AN ACT concerning finance.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The State Officials and Employees Ethics Act is amended by changing Section 20-5 as follows:

(5 ILCS 430/20-5)

Sec. 20-5. Executive Ethics Commission.

(a) The Executive Ethics Commission is created.

(b) The Executive Ethics Commission shall consist of 9 commissioners. The Governor shall appoint 5 commissioners, and the Attorney General, Secretary of State, Comptroller, and Treasurer shall each appoint one commissioner. Appointments shall be made by and with the advice and consent of the Senate by three-fifths of the elected members concurring by record vote. Any nomination not acted upon by the Senate within 60 session days of the receipt thereof shall be deemed to have received the advice and consent of the Senate. If, during a recess of the Senate, there is a vacancy in an office of commissioner, the appointing authority shall make a temporary appointment until the next meeting of the Senate when the appointing authority shall make a nomination to fill that office. No person rejected for an office of commissioner shall, except by the Senate's request, be nominated again for that
office at the same session of the Senate or be appointed to
that office during a recess of that Senate. No more than 5
commissioners may be of the same political party.

The terms of the initial commissioners shall commence upon
qualification. Four initial appointees of the Governor, as
designated by the Governor, shall serve terms running through
June 30, 2007. One initial appointee of the Governor, as
designated by the Governor, and the initial appointees of the
Attorney General, Secretary of State, Comptroller, and
Treasurer shall serve terms running through June 30, 2008. The
initial appointments shall be made within 60 days after the
effective date of this Act.

After the initial terms, commissioners shall serve for
4-year terms commencing on July 1 of the year of appointment
and running through June 30 of the fourth following year.
Commissioners may be reappointed to one or more subsequent
terms.

Vacancies occurring other than at the end of a term shall
be filled by the appointing authority only for the balance of
the term of the commissioner whose office is vacant.

Terms shall run regardless of whether the position is
filled.

(c) The appointing authorities shall appoint commissioners
who have experience holding governmental office or employment
and shall appoint commissioners from the general public. A
person is not eligible to serve as a commissioner if that
person (i) has been convicted of a felony or a crime of dishonesty or moral turpitude, (ii) is, or was within the preceding 12 months, engaged in activities that require registration under the Lobbyist Registration Act, (iii) is related to the appointing authority, or (iv) is a State officer or employee.

(d) The Executive Ethics Commission shall have jurisdiction over all officers and employees of State agencies other than the General Assembly, the Senate, the House of Representatives, the President and Minority Leader of the Senate, the Speaker and Minority Leader of the House of Representatives, the Senate Operations Commission, the legislative support services agencies, and the Office of the Auditor General. The Executive Ethics Commission shall have jurisdiction over all board members and employees of Regional Transit Boards. The jurisdiction of the Commission is limited to matters arising under this Act, except as provided in subsection (d-5).

A member or legislative branch State employee serving on an executive branch board or commission remains subject to the jurisdiction of the Legislative Ethics Commission and is not subject to the jurisdiction of the Executive Ethics Commission.

(d-5) The Executive Ethics Commission shall have jurisdiction over all chief procurement officers and procurement compliance monitors and their respective staffs. The Executive Ethics Commission shall have jurisdiction over
any matters arising under the Illinois Procurement Code if the Commission is given explicit authority in that Code.

(d-6) (1) The Executive Ethics Commission shall have jurisdiction over the Illinois Power Agency and its staff. The Director of the Agency shall be appointed by a majority of the commissioners of the Executive Ethics Commission, subject to Senate confirmation, for a term of 2 years. The Director is removable for cause by a majority of the Commission upon a finding of neglect, malfeasance, absence, or incompetence.

(2) In case of a vacancy in the office of Director of the Illinois Power Agency during a recess of the Senate, the Executive Ethics Commission may make a temporary appointment until the next meeting of the Senate, at which time the Executive Ethics Commission shall nominate some person to fill the office, and any person so nominated who is confirmed by the Senate shall hold office during the remainder of the term and until his or her successor is appointed and qualified. Nothing in this subsection shall prohibit the Executive Ethics Commission from removing a temporary appointee or from appointing a temporary appointee as the Director of the Illinois Power Agency.

