1 HOUSE JOINT RESOLUTION

2 WHEREAS, The last four decades have represented a period
3 of significant demographic change in the United States; now
4 more than ever, Black immigrants compose a significant
5 percentage of both the immigrant and Black populations in the
6 U.S. overall; and

7 WHEREAS, Black immigrants face disproportionate
8 interactions with the criminal justice system and encounter
9 more discrimination based on their race as well as immigrant
10 status; just as African Americans suffer disproportionately
11 high arrest, prosecution, and incarceration rates, so too are
12 Black immigrants, despite no evidence that they engage in more
13 criminalized activities in comparison to any other racial
14 group; Black immigrants are also disproportionately impacted
15 by the compounding impact of the immigration enforcement
16 system, where numerous federal agencies and programs work in
17 conjunction with local law enforcement to criminalize, detain,
18 and deport immigrants; these disparities in policy and law
19 concerning Black immigrants are rooted in racism and unjustly
20 target Black immigrants at all stages of the process; and

21 WHEREAS, The Biden Administration has pledged to develop a
22 pathway to lawful permanent status for undocumented
23 immigrants, but advocates are asking how President Biden will

1 address the overall plight of Black immigrants; and

2 WHEREAS, As the number of Black immigrants living in the
3 United States continues to rise, debates around immigration
4 must acknowledge and rectify the injustice inherent in the
5 system; and

6 WHEREAS, There is much work to be done to address the
7 struggles of Black immigrants, who have been left out of
8 policy decisions for too long; and

9 WHEREAS, The State of Illinois is committed to protecting
10 Black immigrants; therefore, be it
