

## 103RD GENERAL ASSEMBLY

### State of Illinois

2023 and 2024

HB4769

Introduced 2/6/2024, by Rep. Will Guzzardi

#### SYNOPSIS AS INTRODUCED:

630 ILCS 5/70

Amends the Public-Private Partnerships for Transportation Act. Provides that each responsible public entity shall explore and identify whether unhoused individuals live near or at the site of a transportation project before a project begins. Provides that if individuals are identified, the responsible public entity shall contact and coordinate with the Department of Human Services to relocate the individuals until the project is completed.

LRB103 37585 MXP 67711 b

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Public-Private Partnerships for  
5 Transportation Act is amended by changing Section 70 as  
6 follows:

7 (630 ILCS 5/70)

8 Sec. 70. Additional powers of responsible public entities  
9 with respect to transportation projects.

10 (a) Each responsible public entity may exercise any powers  
11 provided under this Act in participation or cooperation with  
12 any governmental entity and enter into any contracts to  
13 facilitate that participation or cooperation without  
14 compliance with any other statute. Each responsible public  
15 entity shall cooperate with each other and with other  
16 governmental entities in carrying out transportation projects  
17 under this Act.

18 (b) Each responsible public entity may make and enter into  
19 all contracts and agreements necessary or incidental to the  
20 performance of the responsible public entity's duties and the  
21 execution of the responsible public entity's powers under this  
22 Act. Except as otherwise required by law, these contracts or  
23 agreements are not subject to any approvals other than the

1 approval of the responsible public entity and may be for any  
2 term of years and contain any terms that are considered  
3 reasonable by the responsible public entity.

4 (c) Each responsible public entity may pay the costs  
5 incurred under a public-private agreement entered into under  
6 this Act from any funds available to the responsible public  
7 entity under this Act or any other statute.

8 (d) A responsible public entity or other State agency may  
9 not take any action that would impair a public-private  
10 agreement entered into under this Act.

11 (e) Each responsible public entity may enter into an  
12 agreement between and among the contractor, the responsible  
13 public entity, and the Illinois State Police concerning the  
14 provision of law enforcement assistance with respect to a  
15 transportation project that is the subject of a public-private  
16 agreement under this Act.

17 (f) Each responsible public entity is authorized to enter  
18 into arrangements with the Illinois State Police related to  
19 costs incurred in providing law enforcement assistance under  
20 this Act.

21 (g) Each responsible public entity shall explore and  
22 identify whether unhoused individuals live near or at the site  
23 of a transportation project before a project begins. If  
24 individuals are identified, the responsible public entity  
25 shall contact and coordinate with the Department of Human  
26 Services to relocate the individuals until the project is

1 completed.
