1 AMENDMENT TO SENATE BILL 355

2 AMENDMENT NO. _____. Amend Senate Bill 355 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Public Aid Code is amended by
5 changing Section 9A-11 as follows:

6 (305 ILCS 5/9A-11) (from Ch. 23, par. 9A-11)

7 Sec. 9A-11. Child care.

8 (a) The General Assembly recognizes that families with
9 children need child care in order to work. Child care is
10 expensive and families with low incomes, including those who
11 are transitioning from welfare to work, often struggle to pay
12 the costs of day care. The General Assembly understands the
13 importance of helping low income working families become and
14 remain self-sufficient. The General Assembly also believes
15 that it is the responsibility of families to share in the costs
16 of child care. It is also the preference of the General

1 Assembly that all working poor families should be treated
2 equally, regardless of their welfare status.

3 (b) To the extent resources permit, the Illinois Department
4 shall provide child care services to parents or other relatives
5 as defined by rule who are working or participating in
6 employment or Department approved education or training
7 programs. At a minimum, the Illinois Department shall cover the
8 following categories of families:

9 (1) recipients of TANF under Article IV participating
10 in work and training activities as specified in the
11 personal plan for employment and self-sufficiency;

12 (2) families transitioning from TANF to work;

13 (3) families at risk of becoming recipients of TANF;

14 (4) families with special needs as defined by rule;

15 (5) working families with very low incomes as defined
16 by rule; and

17 (6) families that are not recipients of TANF and that
18 need child care assistance to participate in education and
19 training activities.

20 The Department shall specify by rule the conditions of
21 eligibility, the application process, and the types, amounts,
22 and duration of services. Eligibility for child care benefits
23 and the amount of child care provided may vary based on family
24 size, income, and other factors as specified by rule.

25 In determining income eligibility for child care benefits,
26 the Department annually, at the beginning of each fiscal year,

1 shall establish, by rule, one income threshold for each family
2 size, in relation to percentage of State median income for a
3 family of that size, that makes families with incomes below the
4 specified threshold eligible for assistance and families with
5 incomes above the specified threshold ineligible for
6 assistance. Through and including fiscal year 2007, the
7 specified threshold must be no less than 50% of the
8 then-current State median income for each family size.
9 Beginning in fiscal year 2008, the specified threshold must be
10 no less than 185% of the then-current federal poverty level for
11 each family size.

12 In determining eligibility for assistance, the Department
13 shall not give preference to any category of recipients or give
14 preference to individuals based on their receipt of benefits
15 under this Code.

16 Nothing in this Section shall be construed as conferring
17 entitlement status to eligible families.

18 The Illinois Department is authorized to lower income
19 eligibility ceilings, raise parent co-payments, create waiting
20 lists, or take such other actions during a fiscal year as are
21 necessary to ensure that child care benefits paid under this
22 Article do not exceed the amounts appropriated for those child
23 care benefits. These changes may be accomplished by emergency
24 rule under Section 5-45 of the Illinois Administrative
25 Procedure Act, except that the limitation on the number of
26 emergency rules that may be adopted in a 24-month period shall

1 not apply.

2 The Illinois Department may contract with other State
3 agencies or child care organizations for the administration of
4 child care services.

5 (c) Payment shall be made for child care that otherwise
6 meets the requirements of this Section and applicable standards
7 of State and local law and regulation, including any
8 requirements the Illinois Department promulgates by rule in
9 addition to the licensure requirements promulgated by the
10 Department of Children and Family Services and Fire Prevention
11 and Safety requirements promulgated by the Office of the State
12 Fire Marshal and is provided in any of the following:

13 (1) a child care center which is licensed or exempt
14 from licensure pursuant to Section 2.09 of the Child Care
15 Act of 1969;

16 (2) a licensed child care home or home exempt from
17 licensing;

18 (3) a licensed group child care home;

19 (4) other types of child care, including child care
20 provided by relatives or persons living in the same home as
21 the child, as determined by the Illinois Department by
22 rule.

23 (c-5) Solely for the purposes of coverage under the
24 Illinois Public Labor Relations Act, child and day care home
25 providers, including licensed and license exempt,
26 participating in the Department's child care assistance

1 program shall be considered to be public employees and the
2 State of Illinois shall be considered to be their employer as
3 of the effective date of this amendatory Act of the 94th
4 General Assembly, but not before. The State shall engage in
5 collective bargaining with an exclusive representative of
6 child and day care home providers participating in the child
7 care assistance program concerning their terms and conditions
8 of employment that are within the State's control. Nothing in
9 this subsection shall be understood to limit the right of
10 families receiving services defined in this Section to select
11 child and day care home providers or supervise them within the
12 limits of this Section. The State shall not be considered to be
13 the employer of child and day care home providers for any
14 purposes not specifically provided in this amendatory Act of
15 the 94th General Assembly, including but not limited to,
16 purposes of vicarious liability in tort and purposes of
17 statutory retirement or health insurance benefits. Child and
18 day care home providers shall not be covered by the State
19 Employees Group Insurance Act of 1971.

