

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Workers' Compensation Act is amended by  
5 changing Sections 8.2 and 8.2a as follows:

6 (820 ILCS 305/8.2)

7 Sec. 8.2. Fee schedule.

8 (a) Except as provided for in subsection (c), for  
9 procedures, treatments, or services covered under this Act and  
10 rendered or to be rendered on and after February 1, 2006, the  
11 maximum allowable payment shall be 90% of the 80th percentile  
12 of charges and fees as determined by the Commission utilizing  
13 information provided by employers' and insurers' national  
14 databases, with a minimum of 12,000,000 Illinois line item  
15 charges and fees comprised of health care provider and hospital  
16 charges and fees as of August 1, 2004 but not earlier than  
17 August 1, 2002. These charges and fees are provider billed  
18 amounts and shall not include discounted charges. The 80th  
19 percentile is the point on an ordered data set from low to high  
20 such that 80% of the cases are below or equal to that point and  
21 at most 20% are above or equal to that point. The Commission  
22 shall adjust these historical charges and fees as of August 1,  
23 2004 by the Consumer Price Index-U for the period August 1,

1 2004 through September 30, 2005. The Commission shall establish  
2 fee schedules for procedures, treatments, or services for  
3 hospital inpatient, hospital outpatient, emergency room and  
4 trauma, ambulatory surgical treatment centers, and  
5 professional services. These charges and fees shall be  
6 designated by geozip or any smaller geographic unit. The data  
7 shall in no way identify or tend to identify any patient,  
8 employer, or health care provider. As used in this Section,  
9 "geozip" means a three-digit zip code based on data  
10 similarities, geographical similarities, and frequencies. A  
11 geozip does not cross state boundaries. As used in this  
12 Section, "three-digit zip code" means a geographic area in  
13 which all zip codes have the same first 3 digits. If a geozip  
14 does not have the necessary number of charges and fees to  
15 calculate a valid percentile for a specific procedure,  
16 treatment, or service, the Commission may combine data from the  
17 geozip with up to 4 other geozips that are demographically and  
18 economically similar and exhibit similarities in data and  
19 frequencies until the Commission reaches 9 charges or fees for  
20 that specific procedure, treatment, or service. In cases where  
21 the compiled data contains less than 9 charges or fees for a  
22 procedure, treatment, or service, reimbursement shall occur at  
23 76% of charges and fees as determined by the Commission in a  
24 manner consistent with the provisions of this paragraph.  
25 Providers of out-of-state procedures, treatments, services,  
26 products, or supplies shall be reimbursed at the lesser of that

1 state's fee schedule amount or the fee schedule amount for the  
2 region in which the employee resides. If no fee schedule exists  
3 in that state, the provider shall be reimbursed at the lesser  
4 of the actual charge or the fee schedule amount for the region  
5 in which the employee resides. Not later than September 30 in  
6 2006 and each year thereafter, the Commission shall  
7 automatically increase or decrease the maximum allowable  
8 payment for a procedure, treatment, or service established and  
9 in effect on January 1 of that year by the percentage change in  
10 the Consumer Price Index-U for the 12 month period ending  
11 August 31 of that year. The increase or decrease shall become  
12 effective on January 1 of the following year. As used in this  
13 Section, "Consumer Price Index-U" means the index published by  
14 the Bureau of Labor Statistics of the U.S. Department of Labor,  
15 that measures the average change in prices of all goods and  
16 services purchased by all urban consumers, U.S. city average,  
17 all items, 1982-84=100.

