(b-5) Surcharge; sale or exchange of assets, properties, and intangibles of organization gaming licensees. For each of taxable years 2019 through 2027, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles (i) of an organization licensee under the Illinois Horse Racing Act of 1975 and (ii) of an organization gaming licensee under the Illinois Gambling Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed shall not apply if:

(1) the organization gaming license, organization license, or racetrack property is transferred as a result of any of the following:
(A) bankruptcy, a receivership, or a debt adjustment initiated by or against the initial licensee or the substantial owners of the initial licensee;

(B) cancellation, revocation, or termination of any such license by the Illinois Gaming Board or the Illinois Racing Board;

(C) a determination by the Illinois Gaming Board that transfer of the license is in the best interests of Illinois gaming;

(D) the death of an owner of the equity interest in a licensee;

recognized; or

(3) live horse racing was not conducted in 2010 at a racetrack located within 3 miles of the Mississippi River under a license issued pursuant to the Illinois Horse Racing Act of 1975.

The transfer of an organization gaming license, organization license, or racetrack property by a person other than the initial licensee to receive the organization gaming license is not subject to a surcharge. The Department shall adopt rules necessary to implement and administer this subsection.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax
imposed by this subsection and subsection (c) of this Section in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for
the taxable year by such foreign insurer's state or country of
domicile if that net income were subject to all income taxes
and taxes measured by net income imposed by such foreign
insurer's state or country of domicile, net of all credits
allowed or (ii) a rate of zero if no such tax is imposed on
such income by the foreign insurer's state of domicile. For
the purposes of this subsection (d-1), an inter-affiliate
includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event
shall the sum of the rates of tax imposed by subsections
(b) and (d) be reduced below the rate at which the sum of:
(A) the total amount of tax imposed on such
foreign insurer under this Act for a taxable year, net
of all credits allowed under this Act, plus
(B) the privilege tax imposed by Section 409 of
the Illinois Insurance Code, the fire insurance
company tax imposed by Section 12 of the Fire
Investigation Act, and the fire department taxes
imposed under Section 11-10-1 of the Illinois
Municipal Code,
equals 1.25% for taxable years ending prior to December
31, 2003, or 1.75% for taxable years ending on or after
December 31, 2003, of the net taxable premiums written for
the taxable year, as described by subsection (1) of
Section 409 of the Illinois Insurance Code. This paragraph
will in no event increase the rates imposed under
subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the
first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois
Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as
landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the
same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48
months after being placed in service, the Personal
Property Tax Replacement Income Tax for such taxable year
shall be increased. Such increase shall be determined by
(i) recomputing the investment credit which would have
been allowed for the year in which credit for such
property was originally allowed by eliminating such
property from such computation and, (ii) subtracting such
recomputed credit from the amount of credit previously
allowed. For the purposes of this paragraph (7), a
reduction of the basis of qualified property resulting
from a redetermination of the purchase price shall be
deemed a disposition of qualified property to the extent
of such reduction.

(8) Unless the investment credit is extended by law,
the basis of qualified property shall not include costs
incurred after December 31, 2018, except for costs
incurred pursuant to a binding contract entered into on or
before December 31, 2018.

(9) Each taxable year ending before December 31, 2000,
a partnership may elect to pass through to its partners
the credits to which the partnership is entitled under
this subsection (e) for the taxable year. A partner may
use the credit allocated to him or her under this
paragraph only against the tax imposed in subsections (c)
and (d) of this Section. If the partnership makes that
election, those credits shall be allocated among the
partners in the partnership in accordance with the rules
set forth in Section 704(b) of the Internal Revenue Code,
and the rules promulgated under that Section, and the
allocated amount of the credits shall be allowed to the
partners for that taxable year. The partnership shall make
this election on its Personal Property Tax Replacement
Income Tax return for that taxable year. The election to
pass through the credits shall be irrevocable.

For taxable years ending on or after December 31,
2000, a partner that qualifies its partnership for a
subtraction under subparagraph (I) of paragraph (2) of
subsection (d) of Section 203 or a shareholder that
qualifies a Subchapter S corporation for a subtraction
under subparagraph (S) of paragraph (2) of subsection (b)
of Section 203 shall be allowed a credit under this
subsection (e) equal to its share of the credit earned
under this subsection (e) during the taxable year by the
partnership or Subchapter S corporation, determined in
accordance with the determination of income and
distributive share of income under Sections 702 and 704
and Subchapter S of the Internal Revenue Code. This
paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge
Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the
tax imposed by subsections (a) and (b) of this Section for
investment in qualified property which is placed in
service in an Enterprise Zone created pursuant to the
Illinois Enterprise Zone Act or, for property placed in
service on or after July 1, 2006, a River Edge
Redevelopment Zone established pursuant to the River Edge
Redevelopment Zone Act. For partners, shareholders of
Subchapter S corporations, and owners of limited liability
companies, if the liability company is treated as a
partnership for purposes of federal and State income
taxation, there shall be allowed a credit under this
subsection (f) to be determined in accordance with the
determination of income and distributive share of income
under Sections 702 and 704 and Subchapter S of the
Internal Revenue Code. The credit shall be .5% of the
basis for such property. The credit shall be available
only in the taxable year in which the property is placed in
service in the Enterprise Zone or River Edge Redevelopment
Zone and shall not be allowed to the extent that it would
reduce a taxpayer's liability for the tax imposed by
subsections (a) and (b) of this Section to below zero. For
tax years ending on or after December 31, 1985, the credit
shall be allowed for the tax year in which the property is
placed in service, or, if the amount of the credit exceeds
the tax liability for that year, whether it exceeds the
original liability or the liability as later amended, such
excess may be carried forward and applied to the tax
liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income
tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal
to 0.5% of the basis of qualified property placed in
service during the taxable year in a River Edge
Redevelopment Zone, provided such property is placed in
service on or after July 1, 2006, and the taxpayer's base
employment within Illinois has increased by 1% or more
over the preceding year as determined by the taxpayer's
employment records filed with the Illinois Department of
Employment Security. Taxpayers who are new to Illinois
shall be deemed to have met the 1% growth in base
employment for the first year in which they file
employment records with the Illinois Department of
Employment Security. If, in any year, the increase in base
employment within Illinois over the preceding year is less
than 1%, the additional credit shall be limited to that
percentage times a fraction, the numerator of which is
0.5% and the denominator of which is 1%, but shall not
exceed 0.5%.

(8) For taxable years beginning on or after January 1,
2021, there shall be allowed an Enterprise Zone
construction jobs credit against the taxes imposed under
subsections (a) and (b) of this Section as provided in
Section 13 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's
liability to less than zero. If the amount of the credit or
credits exceeds the taxpayer's liability, the excess may
be carried forward and applied against the taxpayer's
liability in succeeding calendar years in the same manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of Public Act 101-9 this amendatory Act of the 101st General Assembly) shall not exceed $20,000,000 in any State fiscal year.

This paragraph (8) is exempt from the provisions of Section 250.

(g) (Blank).

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections
(a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit
shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this
Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a
reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(h-5) High Impact Business construction jobs credit. For taxable years beginning on or after January 1, 2021, there shall also be allowed a High Impact Business construction jobs credit against the tax imposed under subsections (a) and (b) of this Section as provided in subsections (i) and (j) of Section 5.5 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be carried forward and applied against the taxpayer's liability in succeeding calendar years in the manner provided under
paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of Public Act 101-9, this amendatory Act of the 101st General Assembly) shall not exceed $20,000,000 in any State fiscal year.

