"Section 5. The Illinois Vehicle Code is amended by changing Sections 6-205, 6-206, 11-204, and 11-204.1 as follows:

(625 ILCS 5/6-205) (from Ch. 95 1/2, par. 6-205)

Sec. 6-205. Mandatory revocation of license or permit; Hardship cases. (a) Except as provided in this Section, the Secretary of State shall immediately revoke the license, permit, or driving privileges of any driver upon receiving a report of the driver's conviction of any of the following offenses:

1. Reckless homicide resulting from the operation of a motor vehicle;
2. Violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof;
3. Any felony under the laws of any State or the federal government in the commission of which a motor vehicle was used;
4. Violation of Section 11-401 of this Code relating to the offense of leaving the scene of a traffic accident involving death or personal injury;
5. Perjury or the making of a false affidavit or statement under oath to the Secretary of State under this Code or under any other law relating to the ownership or operation of motor vehicles;
6. Conviction upon 3 charges of violation of Section 11-503 of this Code relating to the offense of reckless driving committed within a period of 12 months;
7. Conviction of any offense defined in Section 4-102 of this Code;
8. Violation of Section 11-504 of this Code relating to the offense of drag racing;
9. Violation of Chapters 8 and 9 of this Code;
10. Violation of Section 12-5 of the Criminal Code of 1961 arising from the use of a motor vehicle;
11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a peace police officer;
12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;
13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;
2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit.

(c) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the

privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or

2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) The Secretary of State may not issue a restricted driving permit for a period of one year after a second or subsequent revocation of driving privileges under clause (a)(2) of this Section; however, one year after the date of a second or subsequent revocation of driving privileges under clause (a)(2) of this Section, the Secretary of State may, upon application, issue a restricted driving permit under the terms and conditions of subsection (c). (b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to obtain a commercial driver's license under Section 6-507 during the period of a disqualification of commercial driving privileges under Section 6-514.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under

Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of his employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care and if the professional evaluation indicates, provide transportation for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. "Section 5. The Higher Education Student Assistance Act is amended by changing Section 35 as

follows:

(110 ILCS 947/35)

Sec. 35. Monetary award program. (a) The Commission shall, each year, receive and consider applications for grant assistance under this Section. Subject to a separate appropriation for such purposes, an applicant is eligible for a grant under this Section ~~if~~ when the Commission finds that the applicant:

- (1) is a resident of this State and a citizen or permanent resident of the United States; and
- (2) in the absence of grant assistance, will be deterred by financial considerations from completing an educational program at the qualified institution of his or her choice.

(b) The Commission shall award renewals only upon the student's application and upon the Commission's finding that the applicant:

- (1) has remained a student in good standing;
- (2) remains a resident of this State; and
- (3) is in a financial situation that continues to warrant assistance.

(c) All grants shall be applicable only to tuition and necessary fee costs for 2 semesters or 3 quarters in an academic year. Requests for summer term assistance will be made separately and shall be considered on an individual basis according to Commission policy. Each student who is awarded a grant under this Section and is enrolled in summer school classes shall be eligible for a summer school grant. The summer school grant amount shall not exceed the lesser of 50 percent of the maximum annual grant amount authorized by this Section or the actual cost of tuition and fees at the institution at which the student is enrolled at least part-time. For the regular academic year, the Commission shall determine the grant amount for each full-time and part-time student, which shall be the smallest of the following amounts:

- (1) \$4,968 for 2 semesters or 3 quarters of full-time undergraduate enrollment or \$2,484 for 2 semesters or 3 quarters of part-time undergraduate enrollment, or such lesser amount as the Commission finds to be available; or
- (2) the amount which equals the 2 semesters or 3 quarters tuition and other necessary fees required generally by the institution of all full-time undergraduate students, or in the case of part-time students an amount of tuition and fees for 2 semesters or 3 quarters which shall not exceed one-half the amount of tuition and necessary fees generally charged to full-time undergraduate students by the institution; or
- (3) such amount as the Commission finds to be appropriate in view of the applicant's financial resources.

"Tuition and other necessary fees" as used in this Section include the customary charge for instruction and use of facilities in general, and the additional fixed fees charged for specified purposes, which are required generally of nongrant recipients for each academic period for which the grant applicant actually enrolls, but do not include fees payable only once or breakage fees and other contingent deposits which are refundable in whole or in part. The Commission may prescribe, by rule not inconsistent with this Section, detailed provisions concerning the computation of tuition and other necessary fees.

(d) No applicant, including those presently receiving scholarship assistance under this Act, is eligible for monetary award program consideration under this Act after receiving a baccalaureate degree or the equivalent of 10 semesters or 15 quarters of award payments. The Commission shall determine when award payments for part-time enrollment or interim or summer terms shall be counted as a partial semester or quarter of payment.

