8 be cited as the Property Tax Extension Limitation Law. As used

21 "Aggregate extension" for all taxing districts to which

12 amendatory Act of 1997; (e) made for any taxing district to pay
13 interest or principal on revenue bonds issued before the

13 not including any amendments to such a contract taking effect
14 on or after that date); (k) made to fund expenses of providing

18 to a firefighter's pension fund created under Article 4 of the
19 Illinois Pension Code, to the extent of the amount certified

21 "Debt service extension base" means an amount equal to that
22 portion of the extension for a taxing district for the 1994
23 levy year, or for those taxing districts subject to this Law in
24 accordance with Section 18-213, except for those subject to
25 paragraph (2) of subsection (e) of Section 18-213, for the levy
26 year in which the referendum making this Law applicable to the

1 taxing district is held, or for those taxing districts subject
2 to this Law in accordance with paragraph (2) of subsection (e)
3 of Section 18-213 for the 1996 levy year, constituting an
4 extension for payment of principal and interest on bonds issued
5 by the taxing district without referendum, but not including
6 excluded non-referendum bonds. For park districts (i) that were
7 first subject to this Law in 1991 or 1995 and (ii) whose
8 extension for the 1994 levy year for the payment of principal
9 and interest on bonds issued by the park district without
10 referendum (but not including excluded non-referendum bonds)
11 was less than 51% of the amount for the 1991 levy year
12 constituting an extension for payment of principal and interest
13 on bonds issued by the park district without referendum (but
14 not including excluded non-referendum bonds), "debt service
15 extension base" means an amount equal to that portion of the
16 extension for the 1991 levy year constituting an extension for
17 payment of principal and interest on bonds issued by the park
18 district without referendum (but not including excluded
19 non-referendum bonds). A debt service extension base
20 established or increased at any time pursuant to any provision
21 of this Law, except Section 18-212, shall be increased each
22 year commencing with the later of (i) the 2009 levy year or
23 (ii) the first levy year in which this Law becomes applicable
24 to the taxing district, by the lesser of 5% or the percentage
25 increase in the Consumer Price Index during the 12-month
26 calendar year preceding the levy year. The debt service

1 extension base may be established or increased as provided
2 under Section 18-212. "Excluded non-referendum bonds" means
3 (i) bonds authorized by Public Act 88-503 and issued under
4 Section 20a of the Chicago Park District Act for aquarium and
5 museum projects; (ii) bonds issued under Section 15 of the
6 Local Government Debt Reform Act; or (iii) refunding
7 obligations issued to refund or to continue to refund
8 obligations initially issued pursuant to referendum.

9 "Special purpose extensions" include, but are not limited
10 to, extensions for levies made on an annual basis for
11 unemployment and workers' compensation, self-insurance,
12 contributions to pension plans, and extensions made pursuant to
13 Section 6-601 of the Illinois Highway Code for a road
14 district's permanent road fund whether levied annually or not.
15 The extension for a special service area is not included in the
16 aggregate extension.

17 "Aggregate extension base" means the taxing district's
18 last preceding aggregate extension as adjusted under Sections
19 18-135, 18-215, 18-230, ~~and 18-206,~~ and 18-233. An adjustment
20 under Section 18-135 shall be made for the 2007 levy year and
21 all subsequent levy years whenever one or more counties within
22 which a taxing district is located (i) used estimated
23 valuations or rates when extending taxes in the taxing district
24 for the last preceding levy year that resulted in the over or
25 under extension of taxes, or (ii) increased or decreased the
26 tax extension for the last preceding levy year as required by

1 Section 18-135(c). Whenever an adjustment is required under
2 Section 18-135, the aggregate extension base of the taxing
3 district shall be equal to the amount that the aggregate
4 extension of the taxing district would have been for the last
5 preceding levy year if either or both (i) actual, rather than
6 estimated, valuations or rates had been used to calculate the
7 extension of taxes for the last levy year, or (ii) the tax
8 extension for the last preceding levy year had not been
9 adjusted as required by subsection (c) of Section 18-135.
10 Whenever an adjustment is required under Section 18-233, the
11 aggregate extension base of the taxing district shall be equal
12 to the amount that the aggregate extension of the taxing
13 district would have been for the last preceding levy year if
14 the actual valuations and rates, as adjusted for the increases
15 or reductions specified in Section 18-233, had been used to
16 calculate the extension of taxes for the levy year in which the
17 overextension or underextension occurred.

18 Notwithstanding any other provision of law, for levy year
19 2012, the aggregate extension base for West Northfield School
20 District No. 31 in Cook County shall be \$12,654,592.

21 "Levy year" has the same meaning as "year" under Section
22 1-155.

23 "New property" means (i) the assessed value, after final
24 board of review or board of appeals action, of new improvements
25 or additions to existing improvements on any parcel of real
26 property that increase the assessed value of that real property

1 during the levy year multiplied by the equalization factor
2 issued by the Department under Section 17-30, (ii) the assessed
3 value, after final board of review or board of appeals action,
4 of real property not exempt from real estate taxation, which
5 real property was exempt from real estate taxation for any
6 portion of the immediately preceding levy year, multiplied by
7 the equalization factor issued by the Department under Section
8 17-30, including the assessed value, upon final stabilization
9 of occupancy after new construction is complete, of any real
10 property located within the boundaries of an otherwise or
11 previously exempt military reservation that is intended for
12 residential use and owned by or leased to a private corporation
13 or other entity, (iii) in counties that classify in accordance
14 with Section 4 of Article IX of the Illinois Constitution, an
15 incentive property's additional assessed value resulting from
16 a scheduled increase in the level of assessment as applied to
17 the first year final board of review market value, and (iv) any
18 increase in assessed value due to oil or gas production from an
19 oil or gas well required to be permitted under the Hydraulic
20 Fracturing Regulatory Act that was not produced in or accounted
21 for during the previous levy year. In addition, the county
22 clerk in a county containing a population of 3,000,000 or more
23 shall include in the 1997 recovered tax increment value for any
24 school district, any recovered tax increment value that was
25 applicable to the 1995 tax year calculations.

