1 AMENDMENT TO SENATE BILL 2610

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 2610 on page 11,  
3 line 6, after "website.", by inserting "Any municipality,  
4 county, or road district that is subject to this paragraph may  
5 adopt processes requiring disadvantaged business enterprises  
6 and non-disadvantaged business enterprises to provide  
7 additional documentation and assurances that the enterprise is  
8 qualified to complete the necessary work of the contract. No  
9 such municipality, county, or road district may adopt separate  
10 standards for disadvantaged business enterprises and  
11 non-disadvantaged business enterprises. Any additional  
12 processes must conform with 49 C.F.R. 26.

13 With respect to municipalities, counties, and road  
14 districts that are subject to the disadvantaged business  
15 enterprise program requirements of the preceding paragraph,  
16 when a disadvantaged business enterprise bid price is more than  
17 5% above the non-disadvantaged business enterprise bid price,  
18 the municipality, county, or road district may grant a goal

1 modification if it determines that good faith efforts have been  
2 met on the part of the prime contractor in accordance with 49  
3 C.F.R. 26."
