3 **represented in the General Assembly:**

4 Section 5. The Consent by Minors to Health Care Services
5 Act is amended by changing Section 4 as follows:

6 (410 ILCS 210/4) (from Ch. 111, par. 4504)

7 Sec. 4. Sexually transmitted disease; drug or alcohol
8 abuse. Notwithstanding any other provision of law, a minor 12
9 years of age or older who may have come into contact with any
10 sexually transmitted disease, or may be determined to be an
11 intoxicated person or a person with a substance use disorder,
12 as defined in the Substance Use Disorder Act, or who may have a
13 family member who abuses drugs or alcohol, may give consent to
14 the furnishing of health care services or counseling related to
15 the prevention, diagnosis, or treatment of the disease. Each
16 incident of sexually transmitted disease shall be reported to
17 the State Department of Public Health or the local board of
18 health in accordance with regulations adopted under statute or
19 ordinance. The consent of the parent, parents, or legal
20 guardian of a minor shall not be necessary to authorize health
21 care services or counseling related to the prevention,
22 diagnosis, or treatment of sexually transmitted disease or drug
23 use or alcohol consumption by the minor or the effects on the

1 minor of drug or alcohol abuse by a member of the minor's
2 family. The consent of the minor shall be valid and binding as
3 if the minor had achieved his or her majority. The consent
4 shall not be voidable nor subject to later disaffirmance
5 because of minority.

6 Anyone involved in the furnishing of health services care
7 to the minor or counseling related to the prevention,
8 diagnosis, or treatment of the minor's disease or drug or
9 alcohol use by the minor or a member of the minor's family
10 shall, upon the minor's consent, make reasonable efforts, to
11 involve the family of the minor in his or her treatment, if the
12 person furnishing treatment believes that the involvement of
13 the family will not be detrimental to the progress and care of
14 the minor. Reasonable effort shall be extended to assist the
15 minor in accepting the involvement of his or her family in the
16 care and treatment being given.