18 (a-1) Notwithstanding the provisions of subsection (a) and  
19 unless otherwise indicated, the following provisions shall  
20 apply to the medical fee schedule starting on September 1,  
21 2011:

22 (1) The Commission shall establish and maintain fee  
23 schedules for procedures, treatments, products, services,  
24 or supplies for hospital inpatient, hospital outpatient,  
25 emergency room, ambulatory surgical treatment centers,  
26 accredited ambulatory surgical treatment facilities,

1 prescriptions filled and dispensed outside of a licensed  
2 pharmacy, dental services, and professional services. This  
3 fee schedule shall be based on the fee schedule amounts  
4 already established by the Commission pursuant to  
5 subsection (a) of this Section. However, starting on  
6 January 1, 2012, these fee schedule amounts shall be  
7 grouped into geographic regions in the following manner:

8 (A) Four regions for non-hospital fee schedule  
9 amounts shall be utilized:

10 (i) Cook County;

11 (ii) DuPage, Kane, Lake, and Will Counties;

12 (iii) Bond, Calhoun, Clinton, Jersey,  
13 Macoupin, Madison, Monroe, Montgomery, Randolph,  
14 St. Clair, and Washington Counties; and

15 (iv) All other counties of the State.

16 (B) Fourteen regions for hospital fee schedule  
17 amounts shall be utilized:

18 (i) Cook, DuPage, Will, Kane, McHenry, DeKalb,  
19 Kendall, and Grundy Counties;

20 (ii) Kankakee County;

21 (iii) Madison, St. Clair, Macoupin, Clinton,  
22 Monroe, Jersey, Bond, and Calhoun Counties;

23 (iv) Winnebago and Boone Counties;

24 (v) Peoria, Tazewell, Woodford, Marshall, and  
25 Stark Counties;

26 (vi) Champaign, Piatt, and Ford Counties;

- 1 (vii) Rock Island, Henry, and Mercer Counties;  
2 (viii) Sangamon and Menard Counties;  
3 (ix) McLean County;  
4 (x) Lake County;  
5 (xi) Macon County;  
6 (xii) Vermilion County;  
7 (xiii) Alexander County; and  
8 (xiv) All other counties of the State.

9 (2) If a geozip, as defined in subsection (a) of this  
10 Section, overlaps into one or more of the regions set forth  
11 in this Section, then the Commission shall average or  
12 repeat the charges and fees in a geozip in order to  
13 designate charges and fees for each region.

14 (3) In cases where the compiled data contains less than  
15 9 charges or fees for a procedure, treatment, product,  
16 supply, or service or where the fee schedule amount cannot  
17 be determined by the non-discounted charge data,  
18 non-Medicare relative values and conversion factors  
19 derived from established fee schedule amounts, coding  
20 crosswalks, or other data as determined by the Commission,  
21 reimbursement shall occur at 76% of charges and fees until  
22 September 1, 2011 and 53.2% of charges and fees thereafter  
23 as determined by the Commission in a manner consistent with  
24 the provisions of this paragraph.

25 (4) To establish additional fee schedule amounts, the  
26 Commission shall utilize provider non-discounted charge

1 data, non-Medicare relative values and conversion factors  
2 derived from established fee schedule amounts, and coding  
3 crosswalks. The Commission may establish additional fee  
4 schedule amounts based on either the charge or cost of the  
5 procedure, treatment, product, supply, or service.

6 (5) Implants shall be reimbursed at 25% above the net  
7 manufacturer's invoice price less rebates, plus actual  
8 reasonable and customary shipping charges whether or not  
9 the implant charge is submitted by a provider in  
10 conjunction with a bill for all other services associated  
11 with the implant, submitted by a provider on a separate  
12 claim form, submitted by a distributor, or submitted by the  
13 manufacturer of the implant. "Implants" include the  
14 following codes or any substantially similar updated code  
15 as determined by the Commission: 0274  
16 (prosthetics/orthotics); 0275 (pacemaker); 0276 (lens  
17 implant); 0278 (implants); 0540 and 0545 (ambulance); 0624  
18 (investigational devices); and 0636 (drugs requiring  
19 detailed coding). Non-implantable devices or supplies  
20 within these codes shall be reimbursed at 65% of actual  
21 charge, which is the provider's normal rates under its  
22 standard chagemaster. A standard chagemaster is the  
23 provider's list of charges for procedures, treatments,  
24 products, supplies, or services used to bill payers in a  
25 consistent manner.

26 (6) The Commission shall automatically update all

1 codes and associated rules with the version of the codes  
2 and rules valid on January 1 of that year.

