6 Sec. 3.1. Dementia Coordinator.

7 (a) The full-time position of Dementia Coordinator is
8 created within the Department of Public Health. The Dementia
9 Coordinator shall be funded out of the Alzheimer's Disease
10 Research, Care, and Support Fund. The Dementia Coordinator is
11 responsible only for activities associated with and relevant to
12 the successful implementation of the State of Illinois
13 Alzheimer's Disease State Plan, including, but not limited to:

14 (1) coordinating quality dementia services in the
15 State to ensure dementia capability;

16 (2) using dementia-related data to coordinate with the
17 Department to improve public health outcomes;

18 (3) increasing awareness and creating
19 dementia-specific training;

20 (4) providing access to quality coordinated care for
21 individuals with dementia in the most integrated setting
22 available;

23 (5) establishing and maintaining relationships with
24 other agencies and organizations within the State in order
25 to meet the needs of the affected population and prevent

1 duplication of services;

2 (6) identifying and managing grants to assist in the
3 funding of the position of Dementia Coordinator and other
4 programs and services to assist Illinois in becoming
5 dementia-capable;

6 (7) working with the Department's Behavioral Risk
7 Factor Surveillance System Coordinator and the Alzheimer's
8 Disease Advisory Committee in identifying available funds
9 to execute appropriate modules for critical data
10 collection and research, if and when necessary; moneys
11 appropriated to the Alzheimer's Disease Research, Care,
12 and Support Fund may be considered;

13 (8) building and maintaining effective working
14 relationships with other departments and organizations to
15 ensure coordination between and the support of dementia
16 services;

17 (9) maintaining and applying knowledge of current
18 developments and trends in the assigned area of expertise
19 by reading appropriate journals, books, and other
20 professional literature, and attending related
21 conferences, seminars, and trainings;

22 (10) providing support for the Alzheimer's Disease
23 Advisory Committee's activities, including co-drafting the
24 State plan; and

25 (11) compiling and publishing an annual report on the
26 state of dementia care in Illinois, including, but not

1 limited to, the status of Illinois in becoming a
2 dementia-capable state.

3 (410 ILCS 410/3.2 new)

4 Sec. 3.2. Use of moneys in the Fund. Moneys in the
5 Alzheimer's Disease Research, Care, and Support Fund shall be
6 used by the Department of Public Health to cover costs
7 associated with this Act, including, but not limited to, the
8 following:

9 (1) salary and benefits for the full-time position of
10 Dementia Coordinator within the Department; and

11 (2) other expenses contingent with the
12 responsibilities of the Dementia Coordinator, including,
13 but not limited to, travel and professional development
14 opportunities.

15 (410 ILCS 410/3.3 new)

16 Sec. 3.3. Administrative support. The Department of Public
17 Health shall be responsible for providing the Dementia
18 Coordinator with work space, supplies, and other
19 administrative office materials, as needed, through existing
20 resources and not with moneys from the Alzheimer's Disease
21 Research, Care, and Support Fund.

22 (410 ILCS 410/4 rep.)

23 Section 20. The Alzheimer's Disease Research Act is amended

1 by repealing Section 4.
