

1 AN ACT concerning abortion.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The State Employees Group Insurance Act of 1971  
5 is amended by changing Sections 6 and 6.1 as follows:

6 (5 ILCS 375/6) (from Ch. 127, par. 526)

7 Sec. 6. Program of health benefits.

8 (a) The program of health benefits shall provide for  
9 protection against the financial costs of health care expenses  
10 incurred in and out of hospital including basic  
11 hospital-surgical-medical coverages. The program may include,  
12 but shall not be limited to, such supplemental coverages as  
13 out-patient diagnostic X-ray and laboratory expenses,  
14 prescription drugs, dental services, hearing evaluations,  
15 hearing aids, the dispensing and fitting of hearing aids, and  
16 similar group benefits as are now or may become available.  
17 ~~However, nothing in this Act shall be construed to permit, on~~  
18 ~~or after July 1, 1980, the non-contributory portion of any such~~  
19 ~~program to include the expenses of obtaining an abortion,~~  
20 ~~induced miscarriage or induced premature birth unless, in the~~  
21 ~~opinion of a physician, such procedures are necessary for the~~  
22 ~~preservation of the life of the woman seeking such treatment,~~  
23 ~~or except an induced premature birth intended to produce a live~~

1 ~~viable child and such procedure is necessary for the health of~~  
2 ~~the mother or the unborn child.~~ The program may also include  
3 coverage for those who rely on treatment by prayer or spiritual  
4 means alone for healing in accordance with the tenets and  
5 practice of a recognized religious denomination.

6 The program of health benefits shall be designed by the  
7 Director (1) to provide a reasonable relationship between the  
8 benefits to be included and the expected distribution of  
9 expenses of each such type to be incurred by the covered  
10 members and dependents, (2) to specify, as covered benefits and  
11 as optional benefits, the medical services of practitioners in  
12 all categories licensed under the Medical Practice Act of 1987,  
13 (3) to include reasonable controls, which may include  
14 deductible and co-insurance provisions, applicable to some or  
15 all of the benefits, or a coordination of benefits provision,  
16 to prevent or minimize unnecessary utilization of the various  
17 hospital, surgical and medical expenses to be provided and to  
18 provide reasonable assurance of stability of the program, and  
19 (4) to provide benefits to the extent possible to members  
20 throughout the State, wherever located, on an equitable basis.  
21 Notwithstanding any other provision of this Section or Act, for  
22 all members or dependents who are eligible for benefits under  
23 Social Security or the Railroad Retirement system or who had  
24 sufficient Medicare-covered government employment, the  
25 Department shall reduce benefits which would otherwise be paid  
26 by Medicare, by the amount of benefits for which the member or

1 dependents are eligible under Medicare, except that such  
2 reduction in benefits shall apply only to those members or  
3 dependents who (1) first become eligible for such medicare  
4 coverage on or after the effective date of this amendatory Act  
5 of 1992; or (2) are Medicare-eligible members or dependents of  
6 a local government unit which began participation in the  
7 program on or after July 1, 1992; or (3) remain eligible for  
8 but no longer receive Medicare coverage which they had been  
9 receiving on or after the effective date of this amendatory Act  
10 of 1992.

11 Notwithstanding any other provisions of this Act, where a  
12 covered member or dependents are eligible for benefits under  
13 the federal Medicare health insurance program (Title XVIII of  
14 the Social Security Act as added by Public Law 89-97, 89th  
15 Congress), benefits paid under the State of Illinois program or  
16 plan will be reduced by the amount of benefits paid by  
17 Medicare. For members or dependents who are eligible for  
18 benefits under Social Security or the Railroad Retirement  
19 system or who had sufficient Medicare-covered government  
20 employment, benefits shall be reduced by the amount for which  
21 the member or dependent is eligible under Medicare, except that  
22 such reduction in benefits shall apply only to those members or  
23 dependents who (1) first become eligible for such Medicare  
24 coverage on or after the effective date of this amendatory Act  
25 of 1992; or (2) are Medicare-eligible members or dependents of  
26 a local government unit which began participation in the

1 program on or after July 1, 1992; or (3) remain eligible for,  
2 but no longer receive Medicare coverage which they had been  
3 receiving on or after the effective date of this amendatory Act  
4 of 1992. Premiums may be adjusted, where applicable, to an  
5 amount deemed by the Director to be reasonably consistent with  
6 any reduction of benefits.

7 (b) A member, not otherwise covered by this Act, who has  
8 retired as a participating member under Article 2 of the  
9 Illinois Pension Code but is ineligible for the retirement  
10 annuity under Section 2-119 of the Illinois Pension Code, shall  
11 pay the premiums for coverage, not exceeding the amount paid by  
12 the State for the non-contributory coverage for other members,  
13 under the group health benefits program under this Act. The  
14 Director shall determine the premiums to be paid by a member  
15 under this subsection (b).

16 (Source: P.A. 93-47, eff. 7-1-03.)

17 (5 ILCS 375/6.1) (from Ch. 127, par. 526.1)

18 Sec. 6.1. The program of health benefits may offer as an  
19 alternative, available on an optional basis, coverage through  
20 health maintenance organizations. That part of the premium for  
21 such coverage which is in excess of the amount which would  
22 otherwise be paid by the State for the program of health  
23 benefits shall be paid by the member who elects such  
24 alternative coverage and shall be collected as provided for  
25 premiums for other optional coverages.

1       ~~However, nothing in this Act shall be construed to permit,~~  
2       ~~after the effective date of this amendatory Act of 1983, the~~  
3       ~~noncontributory portion of any such program to include the~~  
4       ~~expenses of obtaining an abortion, induced miscarriage or~~  
5       ~~induced premature birth unless, in the opinion of a physician,~~  
6       ~~such procedures are necessary for the preservation of the life~~  
7       ~~of the woman seeking such treatment, or except an induced~~  
8       ~~premature birth intended to produce a live viable child and~~  
9       ~~such procedure is necessary for the health of the mother or her~~  
10       ~~unborn child.~~

11       (Source: P.A. 85-848.)