(3) Prior to June 1, 2012, the Executive Ethics Commission may, until the Director of the Illinois Power Agency is appointed and qualified or a temporary appointment is made pursuant to paragraph (2) of this subsection, designate some person as an acting Director to execute the powers and
discharge the duties vested by law in that Director. An acting Director shall serve no later than 60 calendar days, or upon the making of an appointment pursuant to paragraph (1) or (2) of this subsection, whichever is earlier. Nothing in this subsection shall prohibit the Executive Ethics Commission from removing an acting Director or from appointing an acting Director as the Director of the Illinois Power Agency.

(4) No person rejected by the Senate for the office of Director of the Illinois Power Agency shall, except at the Senate's request, be nominated again for that office at the same session or be appointed to that office during a recess of that Senate.

(e) The Executive Ethics Commission must meet, either in person or by other technological means, at least monthly and as often as necessary. At the first meeting of the Executive Ethics Commission, the commissioners shall choose from their number a chairperson and other officers that they deem appropriate. The terms of officers shall be for 2 years commencing July 1 and running through June 30 of the second following year. Meetings shall be held at the call of the chairperson or any 3 commissioners. Official action by the Commission shall require the affirmative vote of 5 commissioners, and a quorum shall consist of 5 commissioners. Commissioners shall receive compensation in an amount equal to the compensation of members of the State Board of Elections and may be reimbursed for their reasonable expenses actually
incurred in the performance of their duties.

(f) No commissioner or employee of the Executive Ethics Commission may during his or her term of appointment or employment:

(1) become a candidate for any elective office;

(2) hold any other elected or appointed public office except for appointments on governmental advisory boards or study commissions or as otherwise expressly authorized by law;

(3) be actively involved in the affairs of any political party or political organization; or

(4) advocate for the appointment of another person to an appointed or elected office or position or actively participate in any campaign for any elective office.

(g) An appointing authority may remove a commissioner only for cause.

(h) The Executive Ethics Commission shall appoint an Executive Director. The compensation of the Executive Director shall be as determined by the Commission. The Executive Director of the Executive Ethics Commission may employ and determine the compensation of staff, as appropriations permit.

(i) The Executive Ethics Commission shall appoint, by a majority of the members appointed to the Commission, chief procurement officers and may appoint procurement compliance monitors in accordance with the provisions of the Illinois Procurement Code. The compensation of a chief procurement
officer and procurement compliance monitor shall be determined by the Commission.

   (2) Section 1-12 of this Code was originally enacted to protect, promote, and preserve the general welfare. that Section. It is not intended to supersede any amendment to
that Section that is enacted by the 100th General Assembly.

(f) In this amendatory Act of the 100th General Assembly,
the base text of the reenacted Section is set forth as amended
by Public Act 98-1076. Striking and underscoring is used only

(10) Procurement of food items for commercial resale on the campus of or at a facility controlled by an institution of higher education.

Notice of each contract entered into by a public institution of higher education that is related to the procurement of goods and services identified in items (1) through (10) of this subsection shall be published in the Procurement Bulletin within 14 calendar days after contract execution. The Chief Procurement Officer shall prescribe the form and content of the notice. procurements made under this subsection shall be documented and
may require publication in the Illinois Procurement Bulletin.

(d) Notwithstanding this Section, a waiver of the registration requirements of Section 20-160 does not permit a business entity and any affiliated entities or affiliated persons to make campaign contributions if otherwise prohibited by Section 50-37. The total amount of contracts awarded in accordance with this Section shall be included in determining the aggregate amount of contracts or pending bids of a business entity and any affiliated entities or affiliated persons.

For purposes of this subsection, "business" includes all individuals with whom a business is affiliated,
including, but not limited to, any officer, agent, employee, consultant, independent contractor, director, partner, manager, or shareholder of a business. (e) In order to ensure the continuing effectiveness of Section 1-13 of this Code, it is set forth in full and re-enacted by this amendatory Act of the 100th General Assembly. This re-enactment is intended as a continuation of that Section. It is not intended to supersede any amendment to that Section that is enacted by the 100th General Assembly.

(f) In this amendatory Act of the 100th General Assembly, the base text of the reenacted Section is set forth as amended by Public Act 98-1076. Striking and underscoring is used only to show changes being made to the base text. In this instance, no underscoring or striking is shown in the base text because no additional changes are being made.

