A BILL FOR

1 AN ACT concerning public employee benefits.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Pension Code is amended by
5 changing Section 5-214.2 as follows:

6 (40 ILCS 5/5-214.2)

7 Sec. 5-214.2. Credit for certain law enforcement service.
8 An active policeman who is a member of this Fund on or before
9 the effective date of this Section may establish up to 10 years
10 of additional service credit in 6-month increments for service
11 in a law enforcement capacity under Articles 3, 7, 8, 9, 10,
12 13, 14, and 15 and Division 1 of Article 22, as a law
13 enforcement officer with the Chicago Housing Authority, or as
14 a law enforcement officer with any agency of the United States
15 government, provided that: (1) service credit is not available
16 for that employment under any other provision of this Article;
17 (2) any service credit for that employment received under any
18 other provision of this Code or under the retirement plan of
19 the Chicago Housing Authority or Federal Employee Retirement
20 System has been terminated; and (3) the policeman applies for
21 this credit in writing within one year after the effective
22 date of this Section and pays to the Fund within 5 years after
23 the date of application an amount to be determined by the Fund

1 in accordance with this Section.

2 An active policeman who becomes a member of this Fund
3 after the effective date of this Section may establish up to 10
4 years of additional service credit in 6-month increments for
5 service in a law enforcement capacity under Articles 3, 7, 8,
6 9, 10, 13, 14, and 15 and Division 1 of Article 22, as a law
7 enforcement officer with the Chicago Housing Authority, or as
8 a law enforcement officer with any agency of the United States
9 government, provided that: (1) service credit is not available
10 for that employment under any other provision of this Article;
11 (2) any service credit for that employment received under any
12 other provision of this Code or under the retirement plan of
13 the Chicago Housing Authority or Federal Employee Retirement
14 System has been terminated; and (3) the policeman applies for
15 this credit in writing within 2 years after he or she begins
16 employment under this Article and pays to the Fund within 5
17 years after the date of application an amount to be determined
18 by the Fund in accordance with this Section; except that the
19 2-year requirement to file an application does not apply to an
20 active policeman who becomes a member of this Fund on or after
21 December 1, 2019, makes an application for this credit in
22 writing prior to December 31, 2023, and pays to the Fund,
23 within 5 years after the date of application, an amount to be
24 determined by the Fund in accordance with this Section.

25 The Fund must determine the policeman's payment required
26 to establish creditable service under this Section by taking

1 into account the appropriate actuarial assumptions, including
2 without limitation the police officer's service, age, and
3 salary history; the level of funding of the Fund; and any other
4 factors that the Fund determines to be relevant. For this
5 purpose, the policeman's required payment should result in no
6 significant increase to the Fund's unfunded actuarial accrued
7 liability determined as of the most recent actuarial
8 valuation, based on the same assumptions and methods used to
9 develop and report the Fund's actuarial accrued liability and
10 actuarial value of assets under Statement No. 25 of
11 Governmental Accounting Standards Board or any subsequent
12 applicable Statement.