12       Section 10. The Illinois Public Aid Code is amended by  
13       changing Sections 5-5, 5-8, 5-9, and 6-1 as follows:

14             (305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

15       Sec. 5-5. Medical services. The Illinois Department, by  
16       rule, shall determine the quantity and quality of and the rate  
17       of reimbursement for the medical assistance for which payment  
18       will be authorized, and the medical services to be provided,  
19       which may include all or part of the following: (1) inpatient  
20       hospital services; (2) outpatient hospital services; (3) other  
21       laboratory and X-ray services; (4) skilled nursing home  
22       services; (5) physicians' services whether furnished in the  
23       office, the patient's home, a hospital, a skilled nursing home,  
24       or elsewhere; (6) medical care, or any other type of remedial

1 care furnished by licensed practitioners; (7) home health care  
2 services; (8) private duty nursing service; (9) clinic  
3 services; (10) dental services, including prevention and  
4 treatment of periodontal disease and dental caries disease for  
5 pregnant women, provided by an individual licensed to practice  
6 dentistry or dental surgery; for purposes of this item (10),  
7 "dental services" means diagnostic, preventive, or corrective  
8 procedures provided by or under the supervision of a dentist in  
9 the practice of his or her profession; (11) physical therapy  
10 and related services; (12) prescribed drugs, dentures, and  
11 prosthetic devices; and eyeglasses prescribed by a physician  
12 skilled in the diseases of the eye, or by an optometrist,  
13 whichever the person may select; (13) other diagnostic,  
14 screening, preventive, and rehabilitative services, including  
15 to ensure that the individual's need for intervention or  
16 treatment of mental disorders or substance use disorders or  
17 co-occurring mental health and substance use disorders is  
18 determined using a uniform screening, assessment, and  
19 evaluation process inclusive of criteria, for children and  
20 adults; for purposes of this item (13), a uniform screening,  
21 assessment, and evaluation process refers to a process that  
22 includes an appropriate evaluation and, as warranted, a  
23 referral; "uniform" does not mean the use of a singular  
24 instrument, tool, or process that all must utilize; (14)  
25 transportation and such other expenses as may be necessary;  
26 (15) medical treatment of sexual assault survivors, as defined

1 in Section 1a of the Sexual Assault Survivors Emergency  
2 Treatment Act, for injuries sustained as a result of the sexual  
3 assault, including examinations and laboratory tests to  
4 discover evidence which may be used in criminal proceedings  
5 arising from the sexual assault; (16) the diagnosis and  
6 treatment of sickle cell anemia; and (17) any other medical  
7 care, and any other type of remedial care recognized under the  
8 laws of this State, ~~but not including abortions, or induced~~  
9 ~~miscarriages or premature births, unless, in the opinion of a~~  
10 ~~physician, such procedures are necessary for the preservation~~  
11 ~~of the life of the woman seeking such treatment, or except an~~  
12 ~~induced premature birth intended to produce a live viable child~~  
13 ~~and such procedure is necessary for the health of the mother or~~  
14 ~~her unborn child. The Illinois Department, by rule, shall~~  
15 ~~prohibit any physician from providing medical assistance to~~  
16 ~~anyone eligible therefor under this Code where such physician~~  
17 ~~has been found guilty of performing an abortion procedure in a~~  
18 ~~wilful and wanton manner upon a woman who was not pregnant at~~  
19 ~~the time such abortion procedure was performed. The term "any~~  
20 other type of remedial care" shall include nursing care and  
21 nursing home service for persons who rely on treatment by  
22 spiritual means alone through prayer for healing.

23 Notwithstanding any other provision of this Section, a  
24 comprehensive tobacco use cessation program that includes  
25 purchasing prescription drugs or prescription medical devices  
26 approved by the Food and Drug Administration shall be covered

1 under the medical assistance program under this Article for  
2 persons who are otherwise eligible for assistance under this  
3 Article.

4 Notwithstanding any other provision of this Code,  
5 reproductive health care that is otherwise legal in Illinois  
6 shall be covered under the medical assistance program for  
7 persons who are otherwise eligible for medical assistance under  
8 this Article.

9 Notwithstanding any other provision of this Code, the  
10 Illinois Department may not require, as a condition of payment  
11 for any laboratory test authorized under this Article, that a  
12 physician's handwritten signature appear on the laboratory  
13 test order form. The Illinois Department may, however, impose  
14 other appropriate requirements regarding laboratory test order  
15 documentation.

16 Upon receipt of federal approval of an amendment to the  
17 Illinois Title XIX State Plan for this purpose, the Department  
18 shall authorize the Chicago Public Schools (CPS) to procure a  
19 vendor or vendors to manufacture eyeglasses for individuals  
20 enrolled in a school within the CPS system. CPS shall ensure  
21 that its vendor or vendors are enrolled as providers in the  
22 medical assistance program and in any capitated Medicaid  
23 managed care entity (MCE) serving individuals enrolled in a  
24 school within the CPS system. Under any contract procured under  
25 this provision, the vendor or vendors must serve only  
26 individuals enrolled in a school within the CPS system. Claims

1 for services provided by CPS's vendor or vendors to recipients  
2 of benefits in the medical assistance program under this Code,  
3 the Children's Health Insurance Program, or the Covering ALL  
4 KIDS Health Insurance Program shall be submitted to the  
5 Department or the MCE in which the individual is enrolled for  
6 payment and shall be reimbursed at the Department's or the  
7 MCE's established rates or rate methodologies for eyeglasses.

8 On and after July 1, 2012, the Department of Healthcare and  
9 Family Services may provide the following services to persons  
10 eligible for assistance under this Article who are  
11 participating in education, training or employment programs  
12 operated by the Department of Human Services as successor to  
13 the Department of Public Aid:

14 (1) dental services provided by or under the  
15 supervision of a dentist; and

16 (2) eyeglasses prescribed by a physician skilled in the  
17 diseases of the eye, or by an optometrist, whichever the  
18 person may select.

19 Notwithstanding any other provision of this Code and  
20 subject to federal approval, the Department may adopt rules to  
21 allow a dentist who is volunteering his or her service at no  
22 cost to render dental services through an enrolled  
23 not-for-profit health clinic without the dentist personally  
24 enrolling as a participating provider in the medical assistance  
25 program. A not-for-profit health clinic shall include a public  
26 health clinic or Federally Qualified Health Center or other

1 enrolled provider, as determined by the Department, through  
2 which dental services covered under this Section are performed.  
3 The Department shall establish a process for payment of claims  
4 for reimbursement for covered dental services rendered under  
5 this provision.