The Board shall also have the authority to recommend a program for professional development and provide opportunities for training in procurement practices and policies to chief procurement officers and their staffs in order to ensure that all procurement is conducted in an efficient, professional, and appropriately transparent manner.

Upon a three-fifths vote of its members, the Board may review a contract. Sec. 20-10. Competitive sealed bidding; reverse auction.
(a) Conditions for use. All contracts shall be awarded by
competitive sealed bidding except as otherwise provided in
(b) Invitation for bids. An invitation for bids shall be issued and shall include a purchase description and the material contractual terms and conditions applicable to the procurement.

(c) Public notice. Public notice of the invitation for bids shall be published in the Illinois Procurement Bulletin at least 14 calendar days before the date set in the invitation for the opening of bids.

(d) Bid opening. Bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the invitation for bids. The name of each bidder, the amount of each bid, and other relevant information as may be specified by rule shall be recorded. After the award of the contract, the winning bid and the record of each unsuccessful bid shall be open to public inspection.

(e) Bid acceptance and bid evaluation. Bids shall be unconditionally accepted without alteration or correction, except as authorized in this Code. Bids shall be evaluated based on the requirements set forth in the invitation for bids, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect the bid price and be considered in evaluation for award, such as discounts, transportation costs, and total or life cycle costs, shall be objectively measurable. The invitation
for bids shall set forth the evaluation criteria to be used.

(f) Correction or withdrawal of bids. Correction or withdrawal of inadvertently erroneous bids before or after award, or cancellation of awards of contracts based on bid mistakes, shall be permitted in accordance with rules. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the State or fair competition shall be permitted. All decisions to permit the correction or withdrawal of bids based on bid mistakes shall be supported by written determination made by a State purchasing officer.

(g) Award. The contract shall be awarded with reasonable promptness by written notice to the lowest responsible and responsive bidder whose bid meets the requirements and criteria set forth in the invitation for bids, except when a State purchasing officer determines it is not in the best interest of the State and by written explanation determines another bidder shall receive the award. The explanation shall appear in the appropriate volume of the Illinois Procurement Bulletin. The written explanation must include:

(1) a description of the agency's needs;
(2) a determination that the anticipated cost will be fair and reasonable;
(3) a listing of all responsible and responsive bidders; and
(4) the name of the bidder selected, the total contract
price, and the reasons for selecting that bidder.

When a multiple award is contemplated, the solicitation shall identify the award criteria and a detailed method of selecting from among the multiple awardees.

Each chief procurement officer may adopt guidelines to implement the requirements of this subsection (g).

The written explanation shall be filed with the Legislative Audit Commission and the Procurement Policy Board, and be made available for inspection by the public, within 30 calendar days after the agency's decision to award the contract.

(h) Multi-step sealed bidding. When it is considered impracticable to initially prepare a purchase description to support an award based on price, an invitation for bids may be issued requesting the submission of unpriced offers to be followed by written requests for sealed quotes with pricing to meet the need and an invitation for bids limited to the pool of those bidders whose offers have been qualified under the criteria set forth in the first solicitation. An award shall be made to the responsible vendor with the lowest priced quote meeting the needs of the State agency as needs are determined by the State agency. The chief procurement officer may re-open the pool following the procedures in this subsection (h) periodically as needed to ensure reasonable competition.

(i) Alternative procedures. Notwithstanding any other provision of this Act to the contrary, the Director of the Illinois Power Agency may create alternative bidding
procedures to be used in procuring professional services under subsection (a) of Section 1-75 and subsection (d) of Section 1-78 of the Illinois Power Agency Act and Section 16-111.5(c) of the Public Utilities Act and to procure renewable energy resources under Section 1-56 of the Illinois Power Agency Act. These alternative procedures shall be set forth together with the other criteria contained in the invitation for bids, and shall appear in the appropriate volume of the Illinois Procurement Bulletin.

(j) Reverse auction. Notwithstanding any other provision of this Section and in accordance with rules adopted by the chief procurement officer, that chief procurement officer may procure supplies or services through a competitive electronic auction bidding process after the chief procurement officer determines that the use of such a process will be in the best interest of the State. The chief procurement officer shall publish that determination in his or her next volume of the Illinois Procurement Bulletin.

An invitation for bids shall be issued and shall include (i) a procurement description, (ii) all contractual terms, whenever practical, and (iii) conditions applicable to the procurement, including a notice that bids will be received in an electronic auction manner.

