2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Sections  
5 24-24, 27A-5, and 34-84a and by adding Section 22-100 as  
6 follows:

7 (105 ILCS 5/22-100 new)

8 Sec. 22-100. Prohibition on physical discipline in  
9 schools.

10 (a) In this Section:

11 "Corporal punishment" means a discipline method in which a  
12 person deliberately inflicts pain upon a student in response  
13 to the student's unacceptable behavior or inappropriate  
14 language, with an aim to halt an offense, prevent its  
15 recurrence, or set an example for others. "Corporal  
16 punishment" does not include the use of physical restraint  
17 under Sections 10-20.33 and 34-18.20.

18 "School personnel" means any person who is employed by,  
19 who is on contract with, or who volunteers in a school  
20 district, charter school, or nonpublic elementary or secondary  
21 school, including, but not limited to, school and school  
22 district administrators, teachers, school social workers,  
23 school counselors, school psychologists, school nurses,

1 paraprofessionals, speech-language pathologists, cafeteria  
2 workers, custodians, bus drivers, school resource officers, or  
3 security guards.

4 (b) School personnel of any school district, charter

7 punishment upon a student, or cause corporal punishment to be  
8 inflicted upon a student.

9 (105 ILCS 5/24-24) (from Ch. 122, par. 24-24)

10 Sec. 24-24. Maintenance of discipline. Subject to the  
11 limitations of all policies established or adopted under  
12 Section 14-8.05, teachers, other licensed ~~certificated~~  
13 educational employees, and any other person, whether or not a  
14 licensed ~~certificated~~ employee, providing a related service  
15 for or with respect to a student shall maintain discipline in  
16 the schools, including school grounds which are owned or  
17 leased by the board and used for school purposes and  
18 activities. In all matters relating to the discipline in and  
19 conduct of the schools and the school children, they stand in  
20 the relation of parents and guardians to the pupils. This  
21 relationship shall extend to all activities connected with the  
22 school program, including all athletic and extracurricular  
23 programs, and may be exercised at any time for the safety and  
24 supervision of the pupils in the absence of their parents or  
25 guardians.

1           Nothing in this Section affects the power of the board to  
2 establish rules with respect to discipline; except that each  
3 board shall establish a policy on discipline, and the policy  
4 so established shall provide, subject to the limitations of  
5 all policies established or adopted under Section 14-8.05,  
6 that a teacher, any other licensed ~~certificated~~ employee, and  
7 any other person, whether or not a licensed ~~certificated~~  
8 employee, providing a related service for or with respect to a  
9 student may only use reasonable force as permitted under  
10 Sections 10-20.33 and 34-18.20 ~~needed to maintain safety for~~  
11 ~~the other students, school personnel or persons or for the~~  
12 ~~purpose of self defense or the defense of property,~~ shall  
13 provide that a teacher may remove a student from the classroom  
14 for disruptive behavior, and shall include provisions which  
15 provide due process to students. The policy shall prohibit the  
16 use of corporal punishment, as defined in Section 22-100, in  
17 all circumstances ~~not include slapping, paddling or prolonged~~  
18 ~~maintenance of students in physically painful positions nor~~  
19 ~~shall it include the intentional infliction of bodily harm.~~

20           The board may make and enforce reasonable rules of conduct  
21 and sportsmanship for athletic and extracurricular school  
22 events. Any person who violates such rules may be denied  
23 admission to school events for not more than one year,  
24 provided that written 10 days notice of the violation is given  
25 such person and a hearing had thereon by the board pursuant to  
26 its rules and regulations. The administration of any school

1 may sign complaints as agents of the school against persons

6 (Text of Section before amendment by P.A. 102-466 and  
7 103-472)

8 Sec. 27A-5. Charter school; legal entity; requirements.

9 (a) A charter school shall be a public, nonsectarian,  
10 nonreligious, non-home based, and non-profit school. A charter  
11 school shall be organized and operated as a nonprofit  
12 corporation or other discrete, legal, nonprofit entity  
13 authorized under the laws of the State of Illinois.

14 (b) A charter school may be established under this Article  
15 by creating a new school or by converting an existing public  
16 school or attendance center to charter school status. In all  
17 new applications to establish a charter school in a city  
18 having a population exceeding 500,000, operation of the  
19 charter school shall be limited to one campus. This limitation  
20 does not apply to charter schools existing or approved on or  
21 before April 16, 2003.

22 (b-5) (Blank).

