limitations provided in this Section, a claimant may claim, as 1 2 a credit against the tax imposed under subsections (a) and (b) 3 of Section 201 of this Act, an amount equal to 25% of the claimant's investment made directly in a qualified new business 4 5 venture. In order for an investment in a qualified new business venture to be eligible for tax credits, the business must have 6 7 applied for and received certification under subsection (e) for 8 the taxable year in which the investment was made prior to the 9 date on which the investment was made. The credit under this 10 Section may not exceed the taxpayer's Illinois income tax 11 liability for the taxable year. If the amount of the credit 12 exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 13 14 taxable years following the excess credit year. The credit 15 shall be applied to the earliest year for which there is a tax 16 liability. If there are credits from more than one tax year 17 that are available to offset a liability, the earlier credit shall be applied first. In the case of a partnership or 18 19 Subchapter S Corporation, the credit is allowed to the partners 20 or shareholders in accordance with the determination of income and distributive share of income under Sections 702 and 704 and 21 22 Subchapter S of the Internal Revenue Code.

3 (d) The Department shall implement a program to certify an applicant for an angel investment credit. Upon satisfactory 4 5 review, the Department shall issue a tax credit certificate stating the amount of the tax credit to which the applicant is 6 7 entitled. The Department shall annually certify that: (i) each 8 qualified new business venture that receives an angel 9 investment under this Section has maintained a minimum 10 employment threshold, as defined by rule, in the State (and 11 continues to maintain a minimum employment threshold in the 12 State for a period of no less than 3 years from the issue date 13 of the last tax credit certificate issued by the Department 14 with respect to such business pursuant to this Section); and 15 (ii) the claimant's investment has been made and remains, 16 except in the event of a qualifying liquidity event, in the 17 qualified new business venture for no less than 3 years.

If an investment for which a claimant is allowed a credit 18 19 under subsection (b) is held by the claimant for less than 3 20 years, other than as a result of a permitted sale of the investment to person who is not a related member, the claimant 21 22 shall pay to the Department of Revenue, in the manner 23 prescribed by the Department of Revenue, the aggregate amount of the disqualified credits that the claimant received related 24 25 to the subject investment.

26 If the Department determines that a qualified new business

venture failed to maintain a minimum employment threshold in 1 2 the State through the date which is 3 years from the issue date of the last tax credit certificate issued by the Department 3 with respect to the subject business pursuant to this Section, 4 5 the claimant or claimants shall pay to the Department of Revenue, in the manner prescribed by the Department of Revenue, 6 7 the aggregate amount of the disqualified credits that claimant or claimants received related to investments in that business. 8