This subsection (h-5) is exempt from the provisions of Section 250.

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income
allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such
(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from
more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2027, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures
for increasing research activities in this State" means the
excess of qualifying expenditures for the taxable year in
which incurred over qualifying expenditures for the base
period, "qualifying expenditures for the base period" means
the average of the qualifying expenditures for each year in
the base period, and "base period" means the 3 taxable years
immediately preceding the taxable year for which the
determination is being made.

Any credit in excess of the tax liability for the taxable
year may be carried forward. A taxpayer may elect to have the
unused credit shown on its final completed return carried over
as a credit against the tax liability for the following 5
taxable years or until it has been fully used, whichever
occurs first; provided that no credit earned in a tax year
ending prior to December 31, 2003 may be carried forward to any
year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from
2 or more earlier years, that credit arising in the earliest
year will be applied first against the tax liability for the
given year. If a tax liability for the given year still
remains, the credit from the next earliest year will then be
applied, and so on, until all credits have been used or no tax
liability for the given year remains. Any remaining unused
credit or credits then will be carried forward to the next
following year in which a tax liability is incurred, except
that no credit can be carried forward to a year which is more
than 5 years after the year in which the expense for which the
credit is given was incurred.

No inference shall be drawn from Public Act 91-644 this
amendatory Act of the 91st General Assembly in construing this
Section for taxable years beginning before January 1, 1999.

It is the intent of the General Assembly that the research
and development credit under this subsection (k) shall apply
continuously for all tax years ending on or after December 31,
2004 and ending prior to January 1, 2027, including, but not
limited to, the period beginning on January 1, 2016 and ending
on July 6, 2017 (the effective date of Public Act 100-22) this
amendatory Act of the 100th General Assembly. All actions
taken in reliance on the continuation of the credit under this
subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and
on or before December 31, 2001, a taxpayer shall be
allowed a credit against the tax imposed by subsections
(a) and (b) of this Section for certain amounts paid for
unreimbursed eligible remediation costs, as specified in
this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs
approved by the Illinois Environmental Protection Agency
("Agency") under Section 58.14 of the Environmental
Protection Act that were paid in performing environmental
remediation at a site for which a No Further Remediation
Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any.
site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the
unused credit and remaining carry-forward period of the
seller. To perfect the transfer, the assignor shall record
the transfer in the chain of title for the site and provide
written notice to the Director of the Illinois Department
of Revenue of the assignor's intent to sell the
remediation site and the amount of the tax credit to be
transferred as a portion of the sale. In no event may a
credit be transferred to any taxpayer if the taxpayer or a
related party would not be eligible under the provisions
of subsection (i).

(iii) For purposes of this Section, the term "site"
shall have the same meaning as under Section 58.2 of the
Environmental Protection Act.

(m) Education expense credit. Beginning with tax years
ending after December 31, 1999, a taxpayer who is the
custodian of one or more qualifying pupils shall be allowed a
credit against the tax imposed by subsections (a) and (b) of
this Section for qualified education expenses incurred on
behalf of the qualifying pupils. The credit shall be equal to
25% of qualified education expenses, but in no event may the
total credit under this subsection claimed by a family that is
the custodian of qualifying pupils exceed (i) $500 for tax
years ending prior to December 31, 2017, and (ii) $750 for tax
years ending on or after December 31, 2017. In no event shall a
credit under this subsection reduce the taxpayer's liability
under this Act to less than zero. Notwithstanding any other
provision of law, for taxable years beginning on or after January 1, 2017, no taxpayer may claim a credit under this subsection (m) if the taxpayer's adjusted gross income for the taxable year exceeds (i) $500,000, in the case of spouses filing a joint federal tax return or (ii) $250,000, in the case of all other taxpayers. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.
"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to
credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the
credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(o) For each of taxable years during the Compassionate Use of Medical Cannabis Program, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles of an organization registrant under the Compassionate Use of Medical Cannabis Program Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed does not apply if:

(1) the medical cannabis cultivation center registration, medical cannabis dispensary registration, or
the property of a registration is transferred as a result of any of the following:

(A) bankruptcy, a receivership, or a debt adjustment initiated by or against the initial registration or the substantial owners of the initial registration;

(B) cancellation, revocation, or termination of any registration by the Illinois Department of Public Health;

(C) a determination by the Illinois Department of Public Health that transfer of the registration is in the best interests of Illinois qualifying patients as defined by the Compassionate Use of Medical Cannabis Program Act;

(D) the death of an owner of the equity interest in a registrant;

(E) the acquisition of a controlling interest in the stock or substantially all of the assets of a publicly traded company;

(F) a transfer by a parent company to a wholly owned subsidiary; or

(G) the transfer or sale to or by one person to another person where both persons were initial owners of the registration when the registration was issued; or

(2) the cannabis cultivation center registration,
medical cannabis dispensary registration, or the controlling interest in a registrant's property is transferred in a transaction to lineal descendants in which no gain or loss is recognized or as a result of a transaction in accordance with Section 351 of the Internal Revenue Code in which no gain or loss is recognized.

(p) A taxpayer shall be allowed an annual credit against the tax imposed by subsections (a) and (b) of this Section of an amount equal to 15% of the cost of equipment and materials incorporated into or used in the business of providing broadband services in this State during that year. Such annual credits shall be allowed commencing with the taxable year in which such property is placed in service and continue for 9 consecutive years thereafter. The aggregate credit established by this subsection taken in any one tax year shall be limited to an amount not greater than 50% of the taxpayer's tax liability under subsections (a) and (b) of this Section; provided, however, that any tax credit claimed under this subsection but not used in any taxable year may be carried forward for 10 consecutive years from the close of the tax year in which the credits were earned. The maximum aggregate amount of credits that may be claimed under this subsection shall not exceed the original investment made by the taxpayer in the qualifying equipment.

The rates under this subsection (b) are subject to the provisions of Section 201.5.

(b-5) Surcharge; sale or exchange of assets, properties, and intangibles of organization gaming licensees. For each of taxable years 2019 through 2027, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles (i) of an organization licensee under the Illinois Horse Racing Act of 1975 and (ii) of an organization gaming licensee under the Illinois Gambling Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed shall not apply if:

(1) the organization gaming license, organization license, or racetrack property is transferred as a result of any of the following:

(A) bankruptcy, a receivership, or a debt
adjustment initiated by or against the initial licensee or the substantial owners of the initial licensee;

(B) cancellation, revocation, or termination of any such license by the Illinois Gaming Board or the Illinois Racing Board;

(C) a determination by the Illinois Gaming Board that transfer of the license is in the best interests of Illinois gaming;

(D) the death of an owner of the equity interest in a licensee;

(E) the acquisition of a controlling interest in the stock or substantially all of the assets of a publicly traded company;

(F) a transfer by a parent company to a wholly owned subsidiary; or

(G) the transfer or sale to or by one person to another person where both persons were initial owners of the license when the license was issued; or

(2) the controlling interest in the organization gaming license, organization license, or racetrack property is transferred in a transaction to lineal descendants in which no gain or loss is recognized or as a result of a transaction in accordance with Section 351 of the Internal Revenue Code in which no gain or loss is recognized; or
(3) live horse racing was not conducted in 2010 at a racetrack located within 3 miles of the Mississippi River under a license issued pursuant to the Illinois Horse Racing Act of 1975.

