A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Information Technology Accessibility Act is
5 amended by changing Section 25 as follows:

6 (30 ILCS 587/25)

7 Sec. 25. Review and amendment of standards. In calendar
8 year 2026 and not less often than every 3 years thereafter, the
9 Department of Innovation and Technology ~~The Department of~~
10 ~~Human Services~~ shall, ~~at a minimum,~~ review the accessibility
11 standards ~~every 3 years after the date of initial publication~~
12 and, as appropriate, amend the standards to reflect
13 technological advances or changes in electronic and
14 information technology. The Secretary of Innovation and
15 Technology ~~Human Services~~ may convene a working group of
16 appropriate State entity representatives, stakeholders, and
17 other appropriate individuals and officials to advise and
18 assist in the process of reviewing and amending the standards.
19 Within 6 months after the publication by the Department of
20 Innovation and Technology ~~Human Services~~ of amendments to the
21 standards, ~~the Director of Central Management Services and~~
22 other State entities shall review the amended standards and
23 make any necessary changes to their existing procurement

1 policies and procedures to incorporate amendments to the
2 accessibility standards into their procurement policies and
3 procedures. The amended accessibility standards shall apply to
4 electronic and information technology developed or procured by
5 a State entity, or to substantial modifications made to
6 electronic and information technology by a State entity, after
7 the ~~Department of Central Management Services~~ and other State
8 entities incorporate the amended accessibility standards into
9 their procurement policies and procedures.
