and continued by the Department of Central Management Services or an appropriate agency designated by the Governor's Office, if necessary.

3. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by a pertinent agency. Any rules, regulations, and other agency actions affected by the reorganization shall continue in effect. If necessary, however, the affected agencies shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Executive Order. These rule modifications shall coincide with, if applicable, the termination of the Abolished Entities' affairs.

4. Whenever reports or notices are now required to be made or given or paper or documents furnished or served by any person in regard to the functions of the abolished entities, the same shall be made, given, furnished, or served in the same manner to the Department of Central Management Services or an appropriate agency designated by the Governor's Office.

5. Whenever any provision of any previous Executive Order or any Act provides for membership on any board or commission by a representative or designee of the Abolished Entity, the Director of the Department of Central Management Services or agency head of an appropriate agency designated by the Governor shall designate the same number of representatives or designees of that agency.

6. To the extent they exist, all personnel records, documents, books, correspondence, papers, real and personal property, and other associated items in any way pertaining to the rights, powers, duties, and functions of the abolished agencies shall be delivered and transferred to the Department of Central Management Services or an appropriate agency designated by the Governor's Office, or the State Archives.

7. To the extent they exist, any unexpended balances of any appropriations or funds, grants, donations, or other moneys available for use by the abolished agencies shall be transferred to the Department of Central Management Services or an appropriate agency designated by the Governor's Office and shall be expended for similar purposes for which the appropriations, funds, grants, or other moneys were originally made or given to those entities.

8. Although no Abolished Entity has any employees, to the extent they exist, any employees of an Abolished Entity are transferred to the Department of Central Management Services or to another appropriate agency as designated by Governor's Office. All employees engaged in the performance of a function or in the administration of a law transferred by this Executive Order are transferred to the Department of Central Management Services or to another appropriate agency as designated by Governor's Office. The status and rights of any transferred employee, the State, and its agencies under the Personnel Code and applicable

collective bargaining rights or under any pension, retirement, or annuity plan shall not be affected by this reorganization.

9. This Executive Order does not contravene, and shall not be construed to contravene, any federal law, State statute (except as provided in Section III), or collective bargaining agreement.

V. CLARIFICATION AND CONFIRMATION OF ABOLISHED BOARDS

As a matter of both clarification and confirmation, the boards and commissions set forth on Exhibit Ii have been abolished, either through dissolution upon completing their mandated tasks or through repeal of their statutory authority. All agencies under the jurisdiction of the Governor shall monitor their public-facing State websites and future publications to ensure that, when an agency mentions these and other inoperative boards and commissions, it identifies them as such.

VI. FURTHER ACTION

The abolition of the entities set forth on Exhibit A does not foreclose further action by the Governor to review additional boards and commissions for abolition and to effectuate that abolition by Executive Order.

VII. PRIOR EXECUTIVE ORDERS

This Executive Order supersedes any contrary provision of any other prior Executive Order.

VIII. SEVERABILITY CLAUSE

If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

IX. FILINGS

This Executive Order shall be filed with the Secretary of State. A copy of this Executive Order shall be delivered to the Secretary of the Senate and to the Clerk of the House of Representatives and, for the purpose of preparing a revisory bill, to the Legislative Reference Bureau.

X. EFFECTIVE DATE

Provided that neither house of the General Assembly disapproves of this Executive Order by the record vote of a majority of the members elected, this Executive Order shall take effect 60 days after its delivery to the General Assembly.
