1   AN ACT concerning government.

2   **Be it enacted by the People of the State of Illinois,**
3   **represented in the General Assembly:**

4   Section 1. Short title. This Act may be cited as the Cook
5   County Board of Review Redistricting Act of 2021.

6   Section 5. Findings. In enacting this redistricting plan,
7   the General Assembly finds and declares all of the following:
8   (a) Under Section 5-5 of the Property Tax Code, in the year
9   following each federal decennial census year, the General
10   Assembly is required to redistrict the 3 districts for the
11   board of review in each county with 3,000,000 or more
12   inhabitants.
13   (b) The United States Census Bureau failed to deliver the
14   2020 Census Public Law 94-171 population data to the States,
15   including Illinois, by March 31, 2021 as required by the
16   federal Census Act and has announced it will release the 2020
17   Census Public Law 94-171 population data by September 30,
18   2021.
19   (c) The United States Census Bureau's 2015-2019 American
20   Community Survey data is the most accurate, recent low-level
21   population data available to the Illinois public in the spring
22   of 2021 and was relied upon by the General Assembly in
23   establishing the boundaries for the districts described in

1 this Act. The total resident population of Illinois according

2 to the 2015-2019 American Community Survey data was

3 12,770,577, which is approximately 0.3% less than the total

4 resident population from the 2020 Census.

5   (d) In establishing boundaries for Cook County Board of

6 Review districts ("Districts"), the following redistricting

7 principles were taken into account:

8   (1) each of the Districts was drawn to be

9   substantially equal in population;

10   (2) each of the Districts was drawn to be consistent

11   with the United States Constitution;

12   (3) each of the Districts was drawn to be consistent

13   with the federal Voting Rights Act, where applicable;

14   (4) each of the Districts was drawn to be compact and

15   contiguous; and

16   (5) each of the Districts was drawn taking into

17   account the partisan composition of the District and of

18   the Plan itself.

19   (e) In addition to the redistricting principles set forth

20 in subsection (d), each of the Districts contained was drawn

21 to reflect a balance of the following redistricting

22 principles: the preservation of the core or boundaries of the

23 existing Districts; the preservation of communities of

24 interest; respect for county, township, municipal, ward, and

25 other political subdivision boundaries; the maintenance of

26 incumbent-constituent relationships and tracking of population

1   migration; proposals or other input submitted by members of

2   the public and stakeholder groups; public hearing testimony;

3   other incumbent requests; respect for geographic features and

4   natural   or   logical   boundaries;   and   other   redistricting

5   principles recognized by State and federal court decisions.

6   Section 10. Board of Review Districts. Cook County is

7   divided into 3 Board of Review Districts as set forth in this

8   Act.

9   Cook   County   Board   of   Review   District   1   consists   of   the

4   (a) In counties with 3,000,000 or more inhabitants, on the

5   first Tuesday after the first Monday in November 1994, 2

6   commissioners of the board of appeals shall be elected to hold

7   office from the first Monday in December following their

8   election and until the first Monday in December 1998. In case

9   of any vacancy, the chief judge of the circuit court or any

10   judge of that circuit designated by the chief judge shall fill

11   the vacancy by appointment. The commissioners shall be

12   electors in the particular county at the time of their

13   election or appointment and shall hold no other lucrative

14   public office or public employment. Each commissioner shall

15   receive compensation fixed by the county board, which shall be

16   paid out of the county treasury and which shall not be changed

17   during the term for which any commissioner is elected or

18   appointed. Effective the first Monday in December 1998, the

19   board of appeals is abolished.

20   The board of appeals shall maintain sufficient evidentiary

21   records to support all decisions made by the board of appeals.

22   All records, data, sales/ratio studies, and other information

23   necessary for the board of review elected under subsection (c)

24   to perform its functions and duties shall be transferred by

25   the board of appeals to the board of review on the first Monday

26   in December 1998.

1   (b) (Blank).