6 The Illinois Department, by rule, may distinguish and  
7 classify the medical services to be provided only in accordance  
8 with the classes of persons designated in Section 5-2.

9 The Department of Healthcare and Family Services must  
10 provide coverage and reimbursement for amino acid-based  
11 elemental formulas, regardless of delivery method, for the  
12 diagnosis and treatment of (i) eosinophilic disorders and (ii)  
13 short bowel syndrome when the prescribing physician has issued  
14 a written order stating that the amino acid-based elemental  
15 formula is medically necessary.

16 The Illinois Department shall authorize the provision of,  
17 and shall authorize payment for, screening by low-dose  
18 mammography for the presence of occult breast cancer for women  
19 35 years of age or older who are eligible for medical  
20 assistance under this Article, as follows:

21 (A) A baseline mammogram for women 35 to 39 years of  
22 age.

23 (B) An annual mammogram for women 40 years of age or  
24 older.

25 (C) A mammogram at the age and intervals considered  
26 medically necessary by the woman's health care provider for

1 women under 40 years of age and having a family history of  
2 breast cancer, prior personal history of breast cancer,  
3 positive genetic testing, or other risk factors.

4 (D) A comprehensive ultrasound screening of an entire  
5 breast or breasts if a mammogram demonstrates  
6 heterogeneous or dense breast tissue, when medically  
7 necessary as determined by a physician licensed to practice  
8 medicine in all of its branches.

9 (E) A screening MRI when medically necessary, as  
10 determined by a physician licensed to practice medicine in  
11 all of its branches.

12 All screenings shall include a physical breast exam,  
13 instruction on self-examination and information regarding the  
14 frequency of self-examination and its value as a preventative  
15 tool. For purposes of this Section, "low-dose mammography"  
16 means the x-ray examination of the breast using equipment  
17 dedicated specifically for mammography, including the x-ray  
18 tube, filter, compression device, and image receptor, with an  
19 average radiation exposure delivery of less than one rad per  
20 breast for 2 views of an average size breast. The term also  
21 includes digital mammography and includes breast  
22 tomosynthesis. As used in this Section, the term "breast  
23 tomosynthesis" means a radiologic procedure that involves the  
24 acquisition of projection images over the stationary breast to  
25 produce cross-sectional digital three-dimensional images of  
26 the breast. If, at any time, the Secretary of the United States

1 Department of Health and Human Services, or its successor  
2 agency, promulgates rules or regulations to be published in the  
3 Federal Register or publishes a comment in the Federal Register  
4 or issues an opinion, guidance, or other action that would  
5 require the State, pursuant to any provision of the Patient  
6 Protection and Affordable Care Act (Public Law 111-148),  
7 including, but not limited to, 42 U.S.C. 18031(d)(3)(B) or any  
8 successor provision, to defray the cost of any coverage for  
9 breast tomosynthesis outlined in this paragraph, then the  
10 requirement that an insurer cover breast tomosynthesis is  
11 inoperative other than any such coverage authorized under  
12 Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and  
13 the State shall not assume any obligation for the cost of  
14 coverage for breast tomosynthesis set forth in this paragraph.

15 On and after January 1, 2016, the Department shall ensure  
16 that all networks of care for adult clients of the Department  
17 include access to at least one breast imaging Center of Imaging  
18 Excellence as certified by the American College of Radiology.

19 On and after January 1, 2012, providers participating in a  
20 quality improvement program approved by the Department shall be  
21 reimbursed for screening and diagnostic mammography at the same  
22 rate as the Medicare program's rates, including the increased  
23 reimbursement for digital mammography.

24 The Department shall convene an expert panel including  
25 representatives of hospitals, free-standing mammography  
26 facilities, and doctors, including radiologists, to establish

1 quality standards for mammography.

2 On and after January 1, 2017, providers participating in a  
3 breast cancer treatment quality improvement program approved  
4 by the Department shall be reimbursed for breast cancer  
5 treatment at a rate that is no lower than 95% of the Medicare  
6 program's rates for the data elements included in the breast  
7 cancer treatment quality program.

8 The Department shall convene an expert panel, including  
9 representatives of hospitals, free standing breast cancer  
10 treatment centers, breast cancer quality organizations, and  
11 doctors, including breast surgeons, reconstructive breast  
12 surgeons, oncologists, and primary care providers to establish  
13 quality standards for breast cancer treatment.

14 Subject to federal approval, the Department shall  
15 establish a rate methodology for mammography at federally  
16 qualified health centers and other encounter-rate clinics.  
17 These clinics or centers may also collaborate with other  
18 hospital-based mammography facilities. By January 1, 2016, the  
19 Department shall report to the General Assembly on the status  
20 of the provision set forth in this paragraph.

21 The Department shall establish a methodology to remind  
22 women who are age-appropriate for screening mammography, but  
23 who have not received a mammogram within the previous 18  
24 months, of the importance and benefit of screening mammography.  
25 The Department shall work with experts in breast cancer  
26 outreach and patient navigation to optimize these reminders and

1 shall establish a methodology for evaluating their  
2 effectiveness and modifying the methodology based on the  
3 evaluation.

4 The Department shall establish a performance goal for  
5 primary care providers with respect to their female patients  
6 over age 40 receiving an annual mammogram. This performance  
7 goal shall be used to provide additional reimbursement in the  
8 form of a quality performance bonus to primary care providers  
9 who meet that goal.

10 The Department shall devise a means of case-managing or  
11 patient navigation for beneficiaries diagnosed with breast  
12 cancer. This program shall initially operate as a pilot program  
13 in areas of the State with the highest incidence of mortality  
14 related to breast cancer. At least one pilot program site shall  
15 be in the metropolitan Chicago area and at least one site shall  
16 be outside the metropolitan Chicago area. On or after July 1,  
17 2016, the pilot program shall be expanded to include one site  
18 in western Illinois, one site in southern Illinois, one site in  
19 central Illinois, and 4 sites within metropolitan Chicago. An  
20 evaluation of the pilot program shall be carried out measuring  
21 health outcomes and cost of care for those served by the pilot  
22 program compared to similarly situated patients who are not  
23 served by the pilot program.