The transfer of an organization gaming license, organization license, or racetrack property by a person other than the initial licensee to receive the organization gaming license is not subject to a surcharge. The Department shall adopt rules necessary to implement and administer this subsection.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax imposed by this subsection and subsection (c) of this Section
in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of
domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,
equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).
(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the
Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the
Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing,
parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the
Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal
Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules.
set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in
service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess
credit year. The credit shall be applied to the earliest
group for which there is a liability. If there is credit
from more than one tax year that is available to offset a
liability, the credit accruing first in time shall be
applied first.

(2) The term qualified property means property which:
    (A) is tangible, whether new or used, including
    buildings and structural components of buildings;
    (B) is depreciable pursuant to Section 167 of the
    Internal Revenue Code, except that "3-year property"
    as defined in Section 168(c)(2)(A) of that Code is not
    eligible for the credit provided by this subsection
    (f);
    (C) is acquired by purchase as defined in Section
    179(d) of the Internal Revenue Code;
    (D) is used in the Enterprise Zone or River Edge
    Redevelopment Zone by the taxpayer; and
    (E) has not been previously used in Illinois in
    such a manner and by such a person as would qualify for
    the credit provided by this subsection (f) or
    subsection (e).

(3) The basis of qualified property shall be the basis
used to compute the depreciation deduction for federal
income tax purposes.

(4) If the basis of the property for federal income
tax depreciation purposes is increased after it has been
placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in
service during the taxable year in a River Edge
Redevelopment Zone, provided such property is placed in
service on or after July 1, 2006, and the taxpayer's base
employment within Illinois has increased by 1% or more
over the preceding year as determined by the taxpayer's
employment records filed with the Illinois Department of
Employment Security. Taxpayers who are new to Illinois
shall be deemed to have met the 1% growth in base
employment for the first year in which they file
employment records with the Illinois Department of
Employment Security. If, in any year, the increase in base
employment within Illinois over the preceding year is less
than 1%, the additional credit shall be limited to that
percentage times a fraction, the numerator of which is
0.5% and the denominator of which is 1%, but shall not
exceed 0.5%.

(8) For taxable years beginning on or after January 1,
2021, there shall be allowed an Enterprise Zone
construction jobs credit against the taxes imposed under
subsections (a) and (b) of this Section as provided in
Section 13 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's
liability to less than zero. If the amount of the credit or
credits exceeds the taxpayer's liability, the excess may
be carried forward and applied against the taxpayer's
liability in succeeding calendar years in the same manner
provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of Public Act 101-9 this amendatory Act of the 101st General Assembly) shall not exceed $20,000,000 in any State fiscal year.

This paragraph (8) is exempt from the provisions of Section 250.

(g) (Blank).

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified
property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is
placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.
(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting
from a redetermination of the purchase price shall be
deemed a disposition of qualified property to the extent
of such reduction.

(7) Beginning with tax years ending after December 31,
1996, if a taxpayer qualifies for the credit under this
subsection (h) and thereby is granted a tax abatement and
the taxpayer relocates its entire facility in violation of
the explicit terms and length of the contract under
Section 18-183 of the Property Tax Code, the tax imposed
under subsections (a) and (b) of this Section shall be
increased for the taxable year in which the taxpayer
relocated its facility by an amount equal to the amount of
credit received by the taxpayer under this subsection (h).

(h-5) High Impact Business construction construction jobs
credit. For taxable years beginning on or after January 1,
2021, there shall also be allowed a High Impact Business
construction jobs credit against the tax imposed under
subsections (a) and (b) of this Section as provided in
subsections (i) and (j) of Section 5.5 of the Illinois
Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's
liability to less than zero. If the amount of the credit or
credits exceeds the taxpayer's liability, the excess may be
carried forward and applied against the taxpayer's liability
in succeeding calendar years in the manner provided under
paragraph (4) of Section 211 of this Act. The credit or credits
shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of Public Act 101-9 this amendatory Act of the 101st General Assembly) shall not exceed $20,000,000 in any State fiscal year.

This subsection (h-5) is exempt from the provisions of Section 250.

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois
base income, and further multiplying the product by the tax
rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this
subsection which is unused in the year the credit is computed
because it exceeds the tax liability imposed by subsections
(a) and (b) for that year (whether it exceeds the original
liability or the liability as later amended) may be carried
forward and applied to the tax liability imposed by
subsections (a) and (b) of the 5 taxable years following the
excess credit year, provided that no credit may be carried
forward to any year ending on or after December 31, 2003. This
credit shall be applied first to the earliest year for which
there is a liability. If there is a credit under this
subsection from more than one tax year that is available to
offset a liability the earliest credit arising under this
subsection shall be applied first.

If, during any taxable year ending on or after December
31, 1986, the tax imposed by subsections (c) and (d) of this
Section for which a taxpayer has claimed a credit under this
subsection (i) is reduced, the amount of credit for such tax
shall also be reduced. Such reduction shall be determined by
recomputing the credit to take into account the reduced tax
imposed by subsections (c) and (d). If any portion of the
reduced amount of credit has been carried to a different
taxable year, an amended return shall be filed for such
taxable year to reduce the amount of credit claimed.
(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability
the earliest credit arising under this subsection shall be
applied first. No carryforward credit may be claimed in any
tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending
after July 1, 1990 and prior to December 31, 2003, and
beginning again for tax years ending on or after December 31,
2004, and ending prior to January 1, 2027, a taxpayer shall be
allowed a credit against the tax imposed by subsections (a)
and (b) of this Section for increasing research activities in
this State. The credit allowed against the tax imposed by
subsections (a) and (b) shall be equal to 6 1/2% of the
qualifying expenditures for increasing research activities in
this State. For partners, shareholders of subchapter S
corporations, and owners of limited liability companies, if
the liability company is treated as a partnership for purposes
of federal and State income taxation, there shall be allowed a
credit under this subsection to be determined in accordance
with the determination of income and distributive share of
income under Sections 702 and 704 and subchapter S of the
Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures"
means the qualifying expenditures as defined for the federal
credit for increasing research activities which would be
allowable under Section 41 of the Internal Revenue Code and
which are conducted in this State, "qualifying expenditures
for increasing research activities in this State" means the
excess of qualifying expenditures for the taxable year in
which incurred over qualifying expenditures for the base
period, "qualifying expenditures for the base period" means
the average of the qualifying expenditures for each year in
the base period, and "base period" means the 3 taxable years
immediately preceding the taxable year for which the
determination is being made.

Any credit in excess of the tax liability for the taxable
year may be carried forward. A taxpayer may elect to have the
unused credit shown on its final completed return carried over
as a credit against the tax liability for the following 5
taxable years or until it has been fully used, whichever
occurs first; provided that no credit earned in a tax year
ending prior to December 31, 2003 may be carried forward to any
year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from
2 or more earlier years, that credit arising in the earliest
year will be applied first against the tax liability for the
given year. If a tax liability for the given year still
remains, the credit from the next earliest year will then be
applied, and so on, until all credits have been used or no tax
liability for the given year remains. Any remaining unused
credit or credits then will be carried forward to the next
following year in which a tax liability is incurred, except
that no credit can be carried forward to a year which is more
than 5 years after the year in which the expense for which the
credit is given was incurred.