2   (c) In each county with 3,000,000 or more inhabitants,

3 there is created a board of review. The board of review shall

4 consist of 3 commissioners, one elected from each election

5 district in the county at the general election in 1998 to hold

6 office for a term beginning on the first Monday in December

7 following their election and until their respective successors

8 are elected and qualified.

9   No later than June 1, 1996, the General Assembly shall

10 establish the boundaries for the 3 election districts in each

11 county with 3,000,000 or more inhabitants. The election

12 districts shall be compact, contiguous, and have substantially

13 the same population based on the 1990 federal decennial

14 census. One district shall be designated as the first election

15 district, one as the second election district, and one as the

16 third election district. The commissioner from each district

17 shall be elected to a term of 4 years.

18   In the year following each federal decennial census, the

19 General Assembly shall reapportion the election districts to

20 reflect the results of the census. In 2021 and any year

21 following the federal decennial census in which the results of

22 the census are not available by March 31, the General Assembly

23 may use other population data, including, but not limited to,

24 the most recent American Community Survey 5-year data, to

25 reapportion the districts. The reapportioned districts shall

26 be compact, contiguous, and contain substantially the same

1   population. The commissioner from the first district shall be

2   elected to terms of 4 years, 4 years, and 2 years. The

3   commissioner from the second district shall be elected to

4   terms of 4 years, 2 years, and 4 years. The commissioner from

5   the third district shall be elected to terms of 2 years, 4

6   years, and 4 years.

7   In case of vacancy, the chief judge of the circuit court or

8   any judge of the circuit court designated by the chief judge

9   shall fill the vacancy by appointment of a person from the same

10   political party. If the vacancy is filled with more than 28

11   months remaining in the term, the appointed commissioner shall

12   serve until the next general election, at which time a

13   commissioner shall be elected to serve for the remainder of

14   the term. If a vacancy is filled with 28 months or less

15   remaining in the term, the appointment shall be for the

16   remainder of the term. No commissioner may be elected or

17   appointed to the board of review unless he or she has resided

18   in the election district he or she seeks to represent for at

19   least 2 years before the date of the election or appointment.

20   In the election following each federal decennial census and

21   board of review redistricting, a candidate for commissioner

22   may be elected from any election district that contains a part

23   of the election district in which he or she resided at the time

24   of the redistricting and re-elected if a resident of the new

25   district he or she represents for 18 months prior to

26   re-election. The commissioners shall hold no other lucrative

1   public office or public employment.

2   Each commissioner shall receive compensation fixed by the

3   county board, which shall be paid from the county treasury.

4   Compensation for each commissioner shall be equitable and

5   shall not be changed during the term for which that

6   commissioner is elected or appointed. The county shall provide

7   suitable office space for the board of review.

8   For the year beginning on the first Monday in December

9   1998 and ending the first Monday in December 1999, and every

10   fourth year thereafter, the chair of the board shall be the

11   commissioner elected from the first district. For the year

12   beginning the first Monday in December 1999 and ending the

13   first Monday in December 2000, and every fourth year

14   thereafter, the chair of the board shall be the commissioner

15   elected from the second district. For the year beginning the

16   first Monday in December 2000 and ending the first Monday in

17   December 2001, and every fourth year thereafter, the chair

18   shall be the commissioner elected from the third district. For

19   the year beginning the first Monday in December 2001 and

20   ending the first Monday in December 2002, and every fourth

21   year thereafter, the chair of the board shall be determined by

22   lot.

23   On and after the first Monday in December, 1998, any

24   reference in this Code to a board of appeals shall mean the

25   board of review created under this subsection, and any

26   reference to a member of a board of review shall mean a

1   commissioner of a board of review. Whenever it may be

2   necessary for purposes of determining its jurisdiction, the

3   board of review shall be deemed to succeed to the powers and

4   duties of the former board of appeals; provided that the board

5   of review shall also have all of the powers and duties granted

6   to it under this Code. All action of the board of review shall

7   be by a majority vote of its commissioners.