Public notice of the invitation for bids shall be given in the same manner as provided in subsection (c).

Bids shall be accepted electronically at the time and in
the manner designated in the invitation for bids. During the auction, a bidder's price shall be disclosed to other bidders. Bidders shall have the opportunity to reduce their bid prices during the auction. At the conclusion of the auction, the record of the bid prices received and the name of each bidder shall be open to public inspection.

After the auction period has terminated, withdrawal of bids shall be permitted as provided in subsection (f).

The contract shall be awarded within 60 calendar days after the auction by written notice to the lowest responsible bidder, or all bids shall be rejected except as otherwise provided in this Code. Extensions of the date for the award may be made by mutual written consent of the State purchasing officer and the lowest responsible bidder.

The chief procurement officer shall publish that determination in his or her next volume of the Illinois Procurement Bulletin.

An invitation for bids shall be issued and shall include (i) a procurement description, (ii) all contractual terms, whenever practical, and (iii) conditions applicable to the procurement, including a notice that bids will be received in an electronic auction manner.

Bids shall be evaluated based on the requirements set forth in the invitation for bids, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will
affect the bid price and be considered in evaluation for award, such as discounts, transportation costs, and total or life cycle costs, shall be objectively measurable. The invitation for bids shall set forth the evaluation criteria to be used.

(f) Correction or withdrawal of bids. Correction or withdrawal of inadvertently erroneous bids before or after award, or cancellation of awards of contracts based on bid mistakes, shall be permitted in accordance with rules. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the State or fair competition shall be permitted. All decisions to permit the correction or withdrawal of bids based on bid mistakes shall be supported by written determination made by a State purchasing officer.

(g) Award. The contract shall be awarded with reasonable promptness by written notice to the lowest responsible and responsive bidder whose bid meets the requirements and criteria set forth in the invitation for bids, except when a State purchasing officer determines it is not in the best interest of the State and by written explanation determines another bidder shall receive the award. The explanation shall appear in the appropriate volume of the Illinois Procurement Bulletin. The written explanation must include:

(1) a description of the agency's needs;

(2) a determination that the anticipated cost will be fair and reasonable;
(3) a listing of all responsible and responsive bidders; and

(4) the name of the bidder selected, the total contract price, and the reasons for selecting that bidder.

When a multiple award is contemplated, the solicitation shall identify the award criteria and a detailed method of selecting from among the multiple awardees.

Each chief procurement officer may adopt guidelines to implement the requirements of this subsection (g).

The written explanation shall be filed with the Legislative Audit Commission and the Procurement Policy Board, and be made available for inspection by the public, within 30 calendar days after the agency's decision to award the contract.

(h) Multi-step sealed bidding. When it is considered impracticable to initially prepare a purchase description to support an award based on price, an invitation for bids may be issued requesting the submission of unpriced offers to be followed by written requests for sealed quotes with pricing to meet the need and an invitation for bids limited to the pool of those bidders whose offers have been qualified under the criteria set forth in the first solicitation. An award shall be made to the responsible vendor with the lowest priced quote meeting the needs of the State agency as needs are determined by the State agency. The chief procurement officer may re-open the pool following the procedures in this subsection (h) periodically as needed to ensure reasonable competition.
(i) Alternative procedures. Notwithstanding any other provision of this Act to the contrary, the Director of the Illinois Power Agency may create alternative bidding procedures to be used in procuring professional services under Section 1-56, subsections (a) and (c) of Section 1-75 and subsection (d) of Section 1-78 of the Illinois Power Agency Act and Section 16-111.5(c) of the Public Utilities Act and to procure renewable energy resources under Section 1-56 of the Illinois Power Agency Act. These alternative procedures shall be set forth together with the other criteria contained in the invitation for bids, and shall appear in the appropriate volume of the Illinois Procurement Bulletin.

(j) Reverse auction. Notwithstanding any other provision of this Section and in accordance with rules adopted by the chief procurement officer, that chief procurement officer may procure supplies or services through a competitive electronic auction bidding process after the chief procurement officer determines that the use of such a process will be in the best interest of the State. The chief procurement officer shall publish that determination in his or her next volume of the Illinois Procurement Bulletin.