No inference shall be drawn from Public Act 91-644 this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

It is the intent of the General Assembly that the research and development credit under this subsection (k) shall apply continuously for all tax years ending on or after December 31, 2004 and ending prior to January 1, 2027, including, but not limited to, the period beginning on January 1, 2016 and ending on July 6, 2017 (the effective date of Public Act 100-22) this amendatory Act of the 100th General Assembly. All actions taken in reliance on the continuation of the credit under this subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section
58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the
Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the
seller. To perfect the transfer, the assignor shall record
the transfer in the chain of title for the site and provide
written notice to the Director of the Illinois Department
of Revenue of the assignor's intent to sell the
remediation site and the amount of the tax credit to be
transferred as a portion of the sale. In no event may a
credit be transferred to any taxpayer if the taxpayer or a
related party would not be eligible under the provisions
of subsection (i).

(iii) For purposes of this Section, the term "site"
shall have the same meaning as under Section 58.2 of the
Environmental Protection Act.

(m) Education expense credit. Beginning with tax years
ending after December 31, 1999, a taxpayer who is the
custodian of one or more qualifying pupils shall be allowed a
credit against the tax imposed by subsections (a) and (b) of
this Section for qualified education expenses incurred on
behalf of the qualifying pupils. The credit shall be equal to
25% of qualified education expenses, but in no event may the
total credit under this subsection claimed by a family that is
the custodian of qualifying pupils exceed (i) $500 for tax
years ending prior to December 31, 2017, and (ii) $750 for tax
years ending on or after December 31, 2017. In no event shall a
credit under this subsection reduce the taxpayer's liability
under this Act to less than zero. Notwithstanding any other
provision of law, for taxable years beginning on or after
January 1, 2017, no taxpayer may claim a credit under this subsection (m) if the taxpayer's adjusted gross income for the taxable year exceeds (i) $500,000, in the case of spouses filing a joint federal tax return or (ii) $250,000, in the case of all other taxpayers. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an
Illinois resident who is a parent, the parents, a legal
guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax
credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be
made consistent with rules adopted by the Pollution
Control Board pursuant to the Illinois Administrative
Procedure Act for the administration and enforcement of
Section 58.9 of the Environmental Protection Act. For
purposes of this Section, "taxpayer" includes a person
whose tax attributes the taxpayer has succeeded to under
Section 381 of the Internal Revenue Code and "related
party" includes the persons disallowed a deduction for
losses by paragraphs (b), (c), and (f)(1) of Section 267
of the Internal Revenue Code by virtue of being a related
taxpayer, as well as any of its partners. The credit
allowed against the tax imposed by subsections (a) and (b)
shall be equal to 25% of the unreimbursed eligible
remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is
unused in the year the credit is earned may be carried
forward to each of the 5 taxable years following the year
for which the credit is first earned until it is used. This
credit shall be applied first to the earliest year for
which there is a liability. If there is a credit under this
subsection from more than one tax year that is available
to offset a liability, the earliest credit arising under
this subsection shall be applied first. A credit allowed
under this subsection may be sold to a buyer as part of a
sale of all or part of the remediation site for which the
credit was granted. The purchaser of a remediation site
and the tax credit shall succeed to the unused credit and
remaining carry-forward period of the seller. To perfect
the transfer, the assignor shall record the transfer in
the chain of title for the site and provide written notice
to the Director of the Illinois Department of Revenue of
the assignor's intent to sell the remediation site and the
amount of the tax credit to be transferred as a portion of
the sale. In no event may a credit be transferred to any
taxpayer if the taxpayer or a related party would not be
eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site"
shall have the same meaning as under Section 58.2 of the
Environmental Protection Act.

(o) For each of taxable years during the Compassionate Use
of Medical Cannabis Program, a surcharge is imposed on all
taxpayers on income arising from the sale or exchange of
capital assets, depreciable business property, real property
used in the trade or business, and Section 197 intangibles of
an organization registrant under the Compassionate Use of
Medical Cannabis Program Act. The amount of the surcharge is
equal to the amount of federal income tax liability for the
taxable year attributable to those sales and exchanges. The
surcharge imposed does not apply if:

(1) the medical cannabis cultivation center
registration, medical cannabis dispensary registration, or
the property of a registration is transferred as a result
of any of the following:

(A) bankruptcy, a receivership, or a debt adjustment initiated by or against the initial registration or the substantial owners of the initial registration;

(B) cancellation, revocation, or termination of any registration by the Illinois Department of Public Health;

(C) a determination by the Illinois Department of Public Health that transfer of the registration is in the best interests of Illinois qualifying patients as defined by the Compassionate Use of Medical Cannabis Program Act;

(D) the death of an owner of the equity interest in a registrant;

(E) the acquisition of a controlling interest in the stock or substantially all of the assets of a publicly traded company;

(F) a transfer by a parent company to a wholly owned subsidiary; or

(G) the transfer or sale to or by one person to another person where both persons were initial owners of the registration when the registration was issued; or

(2) the cannabis cultivation center registration, medical cannabis dispensary registration, or the
controlling interest in a registrant's property is transferred in a transaction to lineal descendants in which no gain or loss is recognized or as a result of a transaction in accordance with Section 351 of the Internal Revenue Code in which no gain or loss is recognized.

(p) A taxpayer shall be allowed an annual credit against the tax imposed by subsections (a) and (b) of this Section of an amount equal to 15% of the cost of equipment and materials incorporated into or used in the business of providing broadband services in this State during that year. Such annual credits shall be allowed commencing with the taxable year in which such property is placed in service and continue for 9 consecutive years thereafter. The aggregate credit established by this subsection taken in any one tax year shall be limited to an amount not greater than 50% of the taxpayer's tax liability under subsections (a) and (b) of this Section; provided, however, that any tax credit claimed under this subsection but not used in any taxable year may be carried forward for 10 consecutive years from the close of the tax year in which the credits were earned. The maximum aggregate amount of credits that may be claimed under this subsection shall not exceed the original investment made by the taxpayer in the qualifying equipment.

For purposes this subsection: (i) "broadband service" means a service provided by wireline or wireless means capable of delivering high-speed internet access at speeds of at least
10 megabits per second of download speed and one megabit per
second of upload speed; and (ii) "equipment, and materials
incorporated into or used in the business of providing
broadband services", means all equipment and materials
machinery, software, or other tangible personal property that
is used in whole or in part in producing, broadcasting,
distributing, sending, receiving, storing, transmitting,
retransmitting, amplifying, switching, or routing broadband
services, including the monitoring, testing, maintaining,
enabling, or facilitating of such equipment, machinery,
software, or other infrastructure. Such property includes, but
is not limited to, wires, cables including fiber optic cables,
antennas, poles, switches, routers, amplifiers, rectifiers,
repeaters, receivers, multiplexers, duplexers, transmitters,
power equipment, backup power equipment, diagnostic equipment,
storage devices, modems, and other general central office
equipment, such as channel cards, frames, and cabinets.