3 (a-2) For procedures, treatments, services, or supplies  
4 covered under this Act and rendered or to be rendered on or  
5 after September 1, 2011, the maximum allowable payment shall be  
6 70% of the fee schedule amounts, which shall be adjusted yearly  
7 by the Consumer Price Index-U, as described in subsection (a)  
8 of this Section.

9 (a-3) Prescriptions filled and dispensed outside of a  
10 licensed pharmacy shall be subject to a fee schedule that shall  
11 not exceed the Average Wholesale Price (AWP) plus a dispensing  
12 fee of \$4.18. AWP or its equivalent as registered by the  
13 National Drug Code shall be set forth for that drug on that  
14 date as published in Medispan.

15 (b) Notwithstanding the provisions of subsection (a), if  
16 the Commission finds that there is a significant limitation on  
17 access to quality health care in either a specific field of  
18 health care services or a specific geographic limitation on  
19 access to health care, it may change the Consumer Price Index-U  
20 increase or decrease for that specific field or specific  
21 geographic limitation on access to health care to address that  
22 limitation.

23 (c) The Commission shall establish by rule a process to  
24 review those medical cases or outliers that involve  
25 extra-ordinary treatment to determine whether to make an  
26 additional adjustment to the maximum payment within a fee

1 schedule for a procedure, treatment, or service.

2 (d) When a patient notifies a provider that the treatment,  
3 procedure, or service being sought is for a work-related  
4 illness or injury and furnishes the provider the name and  
5 address of the responsible employer, the provider shall bill  
6 the employer or its designee directly. The employer or its  
7 designee shall make payment for treatment in accordance with  
8 the provisions of this Section directly to the provider, except  
9 that, if a provider has designated a third-party billing entity  
10 to bill on its behalf, payment shall be made directly to the  
11 billing entity. Providers and providers shall submit bills and  
12 records in accordance with the provisions of this Section.

13 (1) All payments to providers for treatment provided  
14 pursuant to this Act shall be made within 30 days of  
15 receipt of the bills as long as the bill claim contains  
16 substantially all the required data elements necessary to  
17 adjudicate the bill bills.

18 (2) If the bill claim does not contain substantially  
19 all the required data elements necessary to adjudicate the  
20 bill, or the claim is denied for any other reason, in whole  
21 or in part, the employer or insurer shall provide written  
22 notification to the provider in the form of an explanation  
23 of benefits, explaining the basis for the denial and  
24 describing any additional necessary data elements, ~~to the~~  
25 ~~provider~~ within 30 days of receipt of the bill. The  
26 Commission, with assistance from the Medical Fee Advisory

1 Board, shall adopt rules detailing the requirements for the  
2 explanation of benefits required under this subsection.

3 (3) In the case (i) of nonpayment to a provider within  
4 30 days of receipt of the bill which contained  
5 substantially all of the required data elements necessary  
6 to adjudicate the bill, (ii) of ~~or~~ nonpayment to a provider  
7 of a portion of such a bill, or (iii) where the provider  
8 has not been issued an explanation of benefits for a bill  
9 up to the lesser of the actual charge or the payment level  
10 set by the Commission in the fee schedule established in  
11 this Section, the bill, or portion of the bill up to the  
12 lesser of the actual charge or the payment level set by the  
13 Commission in the fee schedule established in this Section,  
14 shall incur interest at a rate of 1% per month payable by  
15 the employer to the provider. Any required interest  
16 payments shall be made by the employer or its insurer to  
17 the provider not later than within 30 days after payment of  
18 the bill.

19 (4) If the employer or its insurer fails to pay  
20 interest required pursuant to this subsection (d), the  
21 provider may bring an action in circuit court to enforce  
22 the provisions of this subsection (d) against the employer  
23 or its insurer responsible for insuring the employer's  
24 liability pursuant to item (3) of subsection (a) of Section  
25 4. Interest under this subsection (d) is only payable to  
26 the provider. An employee is not responsible for the

1       payment of interest under this Section. The right to  
2       interest under this subsection (d) shall not delay,  
3       diminish, restrict, or alter in any way the benefits to  
4       which the employee or his or her dependents are entitled  
5       under this Act.

