12 the purpose of establishing training programs for youth with an  
13 interest in the building trades. Under the training programs,  
14 each participating youth shall receive the following:

3 Selected organizations shall also use the grant money to  
4 establish an entrepreneurship program to provide eligible  
5 youth with the capital and business management skills necessary  
6 to successfully launch their own businesses as contractors,  
7 subcontractors, real estate agents, or property managers or as

18 for acquisition as described in subsection (b).

19 (b) Property eligible for acquisition and rehabilitation

13 owner chooses to enter into an agreement with a  
14 community-based organization to rehabilitate the  
15 residential property, such agreement shall be made with the
