1 AN ACT concerning children.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Abandoned Newborn Infant Protection Act is
5 amended by changing Sections 10, 22, 30, and 35 and by adding
6 Section 16 as follows:

7 (325 ILCS 2/10)

8 Sec. 10. Definitions. In this Act:

9 "Abandon" has the same meaning as in the Abused and
10 Neglected Child Reporting Act.

11 "Abused child" has the same meaning as in the Abused and
12 Neglected Child Reporting Act.

13 "Child-placing agency" means a licensed public or private
14 agency that receives a child for the purpose of placing or
15 arranging for the placement of the child in a foster family
16 home or other facility for child care, apart from the custody
17 of the child's parents.

18 "Department" or "DCFS" means the Illinois Department of
19 Children and Family Services.

20 "Emergency medical facility" means a freestanding
21 emergency center or trauma center, as defined in the Emergency
22 Medical Services (EMS) Systems Act.

23 "Emergency medical professional" includes licensed

1 physicians, and any emergency medical technician, emergency
2 medical technician-intermediate, advanced emergency medical
3 technician, paramedic, trauma nurse specialist, and
4 pre-hospital registered nurse, as defined in the Emergency
5 Medical Services (EMS) Systems Act.

6 "Fire station" means a fire station within the State with
7 at least one staff person.

8 "Hospital" has the same meaning as in the Hospital
9 Licensing Act.

10 "Legal custody" means the relationship created by a court
11 order in the best interest of a newborn infant that imposes on
12 the infant's custodian the responsibility of physical
13 possession of the infant, the duty to protect, train, and
14 discipline the infant, and the duty to provide the infant with
15 food, shelter, education, and medical care, except as these are
16 limited by parental rights and responsibilities.

17 "Neglected child" has the same meaning as in the Abused and
18 Neglected Child Reporting Act.

19 "Newborn infant" means a child who a licensed physician
20 reasonably believes is 30 days old or less at the time the
21 child is initially relinquished to a hospital, police station,
22 fire station, or emergency medical facility, and who is not an
23 abused or a neglected child.

24 "Police station" means a municipal police station, a county
25 sheriff's office, a campus police department located on any
26 college or university owned or controlled by the State or any

1 private college or private university that is not owned or
2 controlled by the State when employees of the campus police
3 department are present, or any of the district headquarters of
4 the Illinois State Police.

5 "Relinquish" means to bring a newborn infant, who a
6 licensed physician reasonably believes is 30 days old or less,
7 to a hospital, police station, fire station, or emergency
8 medical facility and to leave the infant with personnel of the
9 facility, if the person leaving the infant does not express an
10 intent to return for the infant or states that he or she will
11 not return for the infant. "Relinquish" also means to
12 voluntarily leave a newborn infant, who a licensed physician
13 reasonably believes is 30 days old or less, in a newborn safety
14 device as provided in Section 16. In the case of a mother who
15 gives birth to an infant in a hospital, the mother's act of
16 leaving that newborn infant at the hospital (i) without
17 expressing an intent to return for the infant or (ii) stating
18 that she will not return for the infant is not a
19 "relinquishment" under this Act.

20 "Temporary protective custody" means the temporary
21 placement of a newborn infant within a hospital or other
22 medical facility out of the custody of the infant's parent.

15 A hospital that approves the operation of a newborn safety
16 device that meets the requirements of this subsection is immune
17 from civil liability for an act or omission relating to the
18 operation of the newborn safety device unless the act or

20 misconduct. Nothing in this subsection limits liability for
21 negligence for care and medical treatment.

23 station that is staffed by an emergency medical services
24 provider on a 24-hour, 7-day a week basis shall take temporary

18 physical health or safety.

19 (e) Any person who in good faith voluntarily leaves a
20 newborn infant in a newborn safety device as provided in this
21 Section is not obligated to disclose the parent's name or the
22 person's name.

23 (325 ILCS 2/22)

24 Sec. 22. Signs. Every hospital, fire station, emergency
25 medical facility, and police station that is required to accept

2 post a sign in a conspicuous place on the exterior of the
3 building housing the facility informing persons that a newborn
4 infant may be relinquished at the facility or left in a newborn
5 safety device located at the facility in accordance with this
6 Act. The Department shall prescribe specifications for the
7 signs and for their placement that will ensure statewide
8 uniformity.

9 This Section does not apply to a hospital, fire station,

25 station, or emergency medical facility personnel shall (i)

1 verbally inform the relinquishing person that by relinquishing
2 the child anonymously, he or she will have to petition the
3 court if he or she desires to prevent the termination of
4 parental rights and regain custody of the child and (ii) shall
5 offer the relinquishing person the information packet
6 described in Section 35 of this Act. However, nothing in this
7 Act shall be construed as precluding the relinquishing person
8 from providing his or her identity or completing the
9 application forms for the Illinois Adoption Registry and
10 Medical Information Exchange and requesting that the hospital,
11 police station, fire station, or emergency medical facility
12 forward those forms to the Illinois Adoption Registry and

16 including grief counseling, pregnancy counseling, and
17 counseling regarding adoption and other available options
18 for placement of the infant.
