3 (220 ILCS 5/16-122)

4 Sec. 16-122. Customer information.

5 (a) Upon the request of a retail customer, or a person who
6 presents verifiable authorization and is acting as the
7 customer's agent, and payment of a reasonable fee, electric
8 utilities shall provide to the customer or its authorized
9 agent the customer's billing and usage data.

10 (b) Upon request from any alternative retail electric
11 supplier and payment of a reasonable fee, an electric utility
12 serving retail customers in its service area shall make
13 available generic information concerning the usage, load shape
14 curve or other general characteristics of customers by rate
15 classification. Provided however, no customer specific
16 billing, usage or load shape data shall be provided under this
17 subsection unless authorization to provide such information is
18 provided by the customer pursuant to subsection (a) of this
19 Section.

20 (c) Upon request from a unit of local government and
21 payment of a reasonable fee, an electric utility shall make
22 available information concerning the usage, load shape curves,
23 and other characteristics of customers by customer
24 classification and location within the boundaries of the unit
25 of local government, however, no customer specific billing,

1 usage, or load shape data shall be provided under this
2 subsection unless authorization to provide that information is
3 provided by the customer or the unit of local government is
4 requesting the information for the purposes of an audit under
5 Section 8-11-2.5 of the Illinois Municipal Code.

6 (d) All such customer information shall be made available
7 in a timely fashion in an electronic format, if available.