23 (c) A charter school shall be administered and governed by  
24 its board of directors or other governing body in the manner  
25 provided in its charter. The governing body of a charter

1 school shall be subject to the Freedom of Information Act and  
2 the Open Meetings Act. A charter school's board of directors  
3 or other governing body must include at least one parent or  
4 guardian of a pupil currently enrolled in the charter school  
5 who may be selected through the charter school or a charter  
6 network election, appointment by the charter school's board of  
7 directors or other governing body, or by the charter school's  
8 Parent Teacher Organization or its equivalent.

9 (c-5) No later than January 1, 2021 or within the first  
10 year of his or her first term, every voting member of a charter  
11 school's board of directors or other governing body shall  
12 complete a minimum of 4 hours of professional development  
13 leadership training to ensure that each member has sufficient  
14 familiarity with the board's or governing body's role and  
15 responsibilities, including financial oversight and  
16 accountability of the school, evaluating the principal's and  
17 school's performance, adherence to the Freedom of Information  
18 Act and the Open Meetings Act, and compliance with education  
19 and labor law. In each subsequent year of his or her term, a  
20 voting member of a charter school's board of directors or  
21 other governing body shall complete a minimum of 2 hours of  
22 professional development training in these same areas. The  
23 training under this subsection may be provided or certified by  
24 a statewide charter school membership association or may be  
25 provided or certified by other qualified providers approved by  
26 the State Board.

1 (d) For purposes of this subsection (d), "non-curricular  
2 health and safety requirement" means any health and safety  
3 requirement created by statute or rule to provide, maintain,  
4 preserve, or safeguard safe or healthful conditions for  
5 students and school personnel or to eliminate, reduce, or  
6 prevent threats to the health and safety of students and  
7 school personnel. "Non-curricular health and safety  
8 requirement" does not include any course of study or  
9 specialized instructional requirement for which the State  
10 Board has established goals and learning standards or which is  
11 designed primarily to impart knowledge and skills for students  
12 to master and apply as an outcome of their education.

13 A charter school shall comply with all non-curricular  
14 health and safety requirements applicable to public schools  
15 under the laws of the State of Illinois. The State Board shall  
16 promulgate and post on its Internet website a list of  
17 non-curricular health and safety requirements that a charter  
18 school must meet. The list shall be updated annually no later  
19 than September 1. Any charter contract between a charter  
20 school and its authorizer must contain a provision that  
21 requires the charter school to follow the list of all  
22 non-curricular health and safety requirements promulgated by  
23 the State Board and any non-curricular health and safety  
24 requirements added by the State Board to such list during the  
25 term of the charter. Nothing in this subsection (d) precludes  
26 an authorizer from including non-curricular health and safety

1 requirements in a charter school contract that are not  
2 contained in the list promulgated by the State Board,  
3 including non-curricular health and safety requirements of the  
4 authorizing local school board.

5 (e) Except as otherwise provided in the School Code, a  
6 charter school shall not charge tuition; provided that a  
7 charter school may charge reasonable fees for textbooks,  
8 instructional materials, and student activities.

9 (f) A charter school shall be responsible for the  
10 management and operation of its fiscal affairs, including, but  
11 not limited to, the preparation of its budget. An audit of each  
12 charter school's finances shall be conducted annually by an  
13 outside, independent contractor retained by the charter  
14 school. The contractor shall not be an employee of the charter  
15 school or affiliated with the charter school or its authorizer  
16 in any way, other than to audit the charter school's finances.  
17 To ensure financial accountability for the use of public  
18 funds, on or before December 1 of every year of operation, each  
19 charter school shall submit to its authorizer and the State  
20 Board a copy of its audit and a copy of the Form 990 the  
21 charter school filed that year with the federal Internal  
22 Revenue Service. In addition, if deemed necessary for proper  
23 financial oversight of the charter school, an authorizer may  
24 require quarterly financial statements from each charter  
25 school.

