1 AMENDMENT TO SENATE BILL 1929

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 1929 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Freedom of Information Act is amended by  
5 changing Section 7 as follows:

6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public  
9 record that contains information that is exempt from disclosure  
10 under this Section, but also contains information that is not  
11 exempt from disclosure, the public body may elect to redact the  
12 information that is exempt. The public body shall make the  
13 remaining information available for inspection and copying.  
14 Subject to this requirement, the following shall be exempt from  
15 inspection and copying:

16 (a) Information specifically prohibited from

1 disclosure by federal or State law or rules and regulations  
2 implementing federal or State law.

3 (b) Private information, unless disclosure is required  
4 by another provision of this Act, a State or federal law or  
5 a court order.

6 (b-5) Files, documents, and other data or databases  
7 maintained by one or more law enforcement agencies and  
8 specifically designed to provide information to one or more  
9 law enforcement agencies regarding the physical or mental  
10 status of one or more individual subjects.

11 (c) Personal information contained within public  
12 records, the disclosure of which would constitute a clearly  
13 unwarranted invasion of personal privacy, unless the  
14 disclosure is consented to in writing by the individual  
15 subjects of the information. "Unwarranted invasion of  
16 personal privacy" means the disclosure of information that  
17 is highly personal or objectionable to a reasonable person  
18 and in which the subject's right to privacy outweighs any  
19 legitimate public interest in obtaining the information.  
20 The disclosure of information that bears on the public  
21 duties of public employees and officials shall not be  
22 considered an invasion of personal privacy.

23 (d) Records in the possession of any public body  
24 created in the course of administrative enforcement  
25 proceedings, and any law enforcement or correctional  
26 agency for law enforcement purposes, but only to the extent

1           that disclosure would:

2                   (i) interfere with pending or actually and  
3                   reasonably contemplated law enforcement proceedings  
4                   conducted by any law enforcement or correctional  
5                   agency that is the recipient of the request;

6                   (ii) interfere with active administrative  
7                   enforcement proceedings conducted by the public body  
8                   that is the recipient of the request;

9                   (iii) create a substantial likelihood that a  
10                   person will be deprived of a fair trial or an impartial  
11                   hearing;

12                   (iv) unavoidably disclose the identity of a  
13                   confidential source, confidential information  
14                   furnished only by the confidential source, or persons  
15                   who file complaints with or provide information to  
16                   administrative, investigative, law enforcement, or  
17                   penal agencies; except that the identities of  
18                   witnesses to traffic accidents, traffic accident  
19                   reports, and rescue reports shall be provided by  
20                   agencies of local government, except when disclosure  
21                   would interfere with an active criminal investigation  
22                   conducted by the agency that is the recipient of the  
23                   request;

24                   (v) disclose unique or specialized investigative  
25                   techniques other than those generally used and known or  
26                   disclose internal documents of correctional agencies

1 related to detection, observation or investigation of  
2 incidents of crime or misconduct, and disclosure would  
3 result in demonstrable harm to the agency or public  
4 body that is the recipient of the request;

5 (vi) endanger the life or physical safety of law  
6 enforcement personnel or any other person; or

7 (vii) obstruct an ongoing criminal investigation  
8 by the agency that is the recipient of the request.

9 (d-5) A law enforcement record created for law  
10 enforcement purposes and contained in a shared electronic  
11 record management system if the law enforcement agency that  
12 is the recipient of the request did not create the record,  
13 did not participate in or have a role in any of the events  
14 which are the subject of the record, and only has access to  
15 the record through the shared electronic record management  
16 system.

17 (d-6) Materials gathered in connection with a grand  
18 jury proceeding or documents contained within the  
19 prosecution trial file, except as may be allowed under  
20 discovery rules adopted by the Illinois Supreme Court.

21 (d-7) Records in the possession of a prosecutor that  
22 were prepared or compiled by the prosecutor in connection  
23 with post-conviction proceedings pursuant to Article 122  
24 of the Code of Criminal Procedure of 1963 or any voluntary  
25 post-conviction internal review.

26 (e) Records that relate to or affect the security of

1 correctional institutions and detention facilities.

2 (e-5) Records requested by persons committed to the  
3 Department of Corrections, Department of Human Services  
4 Division of Mental Health, or a county jail if those  
5 materials are available in the library of the correctional  
6 institution or facility or jail where the inmate is  
7 confined.