20 In according child and day care home providers and their
21 selected representative rights under the Illinois Public Labor
22 Relations Act, the State intends that the State action
23 exemption to application of federal and State antitrust laws be
24 fully available to the extent that their activities are
25 authorized by this amendatory Act of the 94th General Assembly.

26 (d) The Illinois Department shall establish, by rule, a

1 co-payment scale that provides for cost sharing by families
2 that receive child care services, including parents whose only
3 income is from assistance under this Code. The co-payment shall
4 be based on family income and family size and may be based on
5 other factors as appropriate. Co-payments may be waived for
6 families whose incomes are at or below the federal poverty
7 level.

8 (d-5) The Illinois Department, in consultation with its
9 Child Care and Development Advisory Council, shall develop a
10 plan to revise the child care assistance program's co-payment
11 scale. The plan shall be completed no later than February 1,
12 2008, and shall include:

13 (1) findings as to the percentage of income that the
14 average American family spends on child care and the
15 relative amounts that low-income families and the average
16 American family spend on other necessities of life;

17 (2) recommendations for revising the child care
18 co-payment scale to assure that families receiving child
19 care services from the Department are paying no more than
20 they can reasonably afford;

21 (3) recommendations for revising the child care
22 co-payment scale to provide at-risk children with complete
23 access to Preschool for All and Head Start; and

24 (4) recommendations for changes in child care program
25 policies that affect the affordability of child care.

26 (e) (Blank).

1 (f) The Illinois Department shall, by rule, set rates to be
2 paid for the various types of child care. Child care may be
3 provided through one of the following methods:

4 (1) arranging the child care through eligible
5 providers by use of purchase of service contracts or
6 vouchers;

7 (2) arranging with other agencies and community
8 volunteer groups for non-reimbursed child care;

9 (3) (blank); or

10 (4) adopting such other arrangements as the Department
11 determines appropriate.

12 (f-1) Within 30 days after the effective date of this
13 amendatory Act of the 100th General Assembly, the Department
14 shall annually increase reimbursement rates to child care
15 centers which are licensed or exempt from licensure pursuant to
16 Section 2.09 of the Child Care Act of 1969 according to the
17 following schedule:

18 (1) Beginning July 1, 2018, the reimbursement rates for
19 child care centers in Group 1A Counties, Group 1B Counties,

21 the rates in effect for such child care centers on June 30,
22 2018.

23 (2) Beginning July 1, 2019, the reimbursement rates for
24 child care centers in Group 1A Counties, Group 1B Counties,

26 the rates in effect for such child care centers on June 30,

2 (3) Beginning July 1, 2020, the reimbursement rates for
3 child care centers in Group 1A Counties, Group 1B Counties,
4 and Group 2 Counties shall be increased by 1.22% based on
5 the rates in effect for such child care centers on June 30,
6 2020.

7 (4) Beginning July 1, 2021, the reimbursement rates for
8 child care centers in Group 1A Counties, Group 1B Counties,
9 and Group 2 Counties shall be increased by 1.13% based on
10 the rates in effect for such child care centers on June 30,
11 2021.

12 (5) Beginning July 1, 2022, and every July 1
13 thereafter, the reimbursement rates for child care centers
14 in Group 1A Counties, Group 1B Counties, and Group 2
15 Counties shall be equal to the rates in effect for such
16 child care centers on June 30 of the previous State fiscal
17 year increased by the percentage increase, if any, in the
18 Consumer Price Index for All Urban Consumers, as published
19 annually by the U.S. Department of Labor.

20 (f-5) (Blank).

21 (g) Families eligible for assistance under this Section
22 shall be given the following options:

23 (1) receiving a child care certificate issued by the
24 Department or a subcontractor of the Department that may be
25 used by the parents as payment for child care and
26 development services only; or

1 (2) if space is available, enrolling the child with a
2 child care provider that has a purchase of service contract
3 with the Department or a subcontractor of the Department
4 for the provision of child care and development services.
5 The Department may identify particular priority
6 populations for whom they may request special
7 consideration by a provider with purchase of service
8 contracts, provided that the providers shall be permitted
9 to maintain a balance of clients in terms of household
10 incomes and families and children with special needs, as
11 defined by rule.