Section 10. The Use Tax Act is amended by changing
Sections 2 and 3-5 as follows:

(35 ILCS 105/2) (from Ch. 120, par. 439.2)
Sec. 2. Definitions.
"Broadband service" means a service provided by wireline or wireless means capable of delivering high-speed internet access at speeds of at least 10 megabits per second of download speed and one megabit per second of upload speed.

"Use" means the exercise by any person of any right or power over tangible personal property incident to the ownership of that property, except that it does not include the sale of such property in any form as tangible personal property in the regular course of business to the extent that such property is not first subjected to a use for which it was purchased, and does not include the use of such property by its owner for demonstration purposes: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. "Use" does not mean the demonstration use or interim use of tangible personal property by a retailer before he sells that tangible personal property. For watercraft or aircraft, if the period of demonstration use or interim use by the retailer exceeds 18 months, the retailer shall pay on the retailers' original cost price the tax imposed by this Act, and no credit for that tax is permitted if the watercraft or aircraft is subsequently sold by the retailer. "Use" does not mean the physical incorporation of tangible personal property, to the extent not first subjected to a use for which it was purchased, as an ingredient or
constituent, into other tangible personal property (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing.

"Watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

"Purchase at retail" means the acquisition of the ownership of or title to tangible personal property through a sale at retail.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of tangible personal property for a valuable consideration.

"Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed
to be purchased for the purpose of resale, despite first being
used, to the extent to which it is resold as an ingredient of
an intentionally produced product or by-product of
manufacturing. For this purpose, slag produced as an incident
to manufacturing pig iron or steel and sold is considered to be
at retail" includes any such transfer made for resale unless
made in compliance with Section 2c of the Retailers'
Occupation Tax Act, as incorporated by reference into Section
12 of this Act. Transactions whereby the possession of the
property is transferred but the seller retains the title as
security for payment of the selling price are sales.

"Sale at retail" shall also be construed to include any
Illinois florist's sales transaction in which the purchase
order is received in Illinois by a florist and the sale is for
use or consumption, but the Illinois florist has a florist in
another state deliver the property to the purchaser or the
purchaser's donee in such other state.

Nonreusable tangible personal property that is used by
persons engaged in the business of operating a restaurant,
cafeteria, or drive-in is a sale for resale when it is
transferred to customers in the ordinary course of business as
part of the sale of food or beverages and is used to deliver,
package, or consume food or beverages, regardless of where
consumption of the food or beverages occurs. Examples of those
items include, but are not limited to nonreusable, paper and
plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property other than as hereinafter provided, and services, but, prior to January 1, 2020, not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold; beginning January 1, 2020, "selling price" includes the portion of the value of or credit given for traded-in motor vehicles of the First Division as defined in Section 1-146 of the Illinois Vehicle Code of like kind and character as that which is being sold that exceeds $10,000. "Selling price" shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by
sellers on account of the seller's tax liability under the Retailers' Occupation Tax Act, or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit on account of the seller's duty to collect, from the purchasers, the tax that is imposed under any local use tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the seller's duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van
configuration designed for the transportation of not less than
7 nor more than 16 passengers; or (C) has a gross vehicle
weight rating of 8,000 pounds or less or (2) is a motor vehicle
of the first division, "selling price" or "amount of sale"
means the consideration received by the lessor pursuant to the
lease contract, including amounts due at lease signing and all
monthly or other regular payments charged over the term of the
lease. Also included in the selling price is any amount
received by the lessor from the lessee for the leased vehicle
that is not calculated at the time the lease is executed,
including, but not limited to, excess mileage charges and
charges for excess wear and tear. For sales that occur in
Illinois, with respect to any amount received by the lessor
from the lessee for the leased vehicle that is not calculated
at the time the lease is executed, the lessor who purchased the
motor vehicle does not incur the tax imposed by the Use Tax Act
on those amounts, and the retailer who makes the retail sale of
the motor vehicle to the lessor is not required to collect the
tax imposed by this Act or to pay the tax imposed by the
Retailers' Occupation Tax Act on those amounts. However, the
lessor who purchased the motor vehicle assumes the liability
for reporting and paying the tax on those amounts directly to
the Department in the same form (Illinois Retailers'
Occupation Tax, and local retailers' occupation taxes, if
applicable) in which the retailer would have reported and paid
such tax if the retailer had accounted for the tax to the
Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation
Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of purchase was calculated using the definition of "selling price" as defined in this paragraph. Notwithstanding any other provision of this Act to the contrary, lessors shall file all returns and make all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.
"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Section.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a retailer hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the same function as stock or standard items of tangible personal property that are sold at retail.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is a retailer with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to

the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. This paragraph does not apply to nor subject to taxation occasional dinners, social or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not a retailer under this Act with respect to such transactions.

Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are retailers hereunder when engaged in such business.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling
such tangible personal property at retail or a sale through a bulk vending machine does not make such person a retailer hereunder. However, any person who is engaged in a business which is not subject to the tax imposed by the Retailers' Occupation Tax Act because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is a retailer to the extent of the value of the tangible personal property so transferred. If, in such transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purposes of this Act, is the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property.

"Retailer maintaining a place of business in this State", or any like term, means and includes any of the following retailers:

(1) A retailer having or maintaining within this
State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State. However, the ownership of property that is located at the premises of a printer with which the retailer has contracted for printing and that consists of the final printed product, property that becomes a part of the final printed product, or copy from which the printed product is produced shall not result in the retailer being deemed to have or maintain an office, distribution house, sales house, warehouse, or other place of business within this State.

(1.1) A retailer having a contract with a person located in this State under which the person, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers to the retailer by providing to the potential customers a promotional code or other mechanism that allows the retailer to track purchases referred by such persons. Examples of mechanisms that allow the retailer to track purchases referred by
such persons include but are not limited to the use of a link on the person's Internet website, promotional codes distributed through the person's hand-delivered or mailed material, and promotional codes distributed by the person through radio or other broadcast media. The provisions of this paragraph (1.1) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers who are referred to the retailer by all persons in this State under such contracts exceed $10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December. A retailer meeting the requirements of this paragraph (1.1) shall be presumed to be maintaining a place of business in this State but may rebut this presumption by submitting proof that the referrals or other activities pursued within this State by such persons were not sufficient to meet the nexus standards of the United States Constitution during the preceding 4 quarterly periods.

(1.2) Beginning July 1, 2011, a retailer having a contract with a person located in this State under which:

(A) the retailer sells the same or substantially similar line of products as the person located in this State and does so using an identical or substantially similar name, trade name, or trademark as the person located in this State; and

(B) the retailer provides a commission or other
consideration to the person located in this State
based upon the sale of tangible personal property by
the retailer.

The provisions of this paragraph (1.2) shall apply
only if the cumulative gross receipts from sales of
tangible personal property by the retailer to customers in
this State under all such contracts exceed $10,000 during
the preceding 4 quarterly periods ending on the last day
of March, June, September, and December.

(9) Beginning October 1, 2018, a retailer making sales
of tangible personal property to purchasers in Illinois

    (A) the cumulative gross receipts from sales of
tangible personal property to purchasers in Illinois
are $100,000 or more; or

    (B) the retailer enters into 200 or more separate
transactions for the sale of tangible personal
property to purchasers in Illinois.