(e) The Commission, in determining the number of grants to be offered, shall take into consideration past experience with the rate of grant funds unclaimed by recipients. The Commission shall notify applicants that grant assistance is contingent upon the availability of appropriated funds.

(f) The Commission may request appropriations for deposit into the Monetary Award Program Reserve Fund. Monies deposited into the Monetary Award Program Reserve Fund may be expended exclusively for one purpose: to make Monetary Award Program grants to eligible students. Amounts on deposit in the Monetary Award Program Reserve Fund may not exceed 2% of the current annual State appropriation for the Monetary Award Program.

The purpose of the Monetary Award Program Reserve Fund is to enable the Commission each year to assure as many students as possible of their eligibility for a Monetary Award Program grant and to do so before commencement of the academic year. Moneys deposited in this Reserve Fund are intended to enhance the Commission's management of the Monetary Award Program, minimizing the necessity, magnitude, and frequency of adjusting award amounts and ensuring that the annual Monetary Award Program appropriation can be fully utilized.

AMENDMENT NO. 1. Amend House Bill 1375 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Victims of Stalking and Domestic Violence Address Confidentiality Act.

Section 5. Purposes. The General Assembly finds that persons attempting to escape from actual or threatened domestic violence or stalking frequently establish new names or addresses in order to prevent their assailants or probable assailants from finding them. The purpose of this Act is to enable State and local agencies to respond to requests for public records without disclosing the changed name or location of a victim of domestic violence or stalking, to enable interagency cooperation with the Attorney General in providing name and address confidentiality for victims of domestic violence or stalking, and to enable State and local agencies to accept a program participant's use of an address designated by the Attorney General as a substitute mailing address.

Section 10. Definitions. Unless the context clearly requires otherwise, the definitions in this Section apply throughout this Act:

"Address" means a residential street address, school address, or work address of an individual, as specified on the individual's application to be a program participant under this Act.

"Program participant" means a person certified as a program participant under Section 20.

Section 15. Address confidentiality program administration. Subject to appropriation, the Attorney General shall administer a demonstration address confidentiality program. At the end of the time period for the demonstration, an evaluation shall be conducted to determine whether or not the program enhances the safety and security of the victims of domestic violence or stalking and if the program design meets the needs of victims of domestic violence or stalking. Implementation of the address confidentiality statewide initiative shall proceed if it is determined that the use of the program services warrants the cost of the program implementation and appropriations are provided for this action.

Section 20. Program participants.

(a) An adult person, a parent or legal guardian acting on behalf of a minor, or a legal guardian acting on behalf of a person under legal disability may apply to the Attorney General to have an address certified by the Attorney General serve as the person's address or the address of the minor or the person under legal disability. An application shall be completed in person at a designated community-based victims' assistance program.

The application process shall include a requirement that the applicant meet with a victims' assistance counselor and receive orientation information about the program. The Attorney General shall approve an application if it is filed in the manner and on the form prescribed by the Attorney General and if it contains all of the following:

(1) A sworn statement by the applicant, and witnessed by an appointed representative of any agency designated in writing under Section 60 of this Act, that the applicant has good reason to believe both of the following:

(B) that the applicant fears for his or her safety or his or her children's safety, or the safety of the minor or incapacitated person on whose behalf the application is made.

(2) If the applicant alleges that the basis for the application is that the applicant, or the minor or person under legal disability on whose behalf the application is made, is a victim of domestic violence, the application shall be accompanied by at least 2 pieces of evidence including, but not limited to, any of the following:

(A) police, court, or other government agency reports, orders, or files; or

(B) any other evidence supporting the sworn statements that provides the basis for the claim or physical evidence of the act or acts of domestic violence or stalking from:

(i) a domestic violence program if the person is alleged to be a victim of domestic violence;

(ii) a legal, medical, or the other professional from whom the applicant or person on whose behalf the application is made has sought assistance in dealing with the alleged domestic violence or stalking; or

(iii) any individual with knowledge of the circumstances that provides the basis for the claim, or physical evidence of the act or acts of domestic violence or stalking.

(3) A designation of a representative of any agency designated in writing under Section 60 of this Act as an agent for purposes of service of process and for the purpose of receipt of mail.

(4) The mailing addresses where the applicant and agent can be contacted by the Attorney General and the phone number or numbers where the applicant can be called by the Attorney General.

(5) The address or addresses that the applicant requests not be disclosed for the reason that disclosure will increase the risk of domestic violence or stalking.

