- (2) Each wireless carrier shall impose and collect a monthly surcharge of \$0.87 per CMRS connection that either has a telephone number within an area code assigned to Illinois by the North American Numbering Plan Administrator or has a billing address in this State. This information shall be updated at least once each year. Any carrier that fails to provide the zip code information required under this subsection (e) shall be subject to the penalty set forth in subsection (g) of this Section.

- (f) If, within 5 business days it is due under subsection (e) of this Section, a carrier does not remit the surcharge or any portion thereof required under this Section, then the surcharge or portion thereof shall be deemed delinquent until paid in full, and the Department may impose a penalty against the carrier in an amount equal to the greater of:

Any penalty imposed under this subsection (g) is in addition to any other penalty imposed under this Section.

- (i) The Department may enforce the collection of any delinquent amount and any penalty due and unpaid under this Section by legal action or in any other manner by which the collection of debts due the State of Illinois may be enforced under the laws of this State. The Department may excuse the payment of any penalty imposed under this Section if the Administrator determines that the enforcement of this penalty is unjust.