The retailer shall determine on a quarterly basis,
ending on the last day of March, June, September, and December, whether he or she meets the criteria of either subparagraph (A) or (B) of this paragraph (9) for the preceding 12-month period. If the retailer meets the threshold of either subparagraph (A) or (B) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for one year. At the end of that one-year period, the retailer shall determine whether he or she met the threshold of either subparagraph (A) or (B) during the preceding 12-month period. If the retailer met the criteria in either subparagraph (A) or (B) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If at the end of a one-year period a retailer that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the threshold in either subparagraph (A) or (B) during the preceding 12-month period, the retailer shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either subparagraph (A) or (B) for the preceding 12-month period.
Beginning January 1, 2020, neither the gross receipts from nor the number of separate transactions for sales of tangible personal property to purchasers in Illinois that a retailer makes through a marketplace facilitator and for which the retailer has received a certification from the marketplace facilitator pursuant to Section 2d of this Act shall be included for purposes of determining whether he or she has met the thresholds of this paragraph (9).

(10) Beginning January 1, 2020, a marketplace facilitator that meets a threshold set forth in subsection (b) of Section 2d of this Act. "Bulk vending machine" means a vending machine, containing unsorted confections, nuts, toys, or other items designed primarily to be used or played with by children which, when a coin or coins of a denomination not larger than $0.50 are inserted, are dispensed in equal portions, at random and without selection by the customer.

A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes. If the equipment is leased in a manner that does not qualify for this exemption or is used in any other nonexempt manner, the lessor shall be liable for
the tax imposed under this Act or the Service Use Tax Act, as
the case may be, based on the fair market value of the property
at the time the nonqualifying use occurs. No lessor shall
collect or attempt to collect an amount (however designated)
that purports to reimburse that lessor for the tax imposed by
this Act or the Service Use Tax Act, as the case may be, if the
tax has not been paid by the lessor. If a lessor improperly
collects any such amount from the lessee, the lessee shall
have a legal right to claim a refund of that amount from the
lessor. If, however, that amount is not refunded to the lessee
for any reason, the lessor is liable to pay that amount to the
Department. This paragraph is exempt from the provisions of
Section 3-90.

(32) Beginning on August 2, 2001 (the effective date of
Public Act 92-227), personal property purchased by a lessor

executed or in effect at the time the lessor would otherwise be
subject to the tax imposed by this Act, to a governmental body
that has been issued an active sales tax exemption
identification number by the Department under Section 1g of
the Retailers' Occupation Tax Act. If the property is leased
in a manner that does not qualify for this exemption or used in
any other nonexempt manner, the lessor shall be liable for the
tax imposed under this Act or the Service Use Tax Act, as the
case may be, based on the fair market value of the property at
the time the nonqualifying use occurs. No lessor shall collect
or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-90.

service, it shall be presumed that the cost price to the

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits and service, and shall be determined without any deduction on account of the serviceman's cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

Through June 30, 2005, this exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

reimburse that lessor for the tax imposed by this Act or the
Use Tax Act, as the case may be, if the tax has not been paid
by the lessor. If a lessor improperly collects any such amount

refund of that amount from the lessor. If, however, that
amount is not refunded to the lessee for any reason, the lessor
is liable to pay that amount to the Department.

occupation.

benefit of a public or private elementary or secondary school,

If the equipment is leased in a manner that does not qualify for this exemption or is used
in any other nonexempt manner, the lessor shall be liable for
the tax imposed under this Act or the Use Tax Act, as the case
may be, based on the fair market value of the property at the

Act or the Use Tax Act, as the case may be, if the tax has not
been paid by the lessor. If a lessor improperly collects any
such amount from the lessee, the lessee shall have a legal
right to claim a refund of that amount from the lessor. If,
however, that amount is not refunded to the lessee for any
reason, the lessor is liable to pay that amount to the

that has been issued an active tax exemption identification
number by the Department under Section 1g of the Retailers'
Occupation Tax Act. If the property is leased in a manner that
does not qualify for this exemption or is used in any other
nonexempt manner, the lessor shall be liable for the tax
imposed under this Act or the Use Tax Act, as the case may be,
based on the fair market value of the property at the time the
nonqualifying use occurs. No lessor shall collect or attempt
to collect an amount (however designated) that purports to
reimburse that lessor for the tax imposed by this Act or the
Use Tax Act, as the case may be, if the tax has not been paid
by the lessor. If a lessor improperly collects any such amount
from the lessee, the lessee shall have a legal right to claim a
refund of that amount from the lessor. If, however, that

The exemption does not include aircraft operated by a commercial air carrier providing scheduled passenger air service pursuant to authority issued under Part 121 or Part 129 of the Federal Aviation Regulations. The changes made to this paragraph (27) by Public Act 98-534 are declarative of existing law. It is the intent of the General Assembly that the exemption under this paragraph (27) applies continuously from January 1, 2010 through December 31, 2024; however, no claim for credit or refund is allowed for taxes paid as a result of the disallowance of this exemption on or after January 1, 2015 and prior to the effective date of this amendatory Act of the 101st General Assembly.

(31) Qualified tangible personal property used in the construction or operation of a data center that has been granted a certificate of exemption by the Department of Commerce and Economic Opportunity, whether that tangible personal property is purchased by the owner, operator, or
tenant of the data center or by a contractor or subcontractor of the owner, operator, or tenant. Data centers that would have qualified for a certificate of exemption prior to January 1, 2020 had this amendatory Act of the 101st General Assembly been in effect, may apply for and obtain an exemption for subsequent purchases of computer equipment or enabling software purchased or leased to upgrade, supplement, or replace computer equipment or enabling software purchased or leased in the original investment that would have qualified.

The Department of Commerce and Economic Opportunity shall grant a certificate of exemption under this item (31) to qualified data centers as defined by Section 605-1025 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

money or otherwise, including cash, credits and services, and

out part or all of the services required in his sale of
service, it shall be presumed that the cost price to the
serviceman of the property transferred to him by his or her
subcontractor is equal to 50% of the subcontractor's charges
to the serviceman in the absence of proof of the consideration
paid by the subcontractor for the purchase of such property.

"Department" means the Department of Revenue.

A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes.

(d) (Blank).

(d-1) A sale or transfer of tangible personal property as an incident to the rendering of service for owners, lessors or shippers of tangible personal property which is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

2004, a sale or transfer of a motor vehicle of the second division with a gross vehicle weight in excess of 8,000 pounds as an incident to the rendering of service if that motor vehicle is subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code. Beginning on July 1, 2004 and through June 30, 2005, the use in this State of motor vehicles of the second division: (i) with a gross vehicle weight rating in excess of 8,000 pounds; (ii) that are subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code; and (iii) that are primarily used for commercial purposes. Through June 30, 2005, this exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

(d-2) The repairing, reconditioning or remodeling, for a common carrier by rail, of tangible personal property which belongs to such carrier for hire, and as to which such carrier receives the physical possession of the repaired, reconditioned or remodeled item of tangible personal property in Illinois, and which such carrier transports, or shares with another common carrier in the transportation of such property,
out of Illinois on a standard uniform bill of lading showing
the person who repaired, reconditioned or remodeled the
property as the shipper or consignor of such property to a
destination outside Illinois, for use outside Illinois.

