LRB103 38175 RPS 71283 a

1 AMENDMENT TO HOUSE BILL 5051

2 AMENDMENT NO. _____. Amend House Bill 5051 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Prior Authorization Reform Act is amended
5 by adding Section 52 as follows:

6 (215 ILCS 200/52 new)

7 Sec. 52. Prior authorization for certain prescription
8 drugs; prohibited. A health insurance issuer may not require
9 prior authorization for:

10 (1) a prescription drug prescribed to a patient by a
11 health care professional for 6 or more consecutive months,
12 regardless of whether the prescription drug is a
13 non-preferred medication pursuant to the patient's health
14 insurance coverage; and

15 (2) the following prescription drug types and their
16 therapeutic equivalents approved by the United States Food

1 and Drug Administration that are on the formulary:
2 insulin; human immunodeficiency virus pre-exposure
3 prophylaxis and post-exposure prophylaxis medication;
4 human immunodeficiency virus treatment medication; viral
5 hepatitis medication; or hormone therapy medication,
6 including, but not limited to, estrogen, progesterone, and
7 testosterone.

8 Section 10. The Illinois Public Aid Code is amended by
9 adding Section 5-52 as follows:

10 (305 ILCS 5/5-52 new)

11 Sec. 5-52. Prior authorization for certain prescription
12 drugs; prohibited. The fee-for-service medical assistance
13 program and a Medicaid managed care organization may not
14 require prior authorization for:

15 (1) a prescription drug prescribed to a patient by a
16 health care professional for 6 or more consecutive months,
17 regardless of whether the prescription drug is a
18 non-preferred medication under the medical assistance
19 program; and

20 (2) the following prescription drug types and their
21 therapeutic equivalents approved by the United States Food
22 and Drug Administration that are on the formulary:
23 insulin; human immunodeficiency virus pre-exposure
24 prophylaxis and post-exposure prophylaxis medication;

1 human immunodeficiency virus treatment medication; viral
2 hepatitis medication; or hormone therapy medication,
3 including, but not limited to, estrogen, progesterone, and
4 testosterone.

5 Section 99. Effective date. This Act takes effect January
6 1, 2026."