6       The changes made to this subsection (d) by this amendatory  
7       Act of the 100th General Assembly apply to procedures,  
8       treatments, and services rendered on and after the effective  
9       date of this amendatory Act of the 100th General Assembly.

10       (e) Except as provided in subsections (e-5), (e-10), and  
11       (e-15), a provider shall not hold an employee liable for costs  
12       related to a non-disputed procedure, treatment, or service  
13       rendered in connection with a compensable injury. The  
14       provisions of subsections (e-5), (e-10), (e-15), and (e-20)  
15       shall not apply if an employee provides information to the  
16       provider regarding participation in a group health plan. If the  
17       employee participates in a group health plan, the provider may  
18       submit a claim for services to the group health plan. If the  
19       claim for service is covered by the group health plan, the  
20       employee's responsibility shall be limited to applicable  
21       deductibles, co-payments, or co-insurance. Except as provided  
22       under subsections (e-5), (e-10), (e-15), and (e-20), a provider  
23       shall not bill or otherwise attempt to recover from the  
24       employee the difference between the provider's charge and the  
25       amount paid by the employer or the insurer on a compensable  
26       injury, or for medical services or treatment determined by the

1 Commission to be excessive or unnecessary.

2 (e-5) If an employer notifies a provider that the employer  
3 does not consider the illness or injury to be compensable under  
4 this Act, the provider may seek payment of the provider's  
5 actual charges from the employee for any procedure, treatment,  
6 or service rendered. Once an employee informs the provider that  
7 there is an application filed with the Commission to resolve a  
8 dispute over payment of such charges, the provider shall cease  
9 any and all efforts to collect payment for the services that  
10 are the subject of the dispute. Any statute of limitations or  
11 statute of repose applicable to the provider's efforts to  
12 collect payment from the employee shall be tolled from the date  
13 that the employee files the application with the Commission  
14 until the date that the provider is permitted to resume  
15 collection efforts under the provisions of this Section.

16 (e-10) If an employer notifies a provider that the employer  
17 will pay only a portion of a bill for any procedure, treatment,  
18 or service rendered in connection with a compensable illness or  
19 disease, the provider may seek payment from the employee for  
20 the remainder of the amount of the bill up to the lesser of the  
21 actual charge, negotiated rate, if applicable, or the payment  
22 level set by the Commission in the fee schedule established in  
23 this Section. Once an employee informs the provider that there  
24 is an application filed with the Commission to resolve a  
25 dispute over payment of such charges, the provider shall cease  
26 any and all efforts to collect payment for the services that

1 are the subject of the dispute. Any statute of limitations or  
2 statute of repose applicable to the provider's efforts to  
3 collect payment from the employee shall be tolled from the date  
4 that the employee files the application with the Commission  
5 until the date that the provider is permitted to resume  
6 collection efforts under the provisions of this Section.

7 (e-15) When there is a dispute over the compensability of  
8 or amount of payment for a procedure, treatment, or service,  
9 and a case is pending or proceeding before an Arbitrator or the  
10 Commission, the provider may mail the employee reminders that  
11 the employee will be responsible for payment of any procedure,  
12 treatment or service rendered by the provider. The reminders  
13 must state that they are not bills, to the extent practicable  
14 include itemized information, and state that the employee need  
15 not pay until such time as the provider is permitted to resume  
16 collection efforts under this Section. The reminders shall not  
17 be provided to any credit rating agency. The reminders may  
18 request that the employee furnish the provider with information  
19 about the proceeding under this Act, such as the file number,  
20 names of parties, and status of the case. If an employee fails  
21 to respond to such request for information or fails to furnish  
22 the information requested within 90 days of the date of the  
23 reminder, the provider is entitled to resume any and all  
24 efforts to collect payment from the employee for the services  
25 rendered to the employee and the employee shall be responsible  
26 for payment of any outstanding bills for a procedure,

1 treatment, or service rendered by a provider.