(d-3) A sale or transfer of tangible personal property
which is produced by the seller thereof on special order in
such a way as to have made the applicable tax the Service
Occupation Tax or the Service Use Tax, rather than the
Retailers’ Occupation Tax or the Use Tax, for an interstate
carrier by rail which receives the physical possession of such
property in Illinois, and which transports such property, or
shares with another common carrier in the transportation of
such property, out of Illinois on a standard uniform bill of
lading showing the seller of the property as the shipper or
consignor of such property to a destination outside Illinois,
for use outside Illinois.

(d-4) Until January 1, 1997, a sale, by a registered
serviceman paying tax under this Act to the Department, of
special order printed materials delivered outside Illinois and
which are not returned to this State, if delivery is made by
the seller or agent of the seller, including an agent who
causes the product to be delivered outside Illinois by a
common carrier or the U.S. postal service.

(e) A sale or transfer of machinery and equipment used
primarily in the process of the manufacturing or assembling,
either in an existing, an expanded or a new manufacturing
facility, of tangible personal property for wholesale or retail sale or lease, whether such sale or lease is made directly by the manufacturer or by some other person, whether the materials used in the process are owned by the manufacturer or some other person, or whether such sale or lease is made apart from or as an incident to the seller's engaging in a service occupation and the applicable tax is a Service Occupation Tax or Service Use Tax, rather than Retailers' Occupation Tax or Use Tax. The exemption provided by this paragraph (e) includes production related tangible personal property, as defined in Section 3-50 of the Use Tax Act, purchased on or after July 1, 2019. The exemption provided by this paragraph (e) does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. The provisions of Public Act 98-583 are declaratory of existing law as to the meaning and scope of this exemption. The exemption under this subsection (e) is exempt from the provisions of Section 3-75.

(f) Until July 1, 2003, the sale or transfer of distillation machinery and equipment, sold as a unit or kit and assembled or installed by the retailer,
and equipment is certified by the user to be used only for the
production of ethyl alcohol that will be used for consumption
as motor fuel or as a component of motor fuel for the personal
use of such user and not subject to sale or resale.

otherwise registered as a retailer under Section 2a of the

tangible personal property transferred as an incident to the
sales of service is less than 35% (75% in the case of
servicemen transferring prescription drugs or servicemen
engaged in graphic arts production) of the aggregate annual
total gross receipts from all sales of service. The purchase
of such tangible personal property by the serviceman shall be
subject to tax under the Retailers' Occupation Tax Act and the
Use Tax Act. However, if a primary serviceman who has made the
election described in this paragraph subcontracts service work
to a secondary serviceman who has also made the election
described in this paragraph, the primary serviceman does not
incur a Use Tax liability if the secondary serviceman (i) has
paid or will pay Use Tax on his or her cost price of any
tangible personal property transferred to the primary
serviceman and (ii) certifies that fact in writing to the
primary serviceman.

Tangible personal property transferred incident to the
completion of a maintenance agreement is exempt from the tax
imposed pursuant to this Act.

Exemption (e) also includes machinery and equipment used in the general maintenance or repair of such exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. On and after July 1, 2017, exemption (e) also includes graphic arts machinery and equipment, as defined in paragraph (5) of Section 3-5. The machinery and equipment exemption does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. The provisions of Public Act 98-583 are declaratory of existing law as to the meaning and scope of this exemption. For the purposes of exemption (e), each of these terms shall have the following meanings: (1) "manufacturing process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by procedures commonly regarded as manufacturing, processing, fabricating, or refining which changes some existing material or materials into a material with a different form, use or name. In relation to a recognized integrated business composed of a series of
operations which collectively constitute manufacturing, or
individually constitute manufacturing operations, the
manufacturing process shall be deemed to commence with the
first operation or stage of production in the series, and
shall not be deemed to end until the completion of the final
product in the last operation or stage of production in the
series; and further for purposes of exemption (e),
photoprocessing is deemed to be a manufacturing process of
tangible personal property for wholesale or retail sale; (2)
"assembling process" shall mean the production of any article
of tangible personal property, whether such article is a
finished product or an article for use in the process of
manufacturing or assembling a different article of tangible
personal property, by the combination of existing materials in

material of a different form, use or name; (3) "machinery"
shall mean major mechanical machines or major components of
such machines contributing to a manufacturing or assembling
process; and (4) "equipment" shall include any independent
device or tool separate from any machinery but essential to an
integrated manufacturing or assembly process; including
computers used primarily in a manufacturer's computer assisted
design, computer assisted manufacturing (CAD/CAM) system; or
any subunit or assembly comprising a component of any
machinery or auxiliary, adjunct or attachment parts of
machinery, such as tools, dies, jigs, fixtures, patterns and
molds; or any parts which require periodic replacement in the
course of normal operation; but shall not include hand tools.
Equipment includes chemicals or chemicals acting as catalysts
but only if the chemicals or chemicals acting as catalysts
effect a direct and immediate change upon a product being
manufactured or assembled for wholesale or retail sale or
lease. The purchaser of such machinery and equipment who has
an active resale registration number shall furnish such number
to the seller at the time of purchase. The purchaser of such
machinery and equipment and tools without an active resale
registration number shall furnish to the seller a certificate
of exemption stating facts establishing the exemption, which
certificate shall be available to the Department for
inspection or audit.

Except as provided in Section 2d of this Act, the rolling
stock exemption applies to rolling stock used by an interstate
carrier for hire, even just between points in Illinois, if
such rolling stock transports, for hire, persons whose
journeys or property whose shipments originate or terminate
outside Illinois.

Any informal rulings, opinions or letters issued by the
Department in response to an inquiry or request for any
opinion from any person regarding the coverage and
applicability of exemption (e) to specific devices shall be
published, maintained as a public record, and made available
for public inspection and copying. If the informal ruling,
opinion or letter contains trade secrets or other confidential
information, where possible the Department shall delete such
information prior to publication. Whenever such informal
rulings, opinions, or letters contain any policy of general
applicability, the Department shall formulate and adopt such
policy as a rule in accordance with the provisions of the
Illinois Administrative Procedure Act.

On and after July 1, 1987, no entity otherwise eligible
under exemption (c) of this Section shall make tax-free
purchases unless it has an active exemption identification
number issued by the Department.

"Consumable supplies" include, but are not limited to, adhesive, tape, sandpaper, general purpose lubricants, cleaning solution, latex gloves, and protective films. This exemption applies only to the transfer of qualifying tangible personal property incident to the modification, refurbishment, completion, replacement, repair, or maintenance of an aircraft by persons who (i) hold an Air Agency Certificate and are empowered to operate an approved repair station by the Federal Aviation Administration, (ii) have a Class IV Rating, and (iii) conduct operations in accordance with Part 145 of the Federal Aviation Regulations. Data centers that would have qualified for a certificate of exemption prior to January 1, 2020 had this amendatory Act of the 101st General Assembly been in effect, may apply for and obtain an exemption for subsequent purchases of computer equipment or enabling software purchased or leased to upgrade, supplement, or replace computer equipment or enabling software purchased or leased in the original investment that would have qualified.

The Department of Commerce and Economic Opportunity shall grant a certificate of exemption under this item (32) to qualified data centers as defined by Section 605-1025 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

For the purposes of this item (32):
"Data center" means a building or a series of buildings rehabilitated or constructed to house working servers in one physical location or multiple sites within the State of Illinois.

