13 Section 15. The Illinois Library System Act is amended by
14 changing Sections 8.1 and 8.4 as follows:

15 (75 ILCS 10/8.1) (from Ch. 81, par. 118.1)

16 Sec. 8.1. The State Librarian shall make grants annually
17 under this Section to all qualified public libraries in the
18 State from funds appropriated by the General Assembly. Such
19 grants shall be in the amount of up to \$1.475 ~~\$1.25~~ per capita
20 for the population of the area served by the respective public
21 library and, in addition, the amount of up to \$0.19 per capita
22 to libraries serving populations over 500,000 under the
23 Illinois Major Urban Library Program. If the moneys
24 appropriated for grants under this Section fail to meet the

1 \$1.475 ~~\$1.25~~ and the \$0.19 per capita amounts above, the
2 funding shall be decreased pro rata so that qualifying public
3 libraries receive the same amount per capita. If the moneys
4 appropriated for grants under this Section exceed the \$1.475
5 ~~\$1.25~~ and the \$0.19 per capita amounts above, the funding
6 shall be increased pro rata so that qualifying public
7 libraries receive the same amount per capita.

8 To be eligible for grants under this Section, a public
9 library must:

10 (1) Provide, as determined by the State Librarian,
11 library services which either meet or show progress toward
12 meeting the Illinois library standards, as most recently
13 adopted by the Illinois Library Association.

14 (2) Be a public library for which is levied a tax for
15 library purposes at a rate not less than .13% or a county
16 library for which is levied a tax for library purposes at a
17 rate not less than .07%. If a library is subject to the
18 Property Tax Extension Limitation Law in the Property Tax
19 Code and its tax levy for library purposes has been
20 lowered to a rate of less than .13%, this requirement will
21 be waived if the library qualified for this grant in the
22 previous year and if the tax levied for library purposes
23 in the current year produces tax revenue for library
24 purposes that is an increase over the previous year's
25 extension of 5% or the percentage increase in the Consumer
26 Price Index, whichever is less. Beginning in State Fiscal

1 Year 2012, the eligibility requirement in this subsection
2 shall be waived if a library's tax levy for library
3 purposes has been lowered to a rate of less than 0.13%, and
4 the State Librarian determines that the library (i)
5 continues to meet the requirements of item (1) of this
6 Section and (ii) received a grant under this Section in
7 the previous fiscal year.

8 Any other language in this Section to the contrary
9 notwithstanding, grants under this Section 8.1 shall be made
10 only upon application of the public library concerned, which
11 applications shall be entirely voluntary and within the sole
12 discretion of the public library concerned.

13 In order to be eligible for a grant under this Section, the
14 corporate authorities, in lieu of a tax levy at a particular
15 rate, may provide funds from other sources, an amount
16 equivalent to the amount to be produced by that levy.

18 (75 ILCS 10/8.4) (from Ch. 81, par. 118.4)

19 Sec. 8.4. School library grants. Beginning July 1, 1989,
20 the State Librarian shall make grants annually under this
21 Section to all school districts in the State for the
22 establishment and operation of qualified school libraries, or
23 the additional support of existing qualified school libraries,
24 from funds appropriated by the General Assembly. Such grants
25 shall be in the amount of \$0.885 ~~\$0.75~~ per student as

1 determined by the official enrollment as of the previous
2 September 30 of the respective school having a qualified
3 school library. If the moneys appropriated for grants under
4 this Section are not sufficient, the State Librarian shall
5 reduce the amount of the grants as necessary; in making these
6 reductions, the State Librarian shall endeavor to provide each
7 school district that has a qualifying school library (i) at
8 least the same amount per student as the district received
9 under this Section in the preceding fiscal year, and (ii) a
10 total grant of at least \$850 ~~\$750~~, which, in the event of an
11 insufficient appropriation, shall not be reduced to a total
12 grant of less than \$100.

13 To qualify for grants under this Section, a school library
14 must:

15 (1) Be an entity which serves the basic information
16 and library needs of the school's employees and students
17 through a bibliographically organized collection of
18 library materials, has at least one employee whose primary
19 duty is to serve as a librarian, and has a collection
20 permanently supported financially, accessible centrally,
21 and occupying identifiable quarters in one principal
22 location.

23 (2) Meet the requirements for membership in a library
24 system under the provisions of this Act.

25 (3) Have applied for membership in the library system
26 of jurisdiction if the system is a multitype library

1 system under this Act.

2 (4) Provide, as mutually determined by the Illinois
3 State Librarian and the Illinois State Board of Education,
4 library services which either meet or show progress toward
5 meeting the Illinois school library standards as most
6 recently adopted by the Illinois School Library Media
7 Association.

8 (5) Submit a statement certifying that the financial
9 support for the school library or libraries of the
10 applying school district has been maintained undiminished,
11 or if diminished, the percentage of diminution of
12 financial support is no more than the percentage of
13 diminution of the applying school's total financial
14 support for educational and operations purposes since the
15 submission of the last previous application of the school
16 district for the school library per student grant that was
17 funded.

18 Grants under this Section shall be made only upon
19 application of the school district for its qualified school
20 library or school libraries.