26 (g) A charter school shall comply with all provisions of

1 this Article, the Illinois Educational Labor Relations Act,  
2 all federal and State laws and rules applicable to public  
3 schools that pertain to special education and the instruction  
4 of English learners, and its charter. A charter school is  
5 exempt from all other State laws and regulations in this Code  
6 governing public schools and local school board policies;  
7 however, a charter school is not exempt from the following:

3           (h) A charter school may negotiate and contract with a  
4           school district, the governing body of a State college or  
5           university or public community college, or any other public or  
6           for-profit or nonprofit private entity for: (i) the use of a  
7           school building and grounds or any other real property or  
8           facilities that the charter school desires to use or convert  
9           for use as a charter school site, (ii) the operation and  
10          maintenance thereof, and (iii) the provision of any service,  
11          activity, or undertaking that the charter school is required  
12          to perform in order to carry out the terms of its charter.  
13          Except as provided in subsection (i) of this Section, a school  
14          district may charge a charter school reasonable rent for the  
15          use of the district's buildings, grounds, and facilities. Any  
16          services for which a charter school contracts with a school  
17          district shall be provided by the district at cost. Any

22          (i) In no event shall a charter school that is established

18 Sec. 27A-5. Charter school; legal entity; requirements.

19 (a) A charter school shall be a public, nonsectarian,  
20 nonreligious, non-home based, and non-profit school. A charter  
21 school shall be organized and operated as a nonprofit  
22 corporation or other discrete, legal, nonprofit entity  
23 authorized under the laws of the State of Illinois.

24 (b) A charter school may be established under this Article  
25 by creating a new school or by converting an existing public

1 school or attendance center to charter school status. In all  
2 new applications to establish a charter school in a city  
3 having a population exceeding 500,000, operation of the  
4 charter school shall be limited to one campus. This limitation  
5 does not apply to charter schools existing or approved on or  
6 before April 16, 2003.

7 (b-5) (Blank).

8 (c) A charter school shall be administered and governed by  
9 its board of directors or other governing body in the manner  
10 provided in its charter. The governing body of a charter  
11 school shall be subject to the Freedom of Information Act and  
12 the Open Meetings Act. A charter school's board of directors  
13 or other governing body must include at least one parent or  
14 guardian of a pupil currently enrolled in the charter school  
15 who may be selected through the charter school or a charter  
16 network election, appointment by the charter school's board of  
17 directors or other governing body, or by the charter school's  
18 Parent Teacher Organization or its equivalent.

19 (c-5) No later than January 1, 2021 or within the first  
20 year of his or her first term, every voting member of a charter  
21 school's board of directors or other governing body shall  
22 complete a minimum of 4 hours of professional development  
23 leadership training to ensure that each member has sufficient  
24 familiarity with the board's or governing body's role and  
25 responsibilities, including financial oversight and  
26 accountability of the school, evaluating the principal's and

1 school's performance, adherence to the Freedom of Information  
2 Act and the Open Meetings Act, and compliance with education  
3 and labor law. In each subsequent year of his or her term, a  
4 voting member of a charter school's board of directors or  
5 other governing body shall complete a minimum of 2 hours of  
6 professional development training in these same areas. The  
7 training under this subsection may be provided or certified by  
8 a statewide charter school membership association or may be  
9 provided or certified by other qualified providers approved by  
10 the State Board.

11 (d) For purposes of this subsection (d), "non-curricular  
12 health and safety requirement" means any health and safety  
13 requirement created by statute or rule to provide, maintain,  
14 preserve, or safeguard safe or healthful conditions for  
15 students and school personnel or to eliminate, reduce, or  
16 prevent threats to the health and safety of students and  
17 school personnel. "Non-curricular health and safety  
18 requirement" does not include any course of study or  
19 specialized instructional requirement for which the State  
20 Board has established goals and learning standards or which is  
21 designed primarily to impart knowledge and skills for students  
22 to master and apply as an outcome of their education.

23 A charter school shall comply with all non-curricular  
24 health and safety requirements applicable to public schools  
25 under the laws of the State of Illinois. The State Board shall  
26 promulgate and post on its Internet website a list of

5 requires the charter school to follow the list of all  
6 non-curricular health and safety requirements promulgated by  
7 the State Board and any non-curricular health and safety  
8 requirements added by the State Board to such list during the  
9 term of the charter. Nothing in this subsection (d) precludes  
10 an authorizer from including non-curricular health and safety  
11 requirements in a charter school contract that are not  
12 contained in the list promulgated by the State Board,  
13 including non-curricular health and safety requirements of the  
14 authorizing local school board.

15 (e) Except as otherwise provided in the School Code, a  
16 charter school shall not charge tuition; provided that a  
17 charter school may charge reasonable fees for textbooks,  
18 instructional materials, and student activities.

19 (f) A charter school shall be responsible for the  
20 management and operation of its fiscal affairs, including, but  
21 not limited to, the preparation of its budget. An audit of each  
22 charter school's finances shall be conducted annually by an  
23 outside, independent contractor retained by the charter  
24 school. The contractor shall not be an employee of the charter  
25 school or affiliated with the charter school or its authorizer  
26 in any way, other than to audit the charter school's finances.

