A BILL FOR

1 AN ACT concerning government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Gun Trafficking Information Act is amended
5 by changing Section 10-5 as follows:

6 (5 ILCS 830/10-5)

7 Sec. 10-5. Gun trafficking information.

8 (a) The ~~The~~ Department of State Police shall use all
9 reasonable efforts in making publicly available, on a regular
10 and ongoing basis, key information related to firearms used in
11 the commission of crimes in this State, including, but not
12 limited to: reports on crimes committed with firearms,
13 locations where the crimes occurred, the number of persons
14 killed or injured in the commission of the crimes, the state
15 where the firearms used originated, the Federal Firearms
16 Licensee that sold the firearm, and the type of firearms used.
17 The Department shall make the information available on its
18 website, in addition to electronically filing a report with
19 the Governor and the General Assembly. The report to the
20 General Assembly shall be filed with the Clerk of the House of
21 Representatives and the Secretary of the Senate in electronic
22 form only, in the manner that the Clerk and the Secretary shall
23 direct.

1 (b) The Department shall study, on a regular and ongoing
2 basis, and compile reports on the number of Firearm Owner's
3 Identification Card checks to determine firearms trafficking
4 or straw purchase patterns. The Department shall, to the
5 extent not inconsistent with law, share such reports and
6 underlying data with academic centers, foundations, and law
7 enforcement agencies studying firearms trafficking, provided
8 that personally identifying information is protected. For
9 purposes of this subsection (b), a Firearm Owner's
10 Identification Card number is not personally identifying
11 information, provided that no other personal information of
12 the card holder is attached to the record. The Department may
13 create and attach an alternate unique identifying number to
14 each Firearm Owner's Identification Card number, instead of
15 releasing the Firearm Owner's Identification Card number
16 itself.

17 (c) Each department, office, division, and agency of this
18 State shall, to the extent not inconsistent with law,
19 cooperate fully with the Department and furnish the Department
20 with all relevant information and assistance on a timely basis
21 as is necessary to accomplish the purpose of this Act. The
22 Illinois Criminal Justice Information Authority shall submit
23 the information required in subsection (a) of this Section to
24 the Department of State Police, and any other information as
25 the Department may request, to assist the Department in
26 carrying out its duties under this Act.