(6) The signature of the applicant and of any individual or representative of any office designated in writing under Section 60 who assisted in the preparation of the application and the date on which the applicant signed the application.

(7) Proof of a legal change of name, as appropriate.

disability on whose behalf the application is made, or who knowingly provides false or incorrect information upon making an application, is guilty of a Class A misdemeanor. A notice shall be printed in bold type and in a conspicuous location on the face of the application informing the applicant of the penalties under this subsection.

Section 25. Agent; service.

(a) Service on the agent of any summons, writ, notice, demand, or process shall be made by delivering to the agent 2 copies of the summons, writ, notice, demand, or process.

(b) If a summons, writ, notice, demand, or process is served on the agent, the agent shall immediately cause a copy to be forwarded to the program participant at the address shown on the records of the address confidentiality program so that the summons, writ, notice, demand, or process is received by the program participant within 3 days of the agent having received it.

(c) The agent shall keep a record of all summonses, writs, notices, demands, and processes served upon the agent under this Section and shall record the time of that service. The agent shall forward documentation indicating that this information is on file at the agency to the Attorney General.

(d) The Office of the Attorney General, any agent or person employed by the Attorney General, and any agent shall be held harmless from any liability in any action brought by any person injured or harmed as a result of the handling of first-class mail on behalf of program participants.

(a) The address confidentiality program manager may terminate a program participant's certification and invalidate his or her authorization card for any of the following reasons:

(1) The program participant's certification term has expired and certification renewal has not been completed.

(4) A service of process document or mail forwarded to the program participant by the address confidentiality program manager or agent is returned as nondeliverable.

(d) Upon receipt of this termination notification, agent shall transmit to the address confidentiality program manager all appropriate administrative records pertaining to the program participant and shall no longer be responsible for maintaining the confidentiality of a terminated program participant's record.

(e) Following termination of program participant certification as a result of subsection (a), the address confidentiality program manager may disclose information contained in the participant's application.

(f) Any records or documents pertaining to a program participant shall be retained and held confidential for a period of 3 years after termination of certification and then destroyed.

(d) The agent shall forward all first-class mail and all mail sent by a governmental agency to the appropriate program participants. The agent shall not handle or forward packages regardless of size or type of mailing.

(e) Notwithstanding subsections (a) and (b), program participants shall comply with the provisions specified in Section 6-117 of the Illinois Vehicle Code if requesting suppression of the records maintained by the Secretary of State under the Illinois Vehicle Code. Program participants shall also comply with all other provisions of the Illinois Vehicle Code relating to providing current address information to the Secretary of State.

ARTICLE 21A. NEW TEACHER INDUCTION AND MENTORING

(105 ILCS 5/21A-5 new)

Sec. 21A-5. Findings and declarations. The General Assembly finds and declares all of the following:

(1) The revised system of teacher certification established under subsection (g) of Section 21-1a of this Code recognizes that the first years of teaching are particularly critical to a teacher's professional development and that teachers who hold Initial Teaching Certificates need to develop their knowledge, skills, and abilities before being issued Standard Teaching Certificates.

(2) When new teachers are provided with focused professional development opportunities and support and guidance from experienced teachers, a process known as induction and mentoring, the new teachers more quickly and effectively develop the knowledge, skills, and abilities expected of teachers holding Standard Teaching Certificates.

(3) To be effective, induction and mentoring programs must be designed to enhance the knowledge, skills, and abilities described in the Illinois Professional Teaching Standards and content area standards. These programs must be based on research and best practices, targeted toward a set of clearly defined purposes, and must include mentoring, continuing support and professional development, and regular opportunities for formative assessment of a new teacher.

(4) In authorizing induction and mentoring programs, it is the intent of the General Assembly to create programs to maximize the development of the knowledge, skills, and abilities of teachers who hold Initial Teaching Certificates and to provide adequate funding for these programs.

(105 ILCS 5/21A-10 new)

Sec. 21A-10. Definitions. In this Article:

"New teacher" means the holder of an Initial Teaching Certificate, as set forth in Section 21-2 of this Code, who is employed by a public school and who has not previously participated in a new teacher induction and mentoring program required by this Article, except as provided in Section 21A-30 of this Code.

"Public school" means any school operating pursuant to the authority of this Code, including without limitation a school district, a charter school, a cooperative or joint agreement with a governing body or board of control, and a school operated by a regional office of education.

(105 ILCS 5/21A-15 new)

Sec. 21A-15. Development of program required. During the 2003-2004 school year, each public school or 2 or more public schools acting jointly shall develop, in conjunction with its exclusive representative or their exclusive representatives, if any, a new teacher induction and mentoring program to assist new teachers in developing the skills and strategies necessary for instructional excellence, provided that funding is made available by the State Board of Education from an appropriation made for this purpose.