24 The Department shall require all networks of care to  
25 develop a means either internally or by contract with experts  
26 in navigation and community outreach to navigate cancer

1 patients to comprehensive care in a timely fashion. The  
2 Department shall require all networks of care to include access  
3 for patients diagnosed with cancer to at least one academic  
4 commission on cancer-accredited cancer program as an  
5 in-network covered benefit.

6 Any medical or health care provider shall immediately  
7 recommend, to any pregnant woman who is being provided prenatal  
8 services and is suspected of drug abuse or is addicted as  
9 defined in the Alcoholism and Other Drug Abuse and Dependency  
10 Act, referral to a local substance abuse treatment provider  
11 licensed by the Department of Human Services or to a licensed  
12 hospital which provides substance abuse treatment services.  
13 The Department of Healthcare and Family Services shall assure  
14 coverage for the cost of treatment of the drug abuse or  
15 addiction for pregnant recipients in accordance with the  
16 Illinois Medicaid Program in conjunction with the Department of  
17 Human Services.

18 All medical providers providing medical assistance to  
19 pregnant women under this Code shall receive information from  
20 the Department on the availability of services under the Drug  
21 Free Families with a Future or any comparable program providing  
22 case management services for addicted women, including  
23 information on appropriate referrals for other social services  
24 that may be needed by addicted women in addition to treatment  
25 for addiction.

26 The Illinois Department, in cooperation with the

1 Departments of Human Services (as successor to the Department  
2 of Alcoholism and Substance Abuse) and Public Health, through a  
3 public awareness campaign, may provide information concerning  
4 treatment for alcoholism and drug abuse and addiction, prenatal  
5 health care, and other pertinent programs directed at reducing  
6 the number of drug-affected infants born to recipients of  
7 medical assistance.

8 Neither the Department of Healthcare and Family Services  
9 nor the Department of Human Services shall sanction the  
10 recipient solely on the basis of her substance abuse.

11 The Illinois Department shall establish such regulations  
12 governing the dispensing of health services under this Article  
13 as it shall deem appropriate. The Department should seek the  
14 advice of formal professional advisory committees appointed by  
15 the Director of the Illinois Department for the purpose of  
16 providing regular advice on policy and administrative matters,  
17 information dissemination and educational activities for  
18 medical and health care providers, and consistency in  
19 procedures to the Illinois Department.

20 The Illinois Department may develop and contract with  
21 Partnerships of medical providers to arrange medical services  
22 for persons eligible under Section 5-2 of this Code.  
23 Implementation of this Section may be by demonstration projects  
24 in certain geographic areas. The Partnership shall be  
25 represented by a sponsor organization. The Department, by rule,  
26 shall develop qualifications for sponsors of Partnerships.

1 Nothing in this Section shall be construed to require that the  
2 sponsor organization be a medical organization.

3 The sponsor must negotiate formal written contracts with  
4 medical providers for physician services, inpatient and  
5 outpatient hospital care, home health services, treatment for  
6 alcoholism and substance abuse, and other services determined  
7 necessary by the Illinois Department by rule for delivery by  
8 Partnerships. Physician services must include prenatal and  
9 obstetrical care. The Illinois Department shall reimburse  
10 medical services delivered by Partnership providers to clients  
11 in target areas according to provisions of this Article and the  
12 Illinois Health Finance Reform Act, except that:

13 (1) Physicians participating in a Partnership and  
14 providing certain services, which shall be determined by  
15 the Illinois Department, to persons in areas covered by the  
16 Partnership may receive an additional surcharge for such  
17 services.

18 (2) The Department may elect to consider and negotiate  
19 financial incentives to encourage the development of  
20 Partnerships and the efficient delivery of medical care.

21 (3) Persons receiving medical services through  
22 Partnerships may receive medical and case management  
23 services above the level usually offered through the  
24 medical assistance program.

25 Medical providers shall be required to meet certain  
26 qualifications to participate in Partnerships to ensure the

1 delivery of high quality medical services. These  
2 qualifications shall be determined by rule of the Illinois  
3 Department and may be higher than qualifications for  
4 participation in the medical assistance program. Partnership  
5 sponsors may prescribe reasonable additional qualifications  
6 for participation by medical providers, only with the prior  
7 written approval of the Illinois Department.

8 Nothing in this Section shall limit the free choice of  
9 practitioners, hospitals, and other providers of medical  
10 services by clients. In order to ensure patient freedom of  
11 choice, the Illinois Department shall immediately promulgate  
12 all rules and take all other necessary actions so that provided  
13 services may be accessed from therapeutically certified  
14 optometrists to the full extent of the Illinois Optometric  
15 Practice Act of 1987 without discriminating between service  
16 providers.

17 The Department shall apply for a waiver from the United  
18 States Health Care Financing Administration to allow for the  
19 implementation of Partnerships under this Section.

20 The Illinois Department shall require health care  
21 providers to maintain records that document the medical care  
22 and services provided to recipients of Medical Assistance under  
23 this Article. Such records must be retained for a period of not  
24 less than 6 years from the date of service or as provided by  
25 applicable State law, whichever period is longer, except that  
26 if an audit is initiated within the required retention period

1 then the records must be retained until the audit is completed  
2 and every exception is resolved. The Illinois Department shall  
3 require health care providers to make available, when  
4 authorized by the patient, in writing, the medical records in a  
5 timely fashion to other health care providers who are treating  
6 or serving persons eligible for Medical Assistance under this  
7 Article. All dispensers of medical services shall be required  
8 to maintain and retain business and professional records  
9 sufficient to fully and accurately document the nature, scope,  
10 details and receipt of the health care provided to persons  
11 eligible for medical assistance under this Code, in accordance  
12 with regulations promulgated by the Illinois Department. The  
13 rules and regulations shall require that proof of the receipt  
14 of prescription drugs, dentures, prosthetic devices and  
15 eyeglasses by eligible persons under this Section accompany  
16 each claim for reimbursement submitted by the dispenser of such  
17 medical services. No such claims for reimbursement shall be  
18 approved for payment by the Illinois Department without such  
19 proof of receipt, unless the Illinois Department shall have put  
20 into effect and shall be operating a system of post-payment  
21 audit and review which shall, on a sampling basis, be deemed  
22 adequate by the Illinois Department to assure that such drugs,  
23 dentures, prosthetic devices and eyeglasses for which payment  
24 is being made are actually being received by eligible  
25 recipients. Within 90 days after September 16, 1984 (the  
26 effective date of Public Act 83-1439), the Illinois Department

1 shall establish a current list of acquisition costs for all  
2 prosthetic devices and any other items recognized as medical  
3 equipment and supplies reimbursable under this Article and  
4 shall update such list on a quarterly basis, except that the  
5 acquisition costs of all prescription drugs shall be updated no  
6 less frequently than every 30 days as required by Section  
7 5-5.12.

