Requires the minimum quality standards to be based upon recognized national standards promulgated by national bodies and by the Centers for Medicare and Medicaid Services. FISCAL NOTE ACT  
MAY APPLY

A BILL FOR

1 AN ACT concerning public aid.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Public Aid Code is amended by  
5 changing Section 5-30.1 as follows:

6 (305 ILCS 5/5-30.1)

7 Sec. 5-30.1. Managed care protections.

8 (a) As used in this Section:

9 "Managed care organization" or "MCO" means any entity which  
10 contracts with the Department to provide services where payment  
11 for medical services is made on a capitated basis.

12 "Emergency services" include:

13 (1) emergency services, as defined by Section 10 of the  
14 Managed Care Reform and Patient Rights Act;

15 (2) emergency medical screening examinations, as  
16 defined by Section 10 of the Managed Care Reform and  
17 Patient Rights Act;

18 (3) post-stabilization medical services, as defined by  
19 Section 10 of the Managed Care Reform and Patient Rights  
20 Act; and

21 (4) emergency medical conditions, as defined by  
22 Section 10 of the Managed Care Reform and Patient Rights  
23 Act.

1 (b) As provided by Section 5-16.12, managed care  
2 organizations are subject to the provisions of the Managed Care  
3 Reform and Patient Rights Act.

4 (c) An MCO shall pay any provider of emergency services  
5 that does not have in effect a contract with the contracted  
6 Medicaid MCO. The default rate of reimbursement shall be the  
7 rate paid under Illinois Medicaid fee-for-service program  
8 methodology, including all policy adjusters, including but not  
9 limited to Medicaid High Volume Adjustments, Medicaid  
10 Percentage Adjustments, Outpatient High Volume Adjustments,  
11 and all outlier add-on adjustments to the extent such  
12 adjustments are incorporated in the development of the  
13 applicable MCO capitated rates.

14 (d) An MCO shall pay for all post-stabilization services as  
15 a covered service in any of the following situations:

16 (1) the MCO authorized such services;

17 (2) such services were administered to maintain the  
18 enrollee's stabilized condition within one hour after a  
19 request to the MCO for authorization of further  
20 post-stabilization services;

21 (3) the MCO did not respond to a request to authorize  
22 such services within one hour;

23 (4) the MCO could not be contacted; or

24 (5) the MCO and the treating provider, if the treating  
25 provider is a non-affiliated provider, could not reach an  
26 agreement concerning the enrollee's care and an affiliated

1 provider was unavailable for a consultation, in which case  
2 the MCO must pay for such services rendered by the treating  
3 non-affiliated provider until an affiliated provider was  
4 reached and either concurred with the treating  
5 non-affiliated provider's plan of care or assumed  
6 responsibility for the enrollee's care. Such payment shall  
7 be made at the default rate of reimbursement paid under  
8 Illinois Medicaid fee-for-service program methodology,  
9 including all policy adjusters, including but not limited  
10 to Medicaid High Volume Adjustments, Medicaid Percentage  
11 Adjustments, Outpatient High Volume Adjustments and all  
12 outlier add-on adjustments to the extent that such  
13 adjustments are incorporated in the development of the  
14 applicable MCO capitated rates.

15 (e) The following requirements apply to MCOs in determining  
16 payment for all emergency services:

17 (1) MCOs shall not impose any requirements for prior  
18 approval of emergency services.

19 (2) The MCO shall cover emergency services provided to  
20 enrollees who are temporarily away from their residence and  
21 outside the contracting area to the extent that the  
22 enrollees would be entitled to the emergency services if  
23 they still were within the contracting area.

24 (3) The MCO shall have no obligation to cover medical  
25 services provided on an emergency basis that are not  
26 covered services under the contract.

1           (4) The MCO shall not condition coverage for emergency  
2 services on the treating provider notifying the MCO of the  
3 enrollee's screening and treatment within 10 days after  
4 presentation for emergency services.