"Qualified tangible personal property" means:
electrical systems and equipment; climate control and chilling equipment and systems; mechanical systems and equipment; monitoring and secure systems; emergency generators; hardware; computers; servers; data storage devices; network connectivity equipment; racks; cabinets; telecommunications cabling infrastructure; raised floor systems; peripheral components or systems; software; mechanical, electrical, or plumbing systems; battery systems; cooling systems and towers; temperature control systems; other cabling; and other data center infrastructure equipment and systems necessary to operate qualified tangible personal property, including fixtures; and component parts of any of the foregoing, including installation, maintenance, repair, refurbishment, and replacement of qualified tangible personal property to generate, transform, transmit, distribute, or manage electricity necessary to operate qualified tangible personal property; and all other tangible personal property that is essential to the operations of a computer data center. The term "qualified tangible personal property" also includes building materials physically
incorporated into the qualifying data center. To document the exemption allowed under this Section, the retailer must obtain from the purchaser a copy of the certificate of eligibility issued by the Department of Commerce and Economic Opportunity.

This item (32) is exempt from the provisions of Section 3-55.

Such property includes, but is not limited to, wires, cables including fiber optic cables, antennas, poles, switches, routers, amplifiers, rectifiers, repeaters, receivers, multiplexers, duplexers, transmitters, power equipment, backup power equipment, diagnostic equipment, storage devices, modems, and other general central office equipment, such as channel cards, frames, and cabinets.

Section 25. The Retailers' Occupation Tax Act is amended by changing Sections 1 and 2-5 as follows:

(35 ILCS 120/1) (from Ch. 120, par. 440)

Sec. 1. Definitions. As used in this Act:

"Broadband service" means a service provided by wireline or wireless means capable of delivering high-speed internet access at speeds of at least 10 megabits per second of download speed and one megabit per second of upload speed.

"Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use or consumption, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced byproduct of manufacturing. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price shall be deemed to be sales.
"Sale at retail" shall be construed to include any transfer of the ownership of or title to tangible personal property to a purchaser, for use or consumption by any other person to whom such purchaser may transfer the tangible personal property without a valuable consideration, and to include any transfer, whether made for or without a valuable consideration, for resale in any form as tangible personal property unless made in compliance with Section 2c of this Act.

Sales of tangible personal property, which property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, goes into and forms a part of tangible personal property subsequently the subject of a "Sale at retail", are not sales at retail as defined in this Act: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing.

"Sale at retail" shall be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by
persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is engaged in the business of selling tangible personal property at retail with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used
primarily for the purposes of such person, or (2), to the
extent of sales by such person of tangible personal property
which is not sold or offered for sale by persons organized for
profit. The selling of school books and school supplies by
schools at retail to students is not "primarily for the
purposes of" the school which does such selling. The
provisions of this paragraph shall not apply to nor subject to
taxation occasional dinners, socials or similar activities of
a person organized and operated exclusively for charitable,
religious or educational purposes, whether or not such
activities are open to the public.

A person who is the recipient of a grant or contract under
Title VII of the Older Americans Act of 1965 (P.L. 92-258) and
serves meals to participants in the federal Nutrition Program
for the Elderly in return for contributions established in
amount by the individual participant pursuant to a schedule of
suggested fees as provided for in the federal Act is not
engaged in the business of selling tangible personal property
at retail with respect to such transactions.

"Purchaser" means anyone who, through a sale at retail,
acquires the ownership of or title to tangible personal
property for a valuable consideration.

"Reseller of motor fuel" means any person engaged in the
business of selling or delivering or transferring title of
motor fuel to another person other than for use or
consumption. No person shall act as a reseller of motor fuel
within this State without first being registered as a reseller pursuant to Section 2c or a retailer pursuant to Section 2a.

"Selling price" or the "amount of sale" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property, other than as hereinafter provided, and services, but, prior to January 1, 2020, not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold; beginning January 1, 2020, "selling price" includes the portion of the value of or credit given for traded-in motor vehicles of the First Division as defined in Section 1-146 of the Illinois Vehicle Code of like kind and character as that which is being sold that exceeds $10,000. "Selling price" shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include charges that are added to prices by sellers on account of the seller's tax liability under this Act, or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by the Use Tax Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit on account of the seller's duty to collect,
from the purchasers, the tax that is imposed under any local
use tax administered by the Department. Effective December 1,
1985, "selling price" shall include charges that are added to
prices by sellers on account of the seller's tax liability
under the Cigarette Tax Act, on account of the sellers' duty to
collect, from the purchaser, the tax imposed under the
Cigarette Use Tax Act, and on account of the seller's duty to
collect, from the purchaser, any cigarette tax imposed by a
home rule unit.

Notwithstanding any law to the contrary, for any motor
vehicle, as defined in Section 1-146 of the Vehicle Code, that
is sold on or after January 1, 2015 for the purpose of leasing
the vehicle for a defined period that is longer than one year
and (1) is a motor vehicle of the second division that: (A) is
a self-contained motor vehicle designed or permanently
converted to provide living quarters for recreational,
camping, or travel use, with direct walk through access to the
living quarters from the driver's seat; (B) is of the van
configuration designed for the transportation of not less than
7 nor more than 16 passengers; or (C) has a gross vehicle
weight rating of 8,000 pounds or less or (2) is a motor vehicle
of the first division, "selling price" or "amount of sale"
means the consideration received by the lessor pursuant to the
lease contract, including amounts due at lease signing and all
monthly or other regular payments charged over the term of the
lease. Also included in the selling price is any amount
received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear. For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by the Use Tax Act or to pay the tax imposed by this Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount
provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of purchase was calculated using the definition of "selling price" as defined
in this paragraph. Notwithstanding any other provision of this Act to the contrary, lessors shall file all returns and make all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Gross receipts" from the sales of tangible personal property at retail means the total selling price or the amount of such sales, as hereinbefore defined. In the case of charge and time sales, the amount thereof shall be included only as and when payments are received by the seller. Receipts or other consideration derived by a seller from the sale, transfer or assignment of accounts receivable to a wholly owned subsidiary will not be deemed payments prior to the time
the purchaser makes payment on such accounts.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail, or a sale through a bulk vending machine, does not constitute engaging in a business of selling such tangible personal property at retail within the meaning of this Act; provided that any person who is engaged in a business which is not subject to the tax imposed by this Act because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate or a construction contract to engineer, install, and maintain an integrated system of products, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate or was not engineered and installed, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business,
is engaged in the business of selling tangible personal property at retail to the extent of the value of the tangible personal property so transferred. Construction contracts for the improvement of real estate consisting of engineering, installation, and maintenance of voice, data, video, security, and all telecommunication systems do not constitute engaging in a business of selling tangible personal property at retail within the meaning of this Act if they are sold at one specified contract price.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a person engaged in the business of selling tangible personal property at retail hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the
same function as stock or standard items of tangible personal
property that are sold at retail.

Persons who engage in the business of transferring

(2) either directly or indirectly, through agreements or arrangements with third parties, collecting payment from the customer and transmitting that payment to the marketplace seller regardless of whether the marketplace facilitator receives compensation or other consideration in exchange for its services.

A person who provides advertising services, including listing products for sale, is not considered a marketplace facilitator, so long as the advertising service platform or forum does not engage, directly or indirectly through one or more affiliated persons, in the activities described in paragraph (2) of this definition of "marketplace facilitator".

"Marketplace seller" means a person that makes sales through a marketplace operated by an unrelated third party marketplace facilitator.