1 To ensure financial accountability for the use of public  
2 funds, on or before December 1 of every year of operation, each  
3 charter school shall submit to its authorizer and the State  
4 Board a copy of its audit and a copy of the Form 990 the  
5 charter school filed that year with the federal Internal  
6 Revenue Service. In addition, if deemed necessary for proper  
7 financial oversight of the charter school, an authorizer may  
8 require quarterly financial statements from each charter  
9 school.

10 (g) A charter school shall comply with all provisions of  
11 this Article, the Illinois Educational Labor Relations Act,  
12 all federal and State laws and rules applicable to public  
13 schools that pertain to special education and the instruction  
14 of English learners, and its charter. A charter school is  
15 exempt from all other State laws and regulations in this Code  
16 governing public schools and local school board policies;  
17 however, a charter school is not exempt from the following:

- 14 (36) the Illinois Human Rights Act.

15 The change made by Public Act 96-104 to this subsection  
16 (g) is declaratory of existing law.

17 (h) A charter school may negotiate and contract with a  
18 school district, the governing body of a State college or  
19 university or public community college, or any other public or  
20 for-profit or nonprofit private entity for: (i) the use of a  
21 school building and grounds or any other real property or  
22 facilities that the charter school desires to use or convert  
23 for use as a charter school site, (ii) the operation and  
24 maintenance thereof, and (iii) the provision of any service,  
25 activity, or undertaking that the charter school is required  
26 to perform in order to carry out the terms of its charter.

1 Except as provided in subsection (i) of this Section, a school  
2 district may charge a charter school reasonable rent for the  
3 use of the district's buildings, grounds, and facilities. Any  
4 services for which a charter school contracts with a school  
5 district shall be provided by the district at cost. Any  
6 services for which a charter school contracts with a local  
7 school board or with the governing body of a State college or  
8 university or public community college shall be provided by  
9 the public entity at cost.

10 (i) In no event shall a charter school that is established  
11 by converting an existing school or attendance center to  
12 charter school status be required to pay rent for space that is  
13 deemed available, as negotiated and provided in the charter  
14 agreement, in school district facilities. However, all other  
15 costs for the operation and maintenance of school district  
16 facilities that are used by the charter school shall be  
17 subject to negotiation between the charter school and the  
18 local school board and shall be set forth in the charter.

19 (j) A charter school may limit student enrollment by age  
20 or grade level.

21 (k) If the charter school is authorized by the State  
22 Board, then the charter school is its own local education  
23 agency.

4 (Text of Section after amendment by P.A. 102-466)

5 Sec. 27A-5. Charter school; legal entity; requirements.

6 (a) A charter school shall be a public, nonsectarian,  
7 nonreligious, non-home based, and non-profit school. A charter  
8 school shall be organized and operated as a nonprofit  
9 corporation or other discrete, legal, nonprofit entity  
10 authorized under the laws of the State of Illinois.

11 (b) A charter school may be established under this Article  
12 by creating a new school or by converting an existing public  
13 school or attendance center to charter school status. In all  
14 new applications to establish a charter school in a city  
15 having a population exceeding 500,000, operation of the  
16 charter school shall be limited to one campus. This limitation  
17 does not apply to charter schools existing or approved on or  
18 before April 16, 2003.

19 (b-5) (Blank).

20 (c) A charter school shall be administered and governed by  
21 its board of directors or other governing body in the manner  
22 provided in its charter. The governing body of a charter  
23 school shall be subject to the Freedom of Information Act and  
24 the Open Meetings Act. A charter school's board of directors  
25 or other governing body must include at least one parent or

1 guardian of a pupil currently enrolled in the charter school  
2 who may be selected through the charter school or a charter  
3 network election, appointment by the charter school's board of  
4 directors or other governing body, or by the charter school's  
5 Parent Teacher Organization or its equivalent.

6 (c-5) No later than January 1, 2021 or within the first  
7 year of his or her first term, every voting member of a charter  
8 school's board of directors or other governing body shall  
9 complete a minimum of 4 hours of professional development  
10 leadership training to ensure that each member has sufficient  
11 familiarity with the board's or governing body's role and  
12 responsibilities, including financial oversight and  
13 accountability of the school, evaluating the principal's and  
14 school's performance, adherence to the Freedom of Information  
15 Act and the Open Meetings Act, and compliance with education  
16 and labor law. In each subsequent year of his or her term, a  
17 voting member of a charter school's board of directors or  
18 other governing body shall complete a minimum of 2 hours of  
19 professional development training in these same areas. The  
20 training under this subsection may be provided or certified by  
21 a statewide charter school membership association or may be  
22 provided or certified by other qualified providers approved by  
23 the State Board.