5           (5) The determination of the attending emergency  
6 physician, or the provider actually treating the enrollee,  
7 of whether an enrollee is sufficiently stabilized for  
8 discharge or transfer to another facility, shall be binding  
9 on the MCO. The MCO shall cover emergency services for all  
10 enrollees whether the emergency services are provided by an  
11 affiliated or non-affiliated provider.

12           (6) The MCO's financial responsibility for  
13 post-stabilization care services it has not pre-approved  
14 ends when:

15                 (A) a plan physician with privileges at the  
16 treating hospital assumes responsibility for the  
17 enrollee's care;

18                 (B) a plan physician assumes responsibility for  
19 the enrollee's care through transfer;

20                 (C) a contracting entity representative and the  
21 treating physician reach an agreement concerning the  
22 enrollee's care; or

23                 (D) the enrollee is discharged.

24           (f) Network adequacy and transparency.

25                 (1) The Department shall:

26                         (A) ensure that an adequate provider network is in

1 place, taking into consideration health professional  
2 shortage areas and medically underserved areas;

3 (B) publicly release an explanation of its process  
4 for analyzing network adequacy;

5 (C) periodically ensure that an MCO continues to  
6 have an adequate network in place; and

7 (D) require MCOs, including Medicaid Managed Care  
8 Entities as defined in Section 5-30.2, to meet provider  
9 directory requirements under Section 5-30.3.

10 (2) Each MCO shall confirm its receipt of information  
11 submitted specific to physician additions or physician  
12 deletions from the MCO's provider network within 3 days  
13 after receiving all required information from contracted  
14 physicians, and electronic physician directories must be  
15 updated consistent with current rules as published by the  
16 Centers for Medicare and Medicaid Services or its successor  
17 agency.

18 (g) Timely payment of claims.

19 (1) The MCO shall pay a claim within 30 days of  
20 receiving a claim that contains all the essential  
21 information needed to adjudicate the claim.

22 (2) The MCO shall notify the billing party of its  
23 inability to adjudicate a claim within 30 days of receiving  
24 that claim.

25 (3) The MCO shall pay a penalty that is at least equal  
26 to the penalty imposed under the Illinois Insurance Code

1 for any claims not timely paid.

2 (4) The Department may establish a process for MCOs to  
3 expedite payments to providers based on criteria  
4 established by the Department.

5 (g-5) Recognizing that the rapid transformation of the  
6 Illinois Medicaid program may have unintended operational  
7 challenges for both payers and providers:

8 (1) in no instance shall a medically necessary covered  
9 service rendered in good faith, based upon eligibility  
10 information documented by the provider, be denied coverage  
11 or diminished in payment amount if the eligibility or  
12 coverage information available at the time the service was  
13 rendered is later found to be inaccurate; and

14 (2) the Department shall, by December 31, 2016, adopt  
15 rules establishing policies that shall be included in the  
16 Medicaid managed care policy and procedures manual  
17 addressing payment resolutions in situations in which a  
18 provider renders services based upon information obtained  
19 after verifying a patient's eligibility and coverage plan  
20 through either the Department's current enrollment system  
21 or a system operated by the coverage plan identified by the  
22 patient presenting for services:

23 (A) such medically necessary covered services  
24 shall be considered rendered in good faith;

25 (B) such policies and procedures shall be  
26 developed in consultation with industry

1 representatives of the Medicaid managed care health  
2 plans and representatives of provider associations  
3 representing the majority of providers within the  
4 identified provider industry; and

5 (C) such rules shall be published for a review and  
6 comment period of no less than 30 days on the  
7 Department's website with final rules remaining  
8 available on the Department's website.

9 (3) The rules on payment resolutions shall include, but  
10 not be limited to:

11 (A) the extension of the timely filing period;

12 (B) retroactive prior authorizations; and

13 (C) guaranteed minimum payment rate of no less than  
14 the current, as of the date of service, fee-for-service  
15 rate, plus all applicable add-ons, when the resulting  
16 service relationship is out of network.