An invitation for bids shall be issued and shall include (i) a procurement description, (ii) all contractual terms, whenever practical, and (iii) conditions applicable to the procurement, including a notice that bids will be received in an electronic auction manner.
Public notice of the invitation for bids shall be given in the same manner as provided in subsection (c).

Bids shall be accepted electronically at the time and in the manner designated in the invitation for bids. During the auction, a bidder's price shall be disclosed to other bidders. Bidders shall have the opportunity to reduce their bid prices during the auction. At the conclusion of the auction, the record of the bid prices received and the name of each bidder shall be open to public inspection.

After the auction period has terminated, withdrawal of bids shall be permitted as provided in subsection (f).

The contract shall be awarded within 60 calendar days after the auction by written notice to the lowest responsible bidder, or all bids shall be rejected except as otherwise provided in this Code. Extensions of the date for the award may be made by mutual written consent of the State purchasing officer and the lowest responsible bidder.

This subsection does not apply to (i) procurements of professional and artistic services, (ii) telecommunications services, communication services, and information services, and (iii) contracts for construction projects, including design professional services.

An award shall be made to the responsible vendor with the lowest priced quote meeting the needs of the State agency as needs are determined by the State agency. The chief procurement officer may re-open the pool following the procedures in this subsection (h) periodically as needed to ensure reasonable competition.

At the conclusion of the auction, the record of the bid prices received and the name of each bidder shall be open to public inspection.

After the auction period has terminated, withdrawal of bids shall be permitted as provided in subsection (f).

The contract shall be awarded within 60 calendar days after the auction by written notice to the lowest responsible bidder, or all bids shall be rejected except as otherwise provided in this Code. Extensions of the date for the award may be made by mutual written consent of the State purchasing officer and the lowest responsible bidder.

Sec. 20-15. Competitive sealed proposals.
(a) Conditions for use. When provided under this Code or under rules, or when the purchasing agency determines in writing that the use of competitive sealed bidding is either not practicable or not advantageous to the State, a contract may be entered into by competitive sealed proposals.

(b) Request for proposals. Proposals shall be solicited through a request for proposals.

(c) Public notice. Public notice of the request for proposals shall be published in the Illinois Procurement Bulletin at least 14 calendar days before the date set in the invitation for the opening of proposals.

(d) Receipt of proposals. Proposals shall be opened publicly in the presence of one or more witnesses at the time and place designated in the request for proposals, but proposals shall be opened in a manner to avoid disclosure of contents to competing offerors during the process of negotiation. A record of proposals shall be prepared and shall be open for public inspection after contract award.

(e) Evaluation factors. The requests for proposals shall state the relative importance of price and other evaluation factors. Proposals shall be submitted in 2 parts: the first, covering items except price; and the second, covering price. The first part of all proposals shall be evaluated and ranked independently of the second part of all proposals.

(f) Discussion with responsible offerors and revisions of offers or proposals. As provided in the request for proposals
and under rules, discussions may be conducted with responsible offerors who submit offers or proposals determined to be reasonably susceptible of being selected for award for the purpose of clarifying and assuring full understanding of and responsiveness to the solicitation requirements. Those offerors shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals. Revisions may be permitted after submission and before award for the purpose of obtaining best and final offers. In conducting discussions there shall be no disclosure of any information derived from proposals submitted by competing offerors. If information is disclosed to any offeror, it shall be provided to all competing offerors.

(g) Award. Awards shall be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to the State, taking into consideration price and the evaluation factors set forth in the request for proposals. When a multiple award is contemplated, the solicitation shall identify the award criteria and the detailed method of selecting from among the multiple awardees. The contract file shall contain the basis on which any the award is made.

(h) Multi-step sealed proposals. A request for proposals may be issued requesting the submission of offers to establish a pool of competitively-selected vendors to be followed by written requests for specific proposals with pricing to meet the need and limited to those in the pool of qualified vendors.
Clarification, discussions, and best and finals shall be allowed as in a standard request for proposals in each step of the process. Award shall be made to the responsible vendors with the most advantageous proposal, price, and other factors being considered. The chief procurement officer may re-open the pool following the procedures in this subsection (h) periodically as needed to ensure reasonable competition.

