1 AMENDMENT TO HOUSE BILL 3484

2 AMENDMENT NO. _____. Amend House Bill 3484 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Public Health Powers and
5 Duties Law of the Civil Administrative Code of Illinois is
6 amended by adding Section 2310-678 as follows:

7 (20 ILCS 2310/2310-678 new)

8 Sec. 2310-678. Information provided prior to biochemical
9 testing of pregnant women or infants for controlled substances.
10 The Department shall establish guidelines for health care
11 providers, health care professionals, and health care
12 facilities requiring that, at a minimum, prior to providing a
13 biochemical test for controlled substances to a pregnant
14 patient or an infant, and to the extent permitted by law, a
15 health care provider, health care professional, or health care
16 facility shall provide information to the patient or the

1 patient's personal representative that shall include: a
2 reasonable explanation of the biochemical test; the test's
3 purpose, potential uses, and limitations; the meaning of the
4 test's results; the voluntary nature of the test; the
5 availability of a qualified person to answer questions; the
6 right to withdraw consent to the testing process at any time;
7 and the right to confidential treatment of information
8 identifying the subject and the results of the test. The
9 guidelines shall allow the information to be provided in
10 writing, verbally, or by video, electronic, or other means and
11 as designated by the supervising health care provider,
12 supervising health care professional, or the health care
13 facility."