2 (e-20) Upon a final award or judgment by an Arbitrator or  
3 the Commission, or a settlement agreed to by the employer and  
4 the employee, a provider may resume any and all efforts to  
5 collect payment from the employee for the services rendered to  
6 the employee and the employee shall be responsible for payment  
7 of any outstanding bills for a procedure, treatment, or service  
8 rendered by a provider as well as the interest awarded under  
9 subsection (d) of this Section. In the case of a procedure,  
10 treatment, or service deemed compensable, the provider shall  
11 not require a payment rate, excluding the interest provisions  
12 under subsection (d), greater than the lesser of the actual  
13 charge or the payment level set by the Commission in the fee  
14 schedule established in this Section. Payment for services  
15 deemed not covered or not compensable under this Act is the  
16 responsibility of the employee unless a provider and employee  
17 have agreed otherwise in writing. Services not covered or not  
18 compensable under this Act are not subject to the fee schedule  
19 in this Section.

20 (f) Nothing in this Act shall prohibit an employer or  
21 insurer from contracting with a health care provider or group  
22 of health care providers for reimbursement levels for benefits  
23 under this Act different from those provided in this Section.

24 (g) On or before January 1, 2010 the Commission shall  
25 provide to the Governor and General Assembly a report regarding  
26 the implementation of the medical fee schedule and the index

1 used for annual adjustment to that schedule as described in  
2 this Section.

4 (820 ILCS 305/8.2a)

5 Sec. 8.2a. Electronic claims.

6 (a) The Director of Insurance shall adopt rules to do all  
7 of the following:

8 (1) Ensure that all health care providers and  
9 facilities submit medical bills for payment on  
10 standardized forms.

11 (2) Require acceptance by employers and insurers of  
12 electronic claims for payment of medical services.

13 (3) Ensure confidentiality of medical information  
14 submitted on electronic claims for payment of medical  
15 services.

16 (4) Ensure that health care providers have an  
17 opportunity to comply with requests for records by  
18 employers and insurers for the authorization of the payment  
19 of workers' compensation claims.

20 (5) Ensure that health care providers are responsible  
21 for supplying only those medical records pertaining to the  
22 provider's own claims that are minimally necessary under  
23 the federal Health Insurance Portability and  
24 Accountability Act of 1996.

25 (6) Provide that any electronically submitted bill

1 determined to be complete but not paid or objected to  
2 within 30 days shall be subject to interest pursuant to  
3 item (3) of subsection (d) of Section 8.2.

4 (7) Provide that the Department of Insurance shall  
5 impose an administrative fine if it determines that an  
6 employer or insurer has failed to comply with the  
7 electronic claims acceptance and response process. The  
8 amount of the administrative fine shall be no greater than  
9 \$1,000 per each violation, but shall not exceed \$10,000 for  
10 identical violations during a calendar year.

11 (b) To the extent feasible, standards adopted pursuant to  
12 subdivision (a) shall be consistent with existing standards  
13 under the federal Health Insurance Portability and  
14 Accountability Act of 1996 and standards adopted under the  
15 Illinois Health Information Exchange and Technology Act.

16 (c) The rules requiring employers and insurers to accept  
17 electronic claims for payment of medical services shall be  
18 proposed on or before January 1, 2012, and shall require all  
19 employers and insurers to accept electronic claims for payment  
20 of medical services on or before June 30, 2012. The Director of  
21 Insurance shall adopt rules by January 1, 2019 to implement the  
22 changes to this Section made by this amendatory Act of the  
23 100th General Assembly. The Commission, with assistance from  
24 the Department and the Medical Fee Advisory Board, shall  
25 publish on its Internet website a companion guide to assist  
26 with compliance with electronic claims rules. The Medical Fee

1 Advisory Board shall periodically review the companion guide.

2 (d) The Director of Insurance shall by rule establish  
3 criteria for granting exceptions to employers, insurance  
4 carriers, and health care providers who are unable to submit or  
5 accept medical bills electronically.

7 Section 99. Effective date. This Act takes effect upon  
8 becoming law.
