Sec. 15-213. United States savings bonds.

(a) As used in this Section, "United States savings bond" means property, tangible or intangible, in the form of a savings bond issued by the United States Treasury, whether in paper, electronic, or paperless form, along with all proceeds thereof in the possession of the administrator.

(b) Notwithstanding any provision of this Act to the contrary, a United States savings bond subject to this Section or held or owing in this State by any person is presumed abandoned when such bond has remained unclaimed and unredeemed for 5 years after its date of final extended maturity.

(c) United States savings bonds that are presumed abandoned and unclaimed under subsection (b) shall escheat to the State of Illinois and all property rights and legal title to and ownership of the United States savings bonds, or proceeds from the bonds, including all rights, powers, and privileges of survivorship of any owner, co-owner, or beneficiary, shall vest
solely in the State according to the procedure set forth in
subsections (d) through (f).

(d) Within 180 days after a United States savings bond has
been presumed abandoned, in the absence of a claim having been
filed with the administrator for the savings bond, the
administrator shall commence a civil action in the Circuit
Court of Sangamon County for a determination that the United
States savings bonds has escheated to the State. The
administrator may postpone the bringing of the action until
sufficient United States savings bonds have accumulated in the
administrator's custody to justify the expense of the
proceedings.

(e) The administrator shall make service by publication in
the civil action in accordance with Sections 2-206 and 2-207 of
the Code of Civil Procedure, which shall include the filing
with the Circuit Court of Sangamon County of the affidavit
required in Section 2-206 of that Code by an employee of the
administrator with personal knowledge of the efforts made to
contact the owners of United States savings bonds presumed
abandoned under this Section. In addition to the diligent
inquiries made pursuant to Section 2-206 of the Code of Civil
Procedure, the administrator may also utilize additional
discretionary means to attempt to provide notice to persons who
may own a United States savings bond registered to a person
with a last known address in the State of Illinois subject to a
civil action pursuant to subsection (d).
(f) The owner of a United States savings bond registered to a person with a last known address in the State of Illinois subject to a civil action pursuant to subsection (d) may file a claim for such United States savings bond with either the administrator or by filing a claim in the civil action in the Circuit Court of Sangamon County in which the savings bond registered to that person is at issue prior to the entry of a final judgment by the Circuit Court pursuant to this subsection, and unless the Circuit Court determines that such United States savings bond is not owned by the claimant, then such United States savings bond shall no longer be presumed abandoned. If no person files a claim or appears at the hearing to substantiate a disputed claim or if the court determines that a claimant is not entitled to the property claimed by the claimant, then the court, if satisfied by evidence that the administrator has substantially complied with the laws of this State, shall enter a judgment that the United States savings bonds have escheated to this State, and all property rights and legal title to and ownership of such United States savings bonds or proceeds from such bonds, including all rights, powers, and privileges of survivorship of any owner, co-owner, or beneficiary, shall vest in this State.

(g) The administrator shall redeem from the Bureau of the Fiscal Service of the United States Treasury the United States savings bonds escheated to the State and deposit the proceeds from the redemption of United States savings bonds into the
Unclaimed Property Trust Fund.

(h) Any person making a claim for the United States savings bonds escheated to the State under this subsection, or for the proceeds from such bonds, may file a claim with the administrator. Upon providing sufficient proof of the validity of such person's claim, the administrator may, in his or her sole discretion, pay such claim. If payment has been made to any claimant, no action thereafter may be maintained by any other claimant against the State or any officer thereof for or on account of such funds.

(b) A holder may contract with a third party to make the report required under subsection (a).

(1) except as otherwise provided in paragraph (2), send written notice by first-class United States mail to each apparent owner of property valued at $100 or more held by the administrator, unless the administrator determines that a mailing by first-class United States mail would not be received by the apparent owner, and, in the case of a
security held in an account for which the apparent owner had consented to receiving electronic mail from the holder, send notice by electronic mail if the electronic-mail address of the apparent owner is known to the administrator instead of by first-class United States mail; or

(2) send the notice to the apparent owner's electronic-mail address if the administrator does not have a valid United States mail address for an apparent owner, but has an electronic-mail address that the administrator does not know to be invalid.

(E) a statement that a person may access the Internet by a computer to search for unclaimed property and a computer may be available as a service to the public at a local public library.

(2) The administrator shall maintain a website accessible by the public and electronically searchable which contains the names reported to the administrator of apparent owners for whom property is being held by the administrator. The administrator need not list property on such website when: no owner name was reported, a claim has been initiated or is pending for the property, the administrator has made direct contact with the apparent owner of the property, and in other instances where the administrator reasonably believes exclusion of the property is in the best interests of both the State and the owner of the property.

(d) The website or database maintained under subsection (c)(2) must include instructions for filing with the administrator a claim to property and an online claim form with instructions. The website may also provide a printable claim form with instructions for its use.

(1) At least annually the administrator shall notify the Department of Revenue of the names of persons appearing to be owners of abandoned property under this Section. The
administrator shall also provide to the Department of Revenue the social security numbers of the persons, if available.

(2) The Department of Revenue shall notify the administrator if any person under subsection (e)(1) has filed an Illinois income tax return and shall provide the administrator with the last known address of the person as it appears in Department of Revenue records, except as prohibited by federal law. The Department of Revenue may also provide additional addresses for the same taxpayer from the records of the Department, except as prohibited by federal law.