24 (d) For purposes of this subsection (d), "non-curricular  
25 health and safety requirement" means any health and safety  
26 requirement created by statute or rule to provide, maintain,

1 preserve, or safeguard safe or healthful conditions for  
2 students and school personnel or to eliminate, reduce, or  
3 prevent threats to the health and safety of students and  
4 school personnel. "Non-curricular health and safety  
5 requirement" does not include any course of study or  
6 specialized instructional requirement for which the State  
7 Board has established goals and learning standards or which is  
8 designed primarily to impart knowledge and skills for students  
9 to master and apply as an outcome of their education.

10 A charter school shall comply with all non-curricular  
11 health and safety requirements applicable to public schools  
12 under the laws of the State of Illinois. The State Board shall  
13 promulgate and post on its Internet website a list of  
14 non-curricular health and safety requirements that a charter  
15 school must meet. The list shall be updated annually no later  
16 than September 1. Any charter contract between a charter  
17 school and its authorizer must contain a provision that  
18 requires the charter school to follow the list of all  
19 non-curricular health and safety requirements promulgated by  
20 the State Board and any non-curricular health and safety  
21 requirements added by the State Board to such list during the  
22 term of the charter. Nothing in this subsection (d) precludes  
23 an authorizer from including non-curricular health and safety  
24 requirements in a charter school contract that are not  
25 contained in the list promulgated by the State Board,  
26 including non-curricular health and safety requirements of the

1 authorizing local school board.

2 (e) Except as otherwise provided in the School Code, a  
3 charter school shall not charge tuition; provided that a  
4 charter school may charge reasonable fees for textbooks,  
5 instructional materials, and student activities.

6 (f) A charter school shall be responsible for the  
7 management and operation of its fiscal affairs, including, but  
8 not limited to, the preparation of its budget. An audit of each  
9 charter school's finances shall be conducted annually by an  
10 outside, independent contractor retained by the charter  
11 school. The contractor shall not be an employee of the charter  
12 school or affiliated with the charter school or its authorizer  
13 in any way, other than to audit the charter school's finances.  
14 To ensure financial accountability for the use of public  
15 funds, on or before December 1 of every year of operation, each  
16 charter school shall submit to its authorizer and the State  
17 Board a copy of its audit and a copy of the Form 990 the  
18 charter school filed that year with the federal Internal  
19 Revenue Service. In addition, if deemed necessary for proper  
20 financial oversight of the charter school, an authorizer may  
21 require quarterly financial statements from each charter  
22 school.

23 (g) A charter school shall comply with all provisions of  
24 this Article, the Illinois Educational Labor Relations Act,  
25 all federal and State laws and rules applicable to public  
26 schools that pertain to special education and the instruction

1 of English learners, and its charter. A charter school is  
2 exempt from all other State laws and regulations in this Code  
3 governing public schools and local school board policies;  
4 however, a charter school is not exempt from the following:

5 (1) Sections 10-21.9 and 34-18.5 of this Code

7 university or public community college, or any other public or  
8 for-profit or nonprofit private entity for: (i) the use of a  
9 school building and grounds or any other real property or  
10 facilities that the charter school desires to use or convert  
11 for use as a charter school site, (ii) the operation and  
12 maintenance thereof, and (iii) the provision of any service,  
13 activity, or undertaking that the charter school is required  
14 to perform in order to carry out the terms of its charter.  
15 Except as provided in subsection (i) of this Section, a school  
16 district may charge a charter school reasonable rent for the  
17 use of the district's buildings, grounds, and facilities. Any  
18 services for which a charter school contracts with a school

21 limitations of all policies established or adopted under  
22 Section 14-8.05, teachers, other licensed ~~certificated~~  
23 educational employees, and any other person, whether or not a  
24 licensed ~~certificated~~ employee, providing a related service  
25 for or with respect to a student shall maintain discipline in

1 the schools, including school grounds which are owned or  
2 leased by the board and used for school purposes and  
3 activities. In all matters relating to the discipline in and  
4 conduct of the schools and the school children, they stand in  
5 the relation of parents and guardians to the pupils. This  
6 relationship shall extend to all activities connected with the
