

103RD GENERAL ASSEMBLY State of Illinois 2023 and 2024 HB5051

Introduced 2/8/2024, by Rep. Jenn Ladisch Douglass

SYNOPSIS AS INTRODUCED:

215 ILCS 200/52 new

Amends the Prior Authorization Reform Act. Provides that a health insurance issuer may not require prior authorization for a prescription drug prescribed to a patient by a health care professional for 6 or more consecutive months, regardless of whether the prescription drug is a non-preferred medication pursuant to the patient's health insurance coverage; or for specified prescription drugs, including insulin, human immunodeficiency virus prevention medication; human immunodeficiency virus treatment medication; viral hepatitis medication; estrogen; and progesterone.

LRB103 38175 RPS 68308 b

1 AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- Section 5. The Prior Authorization Reform Act is amended by adding Section 52 as follows:
- 6 (215 ILCS 200/52 new)
- Sec. 52. Prior authorization prohibited. A health insurance issuer may not require prior authorization for:
- 9 (1) a prescription drug prescribed to a patient by a
 10 health care professional for 6 or more consecutive months,
 11 regardless of whether the prescription drug is a
 12 non-preferred medication pursuant to the patient's health
 13 insurance coverage;
- 14 (2) the following prescription drugs or the
 15 therapeutic equivalent approved by the United States Food
 16 and Drug Administration: insulin; human immunodeficiency
 17 virus prevention medication; human immunodeficiency virus
 18 treatment medication; viral hepatitis medication;
- 19 estrogen; and progesterone; or
- 20 (3) human immunodeficiency virus pre-exposure
 21 prophylaxis and post-exposure prophylaxis drugs approved
 22 by the United States Food and Drug Administration;
 23 Truvada; Harvoni; Descovy; and Apretude.