26 "Qualified airport authority" means an airport authority

1 organized under the Airport Authorities Act and located in a
2 county bordering on the State of Wisconsin and having a
3 population in excess of 200,000 and not greater than 500,000.

4 "Recovered tax increment value" means, except as otherwise
5 provided in this paragraph, the amount of the current year's
6 equalized assessed value, in the first year after a
7 municipality terminates the designation of an area as a
8 redevelopment project area previously established under the
9 Tax Increment Allocation Development Act in the Illinois
10 Municipal Code, previously established under the Industrial
11 Jobs Recovery Law in the Illinois Municipal Code, previously
12 established under the Economic Development Project Area Tax
13 Increment Act of 1995, or previously established under the
14 Economic Development Area Tax Increment Allocation Act, of each
15 taxable lot, block, tract, or parcel of real property in the
16 redevelopment project area over and above the initial equalized
17 assessed value of each property in the redevelopment project
18 area. For the taxes which are extended for the 1997 levy year,
19 the recovered tax increment value for a non-home rule taxing
20 district that first became subject to this Law for the 1995
21 levy year because a majority of its 1994 equalized assessed
22 value was in an affected county or counties shall be increased
23 if a municipality terminated the designation of an area in 1993
24 as a redevelopment project area previously established under
25 the Tax Increment Allocation Development Act in the Illinois
26 Municipal Code, previously established under the Industrial

1 Jobs Recovery Law in the Illinois Municipal Code, or previously
2 established under the Economic Development Area Tax Increment
3 Allocation Act, by an amount equal to the 1994 equalized
4 assessed value of each taxable lot, block, tract, or parcel of
5 real property in the redevelopment project area over and above
6 the initial equalized assessed value of each property in the
7 redevelopment project area. In the first year after a
8 municipality removes a taxable lot, block, tract, or parcel of
9 real property from a redevelopment project area established
10 under the Tax Increment Allocation Development Act in the
11 Illinois Municipal Code, the Industrial Jobs Recovery Law in
12 the Illinois Municipal Code, or the Economic Development Area
13 Tax Increment Allocation Act, "recovered tax increment value"
14 means the amount of the current year's equalized assessed value
15 of each taxable lot, block, tract, or parcel of real property
16 removed from the redevelopment project area over and above the
17 initial equalized assessed value of that real property before
18 removal from the redevelopment project area.

19 Except as otherwise provided in this Section, "limiting
20 rate" means a fraction the numerator of which is the last
21 preceding aggregate extension base times an amount equal to one
22 plus the extension limitation defined in this Section and the
23 denominator of which is the current year's equalized assessed
24 value of all real property in the territory under the
25 jurisdiction of the taxing district during the prior levy year.
26 For those taxing districts that reduced their aggregate

1 extension for the last preceding levy year, except for school
2 districts that reduced their extension for educational
3 purposes pursuant to Section 18-206, the highest aggregate
4 extension in any of the last 3 preceding levy years shall be
5 used for the purpose of computing the limiting rate. The
6 denominator shall not include new property or the recovered tax
7 increment value. If a new rate, a rate decrease, or a limiting
8 rate increase has been approved at an election held after March
9 21, 2006, then (i) the otherwise applicable limiting rate shall
10 be increased by the amount of the new rate or shall be reduced
11 by the amount of the rate decrease, as the case may be, or (ii)
12 in the case of a limiting rate increase, the limiting rate
13 shall be equal to the rate set forth in the proposition
14 approved by the voters for each of the years specified in the
15 proposition, after which the limiting rate of the taxing
16 district shall be calculated as otherwise provided. In the case
17 of a taxing district that obtained referendum approval for an
18 increased limiting rate on March 20, 2012, the limiting rate
19 for tax year 2012 shall be the rate that generates the
20 approximate total amount of taxes extendable for that tax year,
21 as set forth in the proposition approved by the voters; this
22 rate shall be the final rate applied by the county clerk for
23 the aggregate of all capped funds of the district for tax year
24 2012.

2 Sec. 18-233. Adjustments for certificates of error,
3 decisions of the board of review, or decisions of the Property
4 Tax Appeal Board. Beginning in levy year 2019, a taxing
5 district's aggregate extension base shall be adjusted whenever
6 an assessment increase or decrease due to the issuance of a
7 certificate of error, a decision of the board of review, or a
8 decision of the Property Tax Appeal Board results in the
9 overextension or underextension of taxes for the last preceding
10 levy year. Whenever an adjustment is required under this
11 Section, the aggregate extension base of the taxing district
12 shall be equal to the amount that the aggregate extension of
13 the taxing district would have been for the last preceding levy
14 year if the actual valuations and rates, as adjusted for the
15 increases or reductions specified in this Section, had been
16 used to calculate the extension of taxes for the levy year in
17 which the overextension or underextension occurred.

18 Section 99. Effective date. This Act takes effect upon
19 becoming law.
