1 AMENDMENT TO HOUSE BILL 4907

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 4907 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Controlled Substances Act is  
5 amended by changing Sections 316 and 320 as follows:

6 (720 ILCS 570/316)

7 Sec. 316. Prescription Monitoring Program.

8 (a) The Department must provide for a Prescription  
9 Monitoring Program for Schedule II, III, IV, and V controlled  
10 substances that includes the following components and  
11 requirements:

12 (1) The dispenser must transmit to the central  
13 repository, in a form and manner specified by the  
14 Department, the following information:

15 (A) The recipient's name and address.

16 (B) The recipient's date of birth and gender.

1 (C) The national drug code number of the controlled  
2 substance dispensed.

3 (D) The date the controlled substance is  
4 dispensed.

5 (E) The quantity of the controlled substance  
6 dispensed and days supply.

7 (F) The dispenser's United States Drug Enforcement  
8 Administration registration number.

9 (G) The prescriber's United States Drug  
10 Enforcement Administration registration number.

11 (H) The dates the controlled substance  
12 prescription is filled.

13 (I) The payment type used to purchase the  
14 controlled substance (i.e. Medicaid, cash, third party  
15 insurance).

16 (J) The patient location code (i.e. home, nursing  
17 home, outpatient, etc.) for the controlled substances  
18 other than those filled at a retail pharmacy.

19 (K) Any additional information that may be  
20 required by the department by administrative rule,  
21 including but not limited to information required for  
22 compliance with the criteria for electronic reporting  
23 of the American Society for Automation and Pharmacy or  
24 its successor.

25 (2) The information required to be transmitted under  
26 this Section must be transmitted not later than the end of

1 the next business day after the date on which a controlled  
2 substance is dispensed, or at such other time as may be  
3 required by the Department by administrative rule.

4 (3) A dispenser must transmit the information required  
5 under this Section by:

6 (A) an electronic device compatible with the  
7 receiving device of the central repository;

8 (B) a computer diskette;

9 (C) a magnetic tape; or

10 (D) a pharmacy universal claim form or Pharmacy  
11 Inventory Control form;

12 (4) The Department may impose a civil fine of up to  
13 \$100 per day for willful failure to report controlled  
14 substance dispensing to the Prescription Monitoring  
15 Program. The fine shall be calculated on no more than the  
16 number of days from the time the report was required to be  
17 made until the time the problem was resolved, and shall be  
18 payable to the Prescription Monitoring Program.

19 (b) The Department, by rule, may include in the  
20 Prescription Monitoring Program certain other select drugs  
21 that are not included in Schedule II, III, IV, or V. The  
22 Prescription Monitoring Program does not apply to controlled  
23 substance prescriptions as exempted under Section 313.

24 (c) The collection of data on select drugs and scheduled  
25 substances by the Prescription Monitoring Program may be used  
26 as a tool for addressing oversight requirements of long-term

1 care institutions as set forth by Public Act 96-1372. Long-term  
2 care pharmacies shall transmit patient medication profiles to  
3 the Prescription Monitoring Program monthly or more frequently  
4 as established by administrative rule.

5 (d) The Department of Human Services shall appoint a  
6 full-time Clinical Director of the Prescription Monitoring  
7 Program.

8 (e) (Blank).

9 (f) Within one year of the effective date of this  
10 amendatory Act of the 100th General Assembly, the Department  
11 shall adopt rules requiring all Electronic Health Records  
12 Systems to interface with the Prescription Monitoring Program  
13 application program on or before January 1, 2021 to ensure that  
14 all providers have access to specific patient records during  
15 the treatment of their patients. These rules shall also address  
16 the electronic integration of pharmacy records with the  
17 Prescription Monitoring Program to allow for faster  
18 transmission of the information required under this Section.  
19 The Department shall establish actions to be taken if a  
20 prescriber's Electronic Health Records System does not  
21 effectively interface with the Prescription Monitoring Program  
22 within the required timeline.

23 (g) The Department, in consultation with the Advisory  
24 Committee, shall adopt rules allowing licensed prescribers or  
25 pharmacists who have registered to access the Prescription  
26 Monitoring Program to authorize a licensed or non-licensed

1     designee employed in that licensed prescriber's office or a  
2     licensed designee in a licensed pharmacist's pharmacy, and who  
3     has received training in the federal Health Insurance  
4     Portability and Accountability Act to consult the Prescription  
5     Monitoring Program on their behalf. The rules shall include  
6     reasonable parameters concerning a practitioner's authority to  
7     authorize a designee, and the eligibility of a person to be  
8     selected as a designee.

10           (720 ILCS 570/320)

11           Sec. 320. Advisory committee.

12           (a) There is created a Prescription Monitoring Program  
13     Advisory Committee to assist the Department of Human Services  
14     in implementing the Prescription Monitoring Program created by  
15     this Article and to advise the Department on the professional  
16     performance of prescribers and dispensers and other matters  
17     germane to the advisory committee's field of competence.