8 ~~The rules and regulations of the Illinois Department shall~~  
9 ~~require that a written statement including the required opinion~~  
10 ~~of a physician shall accompany any claim for reimbursement for~~  
11 ~~abortions, or induced miscarriages or premature births. This~~  
12 ~~statement shall indicate what procedures were used in providing~~  
13 ~~such medical services.~~

14 Notwithstanding any other law to the contrary, the Illinois  
15 Department shall, within 365 days after July 22, 2013 (the  
16 effective date of Public Act 98-104), establish procedures to  
17 permit skilled care facilities licensed under the Nursing Home  
18 Care Act to submit monthly billing claims for reimbursement  
19 purposes. Following development of these procedures, the  
20 Department shall, by July 1, 2016, test the viability of the  
21 new system and implement any necessary operational or  
22 structural changes to its information technology platforms in  
23 order to allow for the direct acceptance and payment of nursing  
24 home claims.

25 Notwithstanding any other law to the contrary, the Illinois  
26 Department shall, within 365 days after August 15, 2014 (the

1 effective date of Public Act 98-963), establish procedures to  
2 permit ID/DD facilities licensed under the ID/DD Community Care  
3 Act and MC/DD facilities licensed under the MC/DD Act to submit  
4 monthly billing claims for reimbursement purposes. Following  
5 development of these procedures, the Department shall have an  
6 additional 365 days to test the viability of the new system and  
7 to ensure that any necessary operational or structural changes  
8 to its information technology platforms are implemented.

9 The Illinois Department shall require all dispensers of  
10 medical services, other than an individual practitioner or  
11 group of practitioners, desiring to participate in the Medical  
12 Assistance program established under this Article to disclose  
13 all financial, beneficial, ownership, equity, surety or other  
14 interests in any and all firms, corporations, partnerships,  
15 associations, business enterprises, joint ventures, agencies,  
16 institutions or other legal entities providing any form of  
17 health care services in this State under this Article.

18 The Illinois Department may require that all dispensers of  
19 medical services desiring to participate in the medical  
20 assistance program established under this Article disclose,  
21 under such terms and conditions as the Illinois Department may  
22 by rule establish, all inquiries from clients and attorneys  
23 regarding medical bills paid by the Illinois Department, which  
24 inquiries could indicate potential existence of claims or liens  
25 for the Illinois Department.

26 Enrollment of a vendor shall be subject to a provisional

1 period and shall be conditional for one year. During the period  
2 of conditional enrollment, the Department may terminate the  
3 vendor's eligibility to participate in, or may disenroll the  
4 vendor from, the medical assistance program without cause.  
5 Unless otherwise specified, such termination of eligibility or  
6 disenrollment is not subject to the Department's hearing  
7 process. However, a disenrolled vendor may reapply without  
8 penalty.

9 The Department has the discretion to limit the conditional  
10 enrollment period for vendors based upon category of risk of  
11 the vendor.

12 Prior to enrollment and during the conditional enrollment  
13 period in the medical assistance program, all vendors shall be  
14 subject to enhanced oversight, screening, and review based on  
15 the risk of fraud, waste, and abuse that is posed by the  
16 category of risk of the vendor. The Illinois Department shall  
17 establish the procedures for oversight, screening, and review,  
18 which may include, but need not be limited to: criminal and  
19 financial background checks; fingerprinting; license,  
20 certification, and authorization verifications; unscheduled or  
21 unannounced site visits; database checks; prepayment audit  
22 reviews; audits; payment caps; payment suspensions; and other  
23 screening as required by federal or State law.

24 The Department shall define or specify the following: (i)  
25 by provider notice, the "category of risk of the vendor" for  
26 each type of vendor, which shall take into account the level of

1 screening applicable to a particular category of vendor under  
2 federal law and regulations; (ii) by rule or provider notice,  
3 the maximum length of the conditional enrollment period for  
4 each category of risk of the vendor; and (iii) by rule, the  
5 hearing rights, if any, afforded to a vendor in each category  
6 of risk of the vendor that is terminated or disenrolled during  
7 the conditional enrollment period.

8 To be eligible for payment consideration, a vendor's  
9 payment claim or bill, either as an initial claim or as a  
10 resubmitted claim following prior rejection, must be received  
11 by the Illinois Department, or its fiscal intermediary, no  
12 later than 180 days after the latest date on the claim on which  
13 medical goods or services were provided, with the following  
14 exceptions:

15 (1) In the case of a provider whose enrollment is in  
16 process by the Illinois Department, the 180-day period  
17 shall not begin until the date on the written notice from  
18 the Illinois Department that the provider enrollment is  
19 complete.

20 (2) In the case of errors attributable to the Illinois  
21 Department or any of its claims processing intermediaries  
22 which result in an inability to receive, process, or  
23 adjudicate a claim, the 180-day period shall not begin  
24 until the provider has been notified of the error.

25 (3) In the case of a provider for whom the Illinois  
26 Department initiates the monthly billing process.

1           (4) In the case of a provider operated by a unit of  
2           local government with a population exceeding 3,000,000  
3           when local government funds finance federal participation  
4           for claims payments.

5           For claims for services rendered during a period for which  
6           a recipient received retroactive eligibility, claims must be  
7           filed within 180 days after the Department determines the  
8           applicant is eligible. For claims for which the Illinois  
9           Department is not the primary payer, claims must be submitted  
10          to the Illinois Department within 180 days after the final  
11          adjudication by the primary payer.