(30 ILCS 500/20-20)
Sec. 20-20. Small purchases.
(a) Amount. Any individual procurement of supplies or services other than professional or artistic services, not exceeding $100,000 and any procurement of construction not exceeding $100,000, or any individual procurement of professional or artistic services not exceeding $30,000 may be made without competitive source selection sealed bidding. Procurements shall not be artificially divided so as to constitute a small purchase under this Section. Any procurement of construction not exceeding $100,000 may be made by an alternative competitive source selection. The construction agency shall establish rules for an alternative competitive source selection process. This Section does not apply to construction-related professional services contracts awarded in accordance with the provisions of the Architectural, Engineering, and Land Surveying Qualifications Based Selection
Act.

(b) Adjustment. Each July 1, the small purchase maximum established in subsection (a) shall be adjusted for inflation as determined by the Consumer Price Index for All Urban Consumers as determined by the United States Department of Labor and rounded to the nearest $100.

(c) Based upon rules proposed by the Board and rules promulgated by the chief procurement officers, the small purchase maximum established in subsection (a) may be modified. (Source: P.A. 90-572, eff. date - See Sec. 99-5.)

(30 ILCS 500/20-25)

Sec. 20-25. Sole source procurements.

(a) In accordance with standards set by rule, contracts may be awarded without use of the specified method of source selection when there is only one economically feasible source for the item. A State contract may be awarded as a sole source procurement unless an interested party submits a written request for a public hearing at which the chief procurement officer and purchasing agency present written justification for the procurement method. Any interested party may present testimony. A sole source contract where a hearing was requested by an interested party may be awarded after the hearing is conducted with the approval of the chief procurement officer.

(b) This Section may not be used as a basis for amending a contract for professional or artistic services if the amendment
would result in an increase in the amount paid under the contract of more than 5% of the initial award, or would extend the contract term beyond the time reasonably needed for a competitive procurement, not to exceed 2 months.

(c) Notice of intent to enter into a sole source contract shall be provided to the Procurement Policy Board and published in the online electronic Bulletin at least 14 calendar days before the public hearing required in subsection (a). The notice shall include the sole source procurement justification form prescribed by the Board, a description of the item to be procured, the intended sole source contractor, and the date, time, and location of the public hearing. A copy of the notice and all documents provided at the hearing shall be included in the subsequent Procurement Bulletin.

(d) By November August 1 each year, each chief procurement officer shall file a report with the General Assembly identifying each contract the officer sought under the sole source procurement method and providing the justification given for seeking sole source as the procurement method for each of those contracts.

Sec. 20-30. Emergency purchases.

(a) Conditions for use. In accordance with standards set by rule, a purchasing agency may make emergency procurements
without competitive sealed bidding or prior notice when there 
extists a threat to public health or public safety, or when immediate expenditure is necessary for repairs to State property in order to protect against further loss of or damage to State property, to prevent or minimize serious disruption in critical State services that affect health, safety, or collection of substantial State revenues, or to ensure the integrity of State records; provided, however, that the term of the emergency purchase shall be limited to the time reasonably needed for a competitive procurement, not to exceed 90 calendar days. A contract, other than a construction emergency contract, may be extended beyond 90 calendar days if the chief procurement officer determines additional time is necessary and that the contract scope and duration are limited to the emergency. Prior to execution of the extension, the chief procurement officer must hold a public hearing and provide written justification for all emergency contracts. Members of the public may present testimony. Emergency procurements shall be made with as much competition as is practicable under the circumstances. A written description of the basis for the emergency and reasons for the selection of the particular contractor shall be included in the contract file. For construction, construction-related, and construction support procurements, the 90-calendar-day term and provisions for contracts are not applicable.

(b) Notice. Notice of all emergency procurements shall be
provided to the Procurement Policy Board and published in the online electronic Bulletin no later than 5 calendar days after the contract is awarded. Notice of intent to extend an emergency contract shall be provided to the Procurement Policy Board and published in the online electronic Bulletin at least 14 calendar days before the public hearing. Notice shall include at least a description of the need for the emergency purchase, the contractor, and if applicable, the date, time, and location of the public hearing. A copy of this notice and all documents provided at the hearing shall be included in the subsequent Procurement Bulletin. Before the next appropriate volume of the Illinois Procurement Bulletin, the purchasing agency shall publish in the Illinois Procurement Bulletin a copy of each written description and reasons and the total cost of each emergency procurement made during the previous month. When only an estimate of the total cost is known at the time of publication, the estimate shall be identified as an estimate and published. When the actual total cost is determined, it shall also be published in like manner before the 10th day of the next succeeding month.