17 (4) The rules shall be applicable for both MCO coverage  
18 and fee-for-service coverage.

19 (g-6) MCO Performance Metrics Report.

20 (1) The Department shall publish, on at least a  
21 quarterly basis, each MCO's operational performance,  
22 including, but not limited to, the following categories of  
23 metrics:

24 (A) claims payment, including timeliness and  
25 accuracy;

26 (B) prior authorizations;

- 1 (C) grievance and appeals;  
2 (D) utilization statistics;  
3 (E) provider disputes;  
4 (F) provider credentialing; and  
5 (G) member and provider customer service.

6 (2) The Department shall ensure that the metrics report  
7 is accessible to providers online by January 1, 2017.

8 (3) The metrics shall be developed in consultation with  
9 industry representatives of the Medicaid managed care  
10 health plans and representatives of associations  
11 representing the majority of providers within the  
12 identified industry.

13 (4) Metrics shall be defined and incorporated into the  
14 applicable Managed Care Policy Manual issued by the  
15 Department.

16 (g-7) MCO claims processing and performance analysis. In  
17 order to monitor MCO payments to hospital providers, pursuant  
18 to this amendatory Act of the 100th General Assembly, the  
19 Department shall post an analysis of MCO claims processing and  
20 payment performance on its website every 6 months. Such  
21 analysis shall include a review and evaluation of a  
22 representative sample of hospital claims that are rejected and  
23 denied for clean and unclean claims and the top 5 reasons for  
24 such actions and timeliness of claims adjudication, which  
25 identifies the percentage of claims adjudicated within 30, 60,  
26 90, and over 90 days, and the dollar amounts associated with

1 those claims. The Department shall post the contracted claims  
2 report required by HealthChoice Illinois on its website every 3  
3 months.

4 (h) The Department shall not expand mandatory MCO  
5 enrollment into new counties beyond those counties already  
6 designated by the Department as of June 1, 2014 for the  
7 individuals whose eligibility for medical assistance is not the  
8 seniors or people with disabilities population until the  
9 Department provides an opportunity for accountable care  
10 entities and MCOs to participate in such newly designated  
11 counties.

12 (i) The requirements of this Section apply to contracts  
13 with accountable care entities and MCOs entered into, amended,  
14 or renewed after June 16, 2014 (the effective date of Public  
15 Act 98-651).

16 (j) Notwithstanding any other Public Act or contract terms  
17 and conditions, the Department shall establish, by rule,  
18 minimum quality standards for providers of medical supplies,  
19 equipment, and related services applicable to contracted  
20 managed care organizations for all services rendered to MCO  
21 enrollees. The minimum quality standards shall be based upon  
22 recognized national standards promulgated by national bodies  
23 and by the Centers for Medicare and Medicaid Services.

24 The Department shall set a rate of reimbursement payable by  
25 contracted managed care organizations to contracted,  
26 in-network providers of medical supplies, equipment, and

1 related services at the default rate of reimbursement paid  
2 under the Illinois Medicaid fee-for-service program  
3 methodology, including all policy adjusters, for such medical  
4 supplies, equipment, and related services in effect as of June  
5 30, 2017. Such rates shall be held in effect until the  
6 Department adopts minimum quality standards as required in this  
7 subsection.

8 After the Department adopts minimum quality standards as  
9 required in this subsection, contracted managed care  
10 organizations shall offer a reimbursement rate to contracted,  
11 in-network providers of medical supplies, equipment, and  
12 related services at not less than 90% of the default rate of  
13 reimbursement paid under the Illinois Medicaid fee-for-service  
14 program methodology, including all policy adjusters, for such  
15 medical supplies, equipment, and related services of similar  
16 quality.

17 Notwithstanding any other Public Act or contract terms and  
18 conditions, nothing in this subsection shall be construed to  
19 allow the Department or its contracted MCOs to enter into sole  
20 source contracts for the provision of durable medical  
21 equipment, supplies, or related services to Medicaid  
22 beneficiaries and Medicaid managed care enrollees.