12          In the case of long term care facilities, within 5 days of  
13          receipt by the facility of required prescreening information,  
14          data for new admissions shall be entered into the Medical  
15          Electronic Data Interchange (MEDI) or the Recipient  
16          Eligibility Verification (REV) System or successor system, and  
17          within 15 days of receipt by the facility of required  
18          prescreening information, admission documents shall be  
19          submitted through MEDI or REV or shall be submitted directly to  
20          the Department of Human Services using required admission  
21          forms. Effective September 1, 2014, admission documents,  
22          including all prescreening information, must be submitted  
23          through MEDI or REV. Confirmation numbers assigned to an  
24          accepted transaction shall be retained by a facility to verify  
25          timely submittal. Once an admission transaction has been  
26          completed, all resubmitted claims following prior rejection

1 are subject to receipt no later than 180 days after the  
2 admission transaction has been completed.

3 Claims that are not submitted and received in compliance  
4 with the foregoing requirements shall not be eligible for  
5 payment under the medical assistance program, and the State  
6 shall have no liability for payment of those claims.

7 To the extent consistent with applicable information and  
8 privacy, security, and disclosure laws, State and federal  
9 agencies and departments shall provide the Illinois Department  
10 access to confidential and other information and data necessary  
11 to perform eligibility and payment verifications and other  
12 Illinois Department functions. This includes, but is not  
13 limited to: information pertaining to licensure;  
14 certification; earnings; immigration status; citizenship; wage  
15 reporting; unearned and earned income; pension income;  
16 employment; supplemental security income; social security  
17 numbers; National Provider Identifier (NPI) numbers; the  
18 National Practitioner Data Bank (NPDB); program and agency  
19 exclusions; taxpayer identification numbers; tax delinquency;  
20 corporate information; and death records.

21 The Illinois Department shall enter into agreements with  
22 State agencies and departments, and is authorized to enter into  
23 agreements with federal agencies and departments, under which  
24 such agencies and departments shall share data necessary for  
25 medical assistance program integrity functions and oversight.  
26 The Illinois Department shall develop, in cooperation with

1 other State departments and agencies, and in compliance with  
2 applicable federal laws and regulations, appropriate and  
3 effective methods to share such data. At a minimum, and to the  
4 extent necessary to provide data sharing, the Illinois  
5 Department shall enter into agreements with State agencies and  
6 departments, and is authorized to enter into agreements with  
7 federal agencies and departments, including but not limited to:  
8 the Secretary of State; the Department of Revenue; the  
9 Department of Public Health; the Department of Human Services;  
10 and the Department of Financial and Professional Regulation.

11 Beginning in fiscal year 2013, the Illinois Department  
12 shall set forth a request for information to identify the  
13 benefits of a pre-payment, post-adjudication, and post-edit  
14 claims system with the goals of streamlining claims processing  
15 and provider reimbursement, reducing the number of pending or  
16 rejected claims, and helping to ensure a more transparent  
17 adjudication process through the utilization of: (i) provider  
18 data verification and provider screening technology; and (ii)  
19 clinical code editing; and (iii) pre-pay, pre- or  
20 post-adjudicated predictive modeling with an integrated case  
21 management system with link analysis. Such a request for  
22 information shall not be considered as a request for proposal  
23 or as an obligation on the part of the Illinois Department to  
24 take any action or acquire any products or services.

25 The Illinois Department shall establish policies,  
26 procedures, standards and criteria by rule for the acquisition,

1 repair and replacement of orthotic and prosthetic devices and  
2 durable medical equipment. Such rules shall provide, but not be  
3 limited to, the following services: (1) immediate repair or  
4 replacement of such devices by recipients; and (2) rental,  
5 lease, purchase or lease-purchase of durable medical equipment  
6 in a cost-effective manner, taking into consideration the  
7 recipient's medical prognosis, the extent of the recipient's  
8 needs, and the requirements and costs for maintaining such  
9 equipment. Subject to prior approval, such rules shall enable a  
10 recipient to temporarily acquire and use alternative or  
11 substitute devices or equipment pending repairs or  
12 replacements of any device or equipment previously authorized  
13 for such recipient by the Department. Notwithstanding any  
14 provision of Section 5-5f to the contrary, the Department may,  
15 by rule, exempt certain replacement wheelchair parts from prior  
16 approval and, for wheelchairs, wheelchair parts, wheelchair  
17 accessories, and related seating and positioning items,  
18 determine the wholesale price by methods other than actual  
19 acquisition costs.

20 The Department shall require, by rule, all providers of  
21 durable medical equipment to be accredited by an accreditation  
22 organization approved by the federal Centers for Medicare and  
23 Medicaid Services and recognized by the Department in order to  
24 bill the Department for providing durable medical equipment to  
25 recipients. No later than 15 months after the effective date of  
26 the rule adopted pursuant to this paragraph, all providers must

1 meet the accreditation requirement.

2       The Department shall execute, relative to the nursing home  
3 prescreening project, written inter-agency agreements with the  
4 Department of Human Services and the Department on Aging, to  
5 effect the following: (i) intake procedures and common  
6 eligibility criteria for those persons who are receiving  
7 non-institutional services; and (ii) the establishment and  
8 development of non-institutional services in areas of the State  
9 where they are not currently available or are undeveloped; and  
10 (iii) notwithstanding any other provision of law, subject to  
11 federal approval, on and after July 1, 2012, an increase in the  
12 determination of need (DON) scores from 29 to 37 for applicants  
13 for institutional and home and community-based long term care;  
14 if and only if federal approval is not granted, the Department  
15 may, in conjunction with other affected agencies, implement  
16 utilization controls or changes in benefit packages to  
17 effectuate a similar savings amount for this population; and  
18 (iv) no later than July 1, 2013, minimum level of care  
19 eligibility criteria for institutional and home and  
20 community-based long term care; and (v) no later than October  
21 1, 2013, establish procedures to permit long term care  
22 providers access to eligibility scores for individuals with an  
23 admission date who are seeking or receiving services from the  
24 long term care provider. In order to select the minimum level  
25 of care eligibility criteria, the Governor shall establish a  
26 workgroup that includes affected agency representatives and

1 stakeholders representing the institutional and home and  
2 community-based long term care interests. This Section shall  
3 not restrict the Department from implementing lower level of  
4 care eligibility criteria for community-based services in  
5 circumstances where federal approval has been granted.