8 (e-6) Records requested by persons committed to the  
9 Department of Corrections, Department of Human Services  
10 Division of Mental Health, or a county jail if those  
11 materials include records from staff members' personnel  
12 files, staff rosters, or other staffing assignment  
13 information.

14 (e-7) Records requested by persons committed to the  
15 Department of Corrections or Department of Human Services  
16 Division of Mental Health if those materials are available  
17 through an administrative request to the Department of  
18 Corrections or Department of Human Services Division of  
19 Mental Health.

20 (e-8) Records requested by a person committed to the  
21 Department of Corrections, Department of Human Services  
22 Division of Mental Health, or a county jail, the disclosure  
23 of which would result in the risk of harm to any person or  
24 the risk of an escape from a jail or correctional  
25 institution or facility.

26 (e-9) Records requested by a person in a county jail or

1 committed to the Department of Corrections or Department of  
2 Human Services Division of Mental Health, containing  
3 personal information pertaining to the person's victim or  
4 the victim's family, including, but not limited to, a  
5 victim's home address, home telephone number, work or  
6 school address, work telephone number, social security  
7 number, or any other identifying information, except as may  
8 be relevant to a requester's current or potential case or  
9 claim.

10 (e-10) Law enforcement records of other persons  
11 requested by a person committed to the Department of  
12 Corrections, Department of Human Services Division of  
13 Mental Health, or a county jail, including, but not limited  
14 to, arrest and booking records, mug shots, and crime scene  
15 photographs, except as these records may be relevant to the  
16 requester's current or potential case or claim.

17 (f) Preliminary drafts, notes, recommendations,  
18 memoranda and other records in which opinions are  
19 expressed, or policies or actions are formulated, except  
20 that a specific record or relevant portion of a record  
21 shall not be exempt when the record is publicly cited and  
22 identified by the head of the public body. The exemption  
23 provided in this paragraph (f) extends to all those records  
24 of officers and agencies of the General Assembly that  
25 pertain to the preparation of legislative documents.

26 (g) Trade secrets and commercial or financial

1 information obtained from a person or business where the  
2 trade secrets or commercial or financial information are  
3 furnished under a claim that they are proprietary,  
4 privileged or confidential, and that disclosure of the  
5 trade secrets or commercial or financial information would  
6 cause competitive harm to the person or business, and only  
7 insofar as the claim directly applies to the records  
8 requested.

9 The information included under this exemption includes  
10 all trade secrets and commercial or financial information  
11 obtained by a public body, including a public pension fund,  
12 from a private equity fund or a privately held company  
13 within the investment portfolio of a private equity fund as  
14 a result of either investing or evaluating a potential  
15 investment of public funds in a private equity fund. The  
16 exemption contained in this item does not apply to the  
17 aggregate financial performance information of a private  
18 equity fund, nor to the identity of the fund's managers or  
19 general partners. The exemption contained in this item does  
20 not apply to the identity of a privately held company

26 to disclosure.

2 agreement, including information which if it were  
3 disclosed would frustrate procurement or give an advantage  
4 to any person proposing to enter into a contractor  
5 agreement with the body, until an award or final selection  
6 is made. Information prepared by or for the body in  
7 preparation of a bid solicitation shall be exempt until an  
8 award or final selection is made.

12 expected to produce private gain or public loss. The  
13 exemption for "computer geographic systems" provided in  
14 this paragraph (i) does not extend to requests made by news  
15 media as defined in Section 2 of this Act when the

1 procedures for the evaluation of faculty members by  
2 their academic peers;

3 (iii) information concerning a school or  
4 university's adjudication of student disciplinary

8 by faculty members.

10 submissions, and other construction related technical  
11 documents for projects not constructed or developed in

16 distribution facilities, water treatment facilities,

15 modules, load modules, user guides, documentation  
16 pertaining to all logical and physical design of

22 between public bodies and their employees or

9 population or systems, facilities, or installations, the  
10 destruction or contamination of which would constitute a  
11 clear and present danger to the health or safety of the  
12 community, but only to the extent that disclosure could  
13 reasonably be expected to jeopardize the effectiveness of  
14 the measures or the safety of the personnel who implement  
15 them or the public. Information exempt under this item may
