1 AMENDMENT TO SENATE BILL 2342

2 AMENDMENT NO. _____. Amend Senate Bill 2342 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Lottery Law is amended by
5 changing Section 7.12 as follows:

6 (20 ILCS 1605/7.12)

7 (Section scheduled to be repealed on July 1, 2022)

8 Sec. 7.12. Internet program.

9 (a) The General Assembly finds that:

10 (1) the consumer market in Illinois has changed since
11 the creation of the Illinois State Lottery in 1974;

12 (2) the Internet has become an integral part of
13 everyday life for a significant number of Illinois
14 residents not only in regards to their professional life,
15 but also in regards to personal business and
16 communication; and

1 (3) the current practices of selling lottery tickets
2 does not appeal to the new form of market participants who
3 prefer to make purchases on the Internet at their own
4 convenience.

5 It is the intent of the General Assembly to create an
6 Internet program for the sale of lottery tickets to capture
7 this new form of market participant.

8 (b) The Department shall create a program that allows an
9 individual 18 years of age or older to purchase lottery
10 tickets or shares on the Internet without using a Lottery
11 retailer with on-line status, as those terms are defined by
12 rule. The Department shall restrict the sale of lottery
13 tickets on the Internet to transactions initiated and received
14 or otherwise made exclusively within the State of Illinois.
15 The Department shall adopt rules necessary for the
16 administration of this program. These rules shall include,
17 among other things, requirements for marketing of the Lottery
18 to infrequent players, as well as limitations on the purchases
19 that may be made through any one individual's lottery account.
20 The provisions of this Act and the rules adopted under this Act
21 shall apply to the sale of lottery tickets or shares under this
22 program.

23 The Department is obligated to implement the program set
24 forth in this Section and Sections 7.15 and 7.16. The
25 Department may offer Lotto, Lucky Day Lotto, Mega Millions,
26 Powerball, Pick 3, Pick 4, and other draw games that are

1 offered at retail locations, as well as interactive instant
2 win games, through the Internet program. The private manager
3 shall obtain the Director's approval before providing any draw
4 games or commencing the interactive instant win games program.
5 When the Department or the private manager offers interactive
6 instant win games through the Internet pilot program, the
7 Department or the private manager shall make these games
8 available for sale at retail locations by a lottery licensee
9 pursuant to the Department's rules to concurrently enhance the
10 Lottery's revenue growth from retail sales. The Department or
11 the private manager shall offer interactive instant win games
12 through the Internet pilot program only at retail locations
13 for 6 months after the initial launch date. As used in this
14 Section, "interactive instant win game" means a virtual
15 Lottery instant game ticket with specified prize structures
16 and set odds. Any draw game tickets that are approved for sale
17 by lottery licensees are automatically approved for sale
18 through the Internet program. The Department shall maintain
19 responsible gaming controls in its policies.

20 The Department shall authorize the private manager to
21 implement and administer the program pursuant to the
22 management agreement entered into under Section 9.1 and in a
23 manner consistent with the provisions of this Section. If a
24 private manager has not been selected pursuant to Section 9.1
25 at the time the Department is obligated to implement the
26 program, then the Department shall not proceed with the

1 program until after the selection of the private manager, at
2 which time the Department shall authorize the private manager
3 to implement and administer the program pursuant to the
4 management agreement entered into under Section 9.1 and in a
5 manner consistent with the provisions of this Section.

6 Nothing in this Section shall be construed as prohibiting
7 the Department from implementing and operating a website
8 portal whereby individuals who are 18 years of age or older
9 with an Illinois mailing address may apply to purchase lottery
10 tickets via subscription. Nothing in this Section shall also
11 be construed as prohibiting the Lottery draw game tickets or
12 interactive instant win games authorized for sale through the
13 Internet program under this Section from also continuing to be
14 sold at retail locations by a lottery licensee pursuant to the
15 Department's rules.

16 (c) (Blank).