6 The Illinois Department shall develop and operate, in  
7 cooperation with other State Departments and agencies and in  
8 compliance with applicable federal laws and regulations,  
9 appropriate and effective systems of health care evaluation and  
10 programs for monitoring of utilization of health care services  
11 and facilities, as it affects persons eligible for medical  
12 assistance under this Code.

13 The Illinois Department shall report annually to the  
14 General Assembly, no later than the second Friday in April of  
15 1979 and each year thereafter, in regard to:

16 (a) actual statistics and trends in utilization of  
17 medical services by public aid recipients;

18 (b) actual statistics and trends in the provision of  
19 the various medical services by medical vendors;

20 (c) current rate structures and proposed changes in  
21 those rate structures for the various medical vendors; and

22 (d) efforts at utilization review and control by the  
23 Illinois Department.

24 The period covered by each report shall be the 3 years  
25 ending on the June 30 prior to the report. The report shall  
26 include suggested legislation for consideration by the General

1 Assembly. The filing of one copy of the report with the  
2 Speaker, one copy with the Minority Leader and one copy with  
3 the Clerk of the House of Representatives, one copy with the  
4 President, one copy with the Minority Leader and one copy with  
5 the Secretary of the Senate, one copy with the Legislative  
6 Research Unit, and such additional copies with the State  
7 Government Report Distribution Center for the General Assembly  
8 as is required under paragraph (t) of Section 7 of the State  
9 Library Act shall be deemed sufficient to comply with this  
10 Section.

11 Rulemaking authority to implement Public Act 95-1045, if  
12 any, is conditioned on the rules being adopted in accordance  
13 with all provisions of the Illinois Administrative Procedure  
14 Act and all rules and procedures of the Joint Committee on  
15 Administrative Rules; any purported rule not so adopted, for  
16 whatever reason, is unauthorized.

17 On and after July 1, 2012, the Department shall reduce any  
18 rate of reimbursement for services or other payments or alter  
19 any methodologies authorized by this Code to reduce any rate of  
20 reimbursement for services or other payments in accordance with  
21 Section 5-5e.

22 Because kidney transplantation can be an appropriate, cost  
23 effective alternative to renal dialysis when medically  
24 necessary and notwithstanding the provisions of Section 1-11 of  
25 this Code, beginning October 1, 2014, the Department shall  
26 cover kidney transplantation for noncitizens with end-stage

1 renal disease who are not eligible for comprehensive medical  
2 benefits, who meet the residency requirements of Section 5-3 of  
3 this Code, and who would otherwise meet the financial  
4 requirements of the appropriate class of eligible persons under  
5 Section 5-2 of this Code. To qualify for coverage of kidney  
6 transplantation, such person must be receiving emergency renal  
7 dialysis services covered by the Department. Providers under  
8 this Section shall be prior approved and certified by the  
9 Department to perform kidney transplantation and the services  
10 under this Section shall be limited to services associated with  
11 kidney transplantation.

12 Notwithstanding any other provision of this Code to the  
13 contrary, on or after July 1, 2015, all FDA approved forms of  
14 medication assisted treatment prescribed for the treatment of  
15 alcohol dependence or treatment of opioid dependence shall be  
16 covered under both fee for service and managed care medical  
17 assistance programs for persons who are otherwise eligible for  
18 medical assistance under this Article and shall not be subject  
19 to any (1) utilization control, other than those established  
20 under the American Society of Addiction Medicine patient  
21 placement criteria, (2) prior authorization mandate, or (3)  
22 lifetime restriction limit mandate.

23 On or after July 1, 2015, opioid antagonists prescribed for  
24 the treatment of an opioid overdose, including the medication  
25 product, administration devices, and any pharmacy fees related  
26 to the dispensing and administration of the opioid antagonist,

1 shall be covered under the medical assistance program for  
2 persons who are otherwise eligible for medical assistance under  
3 this Article. As used in this Section, "opioid antagonist"  
4 means a drug that binds to opioid receptors and blocks or  
5 inhibits the effect of opioids acting on those receptors,  
6 including, but not limited to, naloxone hydrochloride or any  
7 other similarly acting drug approved by the U.S. Food and Drug  
8 Administration.

9 Upon federal approval, the Department shall provide  
10 coverage and reimbursement for all drugs that are approved for  
11 marketing by the federal Food and Drug Administration and that  
12 are recommended by the federal Public Health Service or the  
13 United States Centers for Disease Control and Prevention for  
14 pre-exposure prophylaxis and related pre-exposure prophylaxis  
15 services, including, but not limited to, HIV and sexually  
16 transmitted infection screening, treatment for sexually  
17 transmitted infections, medical monitoring, assorted labs, and  
18 counseling to reduce the likelihood of HIV infection among  
19 individuals who are not infected with HIV but who are at high  
20 risk of HIV infection.

3 eff. 1-1-17; revised 9-20-16.)

4 (305 ILCS 5/5-8) (from Ch. 23, par. 5-8)

5 Sec. 5-8. Practitioners. In supplying medical assistance,  
6 the Illinois Department may provide for the legally authorized  
7 services of (i) persons licensed under the Medical Practice Act  
8 of 1987, as amended, except as hereafter in this Section  
9 stated, whether under a general or limited license, (ii)  
10 persons licensed under the Nurse Practice Act as advanced  
11 practice nurses, regardless of whether or not the persons have  
12 written collaborative agreements, (iii) persons licensed or  
13 registered under other laws of this State to provide dental,  
14 medical, pharmaceutical, optometric, podiatric, or nursing  
15 services, or other remedial care recognized under State law,  
16 and (iv) persons licensed under other laws of this State as a  
17 clinical social worker. The Department shall adopt rules, no  
18 later than 90 days after the effective date of this amendatory  
19 Act of the 99th General Assembly, for the legally authorized  
20 services of persons licensed under other laws of this State as  
21 a clinical social worker. ~~The Department may not provide for~~  
22 ~~legally authorized services of any physician who has been~~  
23 ~~convicted of having performed an abortion procedure in a wilful~~  
24 ~~and wanton manner on a woman who was not pregnant at the time~~  
25 ~~such abortion procedure was performed.~~ The utilization of the

1 services of persons engaged in the treatment or care of the  
2 sick, which persons are not required to be licensed or  
3 registered under the laws of this State, is not prohibited by  
4 this Section.