(c) Affidavits. A chief procurement officer making a procurement under this Section shall file affidavits with the Procurement Policy Board and the Auditor General within 10 calendar days after the procurement setting forth the amount expended, the name of the contractor involved, and the conditions and circumstances requiring the emergency
procurement. When only an estimate of the cost is available within 10 calendar days after the procurement, the actual cost shall be reported immediately after it is determined. At the end of each fiscal quarter, the Auditor General shall file with the Legislative Audit Commission and the Governor a complete listing of all emergency procurements reported during that fiscal quarter. The Legislative Audit Commission shall review the emergency procurements so reported and, in its annual reports, advise the General Assembly of procurements that appear to constitute an abuse of this Section.

(d) Quick purchases. The chief procurement officer may promulgate rules extending the circumstances by which a purchasing agency may make purchases under this Section, including but not limited to the procurement of items available at a discount for a limited period of time.

(e) The changes to this Section made by this amendatory Act of the 96th General Assembly apply to procurements executed on or after its effective date.

If a chief procurement officer appointed pursuant to Section 10-20 exercises the authority to develop and distribute uniform documents for the solicitation, review and acceptance of all bids, offers and responses and the award of contracts, then the State agency shall use the uniform documents.

(b) After award of a contract and subject to provisions of the Freedom of Information Act, the procuring agency shall make available for public inspection and copying all pre-award,
post-award, administration, and close-out documents relating to that particular contract. **Publication of a notice of award to the respective chief procurement officer's volume of the Illinois Procurement Bulletin shall constitute the award or final selection for purposes of paragraph (h) of subsection (1) of Section 7 of the Freedom of Information Act.**

The procurement file shall contain the basis on which the award is made, all submitted bids and proposals, all evaluation materials including individual evaluators' score sheets and all other documentation related to or prepared in conjunction with evaluation, negotiation, and the award process. The procurement file shall contain a written determination, signed by the chief procurement officer or State purchasing officer, setting forth the reasoning for the contract award decision. (b) Every bid and offer submitted to and every contract executed by the State on or after January 1, 2009 (the effective date of Public Act 95-971) and every submission to a vendor portal shall contain (1) a certification by the bidder, offeror, vendor, or contractor that either (i) the bidder, offeror, vendor, or contractor is not required to register as a business entity with the State Board of Elections pursuant to this Section or (ii) the bidder, offeror, vendor, or contractor has registered as a business entity with the State Board of Elections and acknowledges a continuing duty to update the registration and (2) a statement that the contract is voidable under Section 50-60 for the bidder's, offeror's, vendor's, or contractor's failure to comply with this Section.

(c) Each business entity (i) whose aggregate bids and proposals on State contracts annually total more than $50,000, (ii) whose aggregate bids and proposals on State contracts combined with the business entity's aggregate annual total value of State contracts exceed $50,000, or (iii) whose contracts with State agencies, in the aggregate, annually total more than $50,000 shall register with the State Board of Elections in accordance with Section 9-35 of the Election Code.

A business entity required to register under this subsection due to item (iii) has a continuing duty to ensure that the registration is accurate in accordance with subsection (e).

(d) Any business entity, not required under subsection (c) to register, whose aggregate bids and proposals on State contracts annually total more than $50,000, or whose aggregate bids and proposals on State contracts combined with the business entity's aggregate annual total value of State contracts exceed $50,000, shall register with the State Board of Elections in accordance with Section 9-35 of the Election Code prior to submitting to a State agency the bid or proposal whose value causes the business entity to fall within the monetary description of this subsection. Any change in information must be reported to the State Board of Elections.

(e) A business entity whose contracts with State agencies, in the aggregate, annually total more than $50,000 must maintain its registration under this Section and has a continuing duty to ensure that the registration is accurate for the duration of the term of office of the incumbent officeholder awarding the contracts or for a period of 2 years following the expiration or termination of the contracts, whichever is longer. A chief procurement officer shall not accept a bid or offer if the business entity is not in compliance with the registration requirements as of the date bids or offers are due. In addition to any penalty under Section 9-35 of the Election Code, intentional, willful, or material failure to
disclose information required for registration shall render the contract, bid, offer, or other procurement relationship voidable by the chief procurement officer if he or she deems it to be in the best interest of the State of Illinois.
