

## 102ND GENERAL ASSEMBLY

### State of Illinois

2021 and 2022

HB5362

Introduced 1/31/2022, by Rep. Brad Halbrook

#### SYNOPSIS AS INTRODUCED:

210 ILCS 85/6.33 new

Amends the Hospital Licensing Act. Provides that hospitals licensed under the Act are prohibited from preventing the administration of a prescription medication to a patient if the patient's treating physician has prescribed the medication.

LRB102 25427 CPF 34712 b

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Hospital Licensing Act is amended by adding  
5 Section 6.33 as follows:

6 (210 ILCS 85/6.33 new)

7 Sec. 6.33. Prescription medication; administration to  
8 patients. A hospital licensed under this Act is prohibited  
9 from preventing the administration of a prescription  
10 medication to a patient if the patient's treating physician  
11 has prescribed the medication.
