1 AN ACT concerning government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Freedom of Information Act is amended by
5 changing Section 7 as follows:

6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public
9 record that contains information that is exempt from disclosure
10 under this Section, but also contains information that is not
11 exempt from disclosure, the public body may elect to redact the
12 information that is exempt. The public body shall make the
13 remaining information available for inspection and copying.
14 Subject to this requirement, the following shall be exempt from
15 inspection and copying:

16 (a) Information specifically prohibited from
17 disclosure by federal or State law or rules and regulations
18 implementing federal or State law.

19 (b) Private information, unless disclosure is required
20 by another provision of this Act, a State or federal law or
21 a court order.

22 (b-5) Files, documents, and other data or databases
23 maintained by one or more law enforcement agencies and

1 specifically designed to provide information to one or more
2 law enforcement agencies regarding the physical or mental
3 status of one or more individual subjects.

4 (c) Personal information contained within public
5 records, the disclosure of which would constitute a clearly
6 unwarranted invasion of personal privacy, unless the
7 disclosure is consented to in writing by the individual
8 subjects of the information. "Unwarranted invasion of
9 personal privacy" means the disclosure of information that
10 is highly personal or objectionable to a reasonable person
11 and in which the subject's right to privacy outweighs any
12 legitimate public interest in obtaining the information.
13 The disclosure of information that bears on the public
14 duties of public employees and officials shall not be
15 considered an invasion of personal privacy.

16 (d) Records in the possession of any public body
17 created in the course of administrative enforcement
18 proceedings, and any law enforcement or correctional
19 agency for law enforcement purposes, but only to the extent
20 that disclosure would:

21 (i) interfere with pending or actually and
22 reasonably contemplated law enforcement proceedings
23 conducted by any law enforcement or correctional
24 agency that is the recipient of the request;

25 (ii) interfere with active administrative
26 enforcement proceedings conducted by the public body

1 that is the recipient of the request;

2 (iii) create a substantial likelihood that a
3 person will be deprived of a fair trial or an impartial
4 hearing;

5 (iv) unavoidably disclose the identity of a
6 confidential source, confidential information
7 furnished only by the confidential source, or persons
8 who file complaints with or provide information to
9 administrative, investigative, law enforcement, or
10 penal agencies; except that the identities of
11 witnesses to traffic accidents, traffic accident
12 reports, and rescue reports shall be provided by
13 agencies of local government, except when disclosure
14 would interfere with an active criminal investigation
15 conducted by the agency that is the recipient of the
16 request;

17 (v) disclose unique or specialized investigative
18 techniques other than those generally used and known or
19 disclose internal documents of correctional agencies
20 related to detection, observation or investigation of
21 incidents of crime or misconduct, and disclosure would
22 result in demonstrable harm to the agency or public
23 body that is the recipient of the request;

24 (vi) endanger the life or physical safety of law
25 enforcement personnel or any other person; or

26 (vii) obstruct an ongoing criminal investigation

1 by the agency that is the recipient of the request.

2 (d-5) A law enforcement record created for law
3 enforcement purposes and contained in a shared electronic
4 record management system if the law enforcement agency that
5 is the recipient of the request did not create the record,
6 did not participate in or have a role in any of the events
7 which are the subject of the record, and only has access to
8 the record through the shared electronic record management
9 system.

10 (e) Records that relate to or affect the security of
11 correctional institutions and detention facilities.

12 (e-5) Records requested by persons committed to the
13 Department of Corrections, Department of Human Services
14 Division of Mental Health, or a county jail if those
15 materials are available in the library of the correctional
16 institution or facility or jail where the inmate is
17 confined.

18 (e-6) Records requested by persons committed to the
19 Department of Corrections, Department of Human Services
20 Division of Mental Health, or a county jail if those
21 materials include records from staff members' personnel
22 files, staff rosters, or other staffing assignment
23 information.

24 (e-7) Records requested by persons committed to the
25 Department of Corrections or Department of Human Services
26 Division of Mental Health if those materials are available

1 through an administrative request to the Department of
2 Corrections or Department of Human Services Division of
3 Mental Health.

4 (e-8) Records requested by a person committed to the
5 Department of Corrections, Department of Human Services
6 Division of Mental Health, or a county jail, the disclosure
7 of which would result in the risk of harm to any person or
8 the risk of an escape from a jail or correctional
9 institution or facility.

10 (e-9) Records requested by a person in a county jail or
11 committed to the Department of Corrections or Department of
12 Human Services Division of Mental Health, containing
13 personal information pertaining to the person's victim or
14 the victim's family, including, but not limited to, a
15 victim's home address, home telephone number, work or

18 be relevant to a requester's current or potential case or
19 claim.

21 requested by a person committed to the Department of
22 Corrections, Department of Human Services Division of
23 Mental Health, or a county jail, including, but not limited
24 to, arrest and booking records, mug shots, and crime scene
25 photographs, except as these records may be relevant to the
26 requester's current or potential case or claim.

1 (f) Preliminary drafts, notes, recommendations,
2 memoranda and other records in which opinions are
3 expressed, or policies or actions are formulated, except
4 that a specific record or relevant portion of a record
5 shall not be exempt when the record is publicly cited and
6 identified by the head of the public body. The exemption
7 provided in this paragraph (f) extends to all those records
8 of officers and agencies of the General Assembly that
9 pertain to the preparation of legislative documents.

10 (g) Trade secrets and commercial or financial
11 information obtained from a person or business where the
12 trade secrets or commercial or financial information are
13 furnished under a claim that they are proprietary,
14 privileged or confidential, and that disclosure of the
15 trade secrets or commercial or financial information would
16 cause competitive harm to the person or business, and only
17 insofar as the claim directly applies to the records
18 requested.

19 The information included under this exemption includes
20 all trade secrets and commercial or financial information
21 obtained by a public body, including a public pension fund,
22 from a private equity fund or a privately held company
23 within the investment portfolio of a private equity fund as
24 a result of either investing or evaluating a potential
25 investment of public funds in a private equity fund. The
26 exemption contained in this item does not apply to the

1 aggregate financial performance information of a private
2 equity fund, nor to the identity of the fund's managers or
3 general partners. The exemption contained in this item does
4 not apply to the identity of a privately held company

9 construed to prevent a person or business from consenting
10 to disclosure.

13 disclosed would frustrate procurement or give an advantage
14 to any person proposing to enter into a contractor
15 agreement with the body, until an award or final selection
16 is made. Information prepared by or for the body in
17 preparation of a bid solicitation shall be exempt until an
18 award or final selection is made.

19 (i) Valuable formulae, computer geographic systems,
20 designs, drawings and research data obtained or produced by
21 any public body when disclosure could reasonably be
22 expected to produce private gain or public loss. The
23 exemption for "computer geographic systems" provided in
24 this paragraph (i) does not extend to requests made by news
25 media as defined in Section 2 of this Act when the
