1 AMENDMENT TO SENATE BILL 741

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 741, AS AMENDED, by  
3 replacing everything after the enacting clause with the  
4 following:

5 "Section 5. The Department of Public Health Powers and  
6 Duties Law of the Civil Administrative Code of Illinois is  
7 amended by changing Section 2310-650 as follows:

8 (20 ILCS 2310/2310-650)

9 Sec. 2310-650. Influenza vaccination program. The  
10 Department of Public Health may require certified local health  
11 departments and any facility licensed by the Department to  
12 implement an influenza vaccination program that ensures that  
13 the health care personnel ~~employees~~ of the facility are offered  
14 the opportunity to be vaccinated against seasonal influenza and  
15 any other novel or pandemic influenza viruses as vaccines  
16 become available.

1       Nothing in this Section prohibits certified local health  
2 departments and any facility licensed by the Department from  
3 implementing more stringent influenza vaccination policies,  
4 strategies, or programs, including a mandatory health care  
5 personnel influenza vaccination program that contains measures  
6 to protect patients from potential exposure to influenza and  
7 improve health care personnel vaccination rates that are  
8 consistent with existing law and rules.

9       The Department may adopt rules setting forth the  
10 requirements of the influenza vaccination program, along with  
11 exceptions for personnel who may be exempt for medical or  
12 religious reasons. Medical exemptions shall be consistent with  
13 current guidelines issued by the Centers for Disease Control  
14 and Prevention. General philosophical or moral reluctance to  
15 influenza vaccinations is not a sufficient basis for an  
16 exemption.