(105 ILCS 5/21A-20 new)

Sec. 21A-20. When program is to be established and implemented. Notwithstanding any other provisions of this Code, by the beginning of the 2004-2005 school year, each public school or 2 or more public schools acting jointly shall establish and implement, in conjunction with its exclusive representative or their exclusive representatives, if any, the new teacher induction and mentoring program as set forth in this Article, provided that funding is made available by the State Board of Education, from an appropriation made for this purpose, as described in Section 21A-30 of this Code. A public school may contract with an

institution of higher education or other independent party to assist in implementing the program.

(105 ILCS 5/21A-25 new)

Sec. 21A-25. Program requirements. Each new teacher induction and mentoring program must be based on a plan that at least does all of the following:

(1) Assigns a mentor teacher to each new teacher for a period of time established by the public school, which must be for a period of at least 2 school years.

(2) Aligns with the Illinois Professional Teaching Standards, content area standards, and applicable local school improvement and professional development plans, if any.

(3) Addresses all of the following elements and how they will be provided:

(A) Mentoring of the new teacher.

(B) Professional development specifically designed to ensure the growth of the new teacher's knowledge and skills.

(C) Formative assessment designed to ensure feedback and reflection, which must not be used in any evaluation of the new teacher.

(4) Describes the role of mentor teachers, the criteria and process for their selection, and how they will be trained, provided that each mentor teacher shall demonstrate the best practices in teaching his or her respective field of practice. A mentor teacher may not directly or indirectly participate in the evaluation of a new teacher pursuant to Article 24A of this Code or the evaluation procedure of the public school.

(105 ILCS 5/21A-30 new)

Sec. 21A-30. Funding. From a separate appropriation made for the purposes of this Article, for each new teacher participating in a new teacher induction and mentoring program, the State Board of Education shall pay the public school \$1,200 annually for each of 2 school years for the purpose of providing one or more of the following:

(1) Mentor teacher compensation.

(2) Mentor teacher training or new teacher training or both.

(3) Release time.

However, if a new teacher, after participating in the new teacher induction and mentoring program for one school year, becomes employed by another public school, the State Board of Education shall pay the teacher's new school \$1,200 for the second school year and the teacher shall continue to be a new teacher as defined in this Article. Each public school shall determine, in conjunction with its exclusive representative, if any, how the \$1,200 per school year for each new teacher shall be used, provided that if a mentor teacher receives additional release time to support a new teacher, the total workload of other teachers regularly employed by the public school shall not increase in any substantial manner. The first report of this evaluation shall be presented to the General Assembly on or before January 1, 2009. Subsequent evaluations shall be conducted and reports presented to the General Assembly on or before January 1 of every third year thereafter.

(105 ILCS 5/21A-40 new)

(a) Before placing a child who is a ward of the Department in a foster family home, a private child welfare agency must ascertain (i) whether any other children who are wards of the Department have been placed in that home and (ii) whether every such child who has been placed in that home continues to reside in that home, unless the child has been transferred to another placement or is no longer a ward of the Department. The agency must keep a record of every other child welfare agency that has placed such a child in that foster family home; the record must include the name and telephone number of a contact person at each such agency.

(b) At least once every 30 days, a private child welfare agency that places wards of the Department in foster family homes must make a site visit to every such home where it has placed a ward. The purpose of the site visit is to verify that the child continues to reside in that home and to verify the child's safety and well-being. The agency must document the verification in its records. If a private child welfare agency fails to comply with the requirements of this subsection, the Department must suspend all payments to the agency until the agency complies.

(d) If a child placed in a foster family home is missing, the foster parent must promptly report that fact to the Department or to the child welfare agency that placed the child in the home. If the foster parent fails to make such a report, the Department shall put the home on hold for the placement of other children and initiate corrective action that may include revocation of the foster parent's license to operate the foster family home. A foster parent who knowingly and willfully fails to report a missing foster child under this subsection is guilty of a Class A misdemeanor.

(e) If a private child welfare agency determines that a ward of the Department whom it has placed in a foster family home no longer resides in that home, the agency must promptly report that fact to the Department. If the agency fails to make such a report, the Department shall put the agency on hold for the placement of other children and initiate corrective action that may include revocation of the agency's license.

(f) When a child is missing from a foster home, the Department or private agency in charge of case management shall report regularly to the foster parent concerning efforts to locate the missing child.

(g) The Department must strive to account for the status and whereabouts of every one of its wards who it determines is not residing in the authorized placement in which he or she was placed.