18           (b) The Clinical Director of the Prescription Monitoring  
19     Program shall appoint members to serve on the advisory  
20     committee. The advisory committee shall be composed of  
21     prescribers and dispensers as follows: 4 physicians licensed to  
22     practice medicine in all its branches; one advanced practice  
23     registered nurse; one physician assistant; one optometrist;  
24     one dentist; one podiatric physician; and 3 pharmacists. The  
25     Clinical Director of the Prescription Monitoring Program may

1 appoint a representative of an organization representing a  
2 profession required to be appointed. The Clinical Director of  
3 the Prescription Monitoring Program shall serve as the chair of  
4 the committee.

5 (c) The advisory committee may appoint its other officers  
6 as it deems appropriate.

7 (d) The members of the advisory committee shall receive no  
8 compensation for their services as members of the advisory  
9 committee but may be reimbursed for their actual expenses  
10 incurred in serving on the advisory committee.

11 (e) The advisory committee shall:

12 (1) provide a uniform approach to reviewing this Act in  
13 order to determine whether changes should be recommended to  
14 the General Assembly;

15 (2) review current drug schedules in order to manage  
16 changes to the administrative rules pertaining to the  
17 utilization of this Act;

18 (3) review the following: current clinical guidelines  
19 developed by health care professional organizations on the  
20 prescribing of opioids or other controlled substances;  
21 accredited continuing education programs related to  
22 prescribing and dispensing; programs or information  
23 developed by health care professional organizations that  
24 may be used to assess patients or help ensure compliance  
25 with prescriptions; updates from the Food and Drug  
26 Administration, the Centers for Disease Control and

1 Prevention, and other public and private organizations  
2 which are relevant to prescribing and dispensing; relevant  
3 medical studies; and other publications which involve the  
4 prescription of controlled substances;

5 (4) make recommendations for inclusion of these  
6 materials or other studies which may be effective resources  
7 for prescribers and dispensers on the Internet website of  
8 the inquiry system established under Section 318;

9 (5) on at least a quarterly basis, review the content  
10 of the Internet website of the inquiry system established  
11 pursuant to Section 318 to ensure this Internet website has  
12 the most current available information;

13 (6) on at least a quarterly basis, review opportunities  
14 for federal grants and other forms of funding to support  
15 projects which will increase the number of pilot programs  
16 which integrate the inquiry system with electronic health  
17 records; and

18 (7) on at least a quarterly basis, review communication  
19 to be sent to all registered users of the inquiry system  
20 established pursuant to Section 318, including  
21 recommendations for relevant accredited continuing  
22 education and information regarding prescribing and  
23 dispensing.

24 (f) The Clinical Director of the Prescription Monitoring  
25 Program shall select 6 ~~5~~ members, 3 physicians, ~~and~~ 2  
26 pharmacists, and one dentist, of the Prescription Monitoring

1 Program Advisory Committee to serve as members of the peer  
2 review subcommittee. The purpose of the peer review  
3 subcommittee is to advise the Program on matters germane to the  
4 advisory committee's field of competence, establish a formal  
5 peer review of professional performance of prescribers and  
6 dispensers, and develop communications to transmit to  
7 prescribers and dispensers. The deliberations, information,  
8 and communications of the peer review subcommittee are  
9 privileged and confidential and shall not be disclosed in any  
10 manner except in accordance with current law.

11 (1) The peer review subcommittee shall periodically  
12 review the data contained within the prescription  
13 monitoring program to identify those prescribers or  
14 dispensers who may be prescribing or dispensing outside the  
15 currently accepted standards in the course of their  
16 professional practice.

17 (2) The peer review subcommittee may identify  
18 prescribers or dispensers who may be prescribing outside  
19 the currently accepted medical standards in the course of  
20 their professional practice and send the identified  
21 prescriber or dispenser a request for information  
22 regarding their prescribing or dispensing practices. This  
23 request for information shall be sent via certified mail,  
24 return receipt requested. A prescriber or dispenser shall  
25 have 30 days to respond to the request for information.

26 (3) The peer review subcommittee shall refer a

1           prescriber or a dispenser to the Department of Financial  
2           and Professional Regulation in the following situations:

3                   (i) if a prescriber or dispenser does not respond  
4                   to three successive requests for information;

5                   (ii) in the opinion of a majority of members of the  
6                   peer review subcommittee, the prescriber or dispenser  
7                   does not have a satisfactory explanation for the  
8                   practices identified by the peer review subcommittee  
9                   in its request for information; or

10                   (iii) following communications with the peer  
11                   review subcommittee, the prescriber or dispenser does  
12                   not sufficiently rectify the practices identified in  
13                   the request for information in the opinion of a  
14                   majority of the members of the peer review  
15                   subcommittee.

16           (4) The Department of Financial and Professional  
17           Regulation may initiate an investigation and discipline in  
18           accordance with current laws and rules for any prescriber  
19           or dispenser referred by the peer review subcommittee.

20           (5) The peer review subcommittee shall prepare an  
21           annual report starting on July 1, 2017. This report shall  
22           contain the following information: the number of times the  
23           peer review subcommittee was convened; the number of  
24           prescribers or dispensers who were reviewed by the peer  
25           review committee; the number of requests for information  
26           sent out by the peer review subcommittee; and the number of

1           prescribers or dispensers referred to the Department of  
2           Financial and Professional Regulation. The annual report  
3           shall be delivered electronically to the Department and to  
4           the General Assembly. The report prepared by the peer  
5           review subcommittee shall not identify any prescriber,  
6           dispenser, or patient.