(3) In order to facilitate the return of property under this subsection, the administrator and the Department of Revenue may enter into an interagency agreement concerning protection of confidential information, data match rules, and other issues.

(4) The administrator may deliver, as provided under Section 15-904 of this Act, property or pay the amount owing to a person matched under this Section without the person filing a claim under Section 15-903 of this Act if the following conditions are met:

(B) the property is not either tangible property or securities;
(C) the last known address for the person according to the Department of Revenue records is less than 12 months old; and

(D) the administrator has evidence sufficient to establish that the person who appears in Department of Revenue records is the owner of the property and the owner currently resides at the last known address from the Department of Revenue.

(5) If the value of the property that is owed the person is greater than $2,000, or is tangible property or securities the administrator shall provide notice to the person, informing the person that he or she is the owner of abandoned property held by the State and may file a claim with the administrator for return of the property.

(6) The administrator does not need to notify the Department of Revenue of the names or social security numbers of apparent owners of abandoned property if the administrator reasonably believes that the Department of Revenue will be unable to provide information that would provide sufficient evidence to establish that the person in the Department of Revenue's records is the apparent owner of unclaimed property in the custody of the administrator.

(f) The administrator may use additional databases to verify the identity of the person and that the person currently resides at the last known address. The administrator may utilize publicly and commercially available databases to find
and update or add information for apparent owners of property held by the administrator.

(g) In addition to giving notice under subsection (b), publishing the information under subsection (c)(1) and maintaining the website or database under subsection (c)(2), the administrator may use other printed publication, telecommunication, the Internet, or other media to inform the public of the existence of unclaimed property held by the administrator.

(h) Identification of apparent owners of abandoned property using other State databases.

(1) The administrator may enter into interagency agreements with the Secretary of State and the State Board of Elections to compare the names and social security numbers of persons appearing to be owners of abandoned property under this Section with databases under the control of the Secretary of State and the State Board of Elections. Such interagency agreements shall include terms addressing the protection of confidential information, data match rules, and other necessary and proper issues.

(2) Except as prohibited by federal law, the Secretary of State or the State Board of Elections shall provide the administrator with the last known address as it appears in its respective records of any person reasonably believed to be the apparent owner of abandoned property.

(3) The administrator may deliver, as provided under
Section 15-904, property or pay the amount owing to a person matched under this Section without the person filing a claim under Section 15-903 if the following conditions are met:

(A) the value of the property that is owed to the person is $2,000 or less;

(B) the property is not tangible property or securities;

(C) the last known address of the person according to the records of the Secretary of State or the State Board of Elections is less than 12 months old; and

(D) the administrator has evidence sufficient to establish that the person who appears in the records of the Secretary of State or the State Board of Elections is the owner of the property and the owner currently resides at the last known address provided by the Secretary of State or the State Board of Elections.

(765 ILCS 1026/15-603)

Sec. 15-603. Payment or delivery of property to administrator.

(a) Except as otherwise provided in this Section, on filing a report under Section 15-401, the holder shall pay or deliver to the administrator the property described in the report.

(b) If property in a report under Section 15-401 is an
automatically renewable deposit and a penalty or forfeiture in the payment of interest would result from paying the deposit to the administrator at the time of the report, the date for payment of the property to the administrator is extended until a penalty or forfeiture no longer would result from payment, if the holder informs the administrator of the extended date.

(c) Tangible property in a safe-deposit box may not be delivered to the administrator until a mutually agreed upon date that is no sooner than 60 days after filing the report under Section 15-401.

(d) If property reported to the administrator under Section 15-401 is a security, the administrator may:

(1) make an endorsement, instruction, or entitlement order on behalf of the apparent owner to invoke the duty of the issuer, its transfer agent, or the securities intermediary to transfer the security; or

(2) dispose of the security under Section 15-702.

(e) If the holder of property reported to the administrator under Section 15-401 is the issuer of a certificated security, the administrator may obtain a replacement certificate in physical or book-entry form under Section 8-405 of the Uniform Commercial Code. An indemnity bond is not required.

(f) The administrator shall establish procedures for the registration, issuance, method of delivery, transfer, and maintenance of securities delivered to the administrator by a holder.
(g) An issuer, holder, and transfer agent or other person acting in good faith under this Section under instructions of and on behalf of the issuer or holder is not liable to the apparent owner for a claim arising with respect to property after the property has been delivered to the administrator.

(h) A holder is not required to deliver to the administrator a security identified by the holder as a non-freely transferable security in a report filed under Section 15-401. If the administrator or holder determines that a security is no longer a non-freely transferable security, the holder shall report and deliver the security on the next regular date prescribed for delivery of securities under this Act. The holder shall make a determination annually whether a security identified in a report filed under Section 15-401 as a non-freely transferable security is no longer a non-freely transferable security.

(i) If property reported to the administrator is virtual currency, the holder shall liquidate the virtual currency and remit the proceeds to the administrator. The liquidation shall occur anytime within 30 days prior to the filing of the report under Section 15-401. The owner shall not have recourse against the holder or the administrator to recover any gain in value that occurs after the liquidation of the virtual currency under this subsection.