5 (Source: P.A. 99-173, eff. 7-29-15; 99-621, eff. 1-1-17.)

6 (305 ILCS 5/5-9) (from Ch. 23, par. 5-9)

7 Sec. 5-9. Choice of Medical Dispensers. Applicants and  
8 recipients shall be entitled to free choice of those qualified  
9 practitioners, hospitals, nursing homes, and other dispensers  
10 of medical services meeting the requirements and complying with  
11 the rules and regulations of the Illinois Department. However,  
12 the Director of Healthcare and Family Services may, after  
13 providing reasonable notice and opportunity for hearing, deny,  
14 suspend or terminate any otherwise qualified person, firm,  
15 corporation, association, agency, institution, or other legal  
16 entity, from participation as a vendor of goods or services  
17 under the medical assistance program authorized by this Article  
18 if the Director finds such vendor of medical services in  
19 violation of this Act or the policy or rules and regulations  
20 issued pursuant to this Act. ~~Any physician who has been~~  
21 ~~convicted of performing an abortion procedure in a wilful and~~  
22 ~~wanton manner upon a woman who was not pregnant at the time~~  
23 ~~such abortion procedure was performed shall be automatically~~  
24 ~~removed from the list of physicians qualified to participate as~~  
25 ~~a vendor of medical services under the medical assistance~~

1 ~~program authorized by this Article.~~

2 (Source: P.A. 95-331, eff. 8-21-07.)

3 (305 ILCS 5/6-1) (from Ch. 23, par. 6-1)

4 Sec. 6-1. Eligibility requirements. Financial aid in  
5 meeting basic maintenance requirements shall be given under  
6 this Article to or in behalf of persons who meet the  
7 eligibility conditions of Sections 6-1.1 through 6-1.10. In  
8 addition, each unit of local government subject to this Article  
9 shall provide persons receiving financial aid in meeting basic  
10 maintenance requirements with financial aid for either (a)  
11 necessary treatment, care, and supplies required because of  
12 illness or disability, or (b) acute medical treatment, care,  
13 and supplies only. If a local governmental unit elects to  
14 provide financial aid for acute medical treatment, care, and  
15 supplies only, the general types of acute medical treatment,  
16 care, and supplies for which financial aid is provided shall be  
17 specified in the general assistance rules of the local  
18 governmental unit, which rules shall provide that financial aid  
19 is provided, at a minimum, for acute medical treatment, care,  
20 or supplies necessitated by a medical condition for which prior  
21 approval or authorization of medical treatment, care, or  
22 supplies is not required by the general assistance rules of the  
23 Illinois Department. ~~Nothing in this Article shall be construed~~  
24 ~~to permit the granting of financial aid where the purpose of~~  
25 ~~such aid is to obtain an abortion, induced miscarriage or~~

1 ~~induced premature birth unless, in the opinion of a physician,~~  
2 ~~such procedures are necessary for the preservation of the life~~  
3 ~~of the woman seeking such treatment, or except an induced~~  
4 ~~premature birth intended to produce a live viable child and~~  
5 ~~such procedure is necessary for the health of the mother or her~~  
6 ~~unborn child.~~

7 (Source: P.A. 92-111, eff. 1-1-02.)

8 Section 15. The Problem Pregnancy Health Services and Care  
9 Act is amended by changing Section 4-100 as follows:

10 (410 ILCS 230/4-100) (from Ch. 111 1/2, par. 4604-100)

11 Sec. 4-100. The Department may make grants to nonprofit  
12 agencies and organizations ~~which do not use such grants to~~  
13 ~~refer or counsel for, or perform, abortions and~~ which  
14 coordinate and establish linkages among services that will  
15 further the purposes of this Act and, where appropriate, will  
16 provide, supplement, or improve the quality of such services.

17 (Source: P.A. 83-51.)

18 Section 20. The Illinois Abortion Law of 1975 is amended by  
19 changing Section 1 as follows:

20 (720 ILCS 510/1) (from Ch. 38, par. 81-21)

21 Sec. 1. It is the intention of the General Assembly of the  
22 State of Illinois to reasonably regulate abortion in

1 conformance with the legal standards set forth in the decisions  
2 of the United States Supreme Court of January 22, 1973. ~~Without~~  
3 ~~in any way restricting the right of privacy of a woman or the~~  
4 ~~right of a woman to an abortion under those decisions, the~~  
5 ~~General Assembly of the State of Illinois do solemnly declare~~  
6 ~~and find in reaffirmation of the longstanding policy of this~~  
7 ~~State, that the unborn child is a human being from the time of~~  
8 ~~conception and is, therefore, a legal person for purposes of~~  
9 ~~the unborn child's right to life and is entitled to the right~~  
10 ~~to life from conception under the laws and Constitution of this~~  
11 ~~State. Further, the General Assembly finds and declares that~~  
12 ~~longstanding policy of this State to protect the right to life~~  
13 ~~of the unborn child from conception by prohibiting abortion~~  
14 ~~unless necessary to preserve the life of the mother is~~  
15 ~~impermissible only because of the decisions of the United~~  
16 ~~States Supreme Court and that, therefore, if those decisions of~~  
17 ~~the United States Supreme Court are ever reversed or modified~~  
18 ~~or the United States Constitution is amended to allow~~  
19 ~~protection of the unborn then the former policy of this State~~  
20 ~~to prohibit abortions unless necessary for the preservation of~~  
21 ~~the mother's life shall be reinstated.~~

22 ~~It is the further intention of the General Assembly to~~  
23 ~~assure and protect the woman's health and the integrity of the~~  
24 ~~woman's decision whether or not to continue to bear a child, to~~  
25 ~~protect the valid and compelling state interest in the infant~~  
26 ~~and unborn child, to assure the integrity of marital and~~

1 ~~familial relations and the rights and interests of persons who~~  
2 ~~participate in such relations, and to gather data for~~  
3 ~~establishing criteria for medical decisions. The General~~  
4 ~~Assembly finds as fact, upon hearings and public disclosures,~~  
5 ~~that these rights and interests are not secure in the economic~~  
6 ~~and social context in which abortion is presently performed.~~
