(a) A charter school shall be a public, nonsectarian,
nonreligious, non-home based, and non-profit school. A charter

25 (b) A charter school may be established under this Article

HB2369 Engrossed - 3 - LRB100 08191 NHT 18287 b

by creating a new school or by converting an existing public 1 2 school or attendance center to charter school status. Beginning 3 on April 16, 2003 (the effective date of Public Act 93-3), in all new applications to establish a charter school in a city 4 5 having a population exceeding 500,000, operation of the charter 6 school shall be limited to one campus. The changes made to this 7 Section by Public Act 93-3 do not apply to charter schools 8 existing or approved on or before April 16, 2003 (the effective 9 date of Public Act 93-3).

10 (b-5) In this subsection (b-5), "virtual-schooling" means 11 a cyber school where students engage in online curriculum and 12 instruction via the Internet and electronic communication with 13 their teachers at remote locations and with students 14 participating at different times.

From April 1, 2013 through December 31, 2016, there is a 15 moratorium on the establishment of charter schools with 16 17 virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This 18 19 moratorium does not apply to а charter school with 20 virtual-schooling components existing or approved prior to April 1, 2013 or to the renewal of the charter of a charter 21 22 school with virtual-schooling components already approved 23 prior to April 1, 2013.

On or before March 1, 2014, the Commission shall submit to the General Assembly a report on the effect of virtual-schooling, including without limitation the effect on HB2369 Engrossed - 4 - LRB100 08191 NHT 18287 b

student performance, the costs associated with
 virtual-schooling, and issues with oversight. The report shall
 include policy recommendations for virtual-schooling.

4 (c) A charter school shall be administered and governed by
5 its board of directors or other governing body in the manner
6 provided in its charter. The governing body of a charter school
7 shall be subject to the Freedom of Information Act and the Open
8 Meetings Act.

9 (d) For purposes of this subsection (d), "non-curricular 10 health and safety requirement" means any health and safety 11 requirement created by statute or rule to provide, maintain, 12 preserve, or safeguard safe or healthful conditions for 13 students and school personnel or to eliminate, reduce, or 14 prevent threats to the health and safety of students and school 15 personnel. "Non-curricular health and safety requirement" does 16 not include any course of study or specialized instructional 17 requirement for which the State Board has established goals and learning standards or which is designed primarily to impart 18 knowledge and skills for students to master and apply as an 19 20 outcome of their education.

A charter school shall comply with all non-curricular health and safety requirements applicable to public schools under the laws of the State of Illinois. On or before September 1, 2015, the State Board shall promulgate and post on its Internet website a list of non-curricular health and safety requirements that a charter school must meet. The list shall be HB2369 Engrossed - 5 - LRB100 08191 NHT 18287 b

updated annually no later than September 1. Any charter 1 2 contract between a charter school and its authorizer must 3 contain a provision that requires the charter school to follow the list of all non-curricular health and safety requirements 4 promulgated by the State Board and any non-curricular health 5 and safety requirements added by the State Board to such list 6 during the term of the charter. Nothing in this subsection (d) 7 precludes an authorizer from including non-curricular health 8 9 and safety requirements in a charter school contract that are 10 not contained in the list promulgated by the State Board, 11 including non-curricular health and safety requirements of the 12 authorizing local school board.

(e) Except as otherwise provided in the School Code, a charter school shall not charge tuition; provided that a charter school may charge reasonable fees for textbooks, instructional materials, and student activities.

17 A charter school shall be responsible for (f) the management and operation of its fiscal affairs including, but 18 19 not limited to, the preparation of its budget. An audit of each 20 charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter 21 22 school. To ensure financial accountability for the use of 23 public funds, on or before December 1 of every year of 24 operation, each charter school shall submit to its authorizer 25 and the State Board a copy of its audit and a copy of the Form 990 the charter school filed that year with the federal 26

Internal Revenue Service. In addition, if deemed necessary for proper financial oversight of the charter school, an authorizer may require quarterly financial statements from each charter school.

5 (q) A charter school shall comply with all provisions of 6 this Article, the Illinois Educational Labor Relations Act, all federal and State laws and rules applicable to public schools 7 8 that pertain to special education and the instruction of 9 English learners, and its charter. A charter school is exempt 10 from all other State laws and regulations in this Code 11 governing public schools and local school board policies; 12 however, a charter school is not exempt from the following:

(1) Sections 10-21.9 and 34-18.5 of this Code regarding

12 (h) A charter school may negotiate and contract with a 13 school district, the governing body of a State college or university or public community college, or any other public or 14 15 for-profit or nonprofit private entity for: (i) the use of a 16 school building and grounds or any other real property or 17 facilities that the charter school desires to use or convert for use as a charter school site, (ii) the operation and 18 maintenance thereof, and (iii) the provision of any service, 19 20 activity, or undertaking that the charter school is required to perform in order to carry out the terms of its charter. 21 22 However, a charter school that is established on or after April 23 16, 2003 (the effective date of Public Act 93-3) and that operates in a city having a population exceeding 500,000 may 24 25 not contract with a for-profit entity to manage or operate the 26 school during the period that commences on April 16, 2003 (the

Except as provided in subsection (i) of this Section, a school district may charge a charter school 3 reasonable rent for the use of the district's buildings, 4 5 grounds, and facilities. Any services for which a charter 6 school contracts with a school district shall be provided by 7 the district at cost. Any services for which a charter school 8 contracts with a local school board or with the governing body 9 of a State college or university or public community college 10 shall be provided by the public entity at cost.

11 (i) In no event shall a charter school that is established 12 by converting an existing school or attendance center to 13 charter school status be required to pay rent for space that is deemed available, as negotiated and provided in the charter 14 15 agreement, in school district facilities. However, all other 16 costs for the operation and maintenance of school district 17 facilities that are used by the charter school shall be subject to negotiation between the charter school and the local school 18 board and shall be set forth in the charter. 19

20 (j) A charter school may limit student enrollment by age or 21 grade level.

(k) If the charter school is approved by the Commission, then the Commission charter school is its own local education agency.
