

# HB2344

## 101ST GENERAL ASSEMBLY

### State of Illinois

2019 and 2020

**HB2344**

by Rep. Jehan Gordon-Booth

#### SYNOPSIS AS INTRODUCED:

15 ILCS 520/7

from Ch. 130, par. 26

Amends the Deposit of State Moneys Act. Provides that the State Treasurer may, in his discretion, accept a proposal from an eligible institution which provides for a reduced rate of interest provided that such institution documents the use of deposited funds for community development projects, with preference given to eligible institutions located in high unemployment communities. Defines "high unemployment communities".

LRB101 07742 RJF 52791 b

A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Deposit of State Moneys Act is amended by  
5 changing Section 7 as follows:

6 (15 ILCS 520/7) (from Ch. 130, par. 26)

7 Sec. 7. (a) Proposals made may either be approved or  
8 rejected by the State Treasurer. A bank or savings and loan  
9 association whose proposal is approved shall be eligible to  
10 become a State depository for the class or classes of funds  
11 covered by its proposal. A bank or savings and loan association  
12 whose proposal is rejected shall not be so eligible. The State  
13 Treasurer shall seek to have at all times a total of not less  
14 than 20 banks or savings and loan associations which are  
15 approved as State depositories for time deposits.

16 (b) The State Treasurer may, in his discretion, accept a  
17 proposal from an eligible institution which provides for a  
18 reduced rate of interest provided that such institution  
19 documents the use of deposited funds for community development  
20 projects, with preference given to eligible institutions  
21 located in high unemployment communities. For the purposes of  
22 this subsection (b), "high unemployment communities" means  
23 municipalities located in this State whose unemployment rate is

1 higher than the State's average unemployment rate.

2 (b-5) The State Treasurer may, in his or her discretion,  
3 accept a proposal from an eligible institution that provides  
4 for a reduced rate of interest, provided that such institution  
5 agrees to expend an amount of money equal to the amount of the  
6 reduction for the preservation of Cahokia Mounds.

7 (b-10) The State Treasurer may, in his or her discretion,  
8 accept a proposal from an eligible institution that provides  
9 for a reduced rate of interest, provided that the institution  
10 agrees to expend an amount of money equal to the amount of the  
11 reduction for senior centers.

12 (c) The State Treasurer may, in his or her discretion,  
13 accept a proposal from an eligible institution that provides  
14 for interest earnings on deposits of State moneys to be held by  
15 the institution in a separate account that the State Treasurer  
16 may use to secure up to 10% of any (i) home loans to Illinois  
17 citizens purchasing or refinancing a home in Illinois in  
18 situations where the participating financial institution would  
19 not offer the borrower a home loan under the institution's  
20 prevailing credit standards without the incentive of a reduced  
21 rate of interest on deposits of State moneys, (ii) existing  
22 home loans of Illinois citizens who have failed to make  
23 payments on a home loan as a result of a financial hardship due  
24 to circumstances beyond the control of the borrower where there  
25 is a reasonable prospect that the borrower will be able to  
26 resume full mortgage payments, and (iii) loans in amounts that

1 do not exceed the amount of arrearage on a mortgage and that  
2 are extended to enable a borrower to become current on his or  
3 her mortgage obligation.

4 The following factors shall be considered by the  
5 participating financial institution to determine whether the  
6 financial hardship is due to circumstances beyond the control  
7 of the borrower: (i) loss, reduction, or delay in the receipt  
8 of income because of the death or disability of a person who  
9 contributed to the household income, (ii) expenses actually  
10 incurred related to the uninsured damage or costly repairs to  
11 the mortgaged premises affecting its habitability, (iii)  
12 expenses related to the death or illness in the borrower's  
13 household or of family members living outside the household  
14 that reduce the amount of household income, (iv) loss of income  
15 or a substantial increase in total housing expenses because of  
16 divorce, abandonment, separation from a spouse, or failure to  
17 support a spouse or child, (v) unemployment or underemployment,  
18 (vi) loss, reduction, or delay in the receipt of federal,  
19 State, or other government benefits, and (vii) participation by  
20 the homeowner in a recognized labor action such as a strike. In  
21 determining whether there is a reasonable prospect that the  
22 borrower will be able to resume full mortgage payments, the  
23 participating financial institution shall consider factors  
24 including, but not necessarily limited to the following: (i) a  
25 favorable work and credit history, (ii) the borrower's ability  
26 to and history of paying the mortgage when employed, (iii) the

1 lack of an impediment or disability that prevents reemployment,  
2 (iv) new education and training opportunities, (v) non-cash  
3 benefits that may reduce household expenses, and (vi) other  
4 debts.

5 For the purposes of this Section, "home loan" means a loan,  
6 other than an open-end credit plan or a reverse mortgage  
7 transaction, for which (i) the principal amount of the loan  
8 does not exceed the conforming loan size limit as established  
9 from time to time by the Federal National Mortgage Association,  
10 (ii) the borrower is a natural person, (iii) the debt is  
11 incurred by the borrower primarily for personal, family, or  
12 household purposes, and (iv) the loan is secured by a mortgage  
13 or deed of trust on real estate upon which there is located or  
14 there is to be located a structure designed principally for the  
15 occupancy of no more than 4 families and that is or will be  
16 occupied by the borrower as the borrower's principal dwelling.

17 (d) If there is an agreement between the State Treasurer  
18 and an eligible institution that details the use of deposited  
19 funds, the agreement may not require the gift of money, goods,  
20 or services to a third party; this provision does not restrict  
21 the eligible institution from contracting with third parties in  
22 order to carry out the intent of the agreement or restrict the  
23 State Treasurer from placing requirements upon third-party  
24 contracts entered into by the eligible institution.
