

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the  
5 Illinois Future of Work Act.

6 Section 5. Findings and declaration of policy. The General  
7 Assembly hereby finds, determines, and declares the following:

8 (1) The future of work is a critically important  
9 conversation for those currently in the workforce as well  
10 as those looking to reenter or enter it as Illinois  
11 contemplates an equitable economic recovery from the  
12 coronavirus pandemic.

13 (2) Policymakers at every level of government will be  
14 required to deal with the concurrent crises of the  
15 pandemic recovery, systemic inequities, and creating  
16 good-paying jobs. Policymakers must be able to anticipate  
17 the workforce policies and programs needed in the future  
18 to combat poverty, inequality, and climate change.

19 (3) Rapid advancements in technology, specifically the  
20 automation of jobs and expanded artificial intelligence  
21 capability, have had and will continue to have a profound  
22 impact on the type, quality, and number of jobs available  
23 in our 21st century economy.

1           (4) Automation and the rise of artificial intelligence  
2           and predictive analytics will have major impacts on  
3           industries and their jobs; from the service sector to  
4           white collar positions, the impacts will be felt by  
5           millions of workers in the United States.

6           (5) Despite the opportunities and challenges presented  
7           by rapid advancements in technology, Illinois is a leader  
8           in the innovation and development of technology. Illinois  
9           has been an engine of progress, and it drives new products  
10          that connect people across the globe, sparking economic  
11          growth and building prosperity.

12          (6) Illinois has a large, diverse, and well-educated  
13          labor force ready to meet the challenges it faces.

14          (7) Innovative partnerships across the private and  
15          public sectors need to be created.

16          Section 10. Illinois Future of Work Task Force; duties and  
17          responsibilities.

18          (a) The Illinois Future of Work Task Force is created. The  
19          Task Force shall be proactive and plan for the future of work  
20          while simultaneously addressing the state of work today.

21          (b) The duties and responsibilities of the Task Force  
22          include the following:

23                  (1) The Illinois Future of Work Task Force shall  
24                  identify and assess the new and emerging technologies that  
25                  have the potential to significantly affect employment,

1 wages, and skill requirements.

2 (2) The Illinois Future of Work Task Force shall  
3 develop a set of job standards and working conditions that  
4 will ensure that future work in Illinois builds a vibrant  
5 middle class.

6 (3) The Illinois Future of Work Task Force shall  
7 identify the potential jobs of the future and  
8 opportunities to shape those jobs for the improvement of  
9 life for all of Illinois.

10 (4) The Illinois Future of Work Task Force shall  
11 compile research and best practices from other states and  
12 countries on how to deploy technology to benefit workers  
13 and the public good.

14 (5) The Illinois Future of Work Task Force shall  
15 develop tools to assess the impact of proposed  
16 technologies and evaluate their costs and benefits on  
17 workers, employers, the public and the State.

18 (6) The Illinois Future of Work Task Force shall  
19 identify policies and practices that will help businesses,  
20 workers, and communities thrive economically throughout  
21 the State of Illinois.

22 (7) The Illinois Future of Work Task Force shall  
23 propose workforce development, training, education, and  
24 apprenticeship programs for the jobs of the future.
