1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Act on the Aging is amended by  
5 changing Section 4.04 as follows:

6 (20 ILCS 105/4.04) (from Ch. 23, par. 6104.04)

7 Sec. 4.04. Long Term Care Ombudsman Program. The purpose  
8 of the Long Term Care Ombudsman Program is to ensure that older  
9 persons and persons with disabilities receive quality  
10 services. This is accomplished by providing advocacy services  
11 for residents of long term care facilities and participants  
12 receiving home care and community-based care. Managed care is  
13 increasingly becoming the vehicle for delivering health and  
14 long-term services and supports to seniors and persons with  
15 disabilities, including dual eligible participants. The  
16 additional ombudsman authority will allow advocacy services to  
17 be provided to Illinois participants for the first time and  
18 will produce a cost savings for the State of Illinois by  
19 supporting the rebalancing efforts of the Patient Protection  
20 and Affordable Care Act.

21 (a) Long Term Care Ombudsman Program. The Department shall  
22 establish a Long Term Care Ombudsman Program, through the  
23 Office of State Long Term Care Ombudsman ("the Office"), in

2 1965, as now or hereafter amended. The Long Term Care  
3 Ombudsman Program is authorized, subject to sufficient  
4 appropriations, to advocate on behalf of older persons and  
5 persons with disabilities residing in their own homes or  
6 community-based settings, relating to matters which may  
7 adversely affect the health, safety, welfare, or rights of
