12 his or her work; and

13 (3) a partner or corporate officer of a professional
14 design firm registered in Illinois who is licensed under
15 the architecture licensing laws of this State, and who has
16 professional knowledge of the content of the technical
17 submissions and intends to be responsible for the adequacy
18 of the technical submissions, may sign and seal technical
19 submissions that are prepared by or under the responsible
20 control of architects who are licensed in this State and
21 who are in the regular employment of the professional
22 design firm.

1 of the technical submissions ~~documents~~ by name and Illinois
2 license number.

3 Any architect who signs and seals technical submissions not
4 prepared by that architect but prepared under the architect's
5 responsible control by persons not regularly employed in the
6 office where the architect is resident shall maintain and make
